## والعلامات حتى 29 أغسطس 2017

Holy\_bible\_1

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه ليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقه اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقه لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك زيت الا ما جمعه سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض

ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي

المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما

انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.»

Tropical Storm "Pakhar," known in the Philippines as Jolina, made landfall in Aurora province on Friday, August 25, 2017. The storm is dumping moderate to heavy rainfall within 300 km (186 miles) from the center. After passing over the Philippines, Pakhar is expected to strengthen and make landfall in China's Guangdong Province, just south of Hong Kong and Macau, around 18:00 UTC on August 27. This is the same region devastated by Typhoon "Hato" just a few days ago.

At 21:00 UTC on August 25, the center of Tropical Storm "Pakhar" (Jolina) was located somewhere in the vicinity of Aguinaldo, Ifugao, approximately 235 km (146 miles) north of Manila, Philippines and has tracked northwestward at 20 km/h (13 mph) over the past 6 hours.

According to PAGASA, Pakhar has maximum sustained winds of 75 km/h (46 mph) near the center and gusts up to 120 km/h (74 mph).

The mayor of Machareti, Eduviges Chambaye, confirmed on Thursday that 2,474 heads of cattle died in not more than a month due to unknown causes, a sanitary situation that alarmed the cattlemen of that region of Chaco de Chuquisaca.

"The official data that the professionals of the municipality of Macahareti, the Government of Chuquisaca and the Senasag (National Service of Agricultural Health and Food Safety) made a total of 2,474 livestock," he told reporters.

Chambaye detailed that 16,000 cattle are in that risk zone, of which 873 are sick, 253 farms or corrals that were inspected by the technicians of these three institutions.

He argued that two of three laboratory tests say that massive death of cattle is due to hemoparasites, intoxication and clostridiosis, which are fatal diseases that affect cattle.

These results correspond to the Laboratory of Investigation and Diagnostic Veterinary (Lidivet) of Santa Cruz and to the Integral Agricultural Laboratory Villa Montes, Tarija, respectively, added.

While the Laboratory of Water, Soils and Plants of the Gabriel René Moreno University of Santa Cruz, will deliver the final results only tomorrow, Friday, as it is a function of a cognitive test on mice, complement.

21 August 2017

**SWEDEN** - Dr Ingrid Eilertz, Chief Veterinary Officer Director and Head of the Swedish Board of Agriculture Department for Animal Welfare and Health at the Ministry for Rural Affairs has reported an outbreak of Newcastle disease at a poultry farm located in Kalmar County.

The World Organisation for Animal Health (OIE) received an immediate notification on Friday, 18 August. According to the report, the outbreak was first observed on 13 August and confirmed last Thursday (17 August) after real-time PCR and virus sequencing tests were conducted on 16 and 17 August respectively at the National Veterinary Institute.

The affected population comprises a poultry farm with laying hens divided in two houses, where symptoms like egg drop and eggs without shells were noticed. However, no increase in mortality has been seen in either one of the houses.

## NATO chief demands Russian 'transparency' on war games

by Staff Writers  
Warsaw (AFP) Aug 25, 2017

NATO Secretary General Jens Stoltenberg on Friday urged the Kremlin to comply with rules on transparency as it gears up for huge military exercises along the alliance's eastern flank next month.

The drill, named Zapad 2017 ("West"), has stoked fresh alarm in NATO-members Poland and the Baltic states as a more assertive Russia pushes back against what it sees as the alliance's unjustified expansion into eastern Europe.

"I call on Russia to ensure compliance with its obligations under the OSCE Vienna Document, because predictability, transparency is especially important when we have increased military activity along our borders," Stoltenberg told reporters in Warsaw at a joint press conference with Poland's right-wing Prime Minister Beata Szydlo.

The Vienna Document requires all sides to provide advance information about exercises and allow observer teams so as to avoid any dangerous misunderstandings.

The NATO chief had much stronger words for Moscow on Thursday in Italy when he said that "the aggressive behaviour of Russia has undermined stability and security in Europe."

### NATO accuses Russia of undermining stability in Europe

Rome (AFP) Aug 24, 2017 - NATO accused Russia Thursday of "undermining stability and security in Europe" through its "aggressive behaviour".

"We have worked actively to forge a strategic partnership with Russia" since the Cold War, NATO chief Jens Stoltenberg told a defence and peace meeting in Italy.

"However, the aggressive behaviour of Russia has undermined stability and security in Europe," he added.

The 2014 incursion of pro-Russian forces into eastern Ukraine and Russia's annexation of Crimea have strained ties with the west to the limit.

## Japan deploys missile defence over N. Korea threat to Guam

by Staff Writers  
Tokyo (AFP) Aug 12, 2017

Japan deployed its Patriot missile defence system on Saturday after North Korea threatened to fire ballistic missiles over the country towards the US Pacific territory of Guam, local officials and reports said.

Regional tensions are mounting as Washington and Pyongyang ratchet up their war of words, with President Donald Trump warning Pyongyang would "truly regret" any hostile action against the US.

Japan has in the past vowed to shoot down North Korean missiles or rockets that threaten to hit its territory.

The defence ministry deployed the Patriot Advanced Capability-3 (PAC-3) system in Shimane, Hiroshima and Kochi in western Japan, which North Korea had warned could be along its missiles' flight path, public broadcaster NHK and Kyodo News said.

It also deployed the anti-missile system in neighbouring Ehime, according to the reports, while the Asahi Shimbun said one maritime Self-Defence Force Aegis destroyer was stationed in the Sea of Japan (East Sea) to shoot down airborne missiles.

Television footage showed military vehicles carrying launchers and other equipment for the surface-to-air system entering a Japanese base in Kochi before dawn.

Immediate confirmation from the defence ministry was not available but an official at the crisis management office of the Kochi

### Dunford reassures South Korean allies at Combined Forces Command

Washington (UPI) Aug 14, 2017 - The United States is fully prepared to defend South Korea and other Pacific allies from North Korea, Chairman of the Joint Chiefs of Staff Gen. Joseph Dunford told reporters at Combined Forces Command near Seoul on Monday.

"The message today was the ironclad commitment to the alliance," Dunford said following a meeting with top South Korean defense officials.

Dunford downplayed any talk of preemptive action against North Korea, saying that the current defense posture was defensive in nature until ordered otherwise by the president.

"The military dimension today is directly in support of that diplomatic and economic effort," he said.

"We are seeking peaceful resolution to the crisis right now."

North Korean ballistic missile tests followed by threats to the strategic U.S. territory Guam has led to reassurances from military officials that they are capable of combating any North Korean action. U.S. President Donald Trump has threatened massive retaliation if North Korea attacks U.S.

SEOUL, Aug. 26 (Yonhap) -- North Korea launched at least three ballistic missiles into the East Sea on Saturday morning, according to South Korean and U.S. militaries.

The North fired "several unidentified projectiles" from the vicinity Gitdaeryong in Gangwon Province starting at around 6:49 a.m., said the Joint Chiefs of Staff (JCS).

Some of those flew more than 250 kilometers in the northeastern direction, it added.

The U.S. Pacific Command (PACOM) also said, "Initial assessment indicates three short-range ballistic missile launches."

"The first and third missiles at 11:49 a.m. (Hawaii time) and 12:19 p.m. failed in flight," the PACOM's spokesman Cdr. David Benham said in an emailed statement. "The second missile launch at 12:07 p.m. appears to have blown up almost immediately."

The North American Aerospace Defense Command (NORAD) determined the three ballistic missile launches from North Korea did not pose a threat to North America, he added.

South Korea and U.S. armed forces are conducting their annual joint drills, called Ulchi Freedom Guardian (UFG), in Korea.

It all happened in the course of one night, and it happened quite suddenly.

Last Thursday night, I noticed that YouTube demonetized my interview with a former KKK Grand Dragon who is now an associate pastor in an African- American church, claiming it was "Not suitable for all advertisers"? Why wouldn't it be? It was a great, positive, redemptive story, one that the whole world should hear. Why flag it?

The demonetizing of this video was the first thing that got my attention, but I thought to myself, "It's probably because it has KKK in the title."

For months now, we had noticed that almost any video we had with "Islam" in the title would get demonetized. But when we would request a review from YouTube, some of the videos would get reinstated.

Still, we had seen a drop of more than 65 percent in our AskDrBrown YouTube income, despite

## Elementary Teacher's Note to Parents about 'Religious Talk' Sparks Backlash

AUGUST 27, 2017

Parents in Indiana are shocked after an elementary school teacher sent home a note discouraging discussion about 'God', 'Jesus', and 'Devil' in her classroom at McCordsville Elementary. "I just couldn't even believe that I was receiving something like this and reading something of this nature for first-graders," one parent told 24-Hour News 8.

The incident occurred at Rocklin Academy, a school rocked by controversy after a kindergarten teacher led an in-class discussion on transgenderism that included a “gender reveal” for a little boy who was transitioning to a little girl.

*For kindergartners.*

Parents were furious because they were not informed in advance and were not given the chance to opt-out their five-year-old's from the classroom transgender activity. However, school leaders informed moms

## DAYS OF LOT: 5 Year-Old Kindergarten Boy Undergoes Transition to Girl in front of Classmates

AUGUST 22, 2017

The push to make children comfortable with transgenderism has reached disturbing new depths, with a California school promoting it to kindergartners by having a 5-year-old boy undergo a “transition ceremony” in front of classmates. The boy left his classroom at Rocklin Academy Schools in Rocklin dressed as a boy then returned dressed as a girl. **KTXL-TV, a Fox affiliate in Sacramento, reported** two books written specifically for young children were read in the class “to illustrate what
