اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه ليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيق اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض

ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي

المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما

انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.»

Alien asteroid is first known 'permanent resident' outside our solar system

Hey bub, you're going the wrong way.

The solar system's first known "resident" that came from interstellar space — an asteroid orbiting backward around Jupiter — has been discovered, [scientists announced Monday](#).

"How the asteroid came to move in this way while sharing Jupiter's orbit has until now been a mystery," said [Fathi Namouni](#), lead author of the new study and a scientist at the University of Cote d'Azur in Nice, France.

The planets and most other objects in our solar system travel around the sun in the same direction. This asteroid is different — moving in the opposite direction in "retrograde" orbit.

The asteroid has the inelegant name of 2015 BZ509, indicating the year of its discovery.

Astronomers base their finding on extensive computer simulations that show the object has always orbited in reverse around the sun.

"If 2015 BZ509 were a native of our system, it should have had the same original direction as all of the other planets and asteroids, inherited from the cloud of gas and dust that formed them," Namouni said.

Pakistan heatwave kills 65 people in Karachi and death toll could rise

May 24, 2018 | 0 ● | ★★★★★

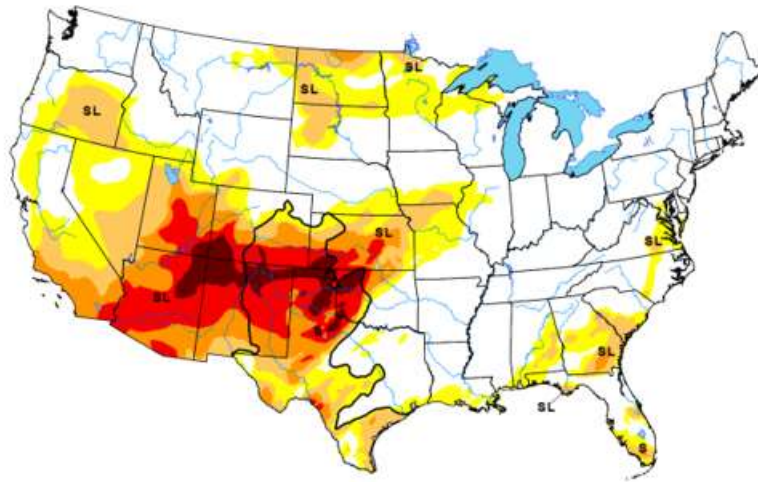

A heatwave has killed 65 people in Pakistan's southern city of Karachi over the past three days, a social welfare organization said on Tuesday, amid fears the death toll could climb as the high temperatures persist. The heatwave has coincided with power outages and the holy month of Ramadan, when most Muslims do not eat or drink during daylight hours. Temperatures hit 44 degrees Celsius (111

Fahrenheit) on Monday, local media reported. Faisal Edhi, who runs the Edhi Foundation that operates morgues and an ambulance service in Pakistan's biggest city, said the deaths occurred mostly in the poor areas of Karachi. "Sixty-five people have died over the last three days," Edhi told Reuters. "We have the bodies in our cold storage facilities and their neighborhood doctors have said they died of heat-stroke."

Meanwhile, the Kilauea eruption is increasing in intensity with new volcanic fissures tearing up the ground, lava flow almost reaching a power plant and impressive lava fountains lightning up the night sky.

It's fish kill season in Minnesota (and yes, that is different than fishing).

All around the state, hundreds of dead fish are washing up to the shorelines of small lakes, including about 10 lakes in the east metro. But officials aren't concerned.

Winter kill is standard, especially in longer winters like this year's.

The chief of the Iranian military warned that his country was "more prepared now than ever" for hostilities, defying the United States after US Secretary of State Mike Pompeo said the Trump administration would impose "strongest sanctions in history" on the Tehran regime.

On Monday, Pompeo unveiled the administration's plans for new sanctions on the rogue state, warning Iran that it would be forced to either "fight to keep its economy off life support at home, or keep squandering precious wealth in fights abroad. It will not have the

Iran is continuing to deceive the world about its long-range missile program and is also continuing its military build-up in Syria despite a devastating Israeli offensive which destroyed 50 Iranian military sites on May 10.

Pentagon 'ready to respond' to any N. Korea provocations

by Staff Writers
Washington (AFP) May 24, 2018

The Pentagon is ready to respond to any "provocative actions" from North Korea, an official said Thursday after President Donald Trump canceled a summit with North Korean leader Kim Jong Un.

"We are in a boxer stance, we are ready to respond," Lieutenant General Kenneth McKenzie, director of the US military's Joint Staff, told reporters.

"We'll see what develops over the next few days. If any provocative actions occur from (North Korea), we will certainly, in concert with our allies and partners in the region, be ready for it."

Secretary of State Jim Mattis spoke with Trump by phone earlier in the day, but officials would not say if he had been part of the decision process to scrap the summit or was merely informed of it.

Pentagon spokeswoman Dana White said the Pentagon is part of the US "maximum pressure" campaign against North Korea that includes tough sanctions, diplomatic moves and military readiness.

"We are ready to fight tonight. That's always been the case," she said at a joint briefing with McKenzie.

McKenzie added the Pentagon maintains a "very high" state of vigilance

Text of Trump's letter to N. Korea's Kim

Washington (AFP) May 24, 2018 - US President Donald Trump sent a letter to North Korean leader Kim Jong Un on Thursday announcing their planned June 12 landmark summit in Singapore would not take place. Here is a copy of the text:

Dear Mr Chairman:

We greatly appreciate your time, patience and effort with respect to our recent negotiations and discussions relative to a summit long sought by both parties, which was scheduled to take place on June 12 in Singapore. We were informed that the meeting was requested by North Korea, but that to us is totally irrelevant. I was very much looking forward to being there with you. Sadly, based on the tremendous anger and open hostility displayed in your most recent statement, I feel it is inappropriate, at this time, to have this long-planned meeting. Therefore, please let this letter serve to represent that the Singapore summit, for the good of both parties

Turkey: Israel harming itself if it recognizes 'Armenian Holocaust'

Foreign Ministry spokesman in Turkey cautions Israel against recognizing 20th century Armenian Genocide after Knesset speaker backs the idea amid diplomatic spat between Jerusalem and Ankara.

Ynet | Published: 05.25.18 , 13:51

Israel will be harming itself if it chooses to recognize the Armenian Genocide, Turkey warned on Friday in the latest verbal sparring match that has bedeviled the two countries' relations in recent weeks.

•Follow Ynetnews on [Facebook](#) and [Twitter](#)

The warning comes two days after Knesset Speaker Yoel (Yuli) Edelstein said Wednesday that "Israel must recognize the Armenian Genocide," signalling a potential departure from years-long Israeli policy to refrain from granting recognition to the Ottoman government's systematic murder of 1.5 million Armenians.

"We believe that the fact that Israel is placing the events of 1915 on the same level as the Holocaust will cause harm to (Israel) itself," said a spokesman for Turkey's Foreign Ministry to a group of journalists.

Five ancient coins – believed to be among the first ever minted by Jews – have been found by a special project that is sifting through thousands of tons of dirt removed from Jerusalem's Temple Mount by Muslims.

Oncologists Protest After True

According Breaking Israel News, five coins were found. Three were in pristine condition and two showed signs of wear.

They have the letters "YHD," or Yehud, which, the report said, is the Aramaic name for the biblical kingdom of Judea.

They date to about the end of the fourth century B.C.

They were found, the report said, "as part of the Temple Mount Sifting Project, an archaeological initiative started in order to sift thousands of tons of dirt illegally excavated and dumped in the Kidron Valley by the Islamic Waqf in 1999."

SCIOTA, Ill. —

Officials at an Illinois high school recently prohibited a valedictorian from speaking about Jesus in his graduation speech.

Student Sam Blackledge, 18, told the Todd Starnes Radio Show that he was called to the principal's office at West Prairie High School last week where it was outlined by school and district officials that he needed to take his religious references out of his speech.

"They said they didn't want to make it a religious ceremony," he stated. "They told me that if I took out Christ I could say everything else."

The Boy Scouts have decided to accept people who identify as gay and lesbian among their ranks. And girls are welcome now, too, into the iconic organization, which has renamed itself Scouts BSA.

So what's next?

A mandate that condoms be made available to "all participants" of its global gathering.

It's among the demands of the World Scout Committee for any host country of a World Scout Jamboree.

That would include the 24th World Scout Jamboree, scheduled July 21-Aug. 1, 2019, in West Virginia.

NEWPORT NEWS, Va. — A federal judge has ruled that a Virginia school district engaged in “sex stereotyping” by not allowing a female student who identifies as male to use the boys’ restroom.

Hawaii Becomes 12th State to Ban Conversion Therapy for Minors

Some people really do believe that you can “cure the gays” with exorcism and electrocution.

On Friday, Hawaii state lawmakers approved a ban on gay conversion therapy treatments conducted on minors.

Conversion therapy is exactly what it sounds like – it is the practice of trying to change an individual’s sexual orientation from homosexual or bisexual to heterosexual. Some methods include performing an exorcism, electroconvulsive therapy, and “overdosing” on homosexuality. Conversion therapy is also referred to as reparative therapy.

“This has been a priority of the caucus for years,” said Michael Golojuch, chair of the LGBT Caucus of the Democratic Party of Hawaii. “[The measure] ensures that LGBTQ youth will not be tortured by mental health professionals.”

Other states are following suit. On Wednesday, LGBT activists made a push for New York to join the other states that have outlawed conversion therapy, according to the NBC-affiliated station WHEC-TV.

Thousands of children, some as young as 4, are being referred to the United Kingdom's Gender Identity Development Service, creating a waiting list at the National Health Service facility.

The Tavistock and Portman NHS Foundation Trust has revealed in a new report that referrals for children are up 25 percent from just a year earlier.

Polly Carmichael, a consulting psychologist and a director for the GIDS, said there is more recognition of students with gender issues and more acceptance, which apparently translates into more referrals.

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما كان حين امنا

13: 12 قد تنهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

بطرس الأولى 3: 14

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

بل نؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.
