يسوع هو المسيح

تنبيه وإعلان

تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافى من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمَمٌ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

China brings astronauts back, advances closer to "space station era"

by Staff Writers
Beijing (XNA) Sep 20, 2021

Having worked in the space station core module Tianhe for three months - the longest-ever human space mission in the Chinese history, three "taikonauts" of the Shenzhou-12 crew returned to Earth on Friday, hitting a new milestone in China's space exploration.

With a resolution for self-reliance in aerospace technology and an open mind for international cooperation, these years China has been converting its space ambitions into splendid achievements step by step.

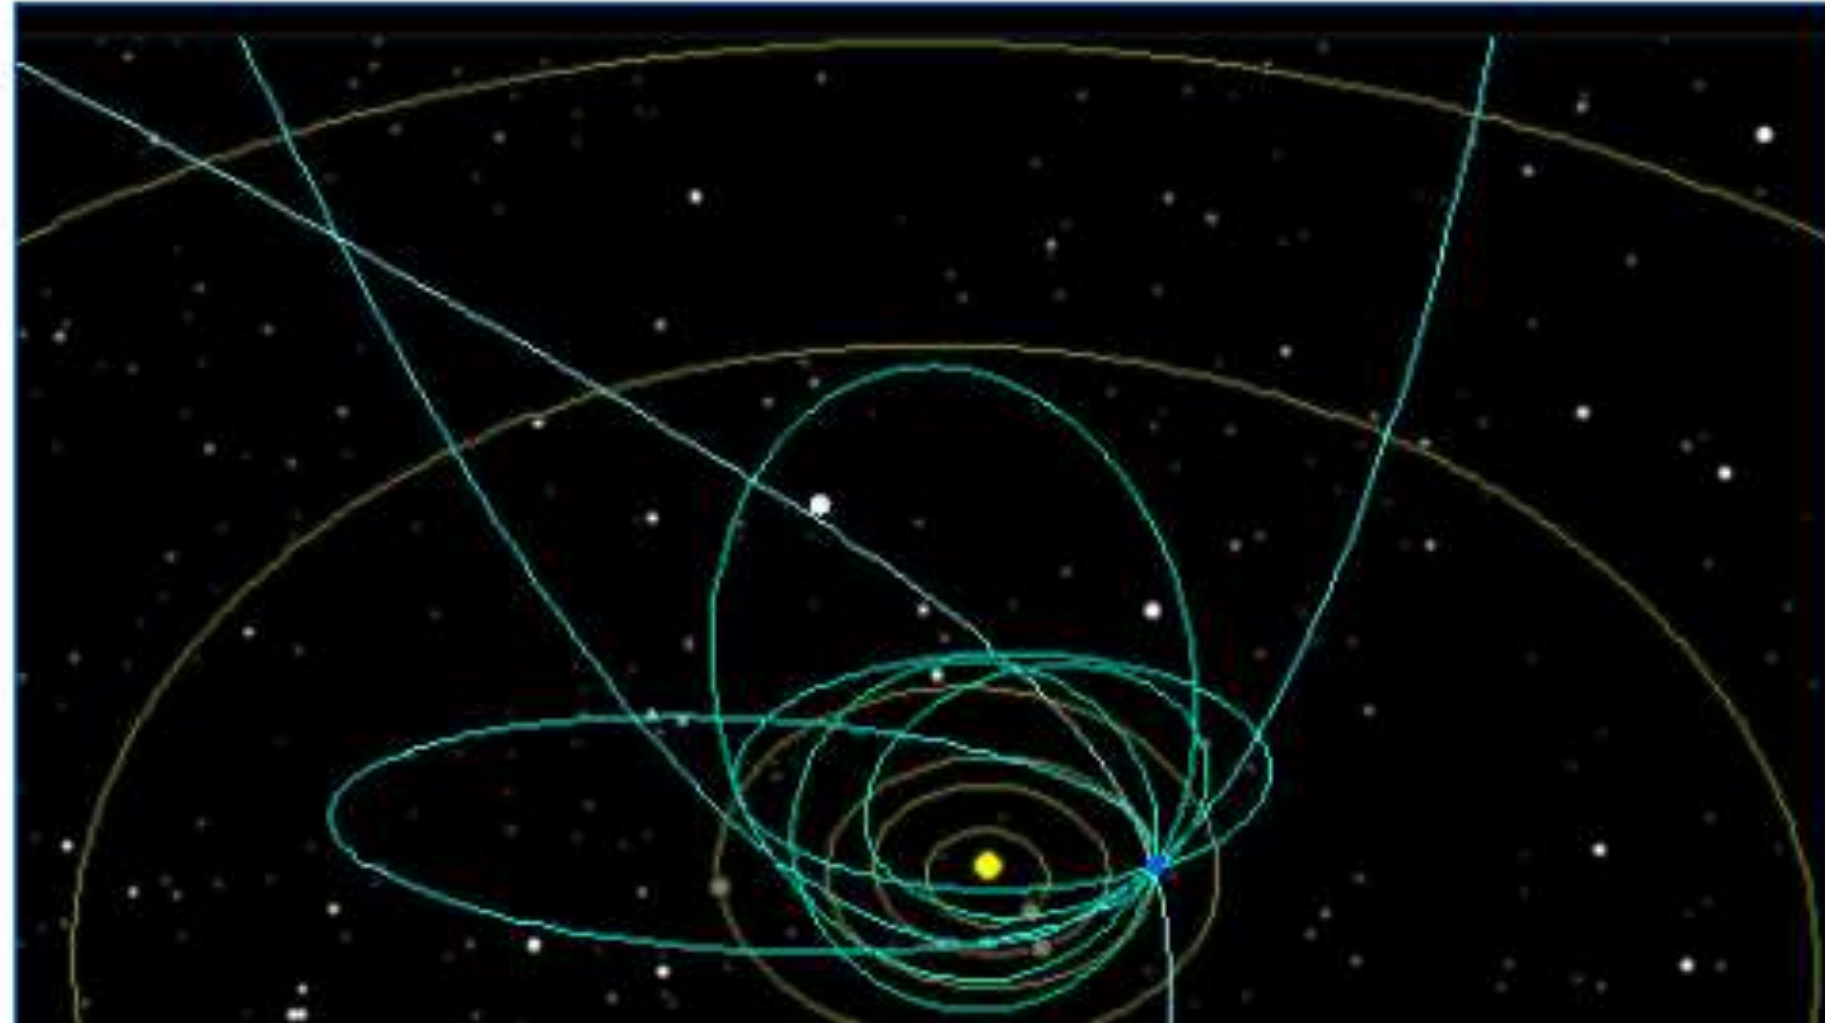

China's first self-developed space station, Tiangong, is independently constructed and operated by the country, demonstrating the

Port Elizabeth, South Africa — A swarm of bees has killed 63 endangered African penguins on a beach outside Cape Town, the Southern African Foundation for the Conservation of Coastal Birds said on Sunday.

“After tests, we found bee stings around the penguins’ eyes,” said the foundation’s David Roberts, a clinical veterinarian.

Abstract

Background Reports of waning vaccine-induced immunity against COVID-19 have begun to surface. With that, the comparable long-term protection conferred by previous infection with SARS-CoV-2 remains unclear.

Methods We conducted a retrospective observational study comparing three groups: (1)SARS-CoV-2-naïve individuals who received a two-dose regimen of the BioNTech/Pfizer mRNA BNT162b2 vaccine, (2)previously infected individuals who have not been vaccinated, and (3)previously infected and single dose vaccinated individuals. Three multivariate logistic regression models were applied. In all models we evaluated four outcomes: SARS-CoV-2 infection, symptomatic disease, COVID-19-related hospitalization and death. The follow-up period of June 1 to August 14, 2021, when the Delta variant was dominant in Israel.

Results SARS-CoV-2-naïve vaccinees had a 13.06-fold (95% CI, 8.08 to 21.11) increased risk for breakthrough infection with the Delta variant compared to those previously infected, when

Russia possesses 'unbelievable military power' after transforming forces, US General Says

by Staff Writers
Washington (Sputnik) Sep 20, 2021

Russia now has "unbelievable military power" after transforming its armed forces over the past 20 years, Vice Chairman of the Joint Chiefs of Staff Gen. John Hyten said on Friday.

"Russia has an unbelievably powerful military," Hyten told an Atlantic Council podcast. "They have transformed their military in the past 20 years."

Hyten noted that Russia had made no secret of its determination to completely modernize its strategic nuclear, space and cyber forces, but US leaders had not paid attention and the 2010 National Security Strategy of President Barack Obama did not mention Russia as a potential future rival or peer competitor.

US Space Force Commander claims Russia has armed satellite in orbit

by Staff Writers
Washington (Sputnik) Sep 22, 2021

Russia already has deployed in low-earth orbit a "nesting doll" satellite armed with a weapon that can destroy US satellites vital for communications, command and control and precision targeting, Space Force Commander General John Raymond said on Tuesday.

"Russia has a nesting doll satellite [in orbit] to destroy US satellites, armed with a weapon to destroy US satellites," Raymond told the Air Force Association (AFA) Air Space Cyber Conference at National Harbor in the US state of Maryland. "It denies our ability to leverage space as a force multiplier."

Raymond claimed the satellite is designed like a Russian "nesting doll," with an outer casing that

China hosts first multinational peacekeeping exercise

by AFP Staff Writers
Zhumadian, China (AFP) Sept 15, 2021

China wrapped up the country's first multinational peacekeeping exercise on Wednesday, demonstrating the extent of its military might on a huge training ground ringed by mountains.

China's defence spending is the second largest in the world after the US, and tensions have dramatically increased between rival powers as Beijing has poured trillions of yuan into the modernisation of its military.

But the country has repeatedly sought to allay fears over its military intentions, projecting itself as a peaceful counterpoint to what it calls the "bullying, hegemonic behaviour" of Washington.

Troops from Thailand, Mongolia and Pakistan joined China's armed forces for the 10-day exercise dubbed "Shared Destiny 2021" at the military base in Queshan county in central Henan province.

IAEA chief: North Korea's nuclear program going 'full steam ahead'

IAEA chief Rafael Grossi says North Korea continuing to work on plutonium separation, uranium enrichment and other nuclear activities.

Tags: [IAEA](#) [North Korea](#) [North Korea Nuclear Threat](#) [Rafael Grossi](#)

Elad Benari, Canada , Sep 20 , 2021 6:27 PM

Rafael Grossi
Reuters

International Atomic Energy Agency (IAEA) Director-General Rafael Grossi said on Monday that North Korea's nuclear program is going "full steam ahead".

"In the Democratic People's Republic of Korea, (the) nuclear program goes full steam ahead with work on plutonium separation, uranium enrichment and other activities," Grossi told an annual meeting of his agency's member states, according to *Reuters*.

The IAEA [said in a report](#) this past August that North Korea appears to have restarted a nuclear reactor that is widely believed to have produced plutonium for nuclear weapons.

In June, [the UN atomic watchdog said](#) that North Korea's nuclear activities remain "a cause for serious concern".

Grossi's remarks follow three tests of ballistic missiles that North Korea carried out in recent days. Most recently, [Pyongyang said](#) it successfully launched ballistic missiles from a train for the first time and was continuing to bolster its defenses.

In addition, [satellite images published last week](#) show North Korea is expanding a uranium enrichment plant at its main Yongbyon nuclear complex.

North Korea, which has conducted many missile tests in recent years, restarted those tests after denuclearization talks with the United States came to a halt.

N.Korea leader's sister demands South drop 'hostile policies': KCNA

by AFP Staff Writers
Seoul (AFP) Sept 24, 2021

The influential sister of North Korean leader Kim Jong Un on Friday said it was "admirable" of the South to propose a formal end to the Korean War but demanded Seoul first drop its "hostile policies" towards Pyongyang.

Kim Yo Jong's remarks, carried by Pyongyang's official KCNA news agency, were in response to South Korean President Moon Jae-in's recent calls for declaring an official end to the 1950-53 conflict that ended in a truce, not a peace treaty, leaving the two sides technically at war for more than half a century.

In a speech at the UN General Assembly earlier this week, Moon proposed the declaration of an end

France accuses Australia, US of 'lying' in escalating crisis

By Stuart WILLIAMS
Paris (AFP) Sept 19, 2021

France on Saturday accused Australia and the United States of lying over a ruptured Australian contract to buy French submarines, warning a grave crisis was underway between the allies.

Australia's decision to break a deal for the French submarines in favour of American nuclear-powered vessels sparked outrage in Paris, with President Emmanuel Macron recalling France's ambassadors to Canberra and Washington in an unprecedented move.

The row has sparked a deep rift in America's oldest alliance and dashed hopes of a post-Donald Trump renaissance in relations between Paris and Washington under President Joe Biden.

Submarine row is 'wake-up call' for Europe: EU ministers

by AFP Staff Writers
Brussels (AFP) Sept 21, 2021

The US and Australian decision to strip France of a submarine supply contract is a stark reminder the EU must bolster its capacity to act independently, French and German ministers said on Tuesday.

"It is once again a wake-up call for all of us in the European Union to ask ourselves how we can strengthen our sovereignty, how we can present a united front even on issues relevant to foreign and security policy," Germany's minister for European affairs Michael Roth said, arriving at ministerial talks in Brussels.

The show of solidarity from Germany and the EU's top officials was welcomed by France, which said the breakdown of trust with Washington strengthened the case for Europe to set its own strategic course.

China and Russia-led bloc backs Iran's future membership

by AFP Staff Writers
Dushanbe, Tajikistan (AFP) Sept 17, 2021

Members of the China and Russia-led Shanghai Cooperation Organisation on Friday endorsed Iran's future membership of the bloc that already includes South Asian rivals India and Pakistan.

The move comes as Moscow and Beijing have moved to assert themselves as key players in the region, after the United States' hasty retreat from Afghanistan and the Taliban's takeover of the country.

"Today we will launch procedures to admit Iran as a member of the SCO," said Chinese President Xi Jinping, speaking via video link from China in comments translated into English.

Iran nuclear chief wants fast overhaul of Arak reactor

by AFP Staff Writers
Tehran (AFP) Sept 18, 2021

The new head of the Atomic Energy Organisation of Iran has said he wants to speed up the conversion of the country's Arak heavy water reactor into a research facility.

Under a 2015 nuclear deal between Iran and world powers, the Islamic republic agreed to modify the Arak reactor so that it could not produce military-grade plutonium.

"This project must be reconfigured and returned to operation as soon as possible," Iranian media on Saturday quoted Mohammad Eslami as saying during a visit to the site this week.

No time frame was specified.

The nuclear deal gave Iran sanctions relief in return for tight controls on its nuclear programme, monitored by the UN.

Iranian Defense Minister Mohammad Reza Ashtiani on Monday dismissed threats by Israeli officials and warned of a "crushing" response.

"Any unwise and stupid measure will trigger a crushing response from Iran that would inflict heavy costs on the aggressors," Ashtiani said, according to the *Xinhua* news agency.

"The Islamic Republic has made it clear that its advanced defense power is solely aimed at safeguarding the country's security and protecting the borders, in the meantime, it will deal with any potential threat or act of aggression," he added.

While Ashtiani did not specify which threat from Israel he was referring to, Prime Minister Naftali Bennett recently [called for an international response](#) to a damning International Atomic Energy Agency (IAEA) report on Iran.

The IAEA report had criticized Iran for stonewalling an investigation into its past nuclear activities and jeopardizing important monitoring work.

In response to Bennett, the spokesperson of Iran's Foreign Ministry [blasted Israel](#) and tweeted, "Outlaw Israeli regime—sitting on illicit nukes & refusing to join NPT—again threatens NPT member Iran; a nation w world's most inspected nuclear program."

Military aid for Israel removed from U.S. funding bill, but leadership pledges vote later this week

By Patricia Zengerle

3 MIN READ

WASHINGTON (Reuters) - Democratic lawmakers on Tuesday removed \$1 billion in military funding for Israel from legislation to fund the U.S. government after objections from liberals in the House of Representatives, but party leaders pledged to bring the matter up again later this week.

أمريكا تزيل من ميزانيتها المساعدات العسكرية لإسرائيل

US House approves \$1 billion for Israel's Iron Dome

by AFP Staff Writers
Washington (AFP) Sept 24, 2021

US lawmakers green-lit \$1 billion Thursday to resupply Israel's Iron Dome missile defense system after funding was controversially stripped from a separate bill following a revolt from the Democrats' left flank.

The money had originally been included in legislation addressing a looming government shutdown and a potential October debt crisis.

But a group of progressives in the Democrat-controlled House of Representatives said they would tank that unless Iron Dome funding was yanked from the wording.

The cash transfer ultimately advanced from the House on a comfortable 420-9 vote.

Gilad Erdan
Kobi Richter/TPS

Israeli Ambassador to the US and United Nations (UN) Gilad Erdan has said that the likelihood Iran will agree to return to the nuclear deal signed in 2015 has dropped to 20%.

In a Monday morning interview with *Galatz*, Erdan said that the international community, including the US, "is speaking with us about Plan B for the Iranian issue, what happens if Iran does not rejoin the nuclear deal."

"If in the past the community's estimate was that there was an 80% chance that Iran would return to the deal, today that has dropped to 20%," added.

Taliban Put Bodies on Public Display to 'Alert All Criminals'

Share

f t

Print

People look up at a dead body hanging by the Taliban from a crane in the main square of Herat city in western Afghanistan, Sept. 25, 2021.

KABUL, AFGHANISTAN — The Taliban hanged a body from a crane parked in a city square in Afghanistan on Saturday in a gruesome display that signaled the hardline movement's return to some of its brutal tactics of the past.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكني لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىٰ لَكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
