تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأَوْبَةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

Fire Breaks Out at Packed Church in Cairo, Many Children Among the 41 Churchgoers Killed

08-14-2022 - [Samy Magdy](#)

People gather as emergency personnel work at the site of a fire at the Abu Sefein church that has killed over 40 people and injured at least 14 others, in Cairo Egypt, Sunday, Aug.

وعاصفة شمسية أخرى قد تكون متوجهة للأرض والبشر غير مستعدين لو
حدث انفجار شمسي قوي في اتجاهنا

WHAT JUST HAPPENED TO BETELGEUSE? You've heard of a CME, a "coronal mass ejection." They happen all the time. A piece of the sun's tenuous outer atmosphere (corona) blows off and sometimes hits Earth. Something far more terrible just happened to Betelgeuse: an SME, or "surface mass ejection."

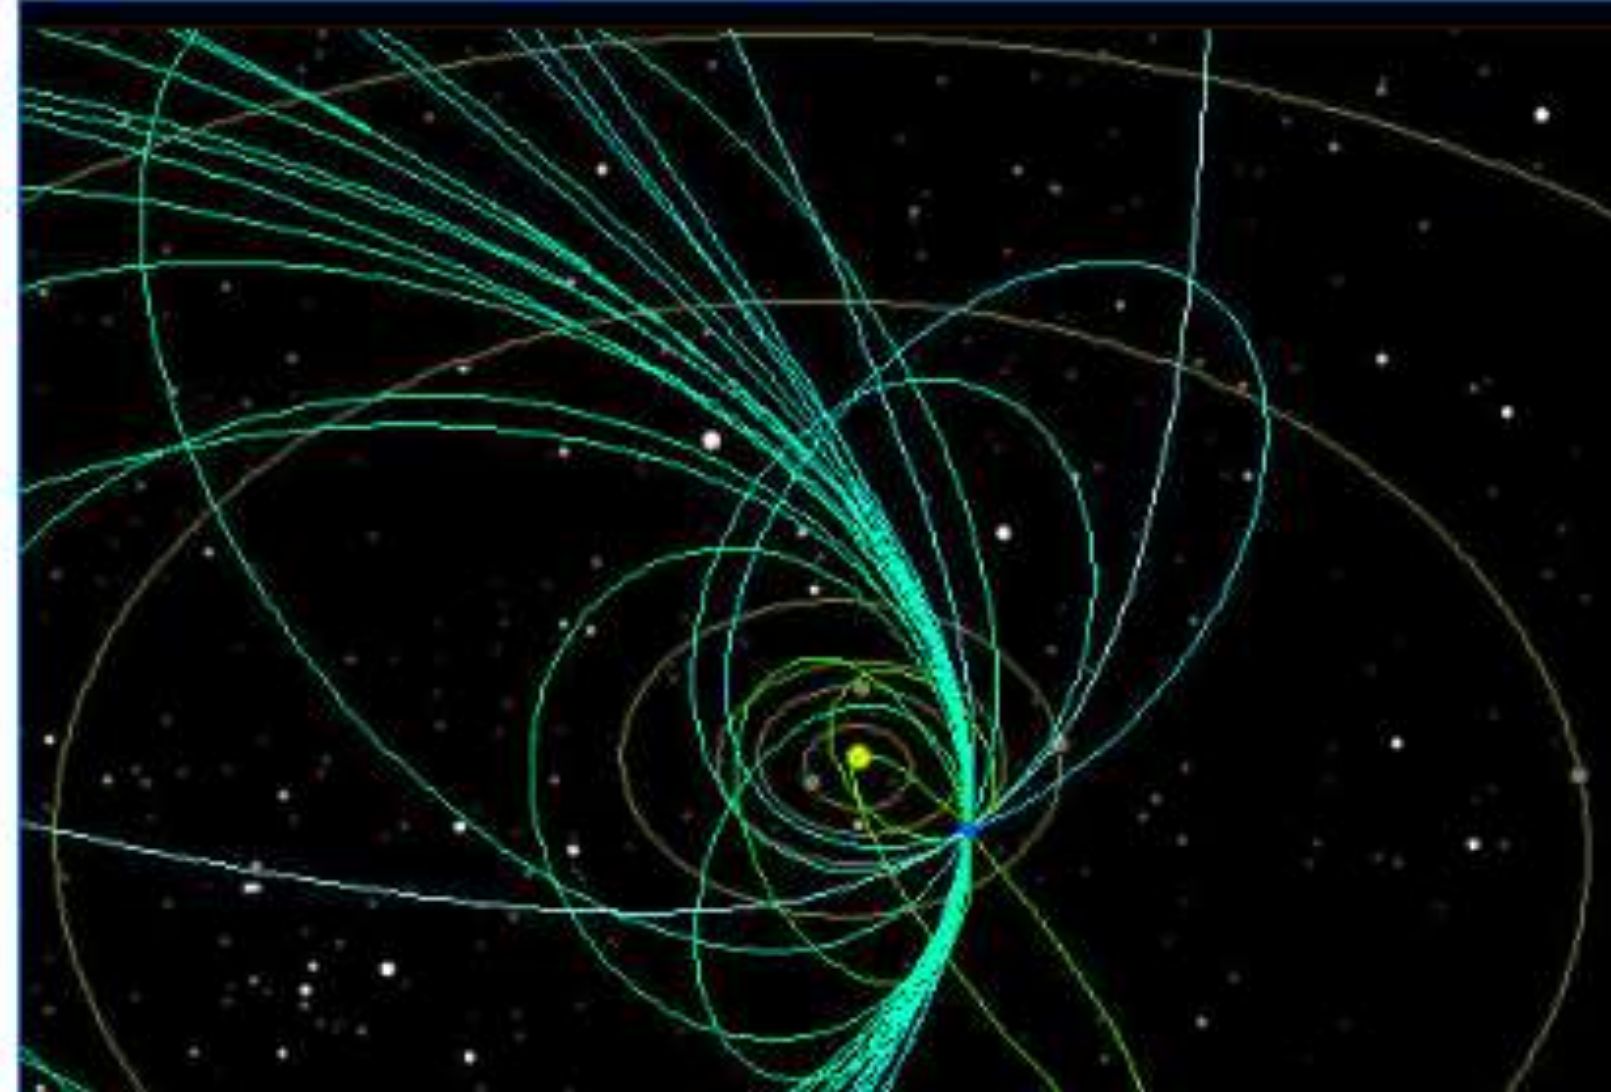

Above: An artist's concept of the SME on Betelgeuse. Credit: Elizabeth Wheatley (STScI)

NASA astronomers believe that in 2019 a colossal piece of Betelgeuse's surface blew off the star. The mass of the SME was 400 billion times greater than a CME. Data from multiple telescopes, especially Hubble, suggest that a convective plume more than a million miles across bubbled up from deep inside the star, producing shocks and pulsations that blasted a chunk off the surface.

As Europe's drought continues to worsen, the water levels in rivers have dropped significantly, revealing chilling warning messages from more than a century ago.

Olaf Koens, a local German reporter, shared photos on Twitter early last week of boulders known as "Hungersteine," or "[Hunger Stones](#)," which have surfaced recently in many European rivers.

Experts investigate mysterious 200-foot-deep sinkhole in Chile

Aug 5, 2022 | 0 | ★★★★★

Experts in Chile on Tuesday were investigating an enormous sinkhole, bigger than a tennis court, that has appeared near a copper mine in the Atacama desert. Experts were dispatched to examine the hole, some 32 meters (104 feet) in diameter and twice as deep, which appeared in an area nearly 500 miles north of Santiago over the weekend, the National Geology and Mining Service (Sernageomin) said in a statement.

Russia launches Iranian satellite amid Ukraine war concerns

by AFP Staff Writers

Almaty, Kazakhstan (AFP) Aug 10, 2022

An Iranian satellite launched by Russia blasted off from Kazakhstan Tuesday and reached orbit amid controversy that Moscow might use it to boost its surveillance of military targets in Ukraine.

As Russia's international isolation grows following Western sanctions over its invasion of Ukraine, the Kremlin is seeking to pivot towards the Middle East, Asia and Africa and find new clients for its embattled space programme.

Speaking at the Moscow-controlled Baikonur Cosmodrome in the Kazakh steppe, Russian space chief Yury Borisov hailed "an important milestone in Russian-Iranian bilateral cooperation, opening the

NASA had planned to send a probe to the asteroid 16 Psyche in 2022. It is sometimes called "the golden asteroid" because many people believe it contains an abundance of valuable metals. Unfortunately, NASA recently announced a launch delay because of the need to review software. The probe may launch in 2023 or 2024 to arrive at 16 Psyche in 2029 or 2030, respectively. The mission may be canceled altogether since the delay would cause further cost.

Forever chemicals are a group of synthetic chemicals called per- and polyfluoroalkyl substances (PFAS), and they get their name because it takes them a long time to break down. As a result of them being in the environment for years, they end up in our water supplies and soil, according to the Environmental Protection Agency (EPA). The agency reports that PFAS are used extensively around the world to manufacture many stain-resistant items, like microwave popcorn bags, pizza boxes, and takeout food packages. They are also present in some shampoos, cosmetics, and dental floss. PFAS have also been detected in dairy products and some fish that were caught in water contaminated by the chemicals.

World Economic Forum calls to reduce private vehicles by eliminating 'ownership'

World Economic Forum says steps need to be taken to reduce reliance on critical metals amid green energy push

By Caitlin McFall | FOXBusiness |

f

Twitter

Comments

Print

Email

The World Economic Forum is looking to reduce global reliance on critical metals as nations look to make the transition to renewable energy supplies, and one proposal [is reducing ownership of private vehicles](#).

"This transition from fossil fuels to renewables will need large supplies of critical metals such as cobalt, lithium, nickel, to name a few," the forum said in a report earlier this month. "Shortages of these critical minerals could raise the costs of clean energy technologies."

The international lobbying organization based in Switzerland has proposed three solutions for lowering the [costs of critical metals](#) used in everything from cellphones and electric vehicles to wind turbines and efficient lighting.

The forum noted that even with recycling initiatives in place mineral mining is expected to increase by 500% by 2050.

"More sharing can reduce ownership of idle equipment and thus material usage," the group argued, pointing to statistics that show the average vehicle in England is driven "just 4% of the time."

[Vehicle sharing initiatives](#) like "Getaround" and "BlueSG" have become increasingly popular around the world and are key in reducing the number of cars and electronics needed globally, the forum argued.

Abstract

An inadvertent consequence of advances in stem cell research, neuroscience, and resuscitation science has been to enable scientific insights regarding what happens to the human brain in relation to death. The scientific exploration of death is in large part possible due to the recognition that brain cells are more resilient to the effects of anoxia than assumed. Hence, brain cells become

'Not Hallucinations or Illusions': Renowned Medical Research Team Confirms 'Near-Death' Experiences

08-11-2022 - Steve Warren

A group of international researchers studying "near-death experiences" agree that people who have been brought back to life after their hearts stopped beating retain broad memories of life after death.

A Rosary is seen as people pray during a rally outside of the Baltimore hotel where the United States Conference of Catholic Bishops are holding its Fall General Assembly meeting, Tuesday, Nov. 16, 2021, in Baltimore. (AP Photo/Julia Cortez)

WASHINGTON (TND) — A now-amended op-ed published by The Atlantic declared the Catholic rosary had become "an extremist symbol" among "radical-traditional" Catholics.

"[T]he rosary has acquired a militaristic meaning for radical-traditional (or 'rad trad') Catholics," the op-ed reads. "On this extremist fringe, rosary beads have been woven into a conspiratorial politics and absolutist gun culture."

After initially being published with the headline, "How the Rosary Became an Extremist Symbol," the op-ed written

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىٰ لَكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
