تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها جميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترّب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترّب لكيلا يقال عني كاذب وانشّر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأَوْبَةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
اُنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

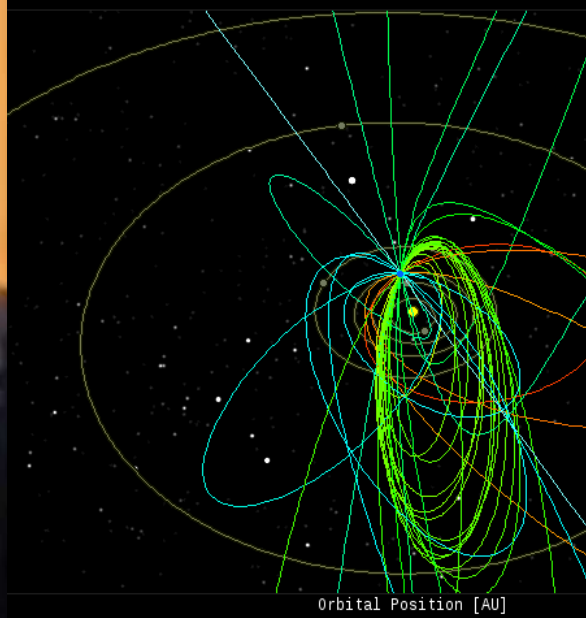

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

California's power grid is facing a major stress test on Tuesday, as a historic heatwave enters its most brutal phase. With temperatures in parts of the state forecasted to hit 115F (46C), officials are asking residents to prepare for possible rolling blackouts as the heatwave reaches a boiling point.

The deadly [Fairview Fire](#) burning in Southern California has upended the lives of many Riverside County residents who said they felt blindsided by the flames that have been spreading rapidly since Monday.

Norman Nielsen, 65, told CNN Thursday he and his wife were going to bed when the sheriff came knocking on his door for mandatory evacuations. The couple has lived in the Fairview mobile home park for the last 10 years and scrambled thinking of what to pack on their way to the shelter.

"I didn't think it would ever come to this," Nielsen said. "(It's) scary because you ... never know when you might be the next one."

Hinnamnor turns deadly, drops nearly 40 inches of rain in South Korea

By Mary Gilbert, AccuWeather meteorologist

Published Sep. 5, 2022 8:28 AM PDT | Updated Sep. 7, 2022 4:18 AM PDT

Hinnamnor made landfall near Geoje, South Korea, around 5 a.m. Tuesday morning, local time, with sustained winds of 89 mph (143 km/h). The deadly storm left roughly 89,000 residents without power across the Korean Peninsula after it spread swaths of heavy rain and damaging winds gusts.

At least seven deaths were blamed on the storm in South Korea, according to the BBC. These seven deaths occurred when an underground parking garage was inundated with floodwaters. Two others trapped in the garage were rescued after clinging to ceiling pipes for more than 12 hours.

Powerful quake hits Papua New Guinea, at least 4 dead

By Praveen Menon

2 minute read

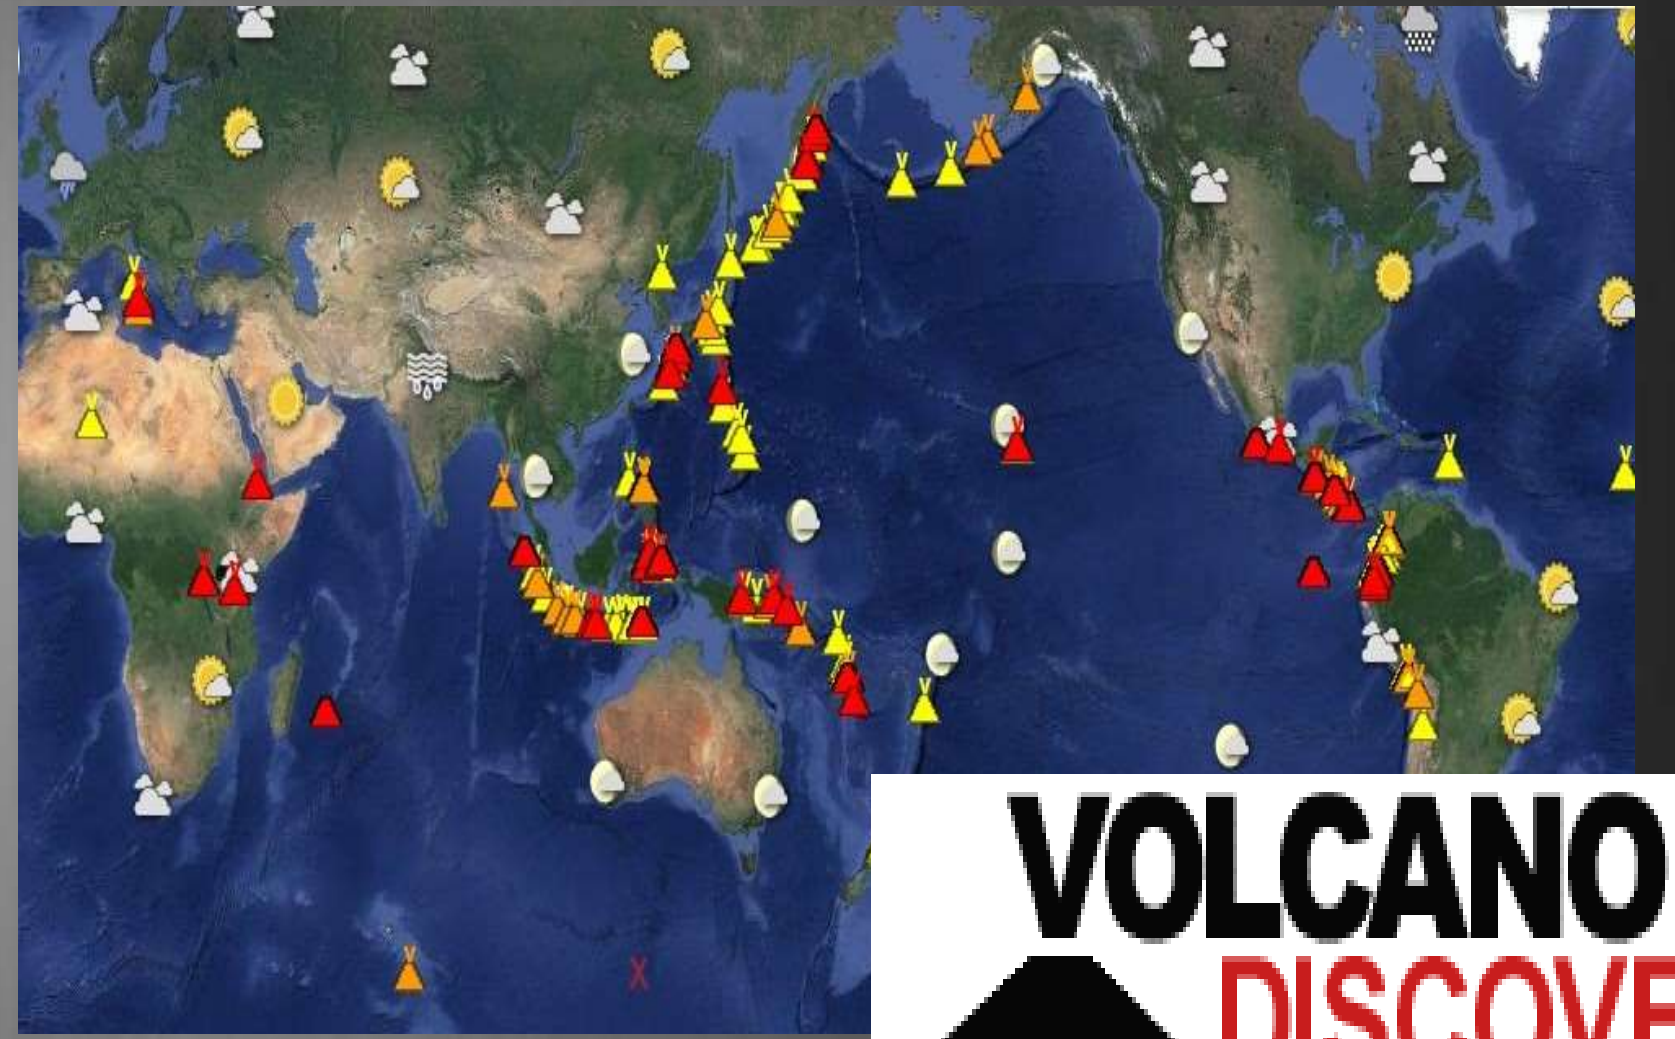

Sept 11 (Reuters) - An earthquake of magnitude 7.6 struck eastern Papua New Guinea on Sunday killing at least four people, injuring others and damaging property and essential infrastructure.

The quake hit about 67 km east of Kainantu and 80 kms north-west of Lae in the eastern PNG region, at about 9:45 am local time (2345 GMT Saturday), but was felt some 500 km (310 miles) away in the capital of Port Moresby.

A bee and a flower are a timeless resource to explain sexual reproduction – and one with a solid theoretical basis, too. Pollination (what bees do in flowers) is, after all, one of the most effective strategies for plants to perpetuate themselves. Or it used to be, until now; the progressive decline of many pollinating [insect species](#) could jeopardize this successful evolutionary strategy.

Understanding mRNA COVID-19 Vaccines

Updated July 13, 2022 | Original Content August 1, 2020

What You Need to Know

- Messenger RNA vaccines teach our cells how to make a protein that will trigger an immune response without infection.
- Researchers have been studying and working with mRNA vaccines for decades.
- Use of vaccines helped protect people who got sickened by giving them protective agents known as COVID-19 vaccines during the previously serious coronavirus outbreak.

The Pfizer BioNTech and Moderna COVID-19 vaccines are messenger RNA vaccines, also called mRNA vaccines. Learn more about Pfizer BioNTech and Moderna COVID-19 vaccines, including who can get these vaccines and ingredients.

How mRNA COVID-19 Vaccines Work

To trigger an immune response, many vaccines put a weakened or inactivated germ into our bodies. But mRNA vaccines instead use mRNA, a chemical like mRNA, created in a laboratory to teach our body how to make a protein—or even a piece of a protein—that triggers an immune response inside our bodies. This immune response, which produces antibodies, is what helps protect us from getting sick from that germ in the future.

1. First, mRNA COVID-19 vaccines are given in the upper arm muscle of upper limbs, depending on the age of who is getting vaccinated.
2. After vaccination, the mRNA will enter the muscle cells. Once inside, they use the cells' machinery to produce a harmless piece of what is called the spike protein. The spike protein is found on the surface of the virus that causes COVID-19. After the protein piece is made, our cells break down the mRNA and remove it, leaving the body at ease.
3. Next, our cells display the spike protein piece on their surface. Our immune system recognizes that the protein does not belong there. This triggers our immune system to produce antibodies, and activate other immune cells to fight off what it perceives as an invader. This is what your body might do if you got sick with COVID-19.
4. At the end of the process, our bodies have learned how to help protect against future infection without using what causes COVID-19. The benefit is that people get this protection from a vaccine, without ever having to risk the potentially serious consequences of getting sick with COVID-19. Any side effects from getting the vaccine are normal signs the body is building protection.

Facts About mRNA COVID-19 Vaccines

mRNA COVID-19 vaccines cannot give someone COVID-19 or other diseases.

- mRNA vaccines do not use any live virus.
- mRNA vaccines cannot cause infection with the virus that causes COVID-19 or other viruses.

They do not affect or interact with our DNA.

- mRNA from these vaccines is not near the nucleus of the cell where our DNA (genetic material) is located, so it cannot change or influence our genes.

New York declares state of emergency over polio to boost low vaccination rates

PUBLISHED FRI, SEP 9 2022 12:01 PM EDT | UPDATED FRI, SEP 9 2022 8:17 PM EDT

 Spencer Kimball
@SPENCEKIMBALL

[WATCH LIVE](#)

KEY POINTS

- New York Gov. Kathy Hochul on Friday declared a state of emergency to boost polio vaccination rates amid more evidence the virus is spreading in communities.
- Poliovirus has now been detected in sewage samples from four counties in the New York metropolitan area as well as the city itself.
- Health officials said everyone who is unvaccinated should receive their shots immediately. Some New Yorkers should also receive a single, lifetime booster dose.

"On polio, we simply cannot roll the dice. If you or your child are unvaccinated or not up to date with vaccinations, the risk of paralytic disease is real. I urge New Yorkers to not accept any risk at all."

US sanctions Iranian company that shipped drones to Russia

by AFP Staff Writers
Washington (AFP) Sept 8, 2022

The United States on Thursday placed sanctions on an Iranian company that helped to ship drones to Russia for use in Ukraine, and warned non-Iranian firms against becoming involved in the trade.

The US Treasury said it had placed Tehran-based Safiran Airport Services on its sanctions blacklist, two months after the White House divulged intelligence that Russia was seeking Iranian unmanned aerial vehicles (UAVs) for its war on Ukraine.

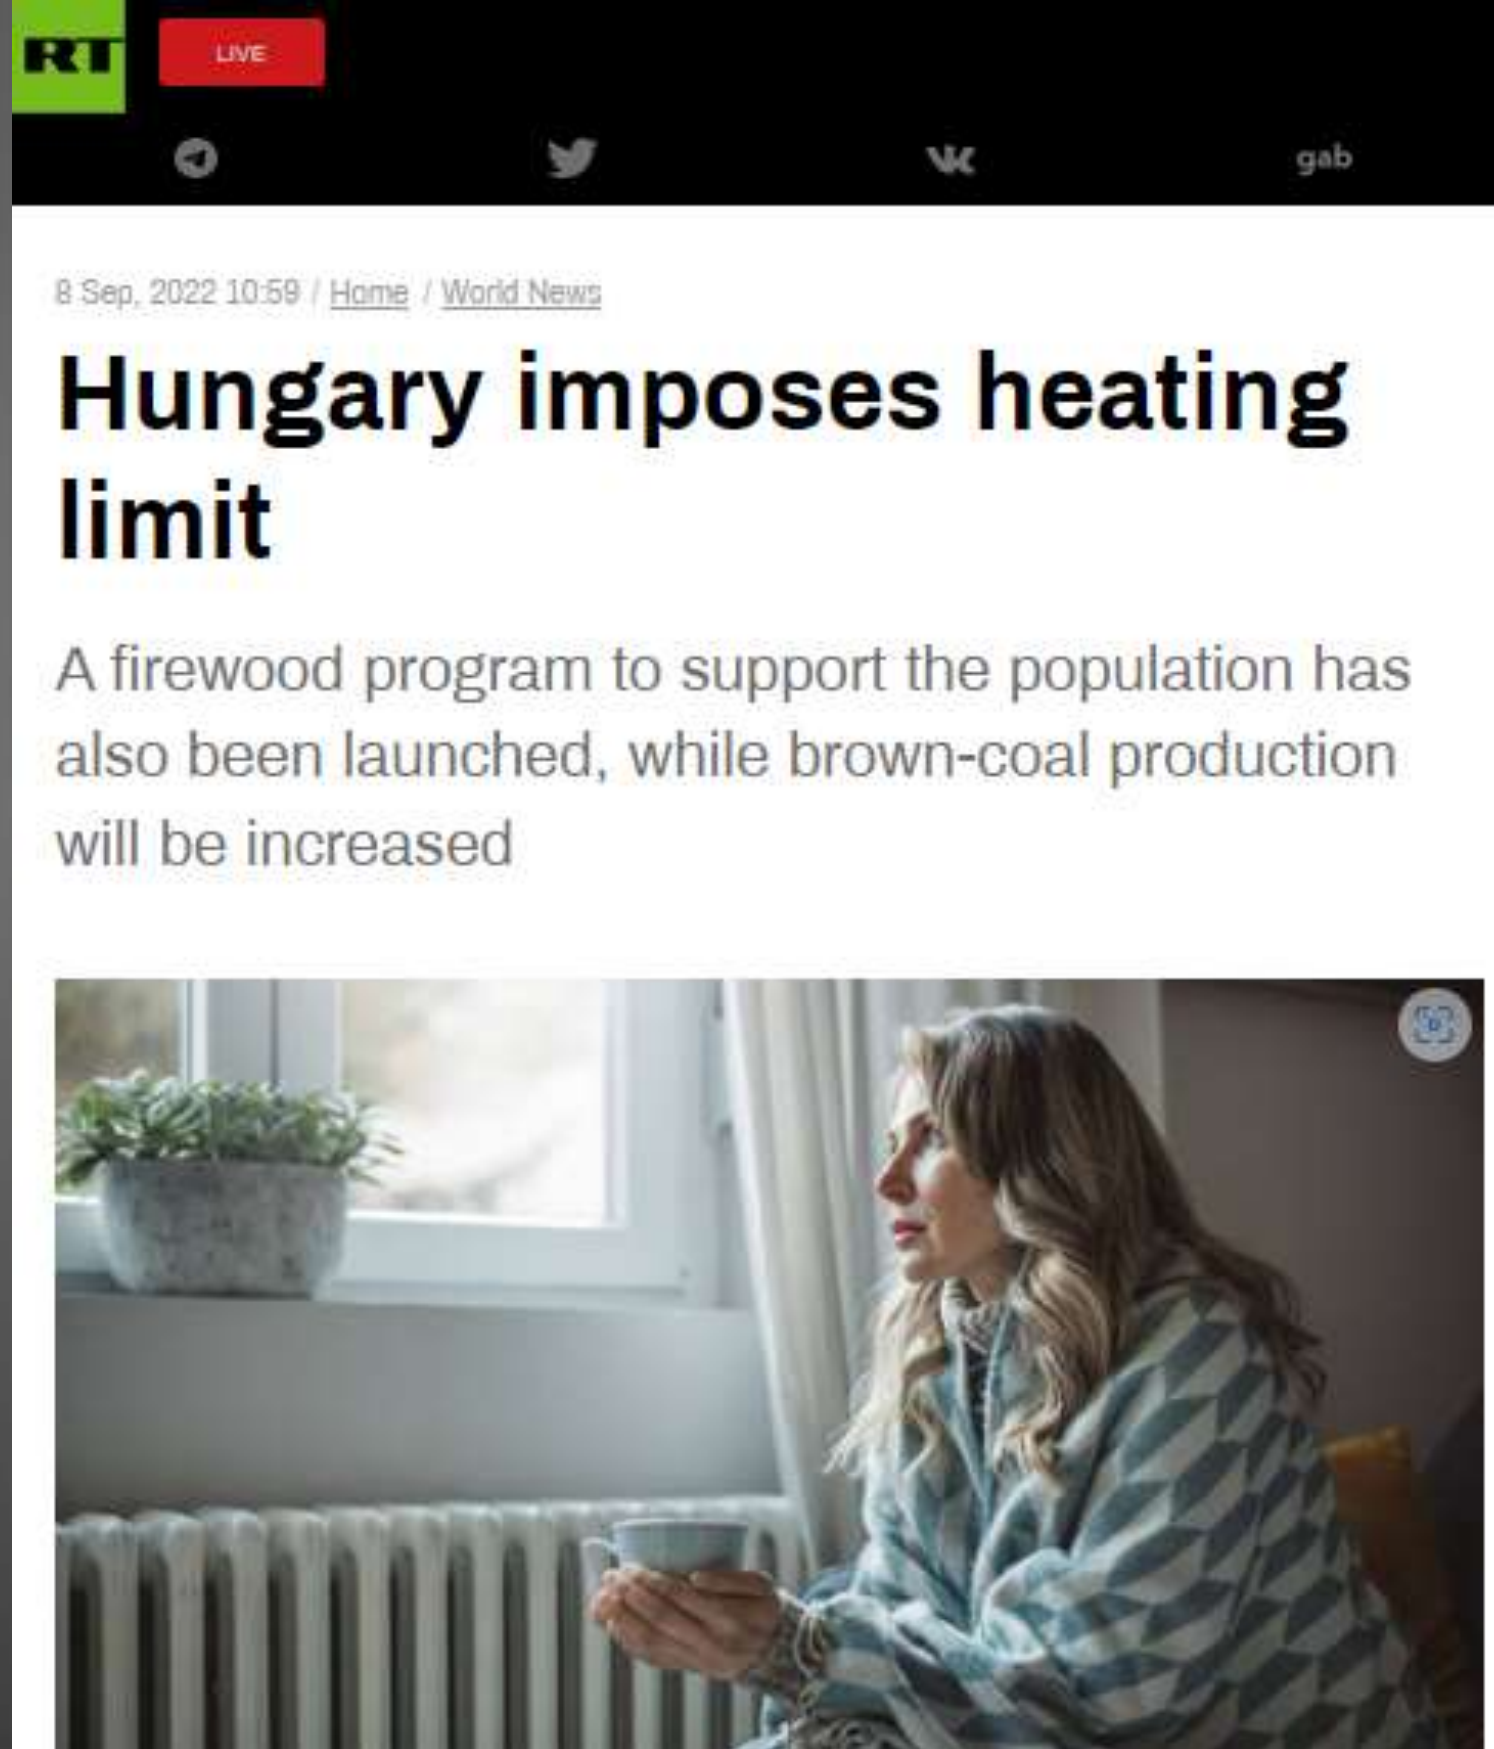

The Treasury said Safiran has coordinated Russian military flights between Iran and Russia, including those that carried the UAVs, personnel and related equipment.

Taiwan says Chinese military drone entered air defence zone

by AFP Staff Writers
Taipei (AFP) Sept 6, 2022

Taiwan said a Chinese military reconnaissance drone entered its air defence zone on Monday, the latest incursion as relations between the two neighbours remain tense.

The drone, identified by Taipei's defence ministry as a BZK-007 vehicle, crossed into the southwest corner of the island's air defence identification zone (ADIZ) along with eight Chinese warplanes.

Taiwan's ADIZ is much larger than its airspace and overlaps with part of China's ADIZ and even includes some of the mainland.

India, China troops begin disengaging from border area: New Delhi

by AFP Staff Writers
Srinagar, India (AFP) Sept 8, 2022

India and China began pulling back soldiers from a friction point along their border Thursday, New Delhi's defence ministry said, following a two-year standoff with sporadic deadly clashes.

The two sides agreed during the 16th round of top-level military talks to begin withdrawing "troops in the area of Gogra-Hot Springs", according to the statement.

The move, on the frontier between them in Ladakh, was "conducive to the peace and tranquillity in the border areas", it added.

Beijing did not immediately comment, although New Delhi issued the announcement as a joint statement.

Iran considers buying Sukhoi Su-35 jets from Russia

by AFP Staff Writers
Tehran (AFP) Sept 5, 2022

Iran is weighing plans to buy Sukhoi Su-35 fighter jets from Russia, Air Force chief Hamid Vahedi was reported as saying by local media.

"The purchase of the Sukhoi 35 from Russia is being considered by the Air Force" of Iran, Vahedi told Borna news agency which affiliated to the sports ministry, on Sunday.

It comes after the United States military said last week that Russia began receiving Iranian combat drones to be used in the Ukraine war, with many of them having already proven faulty.

It is impossible not to be aware of the impact of human activities on our health.¹ We know that it is not sustainable to continue to produce nonreusable or recyclable waste at the current rate. Many households are actively reducing this waste and selectively recycling, supporting their local community's efforts to reduce the dumping of plastics, metals, and paper.

In the United States, the carbon footprint of the health care system represents approximately 10% of the country's total footprint. People who work on and in health care systems wonder what more their organizations can do to reduce this waste. After all, these are essential components of the community, and that waste is "just part of what we do." That said, about 62% of hospital waste reaches landfills, and that waste is recyclable or combustible. Just as in our broader community, we have

Here are 33 things that you should know about the coming food shortages

Sep 6, 2022 | 0 | ★★★★★

(**OPINION**) Things are far worse than you are being told. Over the past few months, I have been carefully documenting facts that show that global food production is going to be way down in 2022.

Unfortunately, most people out there don't seem to understand that the food that isn't being grown in 2022 won't be on our store shelves in 2023. We are potentially facing an absolutely unprecedented worldwide food crisis next year, but the vast majority of the population doesn't seem very alarmed about this.

KEY POINTS

- Europe was already facing a difficult and unpredictable winter when it came to its energy supplies as it looks to phase out all Russian imports.
- But Russian President Vladimir Putin on Wednesday threatened to completely stop all energy supplies to Europe.
- The comments could mean that European nations have to introduce energy rationing in the winter months.

Millions Of Americans Face Eviction In Coming Months

BY TYLER DURDEN

FRIDAY, SEP 02, 2022 - 10:00 AM

Authored by Michael Maharrey via SchiffGold.com.

The economy is fine, so we're told. There is no recession, so we're told. The Federal Reserve has everything under control, so we're told. Meanwhile, 3.8 million Americans say they could face eviction in the next two months.

Food Banks across the US are being "overwhelmed" as the cost of living is driving more into poverty

Sep 9, 2022 | 0 | ★★★★★

(OPINION) The food lines are back, and they are starting to get really long. But this wasn't supposed to happen. We are being told that unemployment is very low, even though that is not actually true. And we are also being told that the inflation rate is still only in the single digits, and of course, that is not exactly true either.

اكتشاف مقبرة بها جثث اكثر من 100 طفل في ولاس

السؤال لماذا لم يعترضوا ويتهموا الحكومة بانها كانت تقتل الأطفال مثلما فعلوا كذبا في موضوع المقبرة في كندا؟ فادعوا اكتشاف مقبرة قرب كنيسة كاثوليكية فادعوا ان الكنيسة كانت تقتل الأطفال ورفضوا حتى اعتذار الكنيسة. بل لم يعتذر ترودو عندما اتضح انها جزوع أشجار مدفونة وها هو موقع به جثث أطفال ولا يتهموا احد بقتلهم ويدعوا انها من اثار حرب من العصور الوسطى

إِنَّهُ فِي الْأَزْمِنَةِ الْأَخِيرَةِ يَرْتَدُّ قَوْمٌ
عَنِ الْإِيمَانِ، تَابِعِينَ أَرْوَاحًا مُضِلَّةً
وَتَعَالِيمَ شَيَاطِينٍ

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىٰ لَكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونِ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
