اكرر اننا لا نحدد مواعيد بل فقط نشجع بعضنا بعضا بقرب مجيء المسيح

وأیضا لا اقصد ان اخيف أحد بل من يخاف هو لا يثق في مواعيد الرب

هذفي فقط أن نذكر بعضنا باننا نحتاج ان نستعد. والاستعداد ليس فقط قبل مجيء المسيح بل

ايضا قبل الظلمة التي ستسبق مجيؤه ليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة

وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من

الان ان نستعد بقوة بأيمان عامل وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا

لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة

لان وقتها جميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك

زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان
سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات ولكنه يأتي بسرعة
بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه
ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَأَن تُوْمِنُونَ.

ثالثا لننتبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا وَاَرْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ».

A SIGHTING of a fireball blazing its way across the sky near Annan has prompted more reports.

An appeal by the UK Meteor Observation Network (UKMON) for sightings at about 5.15 pm last Wednesday prompted an account from someone driving from Eaglesfield to Annan.

Adding to the reports, Helen Carruthers said: "I saw a very bright white light for a few seconds as I was walking the dog in Ecclefechan on Wednesday at the time stated, and it travelled from left to right, then just disappeared."

Ed Woodman has also added his own account of the sighting. He said: "At approximately 5.15 pm I was approaching the the Tesco roundabout from Eastriggs when I noticed a light object

ASTEROID HITTING EARTH COULD KILL US ALL IF NASA CAN'T STOP IT: HOW WOULD NASA GO ABOUT DOING THIS WHEN THE TIME COMES?

DANIEL KETCHUM

The idea of an asteroid hitting the Earth and annihilating the human race may sound like a cliché science-fiction plot, but it's almost certain to happen eventually. Unless of course, we do something to prevent it. As reported by *Times Record News*, this is a **scenario NASA's been thinking about** for some time, and the agency has a few ideas about what to do when the apocalypse is coming our way.

Just How Bad Could It Be?

Wish you had a dinosaur? We all do. But the reason we don't, and can't, is because they died off when a six mile wide asteroid smashed into our planet and literally created hell on Earth and a global winter. The massive explosion that resulted from this impact changed our planet completely.

Comets can [produce](#) a spectacular show in the night sky, especially if you have binoculars or a telescope to see the fainter ones. And luckily for everyone, at least three known comets are expected to pass closely (but safely) by our planet in the next two years.

That's why the Planetary [Science](#) Institute hopes to get both amateurs and professionals in on the action. With the rise of digital imaging and the knowledge that amateurs often have more flexibility in observing targets, there's a hope that people all around the world can look at the three comets and help us to understand more about their nature — particularly during bright outbursts.

Following a parched summer and fall, Israel was ravaged by wildfires a week ago, some of them deliberately set by terrorists.

Now the Jewish state has a new weather-related challenge — a major winter storm that is bringing snow at high elevations, torrential rains at lower, coastal flooding and high winds.

The storms — the first of the season — have brought sharp drops in temperature and winds of up to 56 mph, according to weather forecasts.

Some 30 to 40 inches of rain fell Wednesday evening through Thursday, even more in northern regions — the result of low pressure over the Mediterranean Sea.

MALACCA: The sudden appearance of thousands of dead tilapia floating on the surface of the Malacca River near Taman Rumpun Bahagia in Bachang has left even the state Environment Department puzzled.

Malacca Environment Department director Shafe'ee Yasin however, confirmed that the river was not threatened by industrial pollutants.

"Initial investigations by DOE revealed that the river was not contaminated by industrial effluents as there were no factories nearby," he said.

"We have collected samples of the river water, but we have yet to finalise its results," he said when contacted by New Straits Times here today.

Shafe'ee said based on previous incidents of dead fish found in the Malacca River, the freshwater tilapia can be assumed to have been killed by a sudden influx of seawater to the

The United States is vulnerable to future attack by hypersonic missiles from China and Russia and is falling behind in the technology race to develop both defensive and offensive high-speed maneuvering arms, according to a new Air Force study.

"The People's Republic of China and the Russian Federation are already flight-testing high-speed maneuvering weapons (HSMWs) that may endanger both forward deployed U.S. forces and even the continental United States itself," an executive summary of the report says.

"These weapons appear to operate in regimes of speed and altitude, with maneuverability that could frustrate existing missile defense constructs and weapon capabilities."

US, France to Sign Military Space Cooperation Agreement

US Secretary of Defense Ashton Carter said that the United States and France will finalize arrangements to deepen bilateral military space cooperation and defense cooperation more broadly.

The United States and France will finalize arrangements to deepen bilateral military space cooperation and defense cooperation more broadly, US Secretary of Defense Ashton Carter said ahead of a meeting with French Defense Minister Jean-Yves Le Drian in Washington, DC.

File image.

"Today we'll discuss expanding our partnership in two critical domains: cyber and space, and sign an arrangement for military space cooperation," Carter told reporters on Monday.

"Most importantly, we'll sign a joint statement of intent that provides a framework for enhancing our defense cooperation more broadly."

The meeting is the latest between the two defense chiefs to focus on enhanced military cooperation.

Last month, Carter, Le Drian and Turkish defense minister Fikri Isik held trilateral defense talks on the sidelines of the NATO ministerial in Brussels and agreed to coordinate efforts against Daesh terrorist group.

In October, Carter and Le Drian agreed to work together to undercut the Islamic State's online messaging and destroy terror finance and travel networks.

DF-21 salvo launch

BY: Bill Gertz Follow @BillGertz

December 2, 2016 5:00 pm

China's military conducted a salvo of 10 missile flight tests late last month in a show of force during the transition to the Donald Trump administration.

Chinese state media reported Thursday that the simultaneous flight tests of 10 DF-21 intermediate-range ballistic missiles were carried out in China.

The missiles "can destroy U.S. Asia-Pacific bases at any time," the dispatch from the official Xinhua news agency reported.

The flight tests were disclosed by China Central Television on Nov. 28 and coincide with President-elect Donald Trump's high-profile announcements of new

senior government officials.

Disclosure of the missile salvo launch comes as Trump announced on Thursday that he will nominate retired Marine Corps. Gen. James Mattis as his defense secretary. Mattis is one of the Corps' most celebrated warfighting generals.

Turkey Has Declared War On Syria - Does This Mean That World War 3 Is About To Erupt In The Middle East?

29 NOVEMBER, 2016

(By **Michael Snyder**) Turkish President Recep Tayyip Erdogan has just announced that the only reason Turkish military forces have entered northern Syria is to “end the rule of the tyrant al-Assad”. By publicly proclaiming that Turkey intends to use military force to overthrow the regime of Syrian President Bashar al-Assad, Erdogan has essentially declared war on the Syrian government. Of course this puts a member of NATO in direct military conflict with Russia, since Russia is working very hard to prop up the Assad regime.

Donald Trump's pick for defence secretary is a hard-charging former marine general nicknamed Mad Dog who, despite his rank, regularly rode convoys into combat during the Iraq invasion.

James Mattis, former commander of U.S. Central Command, also has a gift for boot-stomping aphorisms.

"Be polite, be professional, but have a plan to kill everybody you meet," Mattis reportedly told marines stationed in Iraq.

Why Are So Many Among The Elite Building Luxury Bunkers In Preparation For An Imminent 'Apocalypse'?

One of my guilty pleasures in life is watching *Fixer Upper* marathons on HGTV.

Hosts Chip and Joanna Gaines have not only made Waco, Texas a tourist destination, but they've also educated us about the many uses of shiplap.

If you aren't a fan of the show, you might want to Google that.

I also appreciate that Chip and Joanna are devout Christians. Viewers can see how their faith flavors not only their television program but also their family life.

But not everyone appreciates those Christian beliefs—especially the militant LGBT crowd.

Muslims Rally in Jakarta, Demanding Christian Governor Be Punished for Blasphemy

By Patrick Goodenough | December 2, 2016 | 4:21 AM EST

(CNSNews.com) – The capital of the world's biggest Islamic country was the scene Friday of the latest in a series of mass demonstrations by Muslims demanding that the Christian governor of Jakarta be punished for "blasphemy."

More than 22,000 police officers were deployed to maintain control of the "Defend Islam" rally, which drew an estimated 150,000 people.

The protestors already chalked up one victory earlier this week, when the Attorney General's Office announced that it will proceed with a trial against Gov. Basuki Tjahaja Purnama. Unappeased, they continue to demand his immediate arrest.

The U.S. Embassy closed its consular section Friday and recommended that American citizens avoid the protest – described as "a large-scale 'mass prayer gathering' in central Jakarta."

Vatican Reports Surge in Exorcisms Worldwide

DECEMBER 1, 2018

Source: Thinkstock

The Catholic Church reported a meteoric uptick in the number of demonic possessions its priests are encountering. To tackle the surge, the Vatican is offering what they call "a week-long course on how to perform exorcisms, expounding on the nature of angels and demons," *News Target* reported. The course has attracted over 1,000 students and claims to educate them on the difference between genuine demonic possession and psychological disorder.

Symptoms of possession, according to the guidelines of the course, include: speaking in languages the person was not previously familiar with, moving objects with the mind, and dramatic mood shifts that cannot be attributed to psychological causes.

The Real Truth looks at such activity through a biblical lens. While this publication does not endorse the views of professing Christianity, it is clear that spiritism is on the rise.

To find out the trends, history and true reasons from the Bible regarding the rise of demonic activity, read *The Real Truth* article "[Demystifying the Spirit Realm](#)."
