## والعلامات حتى 1 يناير 2019

Holy\_bible\_1

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه ليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيق اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك زيت الا ما جمعه سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض

ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي

المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما

انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

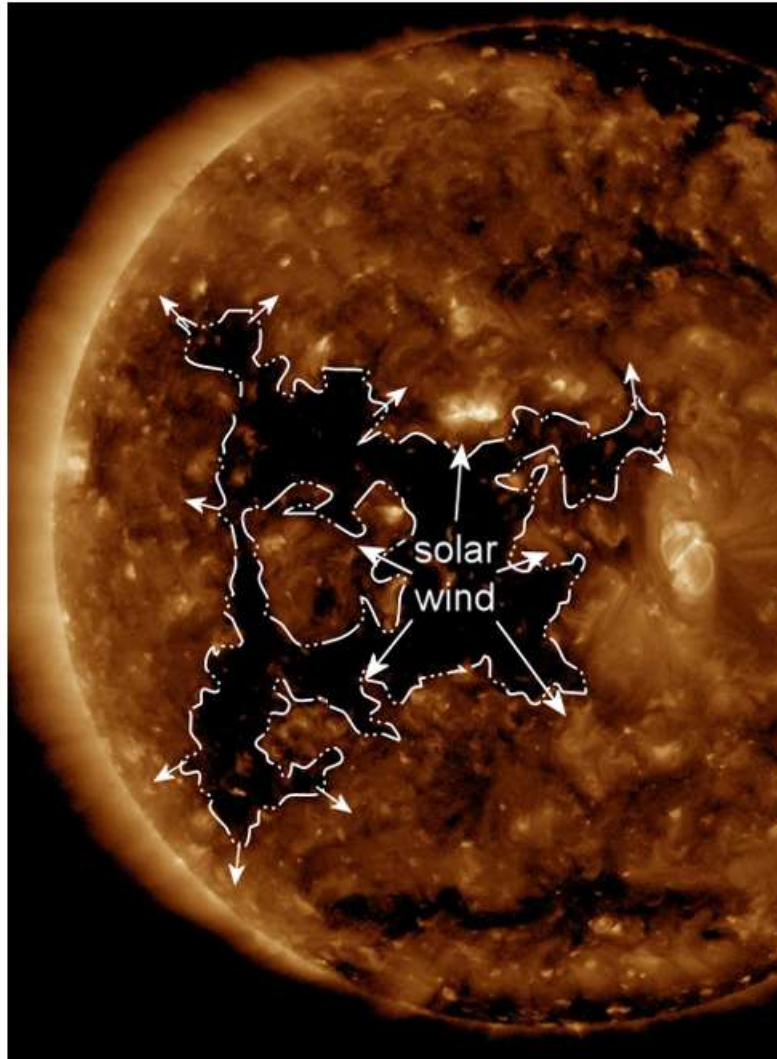

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.»

### Rabbinic Expert: First Super Blood Moon of the Year Sign of Earthquakes, Governments Will Fall

Blood moon. (Credit: Nabarun/Wikimedia Commons)

On the evening of January 21, as the holiday of Tu B'shvat begins, a lunar eclipse will pass over the Washington D.C., just as the President will reach the halfway point of his term in office. The eclipse will be a super blood moon, described in Jewish sources as having powerful significance.

#### On the Gregorian Calendar:

The lunar eclipse will be visible in its entirety from North and South America, as well as portions of western Europe and northwest Africa, on the evening of Sunday, January 20 and in the early morning hours of Monday, January 21. The evening of the eclipse will be a supermoon when the moon is at its perigee, the point in its month-long elliptical orbit that brings it closest to Earth. At

In what's becoming an annual rite of passage, Australia is in the midst of another record-setting heat wave.

It's less the eye-popping temperatures (though it's definitely going to be hot, with areas reaching 113 degrees Fahrenheit) and more the relentlessness of the heat and how much of the country is afflicted.

Tropical Storm Usman, which entered the Philippines on Christmas Day, emerged as the deadliest weather disaster for the country this year following Typhoon Mangkhut in September.

Usman, a slow-moving storm with winds of up to 55 kilometres an hour, killed at least 61 people as it triggered floods and landslides and forced thousands to flee to safer grounds.

## Mueren miles de peces en presa Chacuey

Artículo

William Estévez  
Dajabón

La aparición de miles de peces muertos en una amplia porción de la Presa Chacuey, en la comunidad Sabana Larga de este municipio, ha despertado gran preocupación entre los habitantes de esta localidad y zonas aledañas.

La gran cantidad de la especie denominada “carpas”, que fue hallada muerta en las aguas de dicha presa ha generado intranquilidad a decenas de personas que viven de la actividad de la pesca en esa zona.

Los pescadores no salen del asombro, debido a que solo la denominada especie fue la afectada.

Lo que sí parece estar claro es que se trata de algún tipo de envenenamiento, y algunos de los pescadores presumen que pudo ser originado por productos utilizados para la fumigación de plantaciones de bananos en fincas ubicadas en el área de influencia de la presa.

Las muertes de miles de unidades de carpas se extiende desde la Zona de Los Cercadillos, hasta el lugar conocido como El Muro.

Los pescadores demandaron de las autoridades del Departamento de Caza y Pesca del Ministerio de Agricultura, así como del Ministerio de Medio Ambiente, que dispongan una investigación y las medidas que sean necesarias para evitar que continúen muriendo los peces.

## Russia Tests Underwater Nuclear Drone, Report Says

Tom O'Connor 11 hrs ago

© TASS/TASS via Getty Images RUSSIA - JULY 19, 2018: The Poseidon nuclear-powered and nuclear-armed unmanned underwater vehicle during the final stage of testing. Poseidon is a brand new intercontinental range undersea weapon able to destroy enemy naval bases and aircraft carriers.

Moscow has reportedly begun testing an underwater nuclear weapon that has been touted as invincible by Russian President Vladimir Putin.

The Poseidon, previously known as the Status-6 Oceanic Multipurpose System and dubbed Canyon by the U.S.-led NATO Western military alliance, is a state-of-the-art nuclear-capable drone being developed by the Russian armed forces. Citing a defense industry source, the state-run Tass Russian News Agency reported Tuesday that the Russian navy had begun trials for the weapon at sea.

No more Mr. Nice Chinese Guy.

After years of "benevolent" handouts to various African countries by Beijing, all of which however came in the form of loans, of which few have led to viable, long-term projects and cash-flow generating assets, and led to accusations that China is pursuing a "new colonialism" of the African continent (and more recently, nations along the *One Belt, One Road* corridor), China is demonstrating to the world what happens when its debtors refuse to pay up.

But first a brief detour: readers will recall that China's ambitions for Africa are hardly new, and were discussed here over 6 years ago for the first time in "The Beijing Conference". See [How China Quietly Took Over Africa](#).

And while back then few noticed, in September of 2018, during a major conference with African leaders, China's president Xi Jinping proposed an additional \$60 billion in financing for Africa in the forms of assistance, investment and loans, the western media was quick to label the latest round of Chinese financing a "debt trap", to which a top Chinese official responded at the time that Beijing is merely helping Africa develop, rejecting criticism it is loading African countries with unsustainable financial burdens.

# Putin hails 'successful' test of new hypersonic missile

by Staff Writers  
Moscow (AFP) Dec 26, 2018

Russian President Vladimir Putin on Wednesday hailed final tests of a hypersonic missile, which he earlier said would render existing missile defence systems obsolete.

"On my instructions, the Ministry of Defence prepared and conducted a final test of this system. This has just been completed with absolute success," Putin said during a televised meeting with members of the government.

"Russia has a new type of strategic weapon," he said, adding that the intercontinental "Avangard" system would be ready for use from 2019.

The Kremlin told Russian news agencies the test had taken place in far eastern Kamchatka while Putin was at the national defence control centre.

Putin unveiled features of the Avangard during his annual address in March, which he said would be part of a new generation of "invincible" weaponry.

The hypersonic missile could fly at 20 times the speed of sound and manoeuvre up and down, meaning it could breach defence systems, he said at the time.

The final test comes after US President Donald Trump announced plans to pull out of a key Cold War-era nuclear weapons pact, the three-decade-old Intermediate-Range Nuclear Forces Treaty (INF).

Putin has laid out plans to develop missiles banned under the deal if the United States abandons it.

# Turkey says US missile deal does not affect S-400 purchase from Russia

by Staff Writers  
Ankara (AFP) Dec 24, 2018

Ankara's purchase of US missiles worth \$3.5 billion will not affect a deal to acquire rival S-400 missiles from Russia, the Turkish presidential spokesman said Monday.

"The US Patriot sale process does not affect the S-400 process. We don't see one as an alternative for the other," Ibrahim Kalin said.

The US State Department on December 19 said it had informed Congress of plans to sell a package including 80 Patriot missiles, and 60 PAC-3 missile interceptors and related equipment to Turkey.

Turkey's plans to buy the Russian S-400s has drawn rebuke from its NATO allies with the United States warning that the purchase jeopardised participation in the F-35 fighter jets programme.

Turkish officials have previously said it "needs" the S-400 missile defence system and repeatedly stressed that Ankara would buy systems from allies if they had sold them.

Turkish media has reported that the first delivery from Russia will be in 2019.

The S-400 order is seen as one of the key symbols of Turkey's closer relationship with Russia under Erdogan and Russian counterpart Vladimir Putin.

The two men have also worked closely on finding a political solution to the seven-year Syrian war despite being on opposing sides of the conflict.

# Erdogan vows to clear Syria of Kurd militia, IS

By Ezzedine Said with Raziye Akkoc in Ankara  
Istanbul (AFP) Dec 21, 2018

Turkish President Recep Tayyip Erdogan on Friday vowed to drive out a US-backed Kurdish militia and jihadists from Syria as Kurdish forces there warned that any attack by Ankara could seriously undermine the fight against the Islamic State.

Erdogan's promise followed the shock decision by US President Donald Trump to pull out 2,000 American ground forces from Syria on the grounds that IS had been "beaten".

Washington's decision not only has ramifications for the Kurds, who are being trained by US forces, but also for Turkey's actions in Syria.

Erdogan suggested Turkey could launch an operation against the Kurdish People's Protection Units (YPG) militia, which Ankara says is a "terrorist offshoot" of the outlawed Kurdistan Workers' Party (PKK) which has been waging an insurgency against the Turkish state since 1984.

The PKK is blacklisted as a terror group by Turkey and its Western allies.

"In the coming months we will see an operation aimed at removing the YPG and Daesh (Islamic State) elements on the ground in Syria," he said in Istanbul.

Erdogan welcomed Trump's withdrawal decision but said he remained "cautious"

## Russia: 'Provocative' Israeli strikes on Syria threatened two civilian flights

Russia's Ministry of Defense also claims 14 out of 16 missiles launched by Israel during a strike, reportedly targeting Iran and Hezbollah's arms depots, had been intercepted by Syrian air defenses.

The ministry, which did not specify which flights had been threatened, added that Syrian air defenses had destroyed 14 of 16 Israeli missiles launched against unspecified targets near Damascus on Tuesday.

"Provocative acts by the Israeli Air Force endangered two passenger jets when six of their F-16s carried out airstrikes on Syria from Lebanese airspace," the Russian Defense Ministry said in a statement carried by the Russia Today news outlet.

Following its 2019 elections, Canada is expected to approve euthanasia for sick children, joining the Netherlands and Belgium as the only nations in the world affirmatively sanctioning such practices.

The Council of Canadian Academies, a government advisory board has studied the expansion of euthanasia to include making it available for children, those with mental illness and so-called "advance requests" by those who wish to set in motion assisted suicide should they become incompetent to make the decision later.

Whereas assisted suicide is legal in some states in the U.S., no statistics are kept on the number of cases.

In Canada, however, it's a booming business with thousands put to death by doctors and nurse practitioners since it was legalized nationwide in 2015. Clinics run TV commercials for euthanasia.

Nearly 2,000 were killed in 2017 alone in Canada, almost all by lethal injection.

"Facebook said the post went against their 'community standards on hate speech,'" Graham wrote on the social media platform after the ban was lifted.

# Traditional Women's College to Admit Transgender Students, Citing Obama-Era Policy

12-28-2018 - [Christian Ellis](#)

A traditionally female-only college has announced a new initiative allowing men who identify as female to have the opportunity to enroll, [The Blaze](#) reports.

Founded in 1833, Stephens College, located in Columbia, Missouri, has only granted admittance to biological women until now. The school posted a timeline of their decision on their website, citing 2014 Obama-era legislation as the foundation for their policy change.

## Meet the 11-year-old drag kid who RuPaul calls 'the future of America'

Mary Stevens | @missstevens | 12:26 PM ET Thu, 9 Aug 2018

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصاييحنا لاستقبال العريس بالصلاة والصوم وخدمة

أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما

كان حين امنا

13: 12 قد تنهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

بطرس الأولى 3: 14

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

**بل تؤمن**

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثًا لنتنبه ونستعد

## انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَأَنْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.»

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.

وأيضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد

انت لا تعرف متى ستكون منهم

المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس.
