والعلامات حتى 19 مارس 9201

Holy_bible_1

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه ليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت . بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيق اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك زيت الا ما جمعه سابقا .

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض

ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي

المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما

انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

انجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لننتبه ونستعد

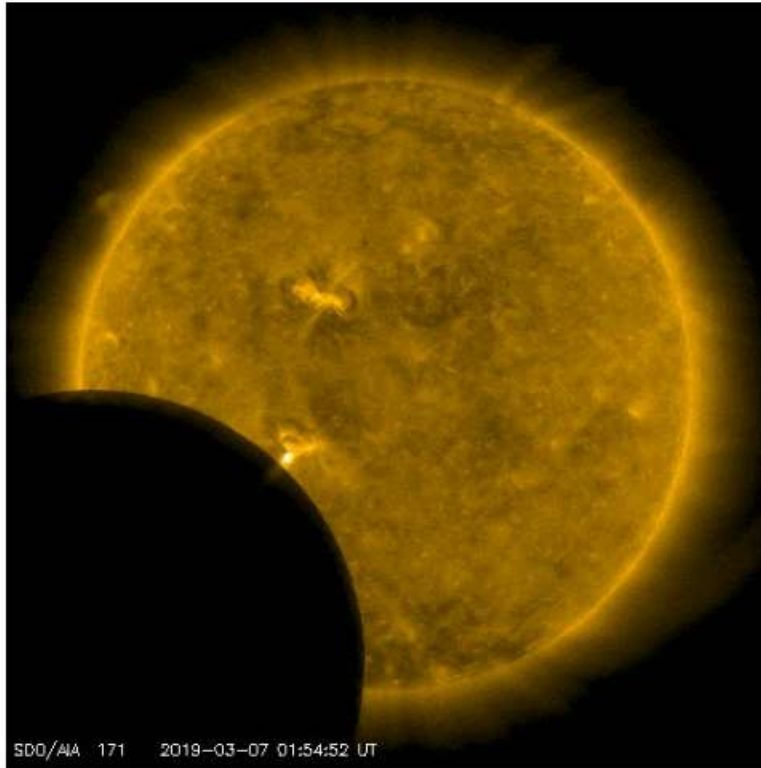

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.»

علامات في السماء

نوع غريب من الكسوف حدث يوم 6 مارس

A REALLY WEIRD SOLAR ECLIPSE: Earlier today, NASA's Solar Dynamics Observatory (SDO) observed an eclipse of the sun—a strange kind of eclipse that you can only see while orbiting Earth. The black disk of the New Moon passed in front of the sun, reversed course, and did it again:

During the eclipse, which lasted just over 4 hours, as much as 82% of the sun was covered. Technically, that makes it an annular solar eclipse, not total. At maximum, an annulus or "ring of fire" completely surrounded the Moon.

The strange "double-dip" motion of the Moon across the sun is a result of orbital mechanics. Both SDO and the Moon are orbiting Earth, but at different speeds. SDO's velocity of ~3 km/s is faster than the Moon's velocity of 1 km/s. SDO thus overtakes the Moon first in one direction, then the other, during the long eclipse.

AN ASTEROID COULD HIT EARTH IN SEPTEMBER 2019

February 7, 2019 Technology 879 Views

Facebook Twitter Google+ LinkedIn Pinterest

On Monday, September 9, 2019, an asteroid about 40 meters in diameter could hit the planet **Earth** at 44,000 kilometers per hour.

The impact may resemble a **devastation** that of the asteroid, which fell in 1908 in Tunguska (Siberia). It has destroyed an area of 2,000 square kilometers (50 kilometers in diameter) and toppled 80 million trees in the taiga

But the specialists do not lose sleep because they hit the earth, the asteroid QV89 of **2006** represents no danger to life on the planet.

اكتشاف تزايد الاشعة الكونية وانها تؤثر على المسافرين بالطيران

NEUTRONS DETECTED ON COMMERCIAL AIRPLANE FLIGHTS: Long lines. Narrow seats. Baggage fees. You recognize this list. It's the downside of flying on modern commercial airlines. And now we have a new item to add: neutrons.

Spaceweather.com and Earth to Sky Calculus have just completed a 5-continent survey of cosmic ray neutrons at aviation altitudes. From Dec. 2018 through Feb. 2019, Hervey Allen of the University of Oregon's Network Startup Resource Center carried [Earth to Sky radiation sensors](#) including *neutron bubble chambers* onboard commercial flights from North America to Europe, Africa, South America and Asia. Neutrons from deep space were detected on every flight.

Hervey logged 83 hours in the air as he traveled 41,500 miles above 30,000 feet. For reference, that's almost twice the circumference of the Earth. The entire time, he gathered data on X-rays, gamma-rays and neutrons in an energy range (10 keV to 20 MeV) similar to that of medical radiology devices and "[killer electrons](#)" from the Van Allen Radiation Belts.

The results were eye-opening. During the trip, Hervey recorded 230 [uGy \(microGrays\)](#) of cosmic radiation. That's about the same as 23 panoramic dental x-rays or two and a half chest X-rays. Moreover, 41% of the dose came in the form of neutrons. This confirms that cosmic-ray neutrons are abundant at aviation altitudes and must be considered in any discussion of "[Rads on a Plane.](#)"

GEOMAGNETIC STORMS ARE UNDERWAY: A [crack](#) has opened in Earth's magnetic field--not a big one, but big enough to cause a [G1-class](#) geomagnetic storm. Rayann Elzein witnessed the resulting auroras over Utsjoki, Finland, on March 16th:

"The auroras appeared as soon as twilight ended (actually a bit before)," says Elzein. "It was a magnificent display!"

This storm was not predicted, yet it comes as no surprise. The vernal equinox is only a few days away, and at this time of year cracks often form in Earth's magnetic field. Solar wind can pour through the gaps to fuel bright displays of Arctic lights.

Next severe weather outbreak may target central, southern US this weekend

Share this article:   

March 04, 2019; 1:00 PM

00:0200:33

      AccuWeather 

Following a deadly outbreak of tornadoes in the Southeast, another severe weather and tornado outbreak may erupt in the south-central United States this weekend.

A potent storm is forecast to move out of the Rockies and swing into the Plains this weekend. As this happens, the risk of severe thunderstorms will increase over the middle part of the nation, AccuWeather meteorologists warn.

Alarm bells in Washington as Russia and China TEAM UP for terrifying weapons system

CHINESE military personnel are being trained to use Russia's deadly S-400 Triumph missile system in another example of cooperation between the two superpowers which is likely to set alarm bells ringing in Washington.

NUCLEAR THREAT: Russia could 'be FORCED' to deploy missiles that cover 'WHOLE' of Europe

RUSSIA could "be forced" to deploy missiles capable of firing upon the "whole" of Europe, the Russian Ambassador to Washington has warned.

NATO chief wants to beef up Ukraine defenses against Russia threat

by Staff Writers
Washington (AFP) March 5, 2019

The commander of NATO forces in Europe, US General Curtis Scaparrotti, said Tuesday he wants to bolster Ukraine's defenses against Russia's "increasingly aggressive" posture in the east of the country and the Black Sea.

The United States has already sold Javelin anti-tank missiles to Ukraine in the past year, but there are "other systems, snipers systems, ammunition" that Washington could provide to strengthen Ukraine's forces, the general told Congress.

He said the US may have to consider boosting naval defenses in the Black Sea, after Russian forces shot at and seized three Ukrainian ships late last year as they were traversing the Kerch Strait linking the Sea of Azov with the Black Sea.

Five years after Russia annexed the Crimean peninsula, Moscow "continues to arm, train," and even "fight alongside antigovernment forces in eastern Ukraine," he said, calling its activities a

Erdogan determined to go ahead with Russian missile deal

by Staff Writers
Istanbul (AFP) March 6, 2019

Turkish President Recep Tayyip Erdogan said Wednesday it was "out of the question" to reconsider a controversial deal to buy a top-line Russian anti-missile system and he might even look at other purchases.

The United States, a long-standing NATO ally and supplier of much of Turkey's military equipment, has pressed Ankara to drop the S-400 deal, saying it is incompatible with its established weapon systems and is part of Russian efforts to muddy the waters in a key, volatile region.

"As for the S-400, the deal is done and it is out of the question to go backwards... and perhaps after the S-400, we will move onto the S-500," Erdogan told Kanal 24 television.

The S-400 is a sophisticated anti-missile and anti-aircraft weapon system, similar to the US Patriot.

Erdogan also noted Washington's decision to withdraw trade privileges from Turkey, warning that "no one should try to make us toe the line with such measures."

'Israel tells Hamas to rein in border violence or face major military action'

According to Arabic-language media, Israeli warning came amid renewed indirect ceasefire talks between the two sides brokered by Egyptian mediators aimed at ending months of escalating tensions

Elior Levy | Published: 03.06.19 , 11:48

Israel is reportedly warning Palestinian terror organization Hamas that it faces widespread military action if it does not rein in violence along the country's border with the Gaza Strip, the neighboring coastal enclave that it rules.

•Follow Ynetnews on [Facebook](#) and [Twitter](#)

The two sides are in the midst of indirect negotiations mediated by Egypt meant to consolidate a ceasefire arrangement after months of escalating tensions between the two sides, the London-based, Arabic-language newspaper Asharq al-Awsat reported Wednesday.

Venezuela hit by major blackout, government blames 'sabotage'

by Reuters

Thursday, 7 March 2019 23:06 GMT

By Shaylim Valderrama and Vivian Sequera

CARACAS, March 7 (Reuters) - A major power outage hit crisis-stricken Venezuela on Thursday, according to Reuters witnesses, a problem the government of President Nicolas Maduro quickly blamed on "sabotage" at a hydroelectric dam that provides much of the country's power.

Electricity outages are frequent in Venezuela, where the economy is collapsing under hyperinflation, with chronic shortages of food and medicine and a mass emigration of more than 3 million citizens.

Critics say corruption and under investment have left the country's power grid unable to function, while Maduro says the problems are intentionally created by political adversaries.

Crowds flooded a main avenue of Caracas. Many people said they expected they would have to walk several hours to their homes because the few buses on the streets were full and the city's metro system was

By Mayela Armas and Deisy Buitrago

CARACAS, March 10 (Reuters) - Venezuelans woke up to a fourth day of an unprecedented nationwide blackout on Sunday, leaving residents concerned about the impacts of the lack of electricity on the South American country's health, communications and transport systems.

Socialist President Nicolas Maduro - who is facing a challenge to his rule by the leader of the opposition-led congress, Juan Guaido - has blamed the blackout on an act of "sabotage" by the United States at the Guri hydroelectric dam, but experts say it is the outcome of years of

فسيصبح تعليم الشذوذ مثل تعليم التطور والاحاد.

لمن يستشهد ويقول الجامعات طالما تدرس التطور إذا حقيقة وللآخرين الذين يتعجبوا ان كان
فرضية التطور خطأ كيف انتشرت في التعليم. نفس المؤسسة التي نشرت فرضية التطور الخطأ
في التعليم رغم انه مخالف للأغلبية لدرجة انه أصبح عند الكثيرين من الجيل الذي تعلم هذا انه
حقيقة هي نفس المؤسسة بنفس الطريقة التي بدأت تنشر الشذوذ في التعليم ليصبح حقيقة في

الجيل التالي. عرفتكم كيف أصبح التطور الخطأ حقيقة في التعليم؟ أيضا ستروا كيف سيصبح الشذوذ حقيقة في التعليم.

العالم قد وضع في الشرير.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصاييحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما كان حين امنا

13: 12 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

بطرس الأولى 3: 14

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

بل نؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.».

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.

وأيضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد

انت لا تعرف متى ستكون منهم

المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس.

والمجد لله دائما
