

تعليق على بعض الاحداث العالمية

والعلامات حتى 3 سبتمبر 2019

Holy_bible_1

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية.
والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم
الذي أصبح مظلم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا
مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة
بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان
الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان
وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك
زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقرب فنكون مستعدين سواء جاء او نحن ان
سلمنا وديعتنا عن أنى لا اقول انه اقرب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض
ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي
المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما
انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَأَن تَوْمِنُونَ.

ثالثا لنتنبه ونستعد

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَأَنْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.».

علامات في السماء

Doorbell and dash cameras across the Canadian city of Edmonton captured an unbelievably bright fireball which exploded over the city, turning night into day and mesmerizing residents in the process.

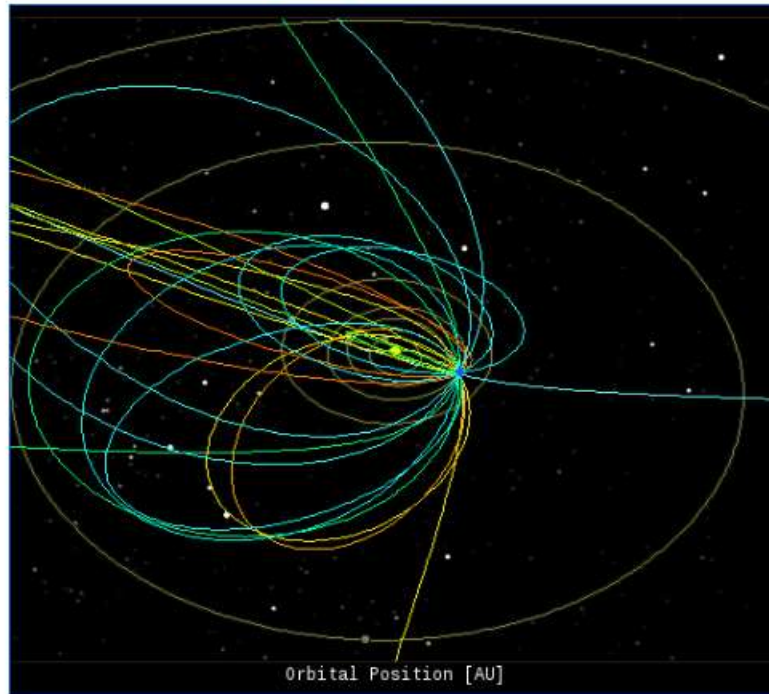

The fiery object, which appeared to be a meteor, streaked across the night sky for about four seconds at 10:30pm local time, leaving many residents' mouths agape as their eyes adjusted to the sudden and extreme brightness.

Tropical Storm Dorian holds steady with Central Florida still in path; Puerto Rico on hurricane watch

By TIFFINI THEISEN
ORLANDO SENTINEL | AUG 27, 2019 | 8:44 AM

Tropical Storm Dorian 8 a.m. Tuesday update

Tropical Storm Dorian held steady with 50 mph winds overnight and early Tuesday but is expected to “gradually intensify,” and Central Florida and South Florida are still in the storm’s projected path, the National Hurricane Center said in its 8 a.m. update. Hispaniola is bracing for impact in 36 to 48 hours and a new tropical storm warning and hurricane watch were issued for

Hurricane Dorian still has Central Florida in its sights as a Category 3 hurricane, reports Fox 35 meteorologist Kristin Giannas.

Hurricane Dorian was expected to become a “dangerous” storm as it trudges toward Florida after sweeping through the U.S. Virgin Islands on Wednesday, the National Hurricane Center said.

Hurricane Dorian strengthens to a catastrophic Category 5, 160 MPH winds takes aim at Bahamas

Sep 1, 2019 | 0 | ★★★★★

(SS) – Hurricane Dorian strengthened unexpectedly to Category 5 force Sunday morning, with top sustained winds of 160 miles per hour, the National Hurricane Center said in an 8 a.m. update. An Air Force Hurricane Hunter airplane penetrated the storm's eye and found winds had reached a "catastrophic" speed of 160 mph, with higher gusts, as the storm's core approached the Abacos islands of the Bahamas, the hurricane center said.

The hurricane's predicted path moved slightly toward Florida Sunday morning, putting parts of South Florida back within the danger zone for possible landfall. South Florida remains at the left edge of the cone of uncertainty, indicating the likely course of the storm's center, and the cone's center remains well offshore and aimed at the Carolinas. But Florida remains under the threat of a direct hit, the National Hurricane Center said in a 5 a.m.

Florida Drivers Filling Up Before Hurricane Leave Tanks Dry

Bloomberg Jeffrey Bair

Bloomberg August 30, 2019

(Bloomberg) — Gas stations in parts of Florida are running out of fuel as drivers race to fill up ahead of Hurricane Dorian.

Independent operator Steil Oil, just 3 miles from the Atlantic Ocean in Vero Beach, Florida, closed but there was no sense of panic, said clerk-attendant Doug Mull. Several dozen drivers stopped in while pumps were closed. Another 8,000-gallon gasoline carrier was on the way, he said.

Dorian's course turned slightly south and is now expected to make landfall near Jupiter, Florida, as a Category 4, with winds reaching 140 miles per hour. Florida relies on ships to

Jungle Lakes Evaporate and Disappear Completely in Mexico

By **Strange Sounds** - Aug 27, 2019

Some of the mystical blue-green lakes of the Lacandon jungle in southern Mexico are drying up this year.

The Metzabok lake, which normally covers 220 acres (89 hectares), dried up completely this month, leaving cracked mud where the translucent waters normally reflect the surrounding jungle and Lacandon Indians travel by canoe.

Jungle lakes in Mexico are drying up and disappearing. Picture of the Metzabok Lagoon by Mexico's National Commission for Protected Nature Areas (CONANP)

BILLINGS, Mont. — Wildlife officials say a hail storm packing 70-mile-per-hour winds killed or maimed more than 11,000 pelicans, cormorants and other birds when it rolled over a central Montana lake and nesting area.

Montana Fish, Wildlife and Parks officials said Friday that the storm with 2-inch hail stones killed about 20 to 30 percent of the waterfowl at Big Lake Wildlife Management.

Dozens of dead seabirds found on Kivalina coast

August 17th | **Shady Grove Oliver**

print email

Kivalina residents were greeted with an unwelcome surprise on their beaches last week. People driving four-wheelers along the coast counted dozens of dead seabirds scattered across the ground.

"(They were) both nearby and far away, all down the coastline going south," said resident Rojo Adams. "We stopped counting at 65."

Adams said most of the birds were black, though a few were white or mixed color. Resident Janet Mitchell took several photos around the same time. They, too, show black and white birds, along with one puffin. She said most of the birds she found were nearest town and there weren't many further north.

The birds didn't appear to have been shot or killed by people, Adams said.

"There were maybe four or five that had missing feathers from the neck area and maybe two that were partially eaten (or) might have been run over," she said. "(I'm) not too sure. They were all along the coastline and only a few near the grass line."

Toxic Algae Kills Dogs Across the Country

By Lindsay Kalter

Editor's note: This story was updated Aug. 27, 2019 with warnings about toxic algae blooms in several New York City parks.

Aug. 14, 2019 -- A deadly variety of algae has caused a recent spate of dog deaths in the Southern United States, causing concern among canine owners nationwide.

A dog died last Wednesday in Texas after wading in a shallow pool near a river; three dogs died in Wilmington, NC, after a trip to a pond last Thursday; and another died after [swimming](#) in Lake Allatoona in Georgia on Saturday.

The killer is blue-green algae, or cyanobacteria, that can be found in fresh or salt [water](#) and contain toxins that can be fatal to dogs within minutes, hours, or days of exposure.

These primitive algae are considered harmful algal blooms (HABs) and evolved roughly 3.5 billion years ago, says Larry

Officials in Côte d'Ivoire (Ivory Coast) are reporting on an unidentified disease that has caused many deaths in Yeretiélé.

According to the information received at the level of the Ministry of Health and Public Hygiene, 28 people have died of this unidentified disease since July.

The Minister of Health and Public Hygiene, Eugène Aka Aouélé said they mobilized medical teams to the area to investigate.

The symptoms presented include swelling of the face and lower limbs, chest pain, abdominal bloating, general fatigue, constipation and vomiting. Thus, the Ministry of Health and Public Hygiene orders anyone with one of these signs to go directly to the nearest health center. Self-medication is not recommended to avoid unnecessary risk.

Infection with seasonal influenza A viruses induces immunity to potentially pandemic influenza A viruses of other subtypes (heterosubtypic immunity). We recently demonstrated that vaccination against seasonal influenza prevented the

وهذا ما اعنيه

and mortality caused by seasonal influenza in children and is (cost-)effective (23, 34–36). However, long-term annual vaccination using inactivated vaccines may hamper the induction of cross-reactive CD8⁺ T cell responses by natural infections and thus may affect the induction of heterosubtypic immunity. This may render young children who have not previously been infected with an influenza virus more susceptible to infection with a pandemic influenza virus of a novel subtype.

However, long-term annual vaccination using inactivated vaccines may hamper the induction of cross-reactive CD8⁺ T cell responses by natural infections and thus may affect the induction of heterosubtypic immunity. This may render young children who have not previously been infected with an influenza virus more susceptible to infection with a pandemic influenza virus of a novel subtype.

SPACE WAR

Trump launches new Pentagon command for space warfare

By Paul HANDLEY
Washington (AFP) Aug 29, 2019

President Donald Trump launched a new Pentagon command dedicated to warfare in space Thursday, as American armed forces chiefs see China and Russia pressing hard to erode the US advantage in the newest military frontier.

"This is a landmark day, one that recognizes the centrality of space to America's security and defense," Trump said in a White House ceremony.

"SpaceCom will ensure that America's dominance in space is never threatened."

The new command will elevate space -- largely the satellites and high-altitude aircraft essential to modern-day warfare -- to a focused theater of combat, the equal of the US Central Command governing the Middle East and the Pacific Command, which manages defenses in the Western Pacific and Asia.

While the US Air Force already has a dedicated space warfare operation, SpaceCom will heighten its importance and foster specialized systems and training for space showdowns.

"The dangers to our country constantly evolve and so must we," said Trump.

"Our adversaries are weaponizing earth's orbits with new technology targeting American satellites that are critical to both battlefield operations and our way of life at home."

N. Korea's Kim oversaw test of 'multiple rocket launcher': KCNA

by Staff Writers
Seoul (AFP) Aug 25, 2019

North Korean leader Kim Jong Un supervised the test-firing of a "super-large multiple rocket launcher", state media reported Sunday -- further muddying the waters for any resumption of denuclearisation talks.

Pyongyang fired what appeared to be two short-range ballistic missiles on Saturday, Seoul's military said, the latest in a series of launches in recent weeks in protest at US-South Korean joint military exercises, which wrapped up nearly a week ago.

Kim said the "newly developed" system was a "great weapon," and expressed "high appreciation" for the scientists who had designed and built it, the country's official Korean Central News Agency said.

Kim added the country needed to keep stepping up weapons development "for resolutely frustrating the ever-mounting military threats and pressure offensive of the hostile forces," KCNA noted.

Photos carried by the official Rodong Sinmun newspaper showed a broadly grinning Kim standing in front of an eight-wheeled launcher and rockets shooting out from the large canisters mounted on the vehicle.

Japan's Abe says N. Korea missile launches 'clearly violate' UN rules
Biarritz, France (AFP) Aug 25, 2019 - Japan's prime minister Shinzo Abe on Sunday called North Korea's latest missile test a violation of UN rules and said it was "extremely regrettable".

"The launch of short-range ballistic missiles by North Korea clearly violates the relevant UN Security Council resolutions," Abe said alongside President Donald Trump, who contradicted him, saying the tests were not a violation.

"It was extremely regrettable for us," Abe said, on the sidelines of the G7 summit in Biarritz, France.

In the U.S., corporate insiders have been selling stocks at an average rate of 600 million dollars per day during the month of August. This kind of wild selling indicates that there is a tremendous amount of fear among corporate insiders right now, and such selling would only make sense if a stock market crash is imminent. And without a doubt, we have already seen [volatility return to Wall Street](#) in a

Islamic extremists continue to target and murder Christians in northeastern Burkina Faso.

[Aid to the Church in Need](#) reports in the latest attack on June 27, four Christians in the village of Bani were killed by militants for wearing crucifixes. When the attackers saw they were wearing crosses, the four men were singled out and executed.

Bishop Laurent Birfuoré Dabiré of the Diocese of Dori in the northeast of Burkina Faso spoke to the aid organization about the dire situation

Why a county councilwoman was sworn into office on a Dr. Seuss book

Kelli Dunaway is sworn in as a new St. Louis County councilwoman. (Hillary Levin/St. Louis Post-Dispatch via AP)

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصابيحنا لاستقبال العريس بالصلاة والصوم وخدمة
أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما كان حين امنا

13: 12 قد تنهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

بطرس الأولى 3: 14

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

بل نؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَأَنْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.».

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.

وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد

انت لا تعرف متى ستكون منهم

المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس.

والمجد لله دائما
