اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية.
والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم
الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا
مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة
بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان
الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان
وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك
زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان
سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشتر اشاعات او اخيف البعض
ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي
المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما
انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تَوْمُنُونَ.

ثالثا لنتنبه ونستعد

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَأَنْتَضِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.».

Hurricane Lorenzo is a powerful category four storm this evening, packing maximum winds of 145 MPH far out in the Atlantic Ocean. Lorenzo joins the heap of storms we've seen in the last couple of years to break some sort of a record—this time, it's the most intense hurricane ever recorded so far east in the Atlantic. While it's no immediate threat to land, the hurricane may pose a threat to the Azores Islands by next week.

Alaska seal die-off spurs government investigation

ANCHORAGE, Alaska, Sept 12 (Reuters) - U.S. government biologists are investigating the deaths of nearly 300 Arctic ice seals found on Alaska beaches since last summer, federal officials said on Thursday.

The National Oceanic and Atmospheric Administration on Thursday declared the seal die-off an "unusual mortality event," a designation that allows extra resources to be used to determine the cause.

So far, 282 seal carcasses have been discovered since June 2018. Fewer than half - 119 - were found last year, NOAA said. That is five times the normal mortality rate for such seals, according to NOAA.

The carcasses likely account for a small fraction of the total number of dead seals, as scientists assume the majority of stricken animals would sink after dying or otherwise never make it to shore, said Julie Speegle, an Alaska spokeswoman for NOAA's Fisheries Service.

The die-off comes as Arctic Alaska sea ice is scarce and sea temperatures are unusually high - conditions most scientists attribute to global warming brought on

Scientists have revealed what they think caused the mass stranding of hundreds of starfish on a beach in the South Hams.

Witnesses say they saw "hundreds if not thousands" of dead starfish swept onto Slapton Sands in Torcross at around 6.45pm on Monday, September 16.

Holidaymakers Martyn and Jill Worrall were leaving dinner at the Start Bay Inn when they witnessed the "surreal" occurrence.

Martyn said: "The waves were washing up hundreds if not thousands of starfish over about 100 yards of the shoreline in front of us.

China anniversary parade to unveil hi-tech military gear: report

by Staff Writers
Beijing (AFP) Sept 25, 2019

China will likely unveil a new supersonic drone and intercontinental ballistic missiles at a military parade next week marking 70 years of Communist Party rule, according to Paris-based researchers.

The October 1 procession will display the army's "unprecedented" conventional and nuclear ballistic capabilities, said the Paris-based Foundation for Strategic Research in a report based on images analysed by Geo4i.

The People's Liberation Army (PLA) has tried to keep its plans under wraps – even moving tanks in the dead of night during dress rehearsals – but the France-based researchers used satellite images to spot hardware likely to be shown off next week.

On Tuesday President Xi Jinping will preside over what Beijing has promised to be the biggest military and civilian parade in the history of the country.

The Chinese defence ministry says 15,000 troops will march next week, and 580 pieces of military hardware will be displayed – as well as more than 160 aircraft.

S.Korean leader proposes peace zone buffering North

By Shaun TANDON
United Nations, United States (AFP) Sept 24, 2019

South Korean President Moon Jae-in on Tuesday proposed that the United Nations create an "international peace zone" to replace the peninsula's divide, saying the idea would both reassure the North and inspire the world.

The left-leaning leader, whose diplomacy paved the way for historic summits between President Donald Trump and North Korean strongman Kim Jong Un, laid out his rosy vision for the last Cold War frontier in an address to the UN General Assembly.

He asked the international community to commit to designating the international peace area to replace the 250-kilometer (155-mile) Demilitarized Zone that has split the two Koreas for more than 60 years.

Moon said the zone would offer an added incentive for Kim to give up nuclear weapons, the focus of more than a year of on-again, off-again talks between North Korea and the United States.

"The establishment of an international peace zone will provide an institutional and realistic guarantee for North Korea's security," Moon said.

"At the same time South Korea will be able to gain permanent peace," he said.

N.Korea doubts prospects for future summit with US

by Staff Writers
Seoul (AFP) Sept 27, 2019

US aggression and an obsession with disarmament mean another summit between Washington and Pyongyang is looking doubtful, North Korea said on Friday, even as it praised US President Donald Trump as "bold" and "wise".

Washington has "done nothing for the implementing the joint statement" from the first US-North Korea summit held in Singapore last year, Kim Kye Gwan, advisor to North Korea's foreign ministry, wrote in a statement carried in Pyongyang's official news wire KCNA.

The official then slammed Washington for its joint military drills with the South, which it has long considered rehearsals for invasion.

He also claimed while Pyongyang has made "sincere efforts to build trust", US politicians remain "obsessed" with the idea of enforcing sanctions until Pyongyang completely gives up its nukes first.

"This makes me doubt whether a new breakthrough could be brought about in the DPRK-U.S. relations though another DPRK-U.S. summit talks may open," Kim Kye Gwan said in the statement, using North Korea's official name.

But the official praised US President Trump as "different from his predecessors", adding he would like to "place hope" on Trump's "wise option and bold decision" for the future dialogues between the two countries.

State Dept. approves sale of laser aircraft defense system to Qatar

by Tauren Dyson
Washington (UPI) Sep 25, 2019

The U.S. State Department has approved the possible sale of two AN/AAQ-24(V)N Large Aircraft Infrared Countermeasures systems to Qatar for \$86 million.

The systems Qatar is interested in buying include 12 guardian laser turret assemblies, seven LAIRCM System Processor Replacements and 23 missile warning sensors, the Defense Security Cooperation Agency said Wednesday.

The sale would also include technical and logistics support, and other related elements of logistics and program support.

LAIRCM uses a guided laser to blind the seeker head of infrared-guided missiles, which stops their ability to track down the heat signature of an aircraft. The systems are capable of supporting existing facilities.

The proposed sale would support an ally in the Middle East where the U.S. Central Command forces are based, DSCA said.

Northrop Grumman will be the prime contractor, and the potential sale is not expected to offset any other agreements or adversely affect U.S. defense readiness, according to the agency.

New Video of Advanced Hologram Points to Antichrist's Future Technological System

8:00AM EDT 9/25/2019 | [STEPHEN STRANG](#)

Technology is changing our lives in many ways. Many of these changes are helpful to our jobs, our medical care and even our spiritual growth. But is there something else going on that ties into God's plan for the end of time—and maybe even the Antichrist?

End-times expert Mark Biltz says yes. In his new book, [Decoding the Antichrist and the End Times](#), he unpacks the system the Bible describes the Antichrist setting up in the last days. He recently shared with me a video Microsoft released this year about artificial intelligence. I found it quite enlightening.

A woman with Azure Technologies and Microsoft Network reveals a hologram that resembles her appearance and copies her voice almost exactly. But her hologram can speak languages she doesn't even know. You can watch the video in this article.

The World's Wealthiest Families Are Stockpiling Cash as Recession Fears Grow

Bloomberg Suzanne Woolley and Ben Stupples

Bloomberg September 24, 2019

(Bloomberg) -- Rick Stone, a former partner at Cadwalader, Wickersham & Taft, sees treacherous times ahead for family offices trying to deploy cash.

The head of Stone Family Office said he doubts the bond market will provide any real return over the next decade, that equity markets will suffer a substantial drop and then be flat, and that too much venture capital and private equity money will continue to chase too few opportunities.

'Fastest-growing church' has no buildings, no central leadership, and is mostly led by women

For the last few years, researchers have credited the underground church in Iran as the fastest-growing Christian church in the world. It has unique characteristics that defy comparison with churches in America and Europe, and in the opinion of some who know it well, the church in the West could learn by studying it.

"The fastest-growing church in the world has taken root in one of the most unexpected and radicalized nations on earth," according to "Sheep Among Wolves," the outstanding two-hour documentary about the revival that has taken place inside Iran. "The Iranian awakening is a rapidly reproducing discipleship movement that owns no property or buildings, has no central leadership, and is predominantly led by women."

The documentary was produced by Frontier Alliance International (FAI), which supports disciple-making teams targeting the "unreached" and "unengaged" within the 10/40 Window.

There is a mass exodus leaving Islam for Christianity within Iran, according to FAI.

Religious Symbols Banned for Public Workers in Quebec – Is Religious Oppression a Trend in Canada?

09-24-2019 - Deborah Bunting

As Canadians rev up for elections in October, candidates are being asked to weigh in on a law passed in the province of Quebec that critics say will test whether Canada remains a truly free country.

In June, Quebec, the mostly French-speaking province of Canada, passed a law banning the wearing of religious symbols for public sector employees. It's called Bill 21, and according to the [BBC](#), it bars civil

Mattel just launched a gender-inclusive doll line

By Leah Asmelash, CNN

Updated 23 hrs ago | Posted on Sep 25, 2019 | 0

(CNN) — Mattel is probably most known for its hyper-feminine Barbie dolls — but now, they're making something a little bit different.

Mattel launched a line of gender-inclusive dolls Wednesday, called "Creatable World." The line's premise is all about customization — of hair, clothes and accessories — creating a toy that isn't dictated by gender norms.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصاييحنا لاستقبال العريس بالصلاة والصوم وخدمة

أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما كان حين امنا

13: 12 قد تنهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

بطرس الأولى 3: 14

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

بل نؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.».

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.

وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد

انت لا تعرف متى ستكون منهم

المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس.

والمجد لله دائما
