

تعليق على بعض الاحداث العالمية

والعلامات حتى 7 يناير 2020

Holy_bible_1

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان
سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشتر اشاعات او اخيف البعض
ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي
المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما
انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُمْنُونَ.

ثالثا لنتنبه ونستعد

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَأَنْتَضِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.».

As a wildfire scorched through India MacDonell's home in Goongerah, Victoria, on Dec. 30, she desperately tried to put out the fire using a water hose.

Tens of thousands of residents were driven from their homes throughout the states of New South Wales and Victoria as Australia's catastrophic bushfire season continues.

Communities within New South Wales and Victoria were placed under a declared state of emergency on Thursday morning, allowing New South Wales Premier Gladys Berejiklian and Victorian Premier Daniel Andrews to forcibly open or close roads and mandate public evacuations.

"We don't take these decisions lightly," Berejiklian said, according to The [Sydney Morning Herald](#).

I have been saying for years that global volcanic activity is on the rise and it's now obvious that volcanoes are erupting at a faster pace, not only around the ring of fire but also around the entire globe. Even dormant and extinct volcanoes are becoming active again.

An extinct volcano by definition is a dead volcano, which has not erupted in the last 10 000 years and is not expected to ever erupt again. In other words, an *extinct volcano* implies that there is no magmatic,

Drought kills over 72,000 heads of cattle in Cunene

REPORT from [Government of Angola](#)

Published on 24 Dec 2019 — [View Original](#)

Ondjiva - At least 72,473 heads of cattle died between April and December this year in the transhumance corridors of Cunene province due to water and pasture shortages resulting from the drought that struck the region.

This data was released today, to Angop, by the head of the Veterinary Services of Cunene province, Estevao Camalanga, regarding the cattle vaccination program in the district.

During the dry season, he said, most of the cattle died from lack of water and pasture, as well as from poor animal health and opportunistic diseases.

He said that some farmers and their herds of cattle are already returning to their home areas since November, when it started to rain in the province of Cunene.

"Some breeders are returning with their livestock to their areas of origin as rain has started to fall in the province of Cunene," he said.

Since the last [disease outbreak news published on 19 December 2019](#), 29 new confirmed cases were reported from 18 to 31 December in the ongoing Ebola virus disease (EVD) outbreak in North Kivu province. The confirmed cases in this week were reported from eight health areas in four health zones: Mabalako (62%, $n=18$), Butembo (14%, $n=4$), Kalunguta (17%, $n=5$), and Katwa (7%, $n=2$). Three of the four cases reported in Butembo in the past fourteen days are linked to a transmission chain of more than 50 people that originated in Aloya Health Area, Mabalako Health Zone. One individual classified as a relapse case of EVD, infected several other individuals within the family and through nosocomial transmission (for more information, please see the [disease outbreak news published on 19 December 2019](#)). In Kalunguta Health Zone, the five cases reported between 24 and 28 December 2019, are a distinct epidemiologically linked chain of transmission, although the source of exposure is currently under investigation.

In the past 21 days (11 December to 31 December), 40 confirmed cases were reported from 10 health areas within five neighbouring active health zones in North Kivu province (Figure 2, Table 1): Mabalako (68%, $n=27$), Butembo (13%, $n=5$), Kalunguta (13%, $n=5$), Katwa (5%, $n=2$), and Biena (3%, $n=1$). The majority of the cases (75%, $n=30$) are linked to known chains of transmission.

As of 31 December, a total of 3380 EVD cases were reported, including 3262 confirmed and 118 probable cases, of which 2232 cases died (overall case fatality ratio 66%) (Table 1). Of the total confirmed and probable cases, 56% ($n=1900$) were female, 28% ($n=953$) were children aged less than 18 years, and 168 (5% of all reported cases) were healthcare workers.

Trump threatens Iran after embassy attack, but remains reluctant to get more involved in region

President Trump on Tuesday was pulled toward the kind of Middle East tinderbox he has tried to avoid, as he blamed Iran for an attack on the U.S. Embassy in Iraq that further damaged U.S. relations with Baghdad and appeared to put Trump's hopes for diplomacy with Tehran further out of reach.

RUMORS OF WAR: Pentagon warns that Iran may be planning more attacks

Jan 2, 2020 | 0 | ★★★★★

AP — The New Year's Eve attack on the U.S. Embassy compound in Baghdad has exposed a deepening divide between the United States and Iraq over Iran's role there, even as the Pentagon embarks on a more aggressive mission to counter Iranian influence across the Mideast. "The game has changed," Defense Secretary Mark Esper said Thursday, telling reporters that violent acts by Iran-backed Shiite militias in Iraq — including a rocket attack on Dec. 27 that killed one American — will be met with U.S. military force.

After the events that we witnessed on Tuesday, there will be no going back to the way things used to be. A cataclysmic war in the Middle East is not going to benefit anyone, but at this point it is difficult to see how one will be avoided. By directly attacking the U.S. embassy in Baghdad, the Iranians and their allies crossed all the red lines. The U.S. embassy is considered to be U.S. soil, and if President Trump does not respond militarily to this brazen attack on our sovereignty

JP – US airstrikes targeting an Iraqi militia convoy near camp Taji north of Baghdad were reported by Iraqi state TV on Saturday. According to pro-Hezbollah Lebanese media site Al-Manar, the strikes targeted a convoy of Iraq's Popular Mobilization Forces an umbrella group of Iran-backed Shia militias. Israel braces for Iranian retaliation after Soleimani assassination

by Reuters

By Stephen Farrell

JERUSALEM, Jan 3 (Reuters) - Israel's defence minister summoned the country's military and security chiefs to Tel Aviv on Friday in the wake of the U.S. air strike that killed senior Iranian Quds Force commander Qassem Soleimani.

As Iranian officials vowed revenge, the government of America's closest ally in the Middle East gave no immediate public response to the deaths of Soleimani and of Iraqi militia commander Abu Mahdi al-Muhandis in Baghdad.

But Israel Army Radio said the military had gone on heightened alert, amid fears that Iran could strike through its regional allies such as Tehran-backed Lebanese movement Hezbollah to the north, or through Palestinian militant group Hamas and Islamic Jihad in Gaza.

"They will wait for the right moment to exact revenge, perhaps by firing

Tesla and SpaceX CEO Elon Musk doesn't often publicly talk about his low-profile side hustle at biotech startup Neuralink. But when he does, the news is usually far more exiting than any of his updates on electric cars or rockets. In July, Neuralink published a white paper about an implantable brain chip it had been working on, which Musk said would help "merge biological intelligence with machine intelligence."

Plastic ID cards to be replaced with biometric systems and microchip implants

Jan 6, 2020 | 0 | ★★★★★

WSJ – For many employees, the workday starts by swiping a plastic ID card to enter the office. But employers can't always be sure who's holding the card. That humble ID badge is starting to be replaced by biometric identification systems, microchip implants and tools that monitor workers' gaits or typing habits—technologies that might not only make workplaces more secure and easier to navigate but also generate personalized health and productivity data.

It's easy to see why some employers are already using technologies like face and iris scans, which are more difficult to spoof than standard plastic ID cards. Cameras scan and record the faces of employees and temporary contractors, allowing the workers to bypass turnstiles. Companies can easily reconfigure existing office cameras with facial-recognition technology.

I need to begin with a disclaimer: this will be a positive article written to encourage Christians that we can face any circumstance we encounter this year with optimistic, joyful faith in our Father's power and provision.

However, to get there, I need to explain why this topic is on my mind today.

"It's Time We Dealt With Your Religious Intolerance"

On last Sunday's Meet the Press, [NBC News anchor Chuck Todd](#) read and endorsed a letter claiming that supporters of [Donald Trump](#) "want to be lied to" since they believe in "fairy tales" such as Noah's ark.

Leaving the politics of this claim aside, let's note that Jews believe in Noah's ark because it is described as an historical event in the Torah ([Genesis 6–9](#)). Jesus ([Matthew 24:37–39](#)) and Peter ([1 Peter 3:20](#); [2 Peter 2:5](#)) believed in its historicity as well. And Muslims find it in the Qur'an (29:14–15).

Prosecutor Targets Pastor, Labeled Protesters 'Religious Loonies' for Opposing Drag Queens in Libraries

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصاييحنا لاستقبال العريس بالصلاة والصوم وخدمة

أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما كان حين امنا

13: 12 قد تنهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

بطرس الأولى 3: 14

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

بل نؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.

وأيضاً استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد

انت لا تعرف متى ستكون منهم

المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس.
