والعلامات حتى 28 يوليه 2020

Holy_bible_1

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية.
والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم
الذي أصبح مظلم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا
مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة
بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان
الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان
وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك
زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان
سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض
ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي
المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما
انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُمْنُونَ.

ثالثا لنتنبه ونستعد

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَأَنْتَضِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.».

COMET NEOWISE VISITS EARTH: Yesterday, July 23rd, Comet NEOWISE (C/2020 F3) made its closest approach to Earth--only 0.63 AU (103 million km) away. Harlan Thomas of Alberta, Canada, photographed the encounter through a sea of green airglow:

"I drove 240 miles from my home in Calgary to find clear skies for this special night," says Thomas. "The comet was visible to the naked eye, barely, so I started taking pictures. That's when the airglow appeared. It was so thick, it started to overwhelm the comet!"

As the week begins with a flurry of asteroidal activity, with four space rocks set to shoot past Earth on Tuesday alone, two Indian teenagers have discovered yet another space rock due to cross paths with our planet.

To kick things off, the small-house-sized asteroid 2020 OO1 will buzz by at a distance of 669,000km on July 27.

China has successfully launched its first Mars exploration mission. The probe carries a rover which will monitor the weather conditions on the planet and look for ice under its surface.

The launch took place on Hainan Island in southern China. The probe, which was carried into space by the Long March-5 Y4 rocket, is expected to reach Mars around February 2021.

Hanna could produce up to a foot of rain in spots. Meanwhile, Gonzalo is getting closer to the Windward Islands.

Residents along the Texas Gulf Coast on Friday afternoon were bracing for a hit from Hanna, which is now looming about 115 miles east of Corpus Christi. Hanna is packing 75 mph winds and moving west over the warm waters of the Gulf of Mexico at a speed of 9 mph. A hurricane warning was also issued for Corpus Christi and surrounding areas, the first hurricane warning for this part of the Texas coast since August of 2017 before Hurricane Harvey made landfall.

AccuWeather forecasters predict Hanna will make landfall Saturday afternoon. "Hanna is expected to become a Category 1 hurricane Saturday morning before landfall," AccuWeather Meteorologist Alyson Hoegg said on Friday, adding that just south of **Corpus Christi** is where the storm will likely come ashore, near Baffin Bay, Texas.

A man who crossed into North Korea and put the city of Kaesong on high alert because he had symptoms resembling coronavirus is unlikely to have been a transmitter of the deadly contagion, Seoul's health officials have claimed.

The man in question – who fled from the North three years ago – returned to his homeland on July 19. He reportedly showed up in Kaesong, his home city, and on-site medical screening returned "uncertain results," Pyongyang's state media reported.

Trump tells Putin hopes to avoid US-Russia-China arms race

by Staff Writers

Washington (AFP) July 23, 2020

President Donald Trump told his Russian counterpart Vladimir Putin on Thursday that he hopes to avoid an "expensive" US arms race with Russia and China, the White House said.

Washington and Moscow are preparing negotiations on a successor to the New START treaty capping their countries' nuclear arsenals. However, China has so far rejected pressure from the Trump administration to join the talks, saying that its arsenal is far smaller than that of the two former Cold War foes.

In a call with Putin, Trump "reiterated his hope of avoiding an expensive three-way arms race between China, Russia, and the United States and looked forward to progress on upcoming arms control negotiations in Vienna," a White House spokesman said.

According to the Kremlin, the two leaders confirmed the "urgency" of holding bilateral talks on "strategic stability and arms control."

They also discussed "the situation around the Iranian nuclear program" and underlined the "need for collective action," the Kremlin statement continued.

Trump has torn up an international agreement intended to reward Iran for allowing verification that its civilian nuclear program, which is supported by Russia, cannot be converted to military use.

Response to Russian satellite test

We are concerned by the manner in which Russia tested one of its satellites by launching a projectile with the characteristics of a weapon. Actions of this kind threaten the peaceful use of space and risk causing debris that could pose a threat to satellites and the space systems on which the world depends. We call on Russia to avoid any further such testing. We also urge Russia to continue to work constructively with the UK and other partners to encourage responsible behaviour in space.

US calls on India to reduce dependence on China
by Staff Writers
New Delhi (AFP) July 22, 2020

US Secretary of State Mike Pompeo on Wednesday called on India to tamp down its dependence on Chinese goods, amid growing tensions between Washington and Beijing.

In remarks to a US-India virtual business summit, Pompeo said New Delhi was a natural partner to Washington as "one of a few trusted, like-minded countries".

"India has a chance to attract global supply chains away from China and reduce its reliance on Chinese companies in areas like telecommunications, medical supplies, and others," he told the meeting organised by the US-India Business Council.

"India is in this position because it has earned the trust of many nations around the world, including the United States."

US-China relations -- already strained over the coronavirus pandemic, the situation in Hong Kong and trade -- took a turn for the worse Wednesday when Washington ordered that Beijing shut its consulate in Houston.

Nuclear-armed neighbours China and India, the world's two most populous nations, also have long had a prickly relationship

But ties deteriorated significantly following a border clash on June 15 that left 20 Indian soldiers dead as well as an unknown number of Chinese casualties.

Pompeo said the clashes were "initiated by" China's armed forces and were another example of "unacceptable behaviour" from China's ruling Communist Party.

He praised India for banning 59 Chinese mobile apps, including TikTok, saying the video-sharing app "presents serious security risks for the Indian people".

US, Britain say Russia tested space-based anti-satellite weapon
by Christen McCurdy
Washington DC (UPI) Jul 24, 2020

The United States and Britain on Thursday said Russia conducted a non-destructive, space-based, anti-satellite weapons test earlier this month.

According to U.S. Space Command, on July 15 Russia "injected a new object into orbit from Cosmos 2543," a satellite that has been in orbit since 2019.

That move is "inconsistent with the system's stated mission as an inspector satellite," Space Command said.

"The Russian satellite system used to conduct this on-orbit weapons test is the same satellite system that we raised concerns about earlier this year, when Russia maneuvered near a U.S. government satellite," Gen. John W. "Jay" Raymond, Commander of U.S. Space Command and U.S. Space Force Chief of Space Operations, said in a statement.

In February, Raymond said two Russian satellites appeared to be observing a U.S. satellite at close range, a situation he described as "unusual and disturbing."

Stock illustration only

"This is further evidence of Russia's continuing efforts to develop and test space-based systems, and consistent with the Kremlin's published military doctrine to employ weapons that hold U.S. and allied space assets at risk," Raymond said on Thursday.

The United States has not previously accused Russia of testing space-based anti-satellite weapons.

According to Space Command's press release, the State Department considers the behavior 'hypocritical and concerning.'

"This event highlights Russia's hypocritical advocacy of outer space arms control, with which Moscow aims to restrict the capabilities of the United States while clearly having no intention of halting its own counterspace program - both ground-based anti-satellite capabilities and what would appear to be actual in-orbit anti-satellite weaponry," said Christopher Ford, the Assistant Secretary of State currently performing the duties of the Under Secretary for Arms Control and International Security.

China warns UK over basing aircraft carrier in Pacific

by Staff Writers
London (AFP) July 18, 2020

Beijing's ambassador to London has warned Britain against stationing a new aircraft carrier in the Pacific, arguing it would be a "very dangerous move" in a newspaper interview published Saturday.

Liu Xiaoming, China's top envoy in the UK, told The Times that as London cuts trading ties with the European Union later this year, it should not "gang up with the United States on the Chinese" with military deployments.

"After Brexit I think the UK still wants to play an important role in the world," he told the paper.

"That is not the way to play an important role."

The Times reported this week UK military planners have hatched plans to station the HMS Queen Elizabeth carrier in the Pacific as part of an international alliance to counter China.

The £3.1 billion (\$3.9 billion, 3.4 billion euros) vessel is due to set sail on her maiden deployment next year, on a tour that includes the region amid concerns over freedom of navigation in the South China Sea.

But the possibility of basing the carrier there more permanently comes as tensions between London and Beijing are rising over a host of issues, and as US-China relations also deteriorate markedly.

Britain on Tuesday bowed to sustained pressure from Washington and ordered the phased removal of Chinese telecoms giant Huawei from its 5G network despite warnings of retaliation from Beijing.

Liu Xiaoming called the move a "disappointing and wrong decision" and has predicted it will sap billions of pounds of investment in the UK from China's firms.

Pompeo urges 'entire world' to stand up to China

By Dmitry ZAKS
London (AFP) July 21, 2020

US Secretary of State Mike Pompeo urged "the entire world" Tuesday to stand up to China but denied forcing Britain's hand in its decision to ban the communist superpower's private telecoms giant Huawei.

Pompeo met Prime Minister Boris Johnson in the heat of an emerging crisis in relations between London and Beijing over everything from China's treatment of Hong Kong to its persecution of more than one million ethnic Uighurs and other mostly Muslim minorities.

The top US diplomat used a press conference with his UK opposite number Dominic Raab to air a host of grievances President Donald Trump's administration had built up against Beijing.

He accused China of engaging in "a cover-up and co-opting" the World Health Organization by allegedly suppressing early details of the "preventable" coronavirus pandemic that has killed more than 610,000 people globally.

The Chinese Communist Party's "exploitation of this disaster to further its own interest has been disgraceful", he said.

Pompeo also castigated China for claiming disputed areas of the South China Sea "you have no lawful claim to" and trying to "threaten and bully" its neighbours.

"We think that the entire world needs to work together to ensure that every country, including China, behaves in the international system in ways that are appropriate and consistent with the international order," he said.

Moscow sees 'chance' to save Iran nuclear deal

by Staff Writers
Moscow (AFP) July 21, 2020

Russia still believes there is hope of rescuing the nuclear deal with Iran, Foreign Minister Sergei Lavrov said Tuesday.

"We are convinced that there is still a chance to return the (Joint Comprehensive Plan of Action) into a stable situation," Russia's top diplomat said as he met with Iranian counterpart Mohammad Javad Zarif in Moscow.

"In any case, we will do everything to make it happen, just like our Iranian friends," he said.

Iran signed the agreement with the five UN Security Council members plus Germany in 2015, agreeing to limit its nuclear programme in exchange for sanctions relief, but the deal has been on life support since US President Donald Trump withdrew from it and unilaterally reimposed sanctions in 2018.

Iran has since taken small but escalating steps away from compliance with the nuclear accord as it presses for renewed relief from sanctions.

Both ministers remarked that the deal "turned five years old" last week, with Zarif calling it a "historical international agreement."

After the two greeted each other with an elbow bump, Zarif thanked Russia for its "remarkable" efforts to keep the deal alive.

Iran's economy has been hard-hit by the US sanctions, which have scared off most international banks and firms from re-engaging with Tehran, and it has been further battered by the coronavirus epidemic.

Mawla the 'Destroyer', brutal new head of IS group

By Didier LAURAS
Paris (AFP) July 21, 2020

With monikers as divergent as the "Professor" and the "Destroyer", the Islamic State group's new head has a reputation for brutality, but otherwise remains largely an enigma.

Amir Mohammed Said Abd al-Rahman al-Mawla replaced Abu Bakr al-Baghdadi after his death in a raid by US special forces last October.

Mawla was initially presented to the world by the Islamic State (IS) as Abu Ibrahim al-Hashimi al-Qurashi -- a man about whom America and Iraq had little intelligence.

US officials later came to believe that al-Qurashi was Mawla's nom de guerre, recognising him in March as the new head of IS.

The State Department immediately placed him on its "Specially Designated Global Terrorist" list, sparking a quest to learn more about a most-wanted man who now has a \$10 million bounty on his head.

One thing everyone seems to agree on is Mawla's brutal nature.

The Democrats' presumptive presidential nominee is courting a million Muslim voters by calling for children in public schools to study Islam.

Speaking to the Million Muslim Voters Summit this week from his home in Delaware, former Vice President Joe Biden **touted** the Islamic faith:

"[Islam is one of the] great confessional faiths. I wish we taught more in our schools about the Islamic faith. I wish we talked about all the great confessional faiths. It's one of the great confessional faiths."

Huge crowds calling for the resignation of Israeli PM Benjamin Netanyahu rallied outside his home in Jerusalem on Saturday amid growing discontent over the government's Covid-19 response, high unemployment, and corruption.

More than 5,000 people gathered on Balfour Street, now a site of frequent anti-government demonstrations, according to Haaretz newspaper, making it the biggest of several protests this week. Demonstrators also rallied elsewhere in Israel.

ADDIS ABABA, Ethiopia — Ethiopia's prime minister on Wednesday hailed the first filling of a massive dam that has led to tensions with Egypt, saying two turbines will begin generating power next year.

Abiy Ahmed's statement, read out on state media outlets, came a day after he and the leaders of Egypt and Sudan reported progress on an elusive agreement on the operation of the \$4.6 billion Grand Ethiopian Renaissance Dam, the largest in Africa.

Once borders are unsealed, a massive amount of people will set out for the wealthiest nations, fleeing Covid-related poverty, the Red Cross chief said. Migrants will also be driven by the search for a working vaccine.

Jagan Chapagain, the head of the International Federation of Red Cross and Red Crescent Societies (IFRC), made the grim prediction in a candid comment to AFP this Thursday.

Announcing they will ban any posts that promote so-called gay "conversion therapy," Facebook and its subsidiary Instagram effectively are "canceling" groups that help people struggling with unwanted same-sex attractions.

The July 10 announcement got the attention of the left-leaning

أريد قبل الختام فقط أشارك بملاحظة الميديا هذه الأيام كما لاحظ المدققين انها لنشر الخطية تقوم بما يسمى **desensitization** أي مثلا الشنائم تتكرر كثيرا حتى تصبح غير منفرة الزني والشذوذ وغيره يتكرر بطريقة مضحكة جدا حتى يصبح شيء طبيعي.

فما أريد ان اطلب من حضراتكم انتبهوا جدا لما يحدث وبخاصة ما يشاهده اولادكم لان الأفلام الغربية هدفها اقناعهم بالخطية وارجوا ان بدل من القنوات السيئة ان تشاركوا في قنوات مسيحية لا يوجد بها هذه الأشياء لأولادكم مثل بيور فليكس وغيرها

لان العالم الشرير يستهدف ابناؤكم

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصاييحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما كان حين امنا

13: 12 قد تنهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلباقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

انجيل متى 24

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

بل نؤمن

انجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.

وأيضاً استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد

انت لا تعرف متى ستكون منهم

المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس.
