الرد على فيديو اقتباس  
الإنجيل والقرآن من أساطير  
الأوليين والخرافات الرائجة  
لعصرهم والميلاد العذري

# تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.  
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

# هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافى من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترّب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترّب لكيلا يقال عني كاذب وانشّر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

# السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ  
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي  
أَمَاكِنَ، وَمَجَاعَاتٌ وَأَوْبَةٌ. وَتَكُونُ مَخَافٌ  
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،  
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ  
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ  
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ  
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ  
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ  
وَمَجْدٍ كَثِيرٍ.

# السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

# لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.  
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ  
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

# لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى  
مَتَى كَانَ تُؤْمِنُونَ.

# لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا  
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ  
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ  
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ  
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ  
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

**HUGE SOLAR RADIO BURST:** During yesterday's solar flare frenzy, the sun emitted a shortwave radio burst so loud that "it drowned out lightning static from a severe local thunderstorm," reports Thomas Ashcraft, who recorded the signal using his radio telescope in rural New Mexico. [Click to listen](#) to a 100 second sample of the sounds emerging from his loudspeaker.

[View the dynamic spectrum](#) or [listen to the audio](#)

The radio burst coincided with an [M1.4-class](#) solar flare at 21:30 UT. "This was a very hot and dynamic flare for sure," says Ashcraft. "I was recording audio at 22 MHz and 21 MHz, and my radio spectrograph was operating from 30 MHz down to 15 MHz. Strong solar radio emissions were present at all frequencies."

This event was so intense, amateur radio operators in the Arctic heard it at midnight. Rob Stammes recorded the outburst from the Polarlightcenter in Lofoten, Norway:

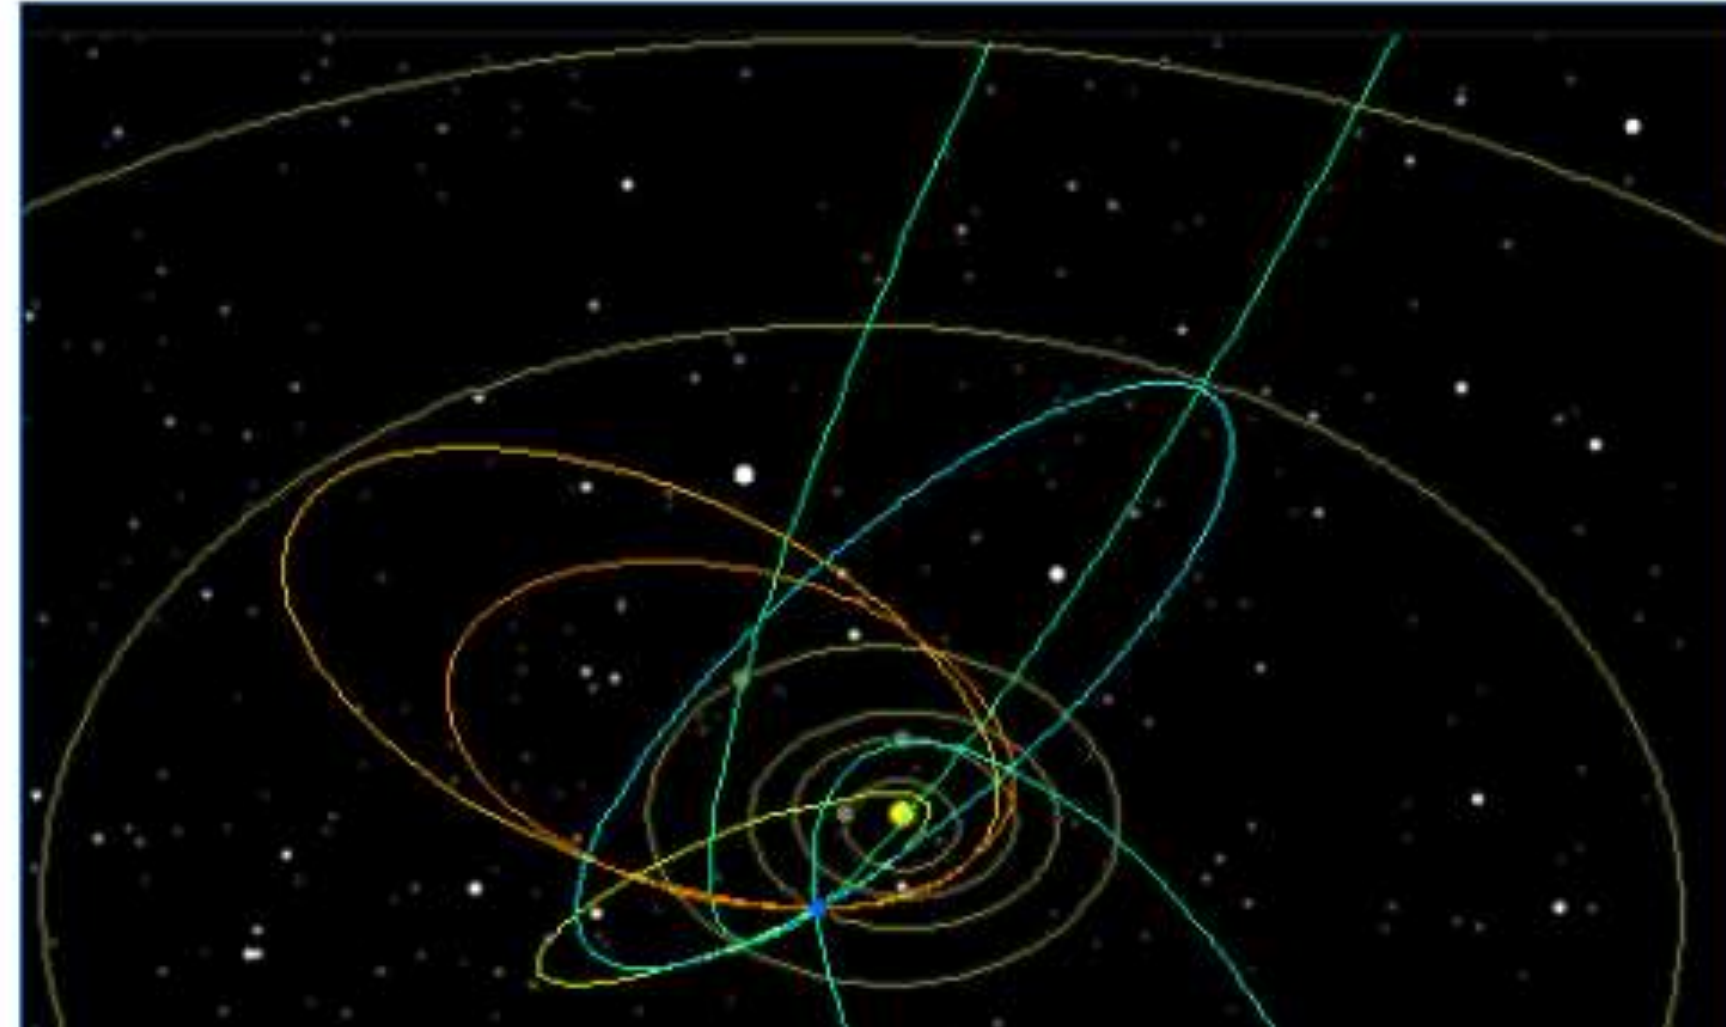

انفجار شمسي يصدر أمواج صوتية قوية

## All Sky Fireball Network

Every night, a network of [NASA all-sky cameras](#) scans the skies above the United States for meteoritic fireballs. Automated software maintained by NASA's Meteoroid Environment Office calculates their orbits, velocity, penetration depth in Earth's atmosphere and many other characteristics. Daily results are presented here on Spaceweather.com.

On May 18, 2021, the network reported **17** fireballs.  
(16 sporadics, 1 eta Aquarid)

## Near Earth Asteroids

Potentially Hazardous Asteroids ([PHAs](#)) are space rocks larger than approximately 100m that can come closer to Earth than 0.05 AU. None of the known PHAs is on a collision course with our planet, although astronomers are finding [new ones](#) all the time.

On May 20, 2021 there were **2188** potentially hazardous asteroids.

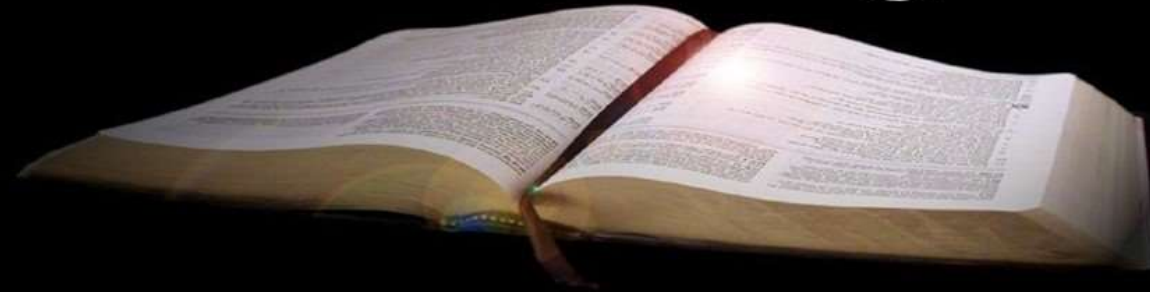

### Recent & Upcoming Earth-asteroid encounters:

## Semisopochnoi volcano (Aleutian Islands): small explosions, ash plume, alert level raised

Wed, 19 May 2021, 05:54  
05:54 AM | BY: T

The alert level of the volcano was raised to yellow this morning, after the volcano observatory in Alaska (AVO) detected several small explosions in regional infrasound data.

An ash cloud was spotted in a satellite image from 15:21 (23:21 UTC) on 17 May 17.

According to the latest update of AVO, "small eruptions producing minor ash deposits within the vicinity of the active north crater of Mount Cerberus and ash clouds under 10,000 ft above sea level are typical of recent activity at Semisopochnoi. Weather clouds up to 15,000 ft above sea level currently obscure the volcano."

# Bulgaria reports fifth bird flu outbreak at industrial farm

1 minute read

Reuters

Bulgarian veterinary authorities will cull 40,000 laying hens in the southeastern village of Krivo Pole after a bird flu outbreak was confirmed at an industrial farm there, the fifth since the start of the year, the food safety agency said late on Friday.

The agency said the farm had been hit by highly pathogenic avian influenza type A, but did not disclose the strain of the disease.

The predominant strain in Europe at present is H5N8.

## Fact Check-Red Cross is accepting plasma from people vaccinated against COVID-19

By Reuters Fact Check

7 MIN READ

The American Red Cross confirmed to Reuters that they are allowing people who have received the COVID-19 vaccine to donate plasma (the liquid component in blood, [here](#) ), contrary to claims on social media that this plasma is not being accepted because the vaccine is “so untested”.

The confusion may have arisen over the Red Cross’ policy on convalescent plasma, meaning plasma that has COVID-19 antibodies after recent infection and can be used as a treatment for COVID-19 infection. The American Red Cross’ current policy is to only accept convalescent plasma donations from people who have recovered from COVID-19 and have not had the vaccine. Although, if plasma donated by people vaccinated against COVID-19 has a high-level of COVID-19 antibodies it may be used as convalescent plasma.

The posts ([here](#)) say “The Red Cross won’t accept plasma donations from people who have had the Covid vaccine. You’re willing to put something in your body that is so untested that the FDA and Red Cross don’t know if you can donate Plasma, yet me not wanting to take it makes me irresponsible?” This appears to have come from a tweet, originally viewable [here](#) .

Can I donate after receiving a COVID-19 vaccine?

## Can I donate COVID-19 convalescent plasma if I have received the vaccination?

At this time individuals who have received a COVID-19 vaccine are not able to donate convalescent plasma with the Red Cross. The Red Cross is working as quickly as possible to evaluate this change – as it may involve complex system updates. Please know, the Red Cross is committed to building a readily available inventory of convalescent plasma to ensure patients battling COVID-19 have all treatment options available to them.

# Unexpected False-Positive Rates in Pediatric SARS-CoV-2 Serology Using the EUROIMMUN Anti-SARS-CoV-2 ELISA IgG Assay FREE

Daniel Geisler, MD, Megan Culler Freeman, MD, PhD, Glenn J Rapsinski, MD, PhD, Sarah E Wheeler, PhD ✉

American Journal of Clinical Pathology, Volume 155, Issue 6, June 2021, Pages 773–775, <https://doi.org/10.1093/ajcp/aqab033>

Published: 26 April 2021

PDF Split View Cite Permissions Share ▼

## Abstract

### Objectives

Serologic assay performance studies for severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in pediatric populations are lacking, and few seroprevalence studies have routinely incorporated orthogonal testing to improve accuracy.

### Methods

Remnant serum samples for routine bloodwork from 2,338 pediatric patients at UPMC Children's Hospital of Pittsburgh were assessed using the EUROIMMUN Anti-SARS-CoV-2 ELISA IgG (EuroIGG) assay. Reactive cases with sufficient volume were also tested using 3 additional commercial assays.

### Results

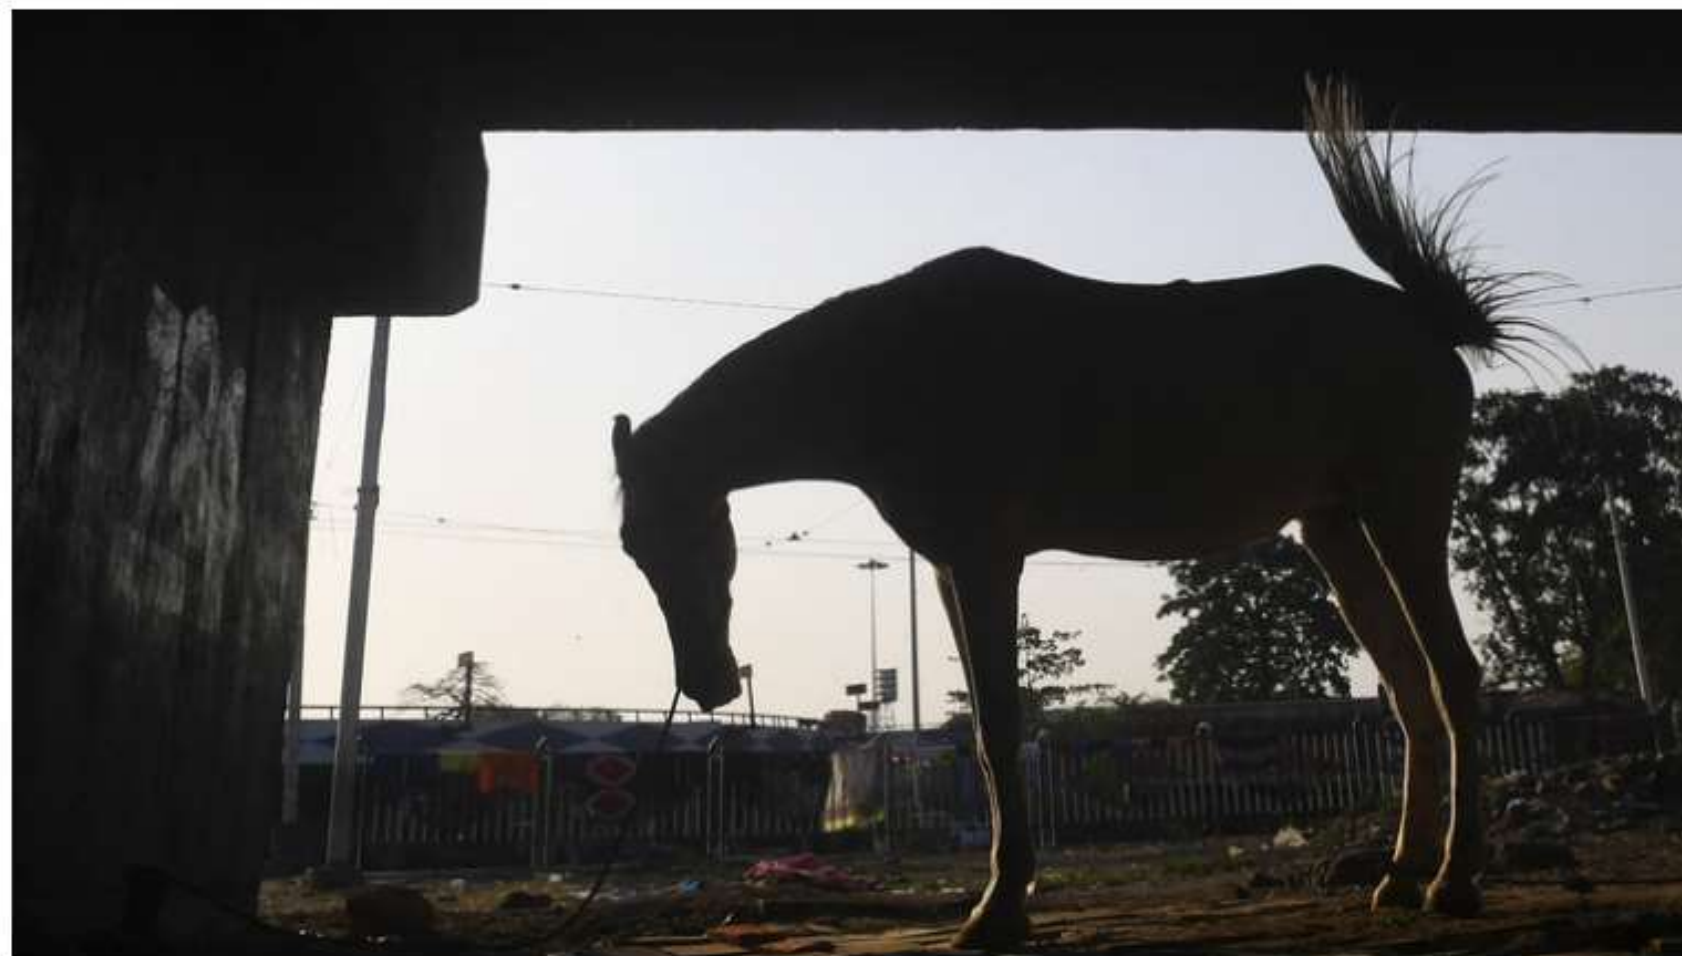

Eighty-five specimens were reactive according to the EuroIGG, yielding 3.64% (95% confidence interval [CI], 2.91%–4.48%) seropositivity, of which 73 specimens had sufficient remaining volume for confirmation by orthogonal testing. Overall, 19.18% (95% CI, 10.18%–28.18%) of samples were positive on a second and/or third orthogonal assay. This 80.82% false positivity rate is disproportionate to the expected false positivity rate of 50% given our pediatric population prevalence and assay performance.

# Russian lawmakers vote to leave Open Skies security pact

by AFP Staff Writers  
Moscow (AFP) May 19, 2021

Russia's lower house of parliament voted Wednesday to leave the Open Skies security agreement, another step in dissolving the Cold War-era pact that the US left last year.

The vote in the State Duma came hours before Russia's foreign minister and his US counterpart were due to meet in Iceland to gauge the enormous gulf between the rival powers and confirm a summit between Presidents Vladimir Putin and Joe Biden.

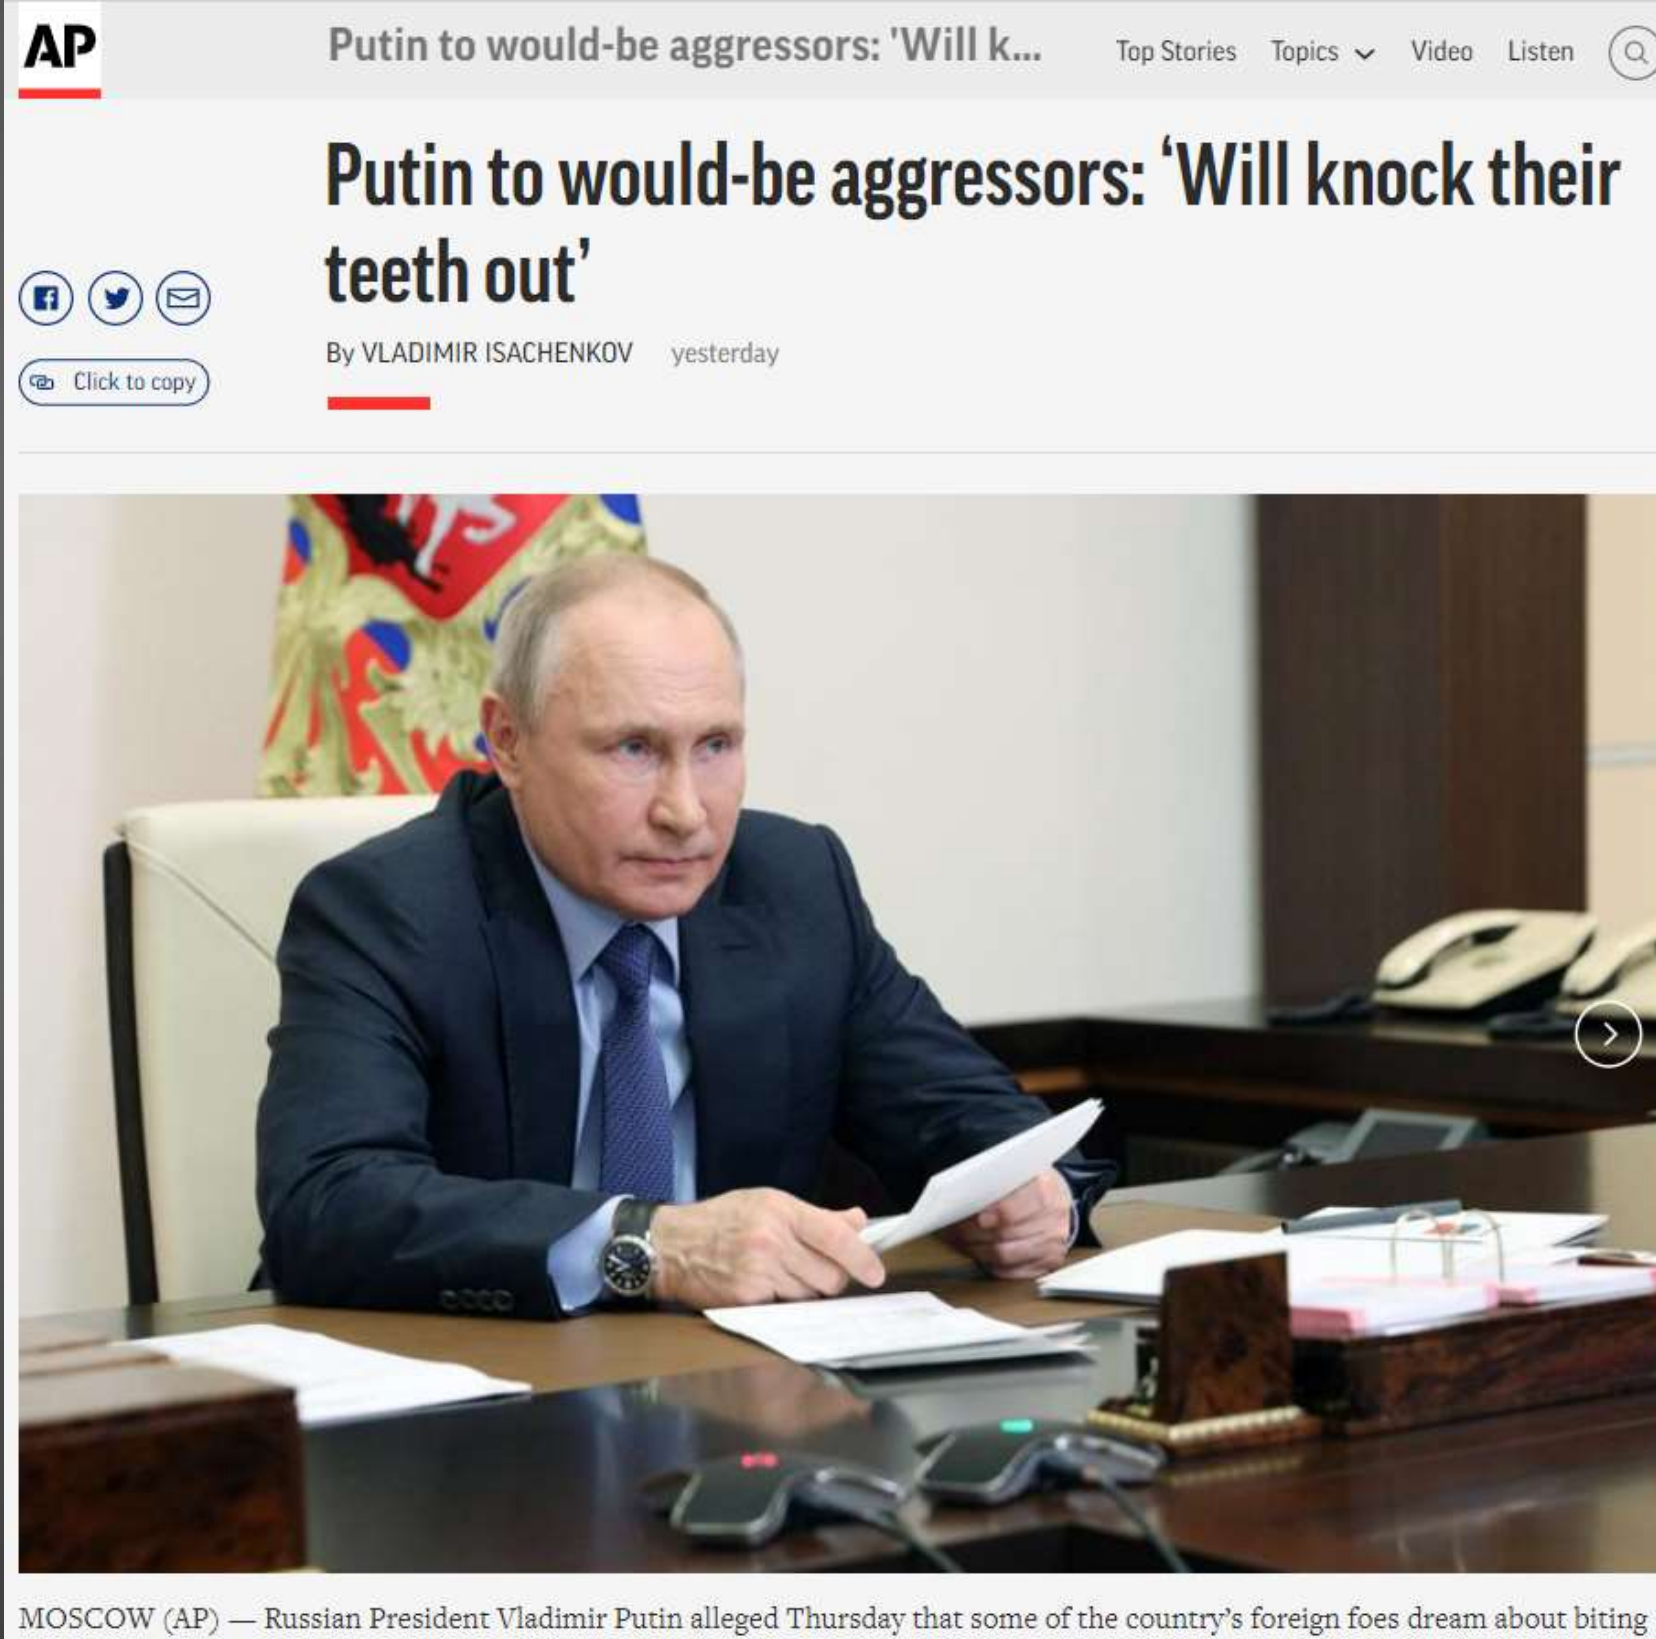

The United States said last week it was reviewing the previous administration's withdrawal from the Open Skies treaty, as Russia moved formally to leave the post-Cold War pact aimed at building trust.

The treaty was signed in 1992 soon after the dissolution of the Soviet Union and came into force in 2002.

# U.S. Navy drones to move from Guam to Japan

by Ed Adamczyk  
Washington DC (UPI) May 17, 2021

Two U.S. Navy MQ-4C Triton drone aircraft will move from Guam to Japan this month, Japan's defense ministry and the U.S. Navy announced.

In an undated statement, the ministry cited an "increasingly severe security environment surrounding Japan," noting that "it is critical to enhance ISR [intelligence, surveillance and reconnaissance] activities by both countries," adding that the drones "will be temporarily deployed to Japan after mid-May."

"This deployment is intended to demonstrate U.S. commitment to Japan's Defense and will be beneficial to security of Japan by strengthening the ability of maritime surveillance around Japan, given the increasingly active maritime activities by surrounding countries," the ministry said.

# U.S. Navy, NATO begin missile exercises off Scottish coast

by Ed Adamczyk  
Washington DC (UPI) May 17, 2021

Navy vessels from 10 nations, including the United States, are massed off the Scottish coast for a NATO interoperability exercise to include live missile fire, the U.S. Navy said on Monday.

The three-week integrated air and sea missile defense exercise involves over 3,000 personnel, and began on Saturday in the British Defense Ministry's Hebrides Range in western Scotland.

Led by the U.S. Navy's Sixth Fleet for STRIKFORNATO, NATO's Naval Striking and Support Forces command, it is an extension of an exercise underway off the coast of Portugal known as Exercise At-Sea Demo/Formidable Shield 2021.

Participating nations include Belgium, Denmark, France, Germany, Italy, the Netherlands, Norway, Spain, Britain and the United States.

# China slams EU's 'confrontational approach' after trade deal blocked

By Jing Xuan TENG  
Beijing (AFP) May 21, 2021

China on Friday slammed the European Union's "confrontational approach" after MEPs voted to block a landmark investment deal over Beijing's tit-for-tat sanctions against EU lawmakers.

Foreign ministry spokesman Zhao Lijian said Beijing's sanctions were a "necessary and justified response" to previous EU measures against Chinese officials over human rights concerns in Xinjiang.

To the surprise of many, the European Union and China in late December approved a major investment pact, wrapping up seven years of painstaking negotiations thanks to a final push by Germany.

But the European Parliament voted overwhelmingly Thursday to refuse any consideration of the EU-China investment deal as long as Chinese sanctions against MEPs and scholars were in place.

# UN nuclear agency and Iran work to extend monitoring

by AFP Staff Writers  
Vienna (AFP) May 20, 2021

The International Atomic Energy Agency and Iran are working to extend their monitoring agreement to keep nuclear negotiations with world powers and Tehran on track, the IAEA said Thursday.

"The Agency and Iran are now in consultations," the Vienna-based UN watchdog said in a statement sent to AFP.

IAEA director general Rafael Grossi announced on February 21 the two sides had struck a three-month technical accord "to maintain a necessary level of surveillance and verification".

This covers the agency's inspections of Iranian nuclear facilities.

The accord runs out soon and European nations involved in the negotiations in Vienna have called for it to be continued.

Britain, France, and Germany said "access for the Agency is obviously key" to help ensure the overall nuclear deal with Iran is restored.

# Russia tells Israel more civilian casualties in Gaza are unacceptable

1 minute read

Reuters

A senior Russian official warned Israel's ambassador on Wednesday that actions that led to a further increase in civilian casualties in Gaza were unacceptable, Russia's foreign ministry said.

Israel said on Wednesday it was not setting a timeframe for an end to hostilities with Gaza as its military pounded the Palestinian enclave with air strikes and Hamas militants unleashed new cross-border rocket attacks. [read more](#)

## Over 22,570 rockets fired at Israel since Gaza Disengagement

Gaza terrorists have fired rockets at Israel every year since 2005, Shabak data shows.

Tags: [Shabak](#) [ISA](#) [Guardian Of The Walls](#) [Yesha](#) [Gaza Rocket Attacks](#)

Yehonatan Gottlieb , May 20 , 2021 3:00 PM

 Rocket fire from Gaza

Rocket fire from Gaza

Avi Roccah/Flash90

Since the 2005 Disengagement from Gush Katif and the subsequent takeover of the area by the Hamas terror group, over 22,570 rockets and mortars have been fired at Israel.

The YESHA Council compiled the Shabak data on the rocket attacks. The data shows that the Disengagement led to a significant rise in the number of rockets fired at Israel, but in the five years following it, approximately 10,000 rockets were fired.

During the years in which larger numbers of rockets were fired from Gaza, these led Israel to open war, which in turn caused a rise in the number of barrages.

The data also showed that not a single year passed in which Gaza terror groups did not fire rockets at Israeli civilians.

Elnatan Zecharia, a spokesman for the YESHA Council, tweeted: "This is the graph we made from Shabak data."

"Even though we warned that the disengagement from Gush Katif and the exit from the Gaza Strip would lead to a rise in rocket terror, all sorts of former ministers warned that 'the Disengagement will blow up in our faces.' Unfortunately, we were right."

إدارة التعليم في نيويورك تستضيف دراج كوين الشاذ في عرض لأطفال من سن 3-8 سنوات وتم اذاعته

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وَمَا قُلْتُ هُوَ أَخِيرُنَا

1

لَكِي لَا نَخَافُ

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،  
فَطُوبَىٰ لَكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا  
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

# 2

## بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،  
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

( يوحنا 14 : 29 )

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا  
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.  
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.  
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا  
في اليوم الواحد انت لا تعرف متى ستكون منهم  
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

# والمجد لله دائماً
