تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأَوْبَةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
اَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

علامات في السماء

TWO SOLAR FLARES, TWO RADIO BLACKOUTS: Departing sunspot AR2840 erupted twice on July 9th, producing a pair of [almost-M-class](#) solar flares. NASA's Solar Dynamics Observatory captured the two ultraviolet flashes:

Pulses of X-radiation ionized the top of Earth's atmosphere. The result: two minor radio blackouts, one [over Asia](#) and another [over Europe](#). Mariners, aviators, and ham radio operators may have noticed unusual propagation effects at frequencies below ~15 MHz.

Amazing moment fireball lights up the Idaho sky turning night into day

- Jordan Ragsdale was using an AllSkyCam from AMS at 10:52pm local time on Saturday evening when they captured the fireball from Eagle, Idaho
- In the video, a cloud cover can be seen when a meteor darts down behind the clouds, suddenly causing the entire sky to light up bright blue for a second
- Then, a big blinding flash occurs before suddenly the sky goes very dark, the meteor temporarily the only thing visible
- Just as quickly, the sky returns to its former state of being before the meteor entered the screen
- Later that night, the fireball was also seen above the skies in neighboring Montana, captured by the Montana Learning Center

Near Earth Asteroids

Potentially Hazardous Asteroids ([PHAs](#)) are space rocks larger than approximately 100m that can come closer to Earth than 0.05 AU. None of the known PHAs is on a collision course with our planet, although astronomers are finding [new ones](#) all the time.

On July 12, 2021 there were **2201** potentially hazardous asteroids.

Some fear “Water Wars” are on the horizon as Utah’s Great Salt Lake nears 170-Year low

Jul 6, 2021 | 0 | ★★☆☆☆

The silvery-blue waters of the Great Salt Lake sprawl across the Utah desert, having covered an area nearly the size of Delaware for much of history. For years, though, the largest natural lake west of the Mississippi River has been shrinking. And a drought gripping the American West could make this year the worst yet.

Abstract

Objectives

We compared complete blood count (CBC) with differential and markers of inflammation and coagulation in patients with and without coronavirus disease 2019 (COVID-19) presenting to emergency departments in Seattle, WA.

Methods

We reviewed laboratory values for 1 week following each COVID-19 test for adult patients who received a standard severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) reverse transcription polymerase chain reaction (RT-PCR) test before April 13, 2020. Results were compared by COVID-19 status and clinical course.

Results

In total 1,027 patients met inclusion criteria. Patients with COVID-19 (n = 155) had lower leukocytes ($P < .0001$), lymphocytes ($P < .0001$), platelets ($P < .0001$), and higher hemoglobin ($P = .0140$) than those without, but absolute differences were small. Serum albumin was lower in patients with COVID-19 ($P < .0001$) and serum albumin, neutrophil to lymphocyte ratio (NLR), and red cell distribution width (RDW) were each associated with disease severity. NLR did not

US urges China talks after reports of nuclear build-up

By Nina LARSON
Geneva (AFP) July 8, 2021

The United States voiced deep concern on Thursday at reports that China is dramatically scaling up its nuclear arsenal, urging Beijing to engage in talks to avoid a global arms race.

"It is in everyone's interest that nuclear powers talk to one another directly about reducing nuclear dangers and avoiding miscalculation," Robert Wood, US ambassador to the Conference on Disarmament in Geneva, told reporters.

Last week, the Washington Post newspaper cited a study of satellite images that it said showed 119 silos for missiles were being built in a desert near the northwestern city of Yumen.

The silos, according to the report, were similar to existing Chinese launch facilities for nuclear-tipped ballistic missiles.

Wood said it was of "great concern".

Iran nuclear program

iStock

Iran has begun the process of producing enriched uranium metal, the International Atomic Energy Agency (IAEA) said on Tuesday, *Reuters* reported.

"Today, Iran informed the Agency that UO₂ (uranium oxide) enriched up to 20% U-235 would be shipped to the R&D laboratory at the Fuel Fabrication Plant in Esfahan, where it would be converted to UF₄ (uranium tetrafluoride) and then to uranium metal enriched to 20% U-235, before using it to manufacture the fuel," an IAEA statement said.

A confidential IAEA report seen by *Reuters* said the agency had confirmed that Iran had taken the second of the four steps described, making clear it has begun the process.

Iran [has gradually scaled back](#) its compliance with the 2015 deal it signed with world powers in response to former US President Donald Trump's [withdrawal from the agreement](#) in May of 2018.

In April, [the Islamic Republic announced](#) it would begin enriching uranium to 60% purity, a move that would take the uranium much closer to the 90% suitable for a nuclear bomb.

Last month, [Iran announced](#) it has already produced 6.5 kg (14 lb) of uranium enriched to up to 60%.

These moves come even as Iran has been holding indirect talks with the US in Vienna on resuming compliance with the 2015 deal.

ايران بدأت في انتاج عنصر اليورانيوم المخصب

Iran provocations endanger nuclear talks, US and Europe powers warn

by AFP Staff Writers
Washington (AFP) July 6, 2021

The United States and European powers on Tuesday warned Iran that its latest uranium enrichment efforts could imperil the nuclear talks in Vienna, with Washington calling on Tehran to halt its "brinksmanship."

The cross-Atlantic condemnation came hours after the International Atomic Energy Agency (IAEA) reported that Iran intended to enrich uranium to 20 percent, in the latest sign the talks based in Vienna -- aimed at reviving a 2015 nuclear accord -- could be stalling.

"We continue to urge Iran to stop this brinksmanship, to return to Vienna prepared for real talks, and to be in a position to be prepared to finish the work" that jump-started in April, State Department spokesman Ned Price told reporters.

Iran's move takes it a step closer to developing materials that could be used to make a nuclear weapon.

Armed drone shoot down over Baghdad embassy; Rockets target Iraq base

by AFP Staff Writers
Baghdad (AFP) July 5, 2021

US forces shot down an armed drone above their embassy in Baghdad on Monday night, Iraqi security officials said, hours after a rocket attack on a base housing US soldiers in the west of the country.

American defence systems fired rockets into the air in Baghdad, according to AFP reporters, with Iraqi security sources saying the salvos took out a drone that was laden with explosives.

Since the start of the year, 47 attacks have targeted US interests in the country, where 2,500 American troops are deployed as part of an international coalition to fight the jihadist Islamic State group.

Six of them involved these kinds of drones, a tactic that poses a headache for the coalition as the aircraft can evade air defences.

In April, a drone packed with explosives hit the coalition's Iraq headquarters in the military part of the airport in Erbil, the Iraqi Kurdish regional capital.

Amsterdam says 'stay

(Writes through)

BAGHDAD, July 7 (Reuters) - At least 14 rockets hit western Iraq's Ain al-Asad air base, host to U.S. and other international forces, on Wednesday, slightly wounding three people, a coalition spokesman said.

U.S. Army Colonel Wayne Marotto, spokesman for the U.S.-led international military coalition, tweeted that the rockets landed on the base and its perimeter.

The United States accuses Iranian-backed militia groups of launching regular rocket attacks against its troops in Iraq. There was no immediate claim of responsibility for Wednesday's attack.

It came after at least three rockets landed on Ain al-Asad on Monday without causing casualties.

Iraqi army officials said the pace of recent attacks against U.S. bases with rockets and explosive-laden drones is unprecedented.

Iraqi military sources said a rocket launcher fixed on the back of a mini-truck was used in Wednesday's attack and was found on nearby farmland.

More Americans believe in the existence of Aliens than they believe in the existence of God

Jul 6, 2021 | 0 | ★★★★★

(**OPINION**) – Fifty-one percent of Americans believe UFOs reported by military personnel are likely evidence of intelligent alien life, according to a new poll released by Pew last week.

Why it matters: Questions about whether smart aliens have come to visit Earth have been asked for decades, and these results show that curiosity — which can sometimes verge into conspiracy theory — persists.

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
