خدمة يوم الثلاثاء: طفل تركانا دليل ضد

التطور وهل بلا دمدمة يعني الطاعة

العمياء؟

تنبيه وإعلان

# تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.  
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

# هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

# السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ  
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي  
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَاوِفُ  
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،  
وَعَلَى الْأَرْضِ كَرْبُ أُمَمٍ بِحَيْرَةٍ. الْبَحْرُ  
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ  
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ  
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ  
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ  
وَمَجْدٍ كَثِيرٍ.

# السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

# لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.  
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ  
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

# لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى  
مَتَى كَانَ تُؤْمِنُونَ.

# لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا  
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ  
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

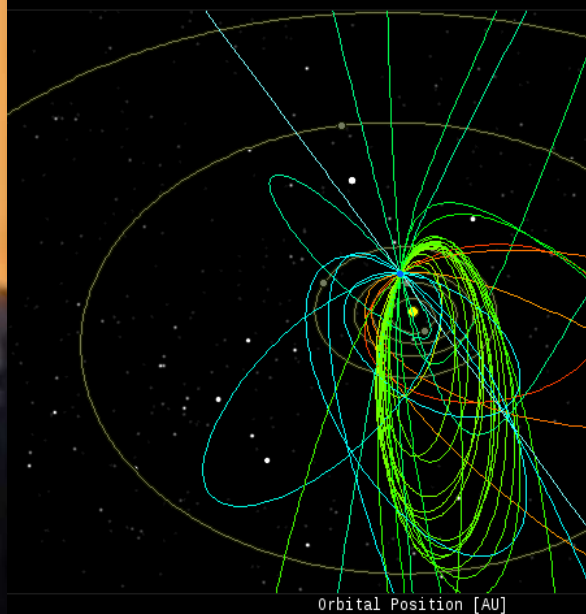

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ  
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ  
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ  
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

علامات في السماء

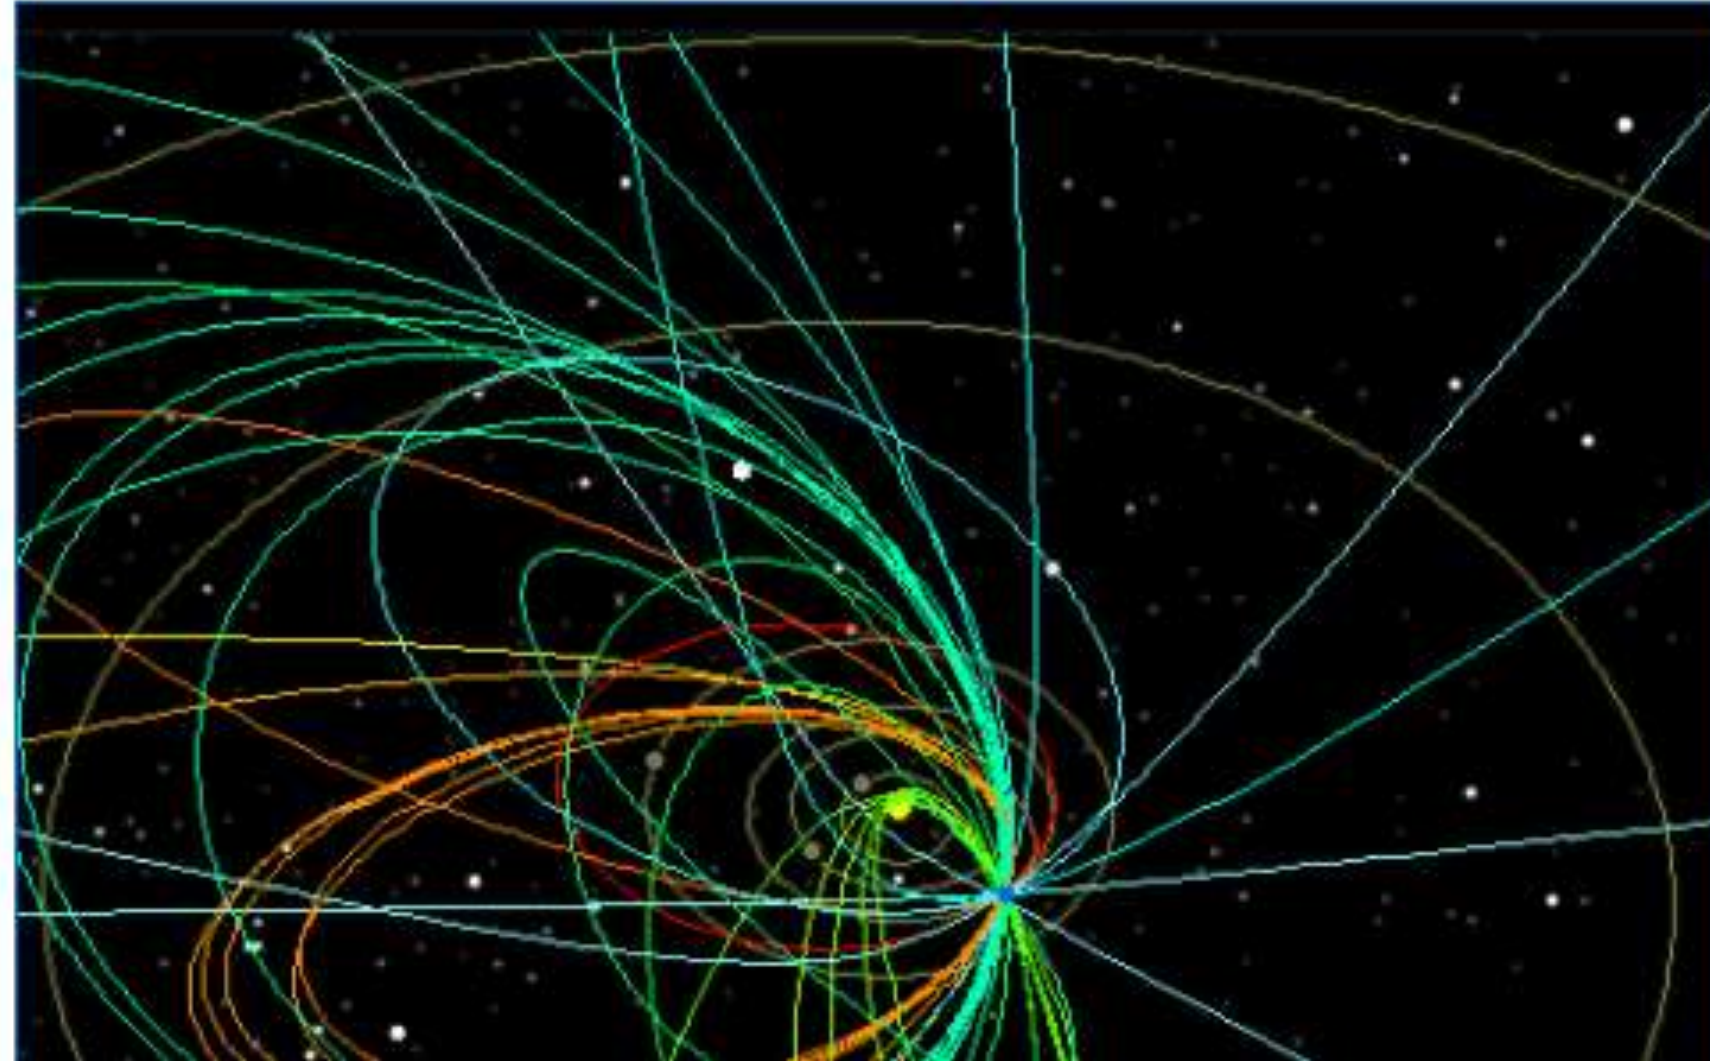

## All Sky Fireball Network

Every night, a network of [NASA all-sky cameras](#) scans the skies above the United States for meteoritic fireballs. Automated software maintained by NASA's Meteoroid Environment Office calculates their orbits, velocity, penetration depth in Earth's atmosphere and many other characteristics. Daily results are presented here on Spaceweather.com.

On Aug 03 2021, the network reported **43** fireballs.  
(28 sporadics, 10 Perseids, 2 alpha Capricornids, 3 southern Delta Aquarids)

**SOLAR MAX MIGHT COME A YEAR EARLY:** Solar Cycle 25 is heating up faster than expected. The latest sign may be found in sunspot counts from July 2021. Continuing a trend that started last year, they overperform the official forecast:

## Sunspot Counts: Predicted vs. Actual

Issued by the NOAA/NASA Solar Cycle 25 Prediction Panel in 2019, the official forecast calls for Solar Cycle 25 to peak in July 2025. However, [a better fit](#) to current data shows Solar Cycle 25 peaking in **October 2024**. This is just outside the 8-month error bars of the Panel's forecast.

July 2021 was a remarkable month. Solar Cycle 25 crossed multiple thresholds, including its [first X-flare](#) and, at one point, [6 sunspots](#) on the solar

## California shuts down major hydroelectric plant amid record-low water levels at Lake Oroville

PUBLISHED FRI, AUG 6 2021 1:11 PM EDT | UPDATED FRI, AUG 6 2021 1:43 PM EDT

Emma Newburger  
@EMMA\_NEWBURGER

SHARE f t in

### KEY POINTS

- California shut down a major hydroelectric power plant at Lake Oroville as water levels fell near the minimum necessary to generate electricity.
- The loss of power could fuel rolling blackouts as the state struggles with a historic drought and record-breaking heat waves.
- "This is just one of many unprecedented impacts we are experiencing in California as a result of our climate-induced drought," said Karla Nemeth, director of the state's water resources department.

Greece continued to battle major wildfires on Saturday, with the flames coming dangerously close to the capital, Athens, and cutting the country's second-largest island, Evia, in half, leaving the sea as the only escape route.

### Karymsky (Kamchatka):

The intense explosive eruption of the volcano continues at moderate levels reported by the local observatory KVERT.

The activity is characterized by constant vulcanian-type

explosions producing moderate ash emissions. Ash plumes reached 9,000 ft-10,000 ft (2,700 m-3,000 m) altitude and extended about 23 km to the southeast of the volcano.

## Ebeko volcano news & activity updates

### Ebeko volcano (Paramushir Island, Kurils, Russia): activity remains unchanged

Thu, 5 Aug 2021, 07:09  
07:09 AM | BY: MARTIN

The eruption from Ebeko volcano on 4 July (image: KVERT)

The explosive eruption of the volcano continues. No significant change in the activity has occurred during the past months.

The volcano continues to produce moderate, sometimes strong vulcanian-type eruptions accompanied by ash plumes with an average altitude of 10,000 ft-12,000 ft (3,048 m-3,600 m).

## DEVELOPING: Multiple volcanoes are showing signs of erupting in Alaska

Aug 6, 2021 | 0 ● | ★★★★★

(ETH) – According to a new report from [the AP](#), Three remote Alaska volcanoes are in various states of eruption, one producing lava and the other two blowing steam and ash. So far, none of the small communities near the volcanoes have been affected, Chris Waythomas, a geologist with the Alaska Volcano Observatory, said Thursday.

## Eruption on Iceland's Reykjanes Peninsula 2021: activity updates

### 3D panorama of the eruption site and area covered by lava as of 27 July

Update Sat 07 Aug 2021 08:35  
Visit Reykjanes / Facebook published a stunning aerial 360 deg drone panorama of the Geldingadalir eruption site with annotations, as of 27 July 2021:

27 2 4

### Fagradalsfjall volcano (Reykjanes peninsula, Iceland): eruption picks up in intensity again

Overview of the active vents during the eruption so far (May 2021)

A strong seismic crisis has been occurring on the Reykjanes peninsula near Fagradalsfjall mountain since mid Feb 2021, involving several magnitude 5+ and thousands of smaller ones. Volcanic tremor has appeared recently as well, indicating that magma movements underneath are likely accompanying and/or causing the seismic swarm. A new eruption in the area started 19 March 2021 evening.

### KEY POINTS

- United is the first large airline to mandate vaccines for its workforce, putting pressure on rivals.
- Employees must be vaccinated five weeks after the FDA fully approves a Covid vaccine or five weeks after Sept. 20, whichever is first.
- CEO Scott Kirby said in January he wanted to mandate vaccines and that other companies should do the same.

# Chinese eyes Russia's S-500 for possible purchase for PLA

by Ilya Tsukanov  
Moscow (Sputnik) Aug 05, 2021

Russia's Ministry of Defence released the first-ever video footage of the S-500 surface-to-air missile system last month. The first S-500s will be introduced into Moscow region's air defence troops once combat trials are wrapped up.

Despite the recent impressive gains made by China's domestic military industry in the production of advanced air defences, the country has nothing like the S-500 and its integrated air-space defence capabilities in its arsenal, thepaper.cn contributor Lin Sen has suggested.

Commenting on the recent first public appearance of the S-500 at the Kapustin Yar proving grounds in the Astrakhan region in southern Russia, the analyst wrote that media reporting on the system has rightfully earned it its place as the "air defence missile system most concerned about" by Russia's potential adversaries.

# NATO fighter planes intercept Russian aircraft over Baltic Sea

by Ed Adamczyk  
Washington DC (UPI) Jul 30, 2021

NATO tracked and intercepted four Russian planes, traveling without flight plans or transponder codes, over the Baltic Sea, the bloc announced on Friday.

Aircraft of the Air Policing force, including Eurofighters of Spain's air force and F-35 fighter planes of Italy's based at Amari, Estonia, and Siauliai, Lithuania, scrambled to intercept two Russian Il-22PP MUTE electronic warfare reconnaissance planes, an Su-24 fighter plane and an Il-76 transport plane on Thursday.

After the Russian planes left Russia's Baltic Sea enclave of Kaliningrad, they were tracked by NATO's Combined Air Operations Center in Uedem, Germany.

Although the Russian planes never entered NATO nations' airspace, they nonetheless traveled without identifying themselves or their destination, and "thus posed a potential risk to civilian flights," the NATO statement said.

# UK rebuffs Chinese media warning over carrier task force

by AFP Staff Writers  
London (AFP) July 30, 2021

The UK government Friday denied it was provoking Beijing with the deployment of its most powerful navy task force in a generation, after Chinese state media issued a blunt warning.

The flotilla has entered the disputed South China Sea after exercises with Asian allies. It is led by the new aircraft carrier HMS Queen Elizabeth, and comprises other Royal Navy vessels plus US and Dutch warships.

In an editorial, the nationalist state-run newspaper Global Times warned US allies China might feel compelled to send a message to defend "its sovereignty and territorial integrity".

"Just as a popular Chinese phrase indicates: To execute one as a warning to a hundred," it said.

Addressing the UK and allied strike force specifically, it said: "We seriously warn this group: They are obliged to remain restrained and obey the rules."

# Singapore PM warns US against hard line toward China

by AFP Staff Writers  
Washington (AFP) Aug 3, 2021

Singapore Prime Minister Lee Hsien Loong on Tuesday warned the United States against aggressively challenging China, saying Washington's increasingly hard-line views could be "very dangerous."

He said the United States had moved from an approach of healthy competition with China to the view that America "must win, one way or another."

"There is (US) bipartisan consensus today on one thing, which is relations with China," he told the Aspen Security Forum.

"But their stance is to take a hard line. And I'm not sure that is the right consensus," the Singaporean leader said.

"I don't know whether Americans realise what a formidable adversary they would be taking on if they decide that China is an enemy."

# Kim's sister slams planned US-S. Korea drills

by AFP Staff Writers  
Seoul (AFP) Aug 1, 2021

The influential sister of North Korean leader Kim Jong Un said Sunday that a planned military exercise between Seoul and Washington would "becloud" relations, state-run media reported.

The warning comes amid a surprise thaw on the Korean peninsula, prompted by a series of personal letters between Kim and South Korean President Moon Jae-in.

The two sides on Tuesday restored cross-border communications that were severed more than a year ago, announcing their leaders had agreed to work on improving ties.

But Kim Yo Jong -- a key adviser to her brother the North Korean leader -- warned the mood could shift if the South holds joint military drills with the United States later this month.

"I view this as an undesirable prelude which seriously undermines the will of the top leaders," Kim Yo Jong said, adding the drill "further beclouds the way ahead of the north-south relations".

# Berlin says Iran 'delaying' nuclear talks

by AFP Staff Writers  
Berlin (AFP) July 30, 2021

German Foreign Minister Heiko Maas said Friday that Iran was "delaying" talks to salvage the 2015 nuclear deal, warning that the option to revive the deal would not remain open forever.

"I see with growing unease that Iran is on the one hand delaying the resumption of nuclear negotiations in Vienna, and on the other moving ever further away from the core elements of the deal," Maas said in an interview with Der Spiegel weekly.

Iran resumed talks in April with world powers to revive the 2015 nuclear deal that gave the country some relief from international sanctions in exchange for limits on its nuclear programme.

The deal, formally known as the Joint Comprehensive Plan of Action (JCPOA), was torpedoed in 2018 when then US president Donald Trump unilaterally withdrew from it and reimposed sanctions.

Negotiations in Vienna, in which the US is indirectly involved, have stalled as Iran awaits the inauguration of new ultra-conservative president Ebrahim Raisi at the beginning of August.

## Israel Says Military Action May Be Needed to Stop Iran Attacks

Alisa Odenheimer

Published: Aug 04 2021, 6:17 PM

Last Updated: Aug 04 2021, 8:20 PM

(Bloomberg) -- Military action may be needed to stop further attacks by Iran, Israel Defense Minister Benny Gantz said, days after a deadly drone strike on an Israeli-managed tanker off the coast of Oman.

"Now is the time for deeds -- words are not enough," Gantz said on Wednesday. "It is time for diplomatic, economic and even military deeds. Otherwise the attacks will continue."

Iran denies involvement in the assault.

Gantz spoke in a meeting with ambassadors from United Nations Security Council countries. The U.S., Israel and the U.K. have all vowed to respond to the drone attack, with Israel saying it maintains its right to act independently.

I have always been a strong supporter of Israel. This is not because I always agree with its secular leadership, which is often as corrupt as America's on seminal biblical issues like child-killing and sodomy, but because the Bible makes clear that Israel is an intact nation-state at the time of Christ's return. Jesus said in the Olivet Discourse (Matthew 24, Mark 13, Luke 21) that we would know the season of His return by the revival

## Remove Sex From Public Birth Certificates, AMA Says

By Marcia Frellick

June 16, 2021 -- Sex should be removed as a legal designation on the public part of birth certificates, the American Medical Association (AMA) said Monday.

Requiring it can lead to discrimination and unnecessary burden on individuals whose current gender identity does not align with their designation at birth, namely when they register for school or sports, adopt, get married, or request personal records.

A person's sex designation at birth would still be submitted to the U.S. Standard Certificate of Live Birth for medical, public health, and statistical use only, report authors note.

واضح ان ديزني أصبحت تستهدف الأطفال الصغار بأجندة الشواذ

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،  
فَطُوبَىكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا  
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

# 2

## بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،  
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

( يوحنا 14 : 29 )

3

لِنُنْتَبِهْ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا  
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.  
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.  
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا  
في اليوم الواحد انت لا تعرف متى ستكون منهم  
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس
