أسئلة عامة

تنبيه وإعلان

# تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.  
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

# هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترّب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترّب لكيلا يقال عني كاذب وانشّر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

# السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ  
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي  
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَافٌ  
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،  
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ  
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ  
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ  
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ  
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ  
وَمَجْدٍ كَثِيرٍ.

# السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

# لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.  
انظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ  
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

# لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى  
مَتَى كَانَ تُؤْمِنُونَ.

# لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا  
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ  
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ  
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ  
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ  
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

علامات في السماء

**CME IMPACT SPARKS STRONG GEOMAGNETIC STORM:** A [cannibal CME](#) hit Earth's magnetic field on Nov. 3rd (~20:00 UT). The impact sparked a strong [G3-class](#) geomagnetic storm with intense auroras around the Arctic Circle. Aurora tour guide [Markus Varik](#) photographed the outburst from Tromsø, Norway:

Varik is one of the most experienced guides in Norway. "Even I was impressed," he says. "The auroras were strong, one of the best displays in years. I am very tired, but happy."

الانفجار الشمسي اطلق اشعة اصطدمت بالمجال المغناطيسي بصورة قوية

### 'AURORA SOUNDS' RECORDED DURING STRONG GEOMAGNETIC STORM:

For centuries, Arctic sky watchers have occasionally reported strange sounds filling the air as Northern Lights danced overhead. Hisses, crackles, and even loud "claps" have been heard and recorded. Are they real? Evan Ludes of South Dakota is a believer. On Nov. 4th, he heard strange sounds after a [Cannibal CME](#) hit Earth's magnetic field, sparking a strong geomagnetic storm:

"After pulling off the highway to observe the pulsing green aurora, I shut off my car engine and heard buzzing and chirping," says Ludes. "At first I thought the

## Near Earth Asteroids

Potentially Hazardous Asteroids ([PHAs](#)) are space rocks larger than approximately 100m that can come closer to Earth than 0.05 AU. None of the known PHAs is on a collision course with our planet, although astronomers are finding [new ones](#) all the time.

On November 6, 2021 there were **2232** potentially hazardous asteroids.

By Tina Bellon and Eric M. Johnson

AUSTIN/SEATTLE, Nov 2 (Reuters) - In Wichita, Kansas, nearly half of the roughly 10,000 employees at aircraft companies Textron Inc and Spirit AeroSystems remain unvaccinated against COVID-19, risking their jobs in defiance of a federal mandate, according to a union official.

"We're going to lose a lot of employees over this," said Cornell Adams, head of the local Machinists union district. Many workers did not object to the vaccines as such, he said, but were staunchly opposed to what they see as government meddling in personal health decisions.

The union district has hired a Texas-based lawyer to assist employees and prepare potential lawsuits against the companies should requests for medical or religious exemptions to vaccination be denied.

The Pentagon is monitoring the Ukraine region closely amid reports of a new buildup of Russian troops on the country's border, Pentagon spokesman John Kirby said Monday.

According to The Washington Post, US officials are concerned over unexplained movements of Russian military units in the area.

Videos posted on social media show military trains and truck convoys moving tanks and missiles in Russia's southwest near Ukraine.

A US official, speaking on the basis of anonymity, confirmed that there

# Putin calls for boost to drone arsenal with AI

by AFP Staff Writers  
Moscow (AFP) Nov 2, 2021

President Vladimir Putin on Tuesday told his defence chiefs to work on further developing Russia's arsenal of drones, especially through artificial intelligence.

During a meeting with senior defence ministry officials, Putin said the military already had more than 2,000 drones at its disposal.

"More work must be done on this... in particular through the use of artificial intelligence and the latest scientific and technological advances," he said in remarks released by the Kremlin.

Putin said drones had proven their effectiveness in recent conflicts and that Russia had developed defences against their use, including against "terrorist drone attacks" in Syria.

"We have learned how to repel these attacks and are doing it effectively," Putin said.

# India ramps up Himalayan border defences after deadly China clashes

By Bhuvan BAGGA  
Tawang Town, India (AFP) Nov 3, 2021

On the winding road up to India's Himalayan frontier is a postcard view of gushing streams and tranquil lakes -- punctuated occasionally by the sight of artillery barrels and military bunkers.

A year after deadly high-altitude clashes with Chinese soldiers, India is ramping up its border defences along a treacherous mountain range that has long been a flashpoint between the two countries.

Arunachal Pradesh straddles the other side of the Himalayas from Tibet and shares a common Buddhist cultural heritage with its northern neighbour.

The Dalai Lama fled through the state in 1959 after a failed uprising against Chinese rule in his homeland and has lived in India ever since.

"I don't believe that the Iranians only have peaceful intentions with their nuclear program," said David Lega, a member of the Committee on Foreign Affairs of the European Parliament. Lega was responding to recent protestations of the Iranian regime that it has only "civilian purposes" in mind with its progress toward nuclear capability.

Speaking exclusively to *Israel Hayom* from his residence in Sweden, Lega said that, "We haven't yet come to a decision regarding Iran; we are monitoring the situation closely, using great caution. I don't want to speak on behalf of the Committee as we haven't debated this issue yet, but I think that most of the other members hold similar views to my own."

# Iran rejects Western 'concerns' over nuclear compliance

by AFP Staff Writers  
Tehran (AFP) Nov 1, 2021

Iran repeated Monday its insistence its nuclear programme was peaceful, two days after the US, Britain, France and Germany expressed their "grave" concern on the sidelines of a G20 meeting.

Foreign ministry spokesman Saeed Khatibzadeh told reporters in Tehran that Western positions were "incompatible with reality and will not bring constructive results".

The Western statement on Saturday, a joint declaration after bilateral meetings by leaders on the sidelines of the G20 meeting in Rome, followed their discussions of Iran's offer to resume discussions on reviving the 2015 nuclear deal.

Iran said on Thursday it has significantly increased its stockpile of highly enriched uranium, in an announcement that comes ahead of the resumption of talks on its return to the 2015 deal with world powers.

"We have more than 210 kilograms (463 pounds) of uranium enriched to 20 percent, and we've produced 25 kilos (55 pounds) at 60 percent, a level that no country apart from those with nuclear arms are able to produce," said Atomic Energy Organization of Iran (AEOI) spokesman Behrouz Kamalvandi, according to the *IRNA* news agency.

In August, [the International Atomic Energy Agency \(IAEA\) confirmed](#) that Iran has established a process to accelerate production of highly enriched uranium at its Natanz enrichment plant.

The move brought Iran closer to the 90 percent purity level needed for use in a nuclear weapon.

Iran [has gradually scaled back](#) its compliance with the 2015 deal it signed with world powers in response to former US President Donald Trump's [withdrawal from the agreement](#) in May of 2018.

In April, [the Islamic Republic announced](#) it would begin enriching uranium to 60% purity, a move that would take the uranium much closer to the 90% suitable for a nuclear bomb.

# US flies bomber over Middle East in show of force to Iran

by AFP Staff Writers  
Washington (AFP) Oct 31, 2021

A US Air Force bomber escorted by fighter jets from allies including Israel has flown over key waterways in the Middle East where American and Iranian naval vessels have faced off.

The B-1B Lancer passed over the Gulf, Bab al-Mandeb Strait, Suez Canal and Gulf of Oman, the US Central Command, or Centcom, said in a statement Saturday.

It also flew over the Strait of Hormuz, a chokepoint for a fifth of world oil output at the head of the Gulf that Iran considers a strategic area of influence.

"The bomber task force mission... was intended to deliver a clear message of reassurance," Centcom said.

Just weeks ahead of the scheduled renewal of talks on a return to the 2015 Joint Comprehensive Plan of Action (JCPOA), Iran has begun a [massive military exercise](#) in the Gulf of Oman, Israel's *Channel 12 News* reported.

The widescale exercise, which kicked off on Sunday, includes the area from north of the Indian Ocean to parts of the Red Sea, and includes among other things, the use of drones, manned aircraft, special forces, and both defensive and offensive missiles systems. The Israeli flag can be seen on the horizon, in an apparent attempt to send a message to the Zionist state, *Channel 12* noted.

The Zolfaqar-1400 drill integrates exercises by Iran's Navy, Air Force, and Revolutionary Guards, and simulates various scenarios such as naval warfare far from the Iranian coast.

Admiral Mahmoud Mousavi, spokesman for the annual exercise, said, "The military exercise on the Iranian coast in the Gulf of Oman is intended to present the country's military power and its willingness to take on our enemies."

Israel's Iron Dome missile defense network was activated in the Gaza frontier area Monday afternoon, with an interceptor missile launched towards a target in the Gaza border area.

The IDF initially reported that the circumstances of the launch were under investigation.

Later, an army spokesperson said that the missile had been launched in response to a Hamas drone which approached the the maritime security zone off the Gaza Strip coast.

According to the IDF spokesperson, the drone was successfully intercepted by the missile.

"A short while ago, a UAV belonging to the Hamas terror organization approached the Gaza maritime zone and was intercepted. The Israeli Air Force monitored the UAV throughout the entire incident. The IDF will continue to protect Israel's airspace and its civilians."

## China Urges Stocking Up Ahead of Winter, Prompting Worries Online

Bloomberg News

Published: Nov 02 2021, 11:20 AM

Last Updated: Nov 03 2021, 2:42 PM

(Bloomberg) -- A statement from China's government urging local authorities to ensure there was adequate food supply during the winter and encouraging people to stock up on some essentials prompted concerned talk online, with people linking it with the widening coronavirus outbreak, a forecast cold snap, or even rising tensions with Taiwan.

The Ministry of Commerce urged local authorities to stabilize prices and ensure supplies of daily necessities including vegetables this winter and next spring, according to a [statement](#) Monday evening. Chinese households were also encouraged to stock up on a certain amount of daily necessities in preparation for the winter months or emergencies.

The notice was similar to one released in September before the week of holidays at the start of October, which told local governments to ensure food supplies and stable prices during the break. Even so, this new appeal sparked [speculation](#) that it's linked to a widening coronavirus outbreak which has prompted a new round of [lockdowns and travel restrictions](#) after it spread to over half the mainland's provinces.
