تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبِيَّةٌ. وَتَكُونُ مَخَاوِفُ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبُ أُمَمٍ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
انظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

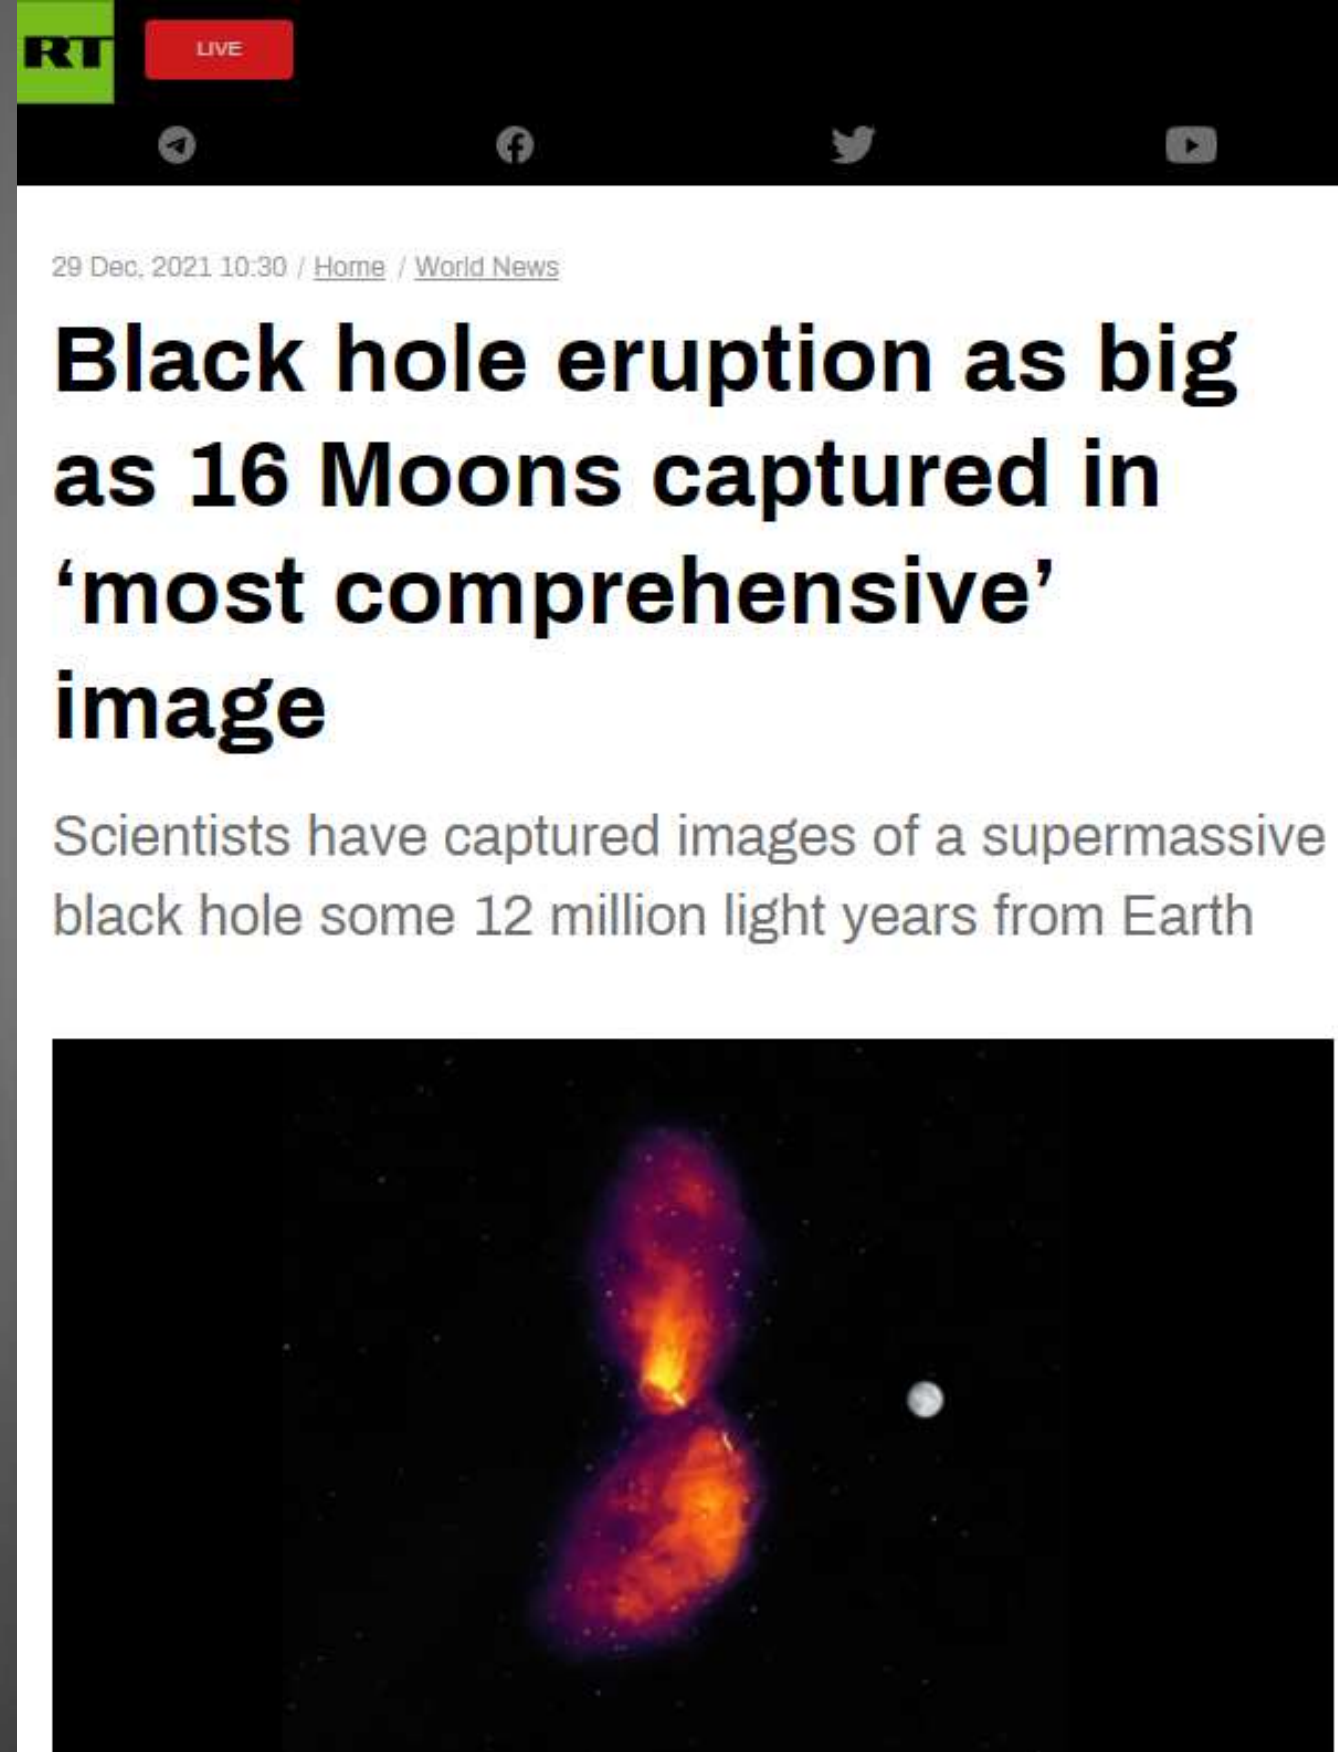

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

الصين تطالب أمريكا ان تمنع الإشكاليات الفضائية بعد ان كادت مركبة فضائية لايلون موسكو ان تصطدم بالمحطة الفضائية الصينية الجديدة

Room for tens of billions spacecraft in orbit around Earth, says Musk after backlash from China

India Today Web Desk

6 hours ago

Like Comments | 2

Days after Elon Musk faced online criticism as China complained that satellites launched by SpaceX nearly struck its space station endangering astronauts onboard, Elon Musk has fired back saying that there could be room for "tens of billions" of

spacecraft in orbits close to Earth.

In an interview with Financial Times, the billionaire CEO said that space is enormous and satellites are tiny, there is enough space and we are not blocking others in anyway.

TRACKING THE JAMES WEBB SPACE TELESCOPE: NASA's next great space telescope, the James Webb (JWST), is now hurtling toward the [L2 Lagrange point](#) where it will park to explore the cosmos. Last night in Puerto Rico, Efrain Morales Rivera photographed the spacecraft en route, 350,000 miles from Earth:

Shining like a 10th magnitude star, JWST was racing through the stars of the constellation Orion. "I photographed it using a 12-inch LX200 telescope," says Morales.

'Life threatening' wildfires raze at least 600 homes, a shopping mall and a hotel to the ground in Boulder, Colorado: State of emergency declared after 'historic' December blaze sparked 30,000 to evacuate

- Two grass fires were sparked in Colorado on Thursday morning after strong winds caused power lines to fall and transformers to explode
- Six people have been taken to hospital in Broomfield with burns, a hospital spokesman confirmed; Colorado officials on Thursday night said they were unaware of any fatalities - although that could change, they said
- Almost 600 homes have been destroyed, Boulder County sheriff said, and dramatic footage showed an apartment block in Superior going up in flames
- Joe Pelle, the sheriff, said approximately 370 homes have been lost in the Sagamore subdivision, just west of Superior, and 210 in Old Town Superior, in addition to the Target store and Element hotel

Magnetic reversal caused massive climate shifts

Scientists link most recent magnetic instability to global environmental change.

Share Tweet

Credit: Unsplash

MORE ON:

MAGNET FIELD

Old red dwarfs give insights into sun's magnetic field

About 42,000 years ago, a reversal of the Earth's magnetic poles triggered massive climate shifts and caused environmental changes to sweep across the globe, according to new Australian-led research.

Scientists have long known that the planet's [magnetic field](#) periodically flips, with the north and south poles switching places. The last known reversal – which was temporary and technically known as the “Laschamps excursion” – occurred 41,000–42,000 years ago. If such an event happened today, it would [wreak havoc](#) on satellites and electrical grids, but its environmental impact is less well understood.

This new study, [published](#) in *Science*, suggests that the Laschamps excursion coincides with significant environmental and ecological changes, including growing ice sheets, mass extinctions, and even the rise of cave art.

To learn this, the researchers built a precisely dated atmospheric radiocarbon record using the tree rings of massive subfossil New Zealand kauri trees (*Agathis australis*) that were alive during this period. Not only did the trees record changes in radiocarbon levels during the pole reversal, but the growth rings also acted as a natural timestamp.

more and more frequent earthquakes reflect magma intrusion

Update Wed 29 Dec 2021 04:30

The seismic activity during 21-28 Dec on the Reykjanes peninsula (image: IMO)

600 quakes have been detected since midnight, but have occurred at a lower number than yesterday at the same time.

A maximum magnitude of 2.5 occurred yesterday.

Overview of the active vents during the eruption so far (as of 3 May 2021)

A strong seismic crisis has been occurring on the Reykjanes peninsula near Fagradalsfjall mountain since mid Feb 2021, involving several magnitude 5+ and thousands of smaller ones. Volcanic tremor has appeared recently as well, indicating that magma movements underneath are likely accompanying and/or causing the seismic

Putin and Erdogan vow to improve ties after tensions

by AFP Staff Writers
Istanbul (AFP) Jan 2, 2022

Russian President Vladimir Putin and his Turkish counterpart, Recep Tayyip Erdogan, on Sunday pledged to improve ties during a call, both sides said, after tensions mounted over drones and NATO in recent weeks.

Turkey, a NATO member since 1952, has angered Moscow by supplying combat drones to Ukraine that Russia fears could be used by Kiev in its conflict with separatists in two eastern regions.

Putin and Erdogan "exchanged New Year's greetings and summarised the main results of bilateral cooperation and confirmed the desire to further intensify the mutually beneficial partnership between Russia and Turkey," the

الصين تقول انها ستأخذ مقاييس شديدة لو طالبت تايوان بالاستقلال

China warns US will 'face unbearable price' on Taiwan

by AFP Staff Writers
Beijing (AFP) Dec 30, 2021

China's foreign minister said Thursday the United States will "face an unbearable price" over its actions towards the self-ruled island of Taiwan, in Beijing's latest threat over the flashpoint island.

Tensions between China and the US have soared in recent years over issues including human rights, trade and technological competition, with Taiwan emerging as a major flashpoint.

China claims the democratic island of Taiwan as its own territory, and has vowed to seize it one day by force if necessary.

Although most countries have chosen to formally recognise Beijing over Taipei, many have retained strong unofficial links with the latter, which China bristles at.

Iran announces new space launch amid nuclear talks

by AFP Staff Writers
Tehran (AFP) Dec 30, 2021

Iran announced Thursday it had carried out a new space launch, in a move likely to irk Western powers amid tough talks on reviving a 2015 nuclear deal.

"The Simorgh satellite launcher carried three research cargos into space," defence ministry spokesman Ahmad Hosseini said, quoted by state television.

"The research goals foreseen for this launch have been achieved," Hosseini added, without elaborating on the nature of the research.

In February, Iran announced a successful test of its most powerful solid fuel satellite launcher to date, the Zoljanah, boasting that it can put a 220-kilogramme (1,100-pound) payload into orbit.

Autonomous trucker TuSimple logs first no-human road test

The Associated Press yesterday

NEW YORK (AP) — A semitruck completed an 80-mile route in Arizona with no human on board and no human intervention during the trip using technology developed by TuSimple, the company said Wednesday.

The San Diego company says it's the first successful fully-autonomous run by a class 8 vehicle, or semi, on open public roads with no human intervention. The nighttime trip earlier this month started at a railyard in Tucson, Arizona and ended at a distribution center in Phoenix with approval and supervision from the Arizona Department of Transportation and law enforcement.

A lead vehicle scouted the route for unexpected obstacles about five miles ahead of the autonomous semi, and a trailing vehicle following about one-half mile behind the truck was prepared to intervene if necessary, along with several unmarked police vehicles. TuSimple said the semi successfully navigated highway lane changes, traffic signals, on-ramps and off-ramps while “naturally interacting with other motorists.”

Lithium & Chinese control over oil of future

Chinese newspaper Global Times running an exclusive under the title - "Chinese firms explore lithium projects in Afghanistan, but risks remain".

In November 2021, there were several media reports around the world about the presence of Chinese 'prospectors' in Afghanistan looking for Lithium.

It all possibly began on November 23, with the English-language

Crickets, Mealworms and Grasshoppers Are Human Food, EU Says

Archie Hunter

Published: Dec 09 2021, 11:55 PM

Last Updated: Dec 10 2021, 12:59 AM

(Bloomberg) -- Crunchy, nutritious and now likely to hit dinner plates and supermarket isles; three types of bugs have now been certified as food fit for human consumption by the European Union.

European member states have recently approved [house crickets](#), yellow mealworms and grasshoppers as so-called 'novel foods' which provides regulation for new them to be brought to market.

The bugs are permitted to be sold in frozen, dried and powdered forms, Protix BV, which operates Europe's biggest insect farm, says the move will allow them to commercialize insects as a sustainable protein alternative in dishes various types of food, such as cereal bars or dried pasta.

And it's unlikely that these will be the only bugs to challenge European pallets, the European Commission has said that there are nine approval applications for insects of other kinds, Protix says they have an application for black soldier flies in the works.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىٰ لَكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونِ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
