اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

SPACE WAR China rejects 'concern' by NASA chief about Beijing militarizing the moon

by Clyde Hughes Washington DC (UPI) Jul 5, 2021

The Chinese government hit back on Tuesday at the head of the American space program over remarks he made in an interview that suggested Beijing is seeking to militarize the moon.

NASA Administrator Bill Nelson criticized China in the interview with German newspaper Bild and said there should be concern about Chinese efforts to explore the moon.

"We must be very concerned that China is landing on the moon and saying: 'It's ours now and you stay out." Nelson said according to Newsweek.

The Midwest and the Plains states don't get hurricanes. They get derechos – sprawling thunderstorm complexes that can travel hundreds of miles and cover multiple states with the impact of a 100-mile-wide tornado. Parts of South Dakota and Iowa, as well as Nebraska, Minnesota and Illinois, faced a derecho on Tuesday. It even turned the skies green in some areas.

US announces more missiles, ammunition for Ukraine by AFP Staff Writers

Washington (AFP) July 1, 2022

The Pentagon announced Friday \$820 million in additional weapons and ammunition for Ukraine as it battles Russian forces along the eastern and southern fronts.

The 14th package of armaments for Ukraine forces includes two air defense systems, more ammunition for the Himars precision rocket launchers the US began supplying in June, up to 150,000 rounds of 155mm artillery ammunition, and four additional counter-artillery radars.

The air defense systems, known as NASAMS, are a short and mediumrange surface-to-air missile system developed by Raytheon and Norway's Kongsberg Defence & Aerospace.

The remote-operated launchers are to help Ukraine forces defend against piloted and drone aircraft and cruise missiles.

China Acquiring New Weapons Five Times Faster Than U.S. Warns Top Official

Thomas Newdick - Yesterday 4:46 PM

he Air Force officer responsible for all aspects of contracting for the service has issued a stark warning about China's rapid gains in defense acquisition, with the result that its military is now getting its hands on new equipment "five to six times" faster than the United States. This is the latest sobering evidence from a U.S. defense official suggesting that the Pentagon needs to urgently overhaul the way it goes about fielding new weapons, while China increasingly appears to be jockeying for the lead in the development of all kinds of high-end military technologies as part of its broader drive to become a preeminent strategic power.

Japan protests Chinese navy sailing near disputed islands

by AFP Staff Writers Tokyo (AFP) July 4, 2022

Japan lodged a protest with China on Monday over a Chinese naval vessel sailing near disputed islands, a Japanese official said, as reports emerged of Russia also sending its own navy ship to the area.

The islets in the East China Sea, known as the Senkaku by Tokyo and the Diaoyu by Beijing, are at the centre of a long-running dispute between Japan and China.

Japanese officials regularly protest the presence of Chinese coastguard vessels in waters near the islands, but it is the first time since 2018 that a navy ship has been spotted there, according to public broadcaster NHK.

he proximity of major European countries and cities makes it easy and affordable to hop on a plane and be in a new country in a matter of hours. However, Europe is hoping to cut down on this air travel and replace the planes with high-speed trains instead. Rail industry leaders met in Lyon, France on June 29 to discuss the potential expansion of their rail systems. Their current vision involves doubling rail use by 2030 and tripling it by 2050. The end goal is to have these trains connecting all these major cities.

Fewer people in the U.S. view the Bible as "Literal Word of God", Many see it as "Book of Fables"

(OPINION) A record-low 20% of Americans now say the Bible is the literal word of God, down from 24% the last time the question was asked in 2017, and half of what it was at its high points in 1980 and 1984.

South African Satanic Church co-founder steps down after experiencing the love of Christ

By Jeannie Ortega Law, Christian Post Reporter 😏

Riaan Swiegelaar, now a former "pastor" at the South African Satanic Church, took to social media this past weekend to share that the overwhelming love of Jesus recently inspired him to step away from Satanism.

"I'm doing this live video because many, more than 100 people on WhatsApp and almost 200 on Facebook, are sending me messages wanting to know why did I leave the South African Satanic Church as well as why did I turn my back on Satanism," Swiegelaar shared in a video he uploaded to Facebook on July 4.

The video now has almost 200,000 views.

على المسيح

"To be very honest, I initially thought I will slip out the back door quietly and I didn't really think that people would be this interested in why I am doing what I'm doing. I'm going to talk from my experience. I'm going to talk about my choices."

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصابيحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس. رسالة بولس الرسول الي أهل رومية 13 11:11 هذا وأنكم عارفون الوقت أنها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما کان حین امنا 12:12قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور 13:13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد 14:14 البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

نکی لا نخاف وَلِكِنْ وَإِنْ تَأَلَّمُهُمْ مِنْ أَجْلِ الْبِرِ، فَطُوبَاكُمْ وَأَمَّا خَوْفَهُمْ فَلاَ تَخَافُوهُ وَلاَ تَضْطَر بُوا (1 بطرس 3 : 4)

قُلْتُ لَكُمُ الآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُوْمِنُونَ (يوحنا 14 : 29)

Minie ginie وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل. وأيضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد انت لا تعرف متى ستكون منهم المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس
