تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّزَعُ.....

متى 24 : 29

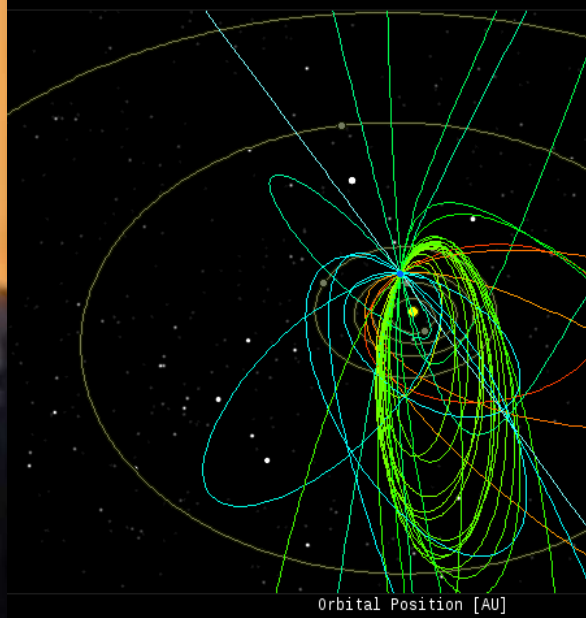

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّزَعُ...

لوقا 21 : 11 - 26

Russia space agency seeking to extend ISS participation past 2024: official

by AFP Staff Writers
Washington (AFP) Oct 4, 2022

Russia's space agency is discussing with Moscow a continuation of its participation in the International Space Station past 2024, a Roscosmos official said Monday.

Sergei Krikalev, head of Russia's human space flight programs, told reporters that Roscosmos had started "to discuss extending our participation in ISS program with our government and hope to have permission to continue next year."

With ties between Russia and the West rupturing over the war in Ukraine, Roscosmos chief Yuri Borissov had announced over the summer that Russia would leave the ISS "after 2024", and would seek to build its own space station.

روسيا تناقش امداد مشاركتها في المحطة الدولية الفضائية بعد 2024

BLUEWALKER 3 UPDATE: AST SpaceMobile's controversial Bluewalker 3 satellite has been orbiting Earth and communicating with ground stations for nearly a month. It is stable, following the correct orbit, and taking great pictures of the planet below:

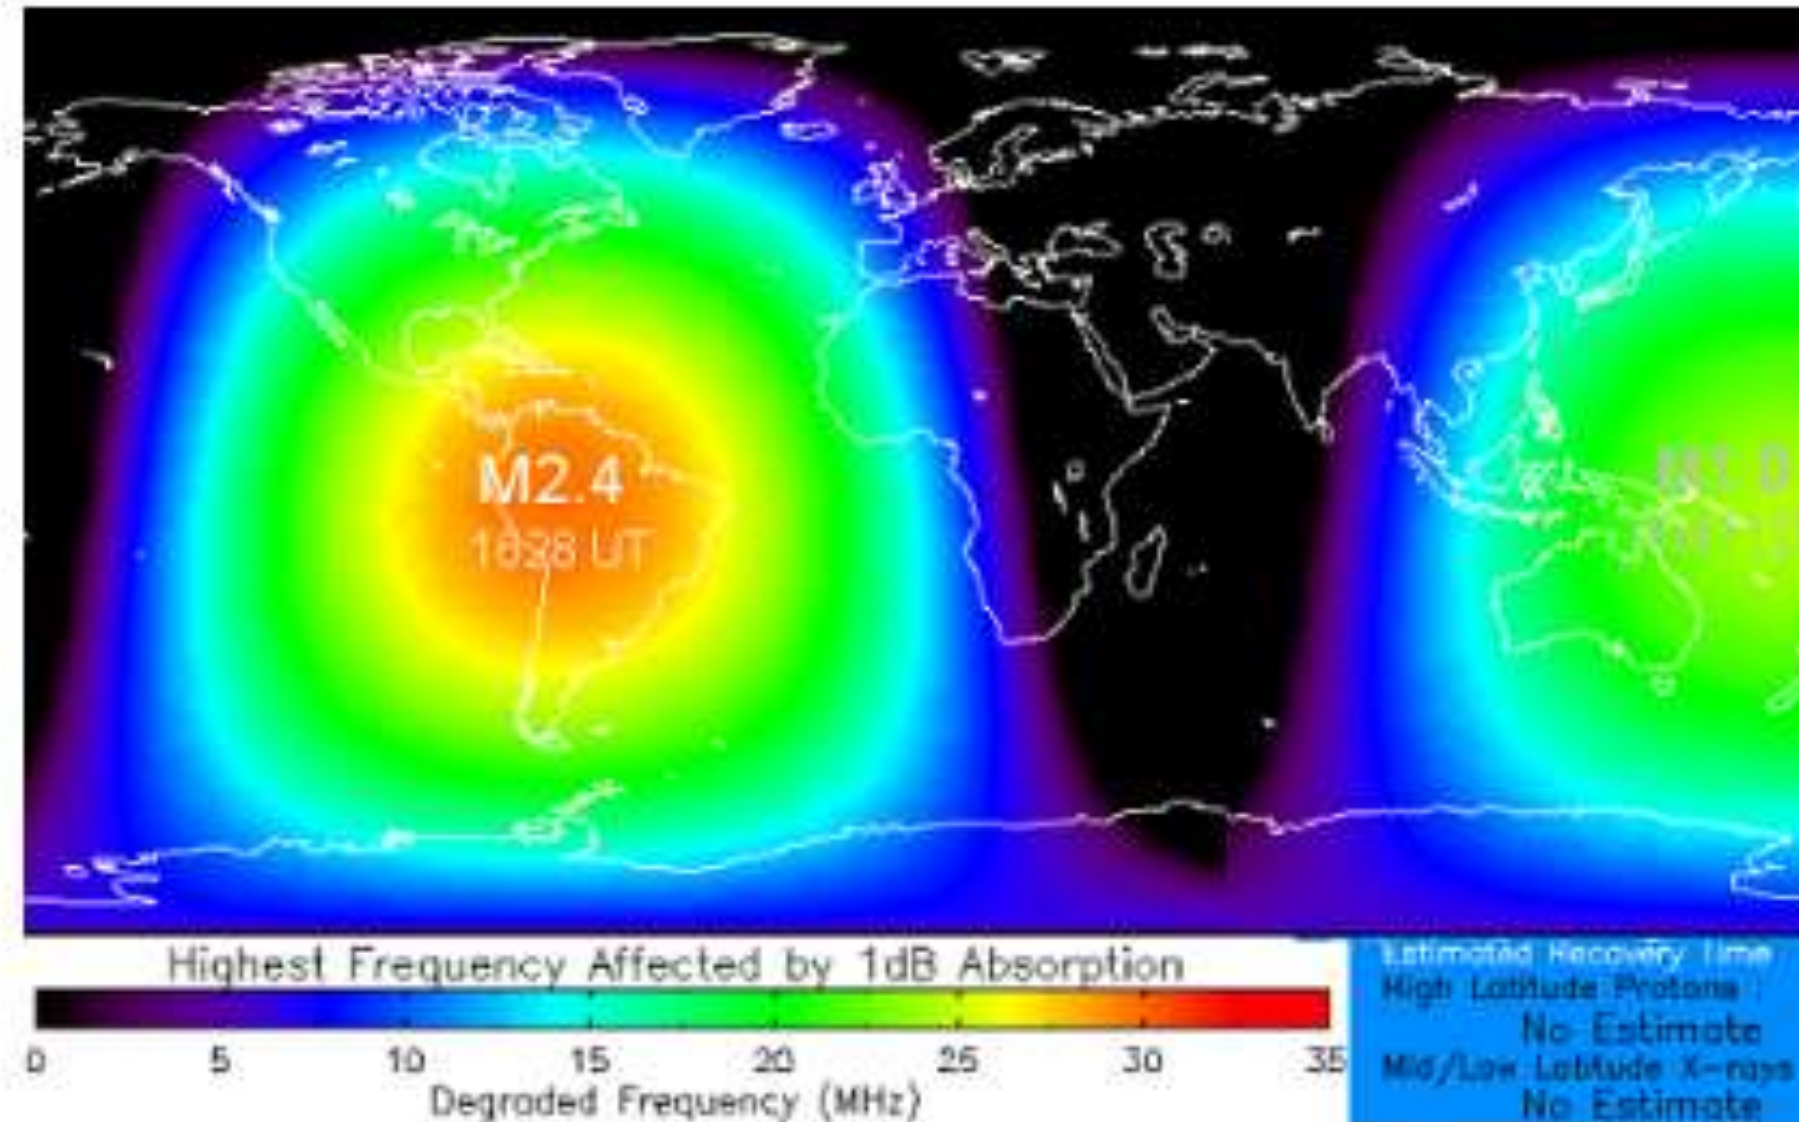

Now for the next step: Unfurling its enormous antenna. This could happen little more than a week from now.

Designed to supply 4G cell phone signals from space, Bluewalker 3's antenna is huge, 64 square meters or the size of a squash court. This flat surface orbiting 500 kilometers above Earth will reflect a lot of sunlight, which could make the satellite extremely visible to observers on the ground. Flares from Bluewalker 3 might even be brighter than Venus, outshining everything in the night sky except the Moon.

BLUEWALKER التي ستكون اكبر ثاني جسم منير في الفضاء بعد القمر تخطط لإرسال 100 آخرين سيكونون ضعف الحجم فهذا سيجعل السماء منيرة وصعب رصد النجوم

SOLAR FLARES AND RADIO BLACKOUTS (UPDATED): Underachieving sunspot AR3112 finally exploded on Oct. 10th--twice--producing a pair of M-class solar flares. (Movies: [#1](#), [#2](#)) Twin pulses of radiation ionized the top of Earth's atmosphere and caused radio blackouts over the South Pacific and South America:

Aviators, mariners and ham radio operators may have noticed fading and other unusual propagation effects at frequencies below 20 MHz for as much as an hour after each flare.

Drought is taking its toll on corn crops across the Great Plains and threatening to take cattle ranches down too. For more than two years, at least 40% of the U.S. has endured a moderate drought, according to the [National Drought Mitigation Center](#).

Now the prolonged rain shortage is causing the dominoes to fall across the area. Corn makes up about 95% of the primary feed grain for cattle in the U.S., according to the [U.S. Department of Agriculture](#). Hogs and poultry also eat corn.

California Quakes Mysteriously Preceded by Shifts in Earth's Magnetic Field

Mike McRae - 5h ago

React

10 Comments

32

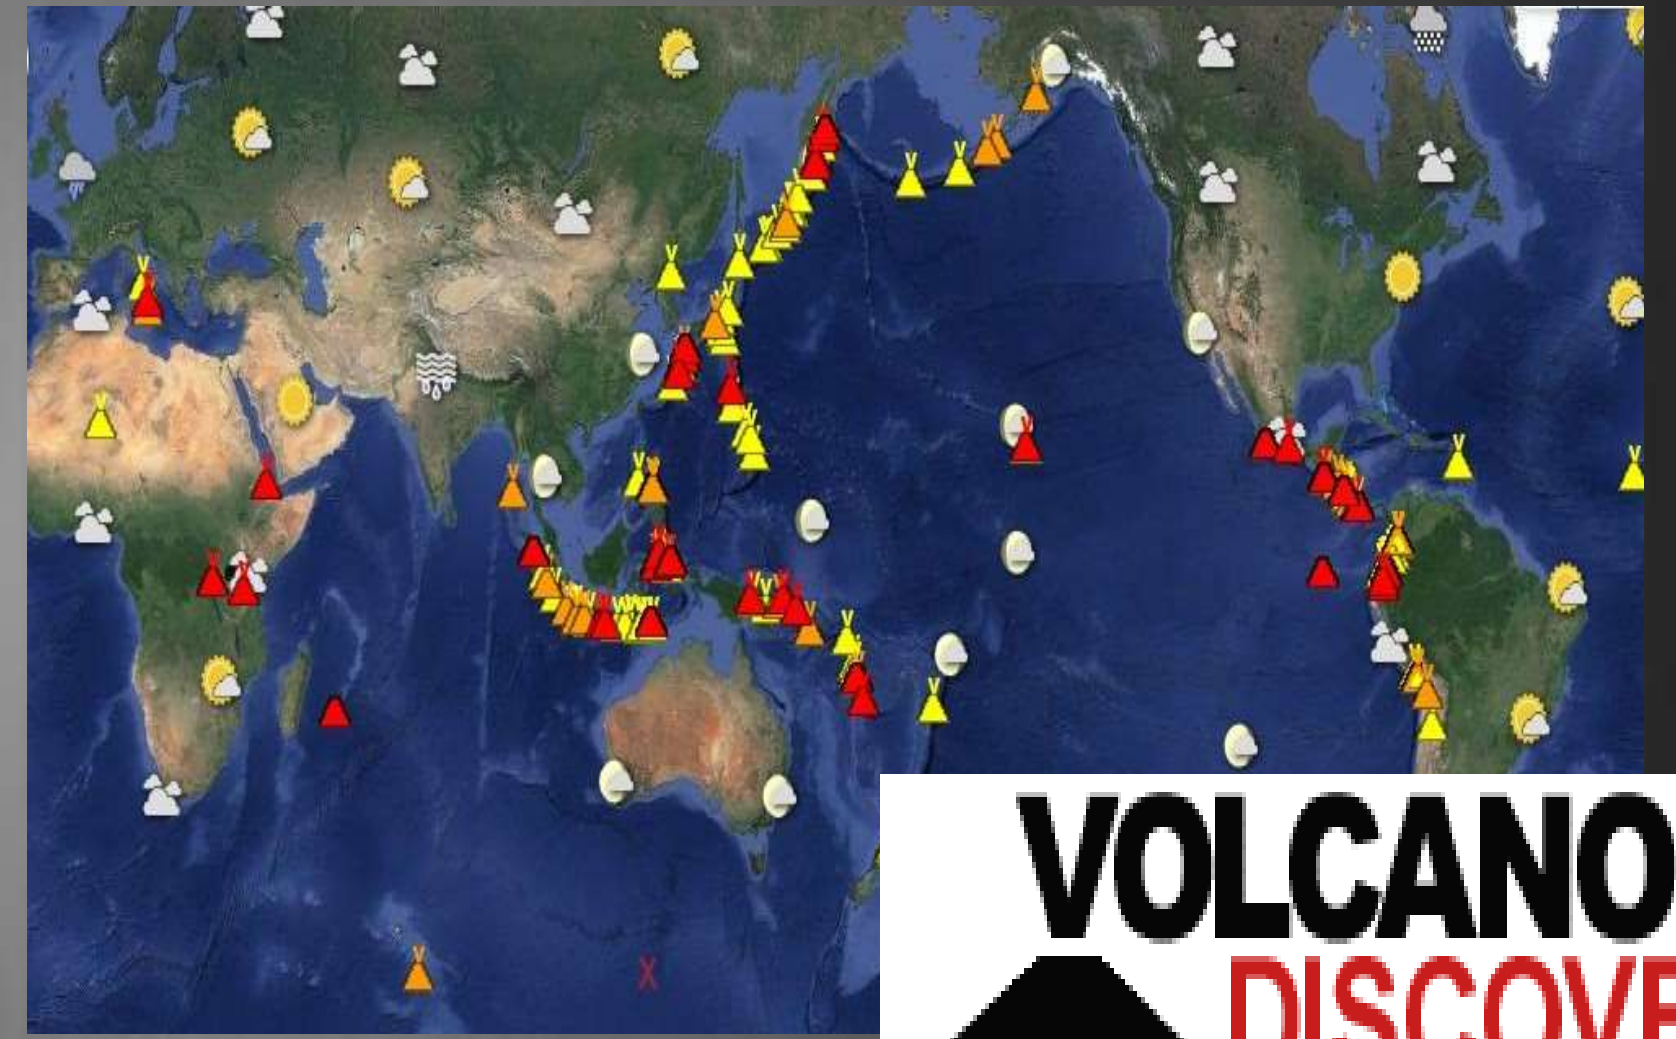

When the next big earthquake strikes somewhere around the world, it will arrive without warning, destroying infrastructure and putting lives at risk. Yet for days leading up to the event, titanic geological forces will already be at work, warping the crust in subtle ways that could, in theory, predict the coming catastrophe. One possible sign could involve flickers in the magnetic field that ebbs and flows around our planet. For decades, researchers have debated the merits of hunting for magnetic signatures to imminent tremors, for want of convincing evidence. A new case-controlled study by

Former CIA Moscow chief of station on Putin's nuclear war threat

CBSNews - 1h ago

React

28 Comments

73

Michael Morell speaks with Rolf Mowatt-Larssen, former CIA Moscow chief of station and William J. Perry Distinguished Fellow at the Nuclear Threat Initiative, about Russian President Vladimir Putin's nuclear threats — and how American policymakers should respond. Mowatt-Larssen stresses that Western leaders must take Putin's threats seriously. His assessment is that we're now peaking in global nuclear risk, reaching a point not seen since the Cuban Missile Crisis 60 years ago. He also explains why, as Ukrainians are winning on the battlefield, they are not ready to sit at the negotiating table.

تحذير مرة أخرى أن تهديد بوتين النووي يجب ان لا يستهان به

Ukraine live briefing: Biden warns of nuclear 'Armageddon' as pressure on Putin rises

James Bikales - 5h ago

React

73

President Biden said Thursday that the [risk of nuclear "Armageddon"](#) is at its highest since the Cuban missile crisis, warning that Russian President Vladimir Putin is "not joking" about the potential use of nuclear weapons as his army struggles in Ukraine.

Putin may find himself without an "off-ramp," which could prompt Moscow to deploy weapons of mass destruction, Biden said. (Administration officials have said there is [no indication](#) Russia is moving its nuclear weapons in preparation for an imminent strike.) The [military setbacks](#) in Ukraine have heightened [internal tensions](#) in Russia, with powerful [nationalist figures openly criticizing](#) a close Putin ally.

Russian elite voice growing anger as losses mount in Ukraine

by AFP Staff Writers
Moscow (AFP) Oct 6, 2022

A growing list of failings and defeats in Ukraine have spawned angry outbursts from Russia's elite, who still support the "military operation" but have gone as far as to suggest army chiefs should face the firing squad.

Before September saw a series of battlefield reversals, public criticism of the army was rare.

The offensive had been presented as a sacred, patriotic mission and speaking ill of the armed forces could lead to a long stay in prison.

Today, nobody among the elite is calling into question the merits of Moscow's viewpoint or the operation against a neighbouring

Russia unleashes deadly strikes on cities across Ukraine after Crimea bridge attack

Daryna Mayer and Mariia Ulianovska and Lawahez Jabari and Artem Grudinin and Mithil Aggarwal and Yuliya Talmazan - 58m ago

React

273

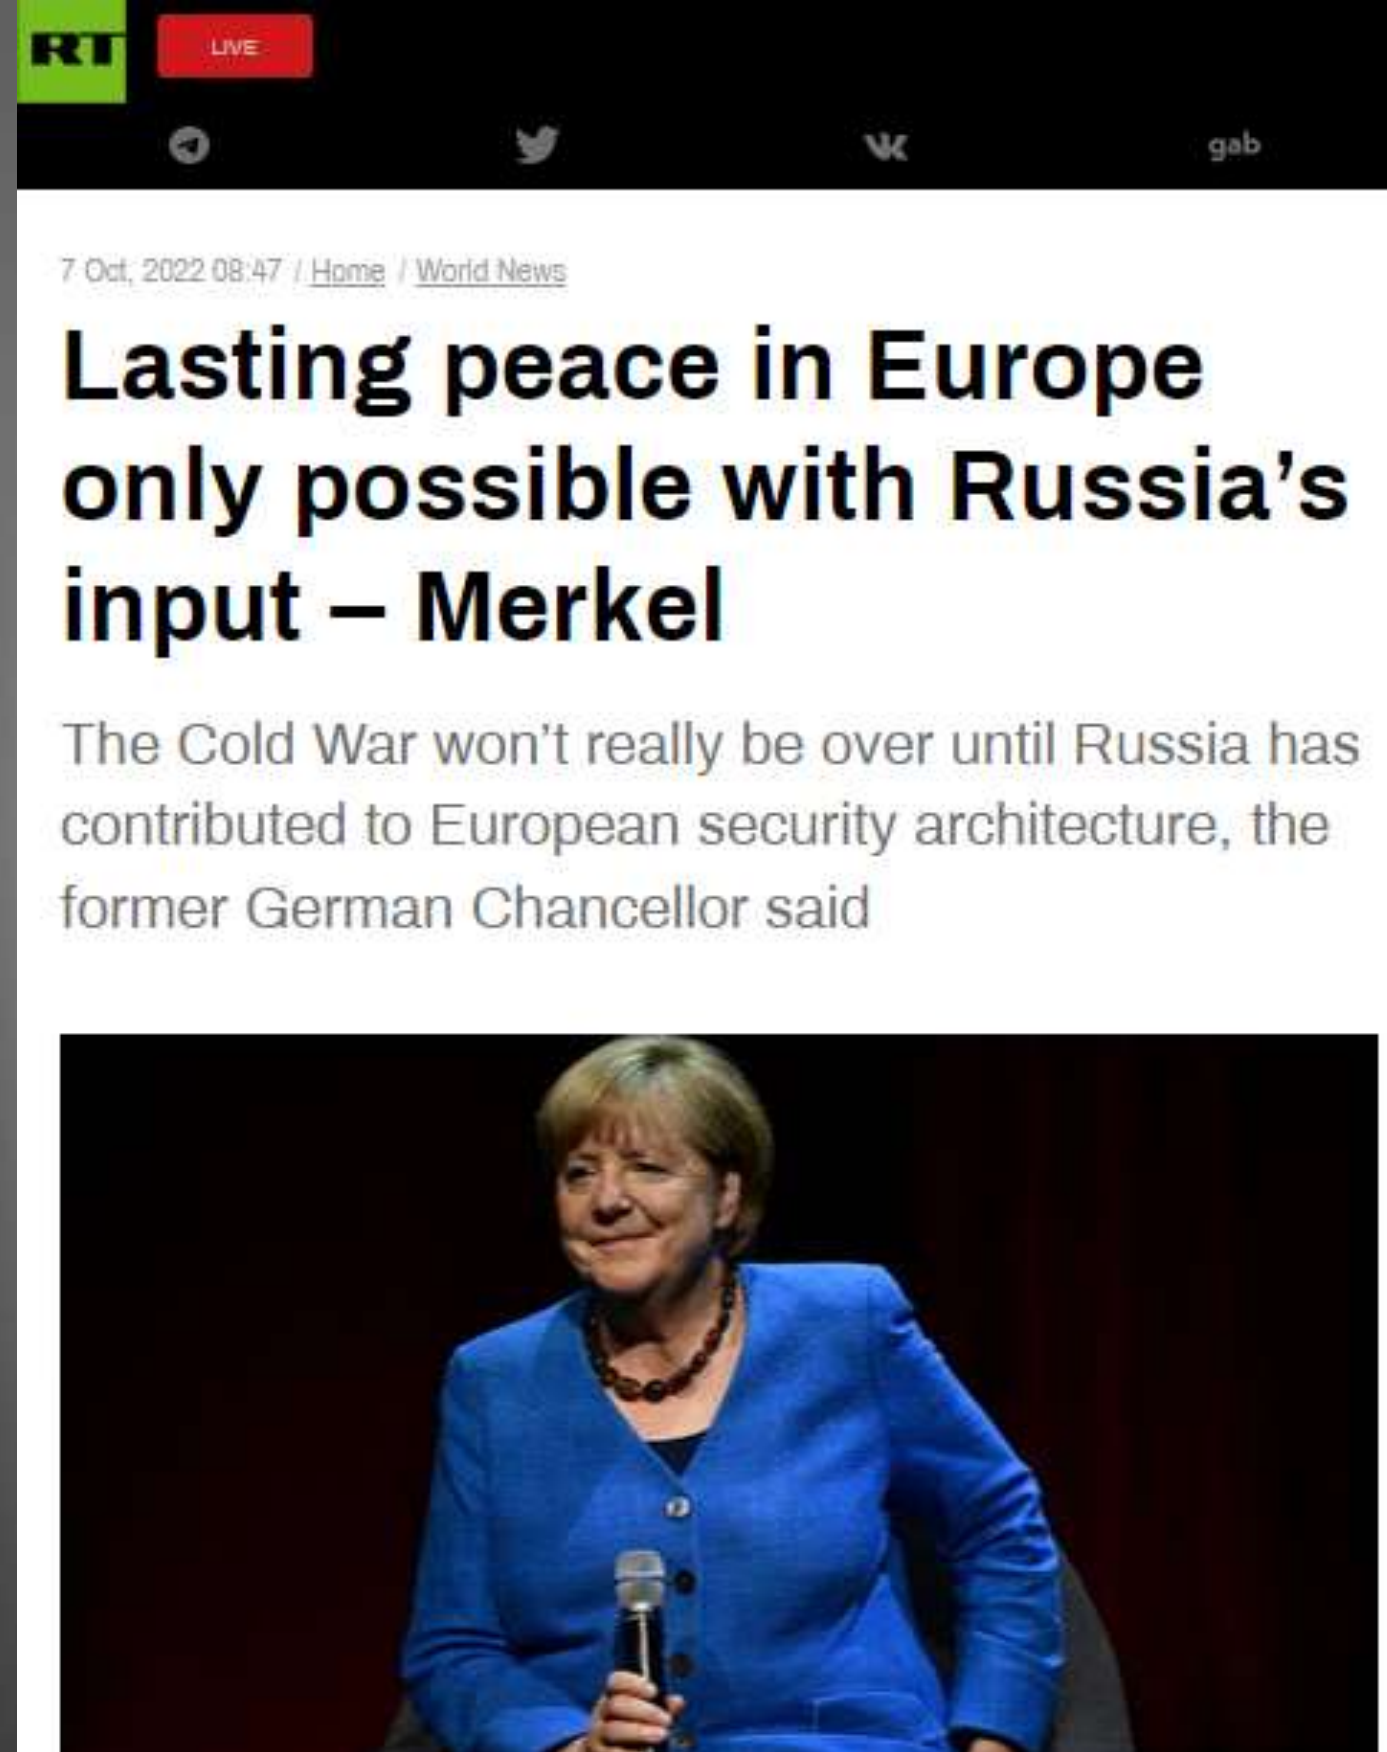

Russia unleashed a barrage of deadly attacks on cities across Ukraine on Monday, hitting the heart of the country's capital as part of a wave of strikes against civilians and infrastructure not seen since the very earliest days of the war.

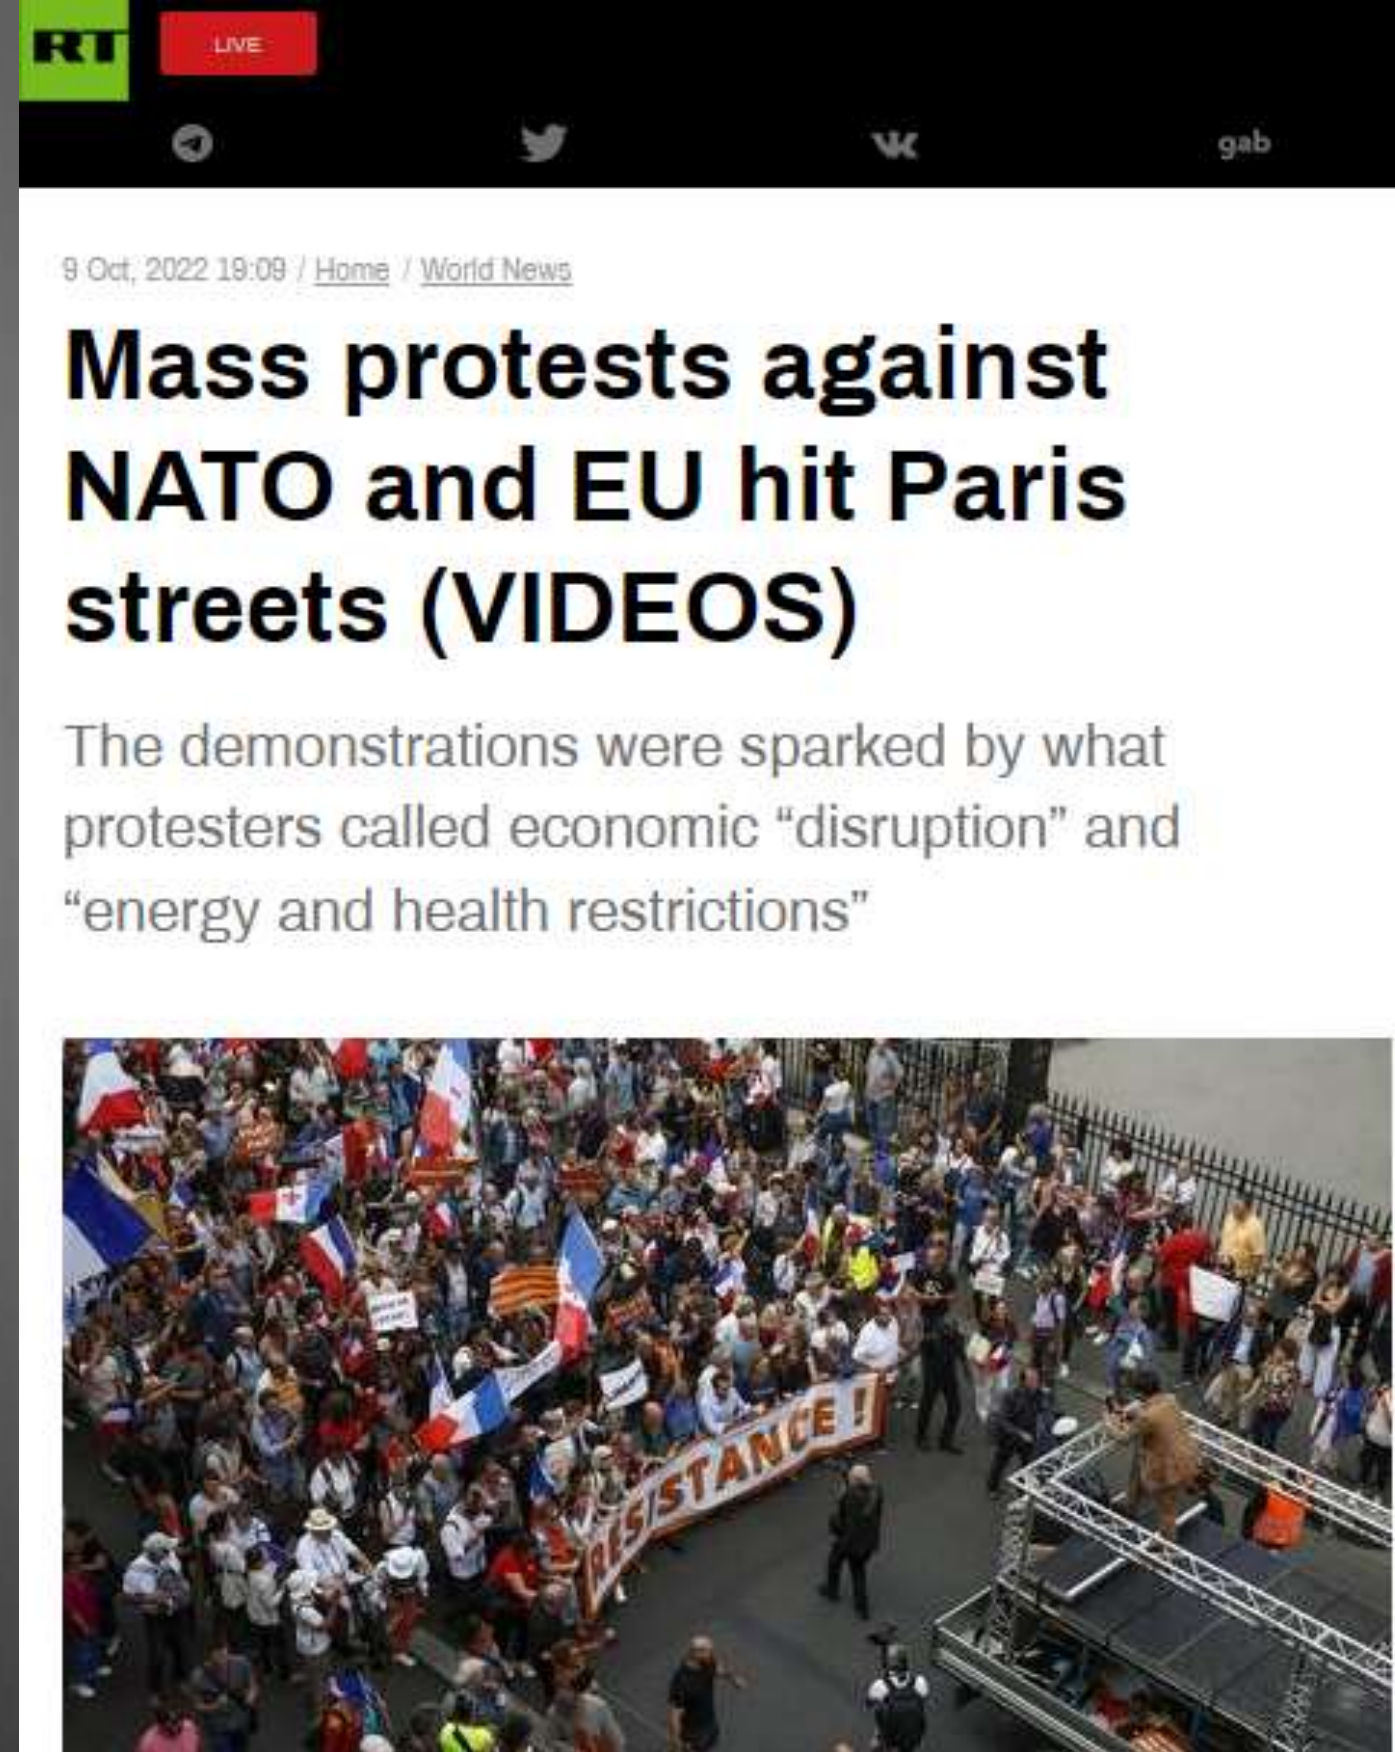

From Lviv in the west to Kharkiv in the northeast, missiles tore through rush hour traffic and into energy facilities, in retaliation for a blast that damaged a key bridge to the annexed Crimean Peninsula over the weekend.

Russian President Vladimir Putin announced in a televised address that his military had launched a series of strikes on Ukraine's "energy, military command and communications facilities," telling his security council it was revenge for what he called Kyiv's long track record of "terrorist" actions, including the bridge blast.

Xi decade reshapes China's military, and the region

By Andrew BEATTY
Sydney (AFP) Oct 4, 2022

During Xi Jinping's decade-long rule, China has built the world's largest navy, revamped the globe's biggest standing army, and amassed a nuclear and ballistic arsenal to trouble any foe.

With China's neighbours now rushing to keep pace, Xi's next five-year term is likely to see a quickening Asia-Pacific arms race.

From South Korea developing a blue-water navy to Australia buying nuclear-powered submarines, weapons shopping has surged across the region.

According to figures from the London-based International Institute for Strategic Studies, Asia-Pacific defence spending

Eyeing China, India unveils high-altitude helicopters

by AFP Staff Writers
Jodhpur, India (AFP) Oct 3, 2022

India unveiled on Monday its first batch of locally-made attack helicopters, designed primarily for use in high-altitude areas like the Himalayas where its troops clashed with China in 2020.

The Light Combat Helicopters are seen as another milestone in Indian efforts to reduce dependence on Russia, its main source of arms, and other suppliers.

The choppers made by Hindustan Aeronautics Limited (HAL) "will be a big boost to the Indian Air Force's combat prowess", Defence Minister Rajnath Singh said at Jodhpur air base in western India.

"It is a momentous occasion, a

White House consulting allies on 'robust' responses to NKorea launch

by AFP Staff Writers
Washington (AFP) Oct 4, 2022

The White House has announced that the US national security advisor spoke separately with his South Korean and Japanese counterparts about North Korea's missile launch over Japan on Tuesday.

"In both calls, the National Security Advisors consulted on appropriate and robust joint and international responses and National Security Advisor Jake Sullivan reinforced the United States' ironclad commitments to the defense of Japan and the ROK (South Korea)," national security spokeswoman Adrienne Watson said in a statement issued on Monday evening, local time.

North Korea fires two ballistic missiles, blames US for 'escalation'

By Sunghee Hwang
Seoul (AFP) Oct 6, 2022

North Korea fired two ballistic missiles Thursday and claimed its recent blitz of sanctions-busting tests were necessary countermeasures against joint military drills by the United States and South Korea.

As the United Nations Security Council met to discuss Pyongyang's Tuesday launch of an intermediate-range ballistic missile over Japan, North Korea blamed Washington for "escalating the military tensions on the Korean peninsula".

The recent launches -- six in less than two weeks -- were "the just counteraction measures of the Korean People's Army", Pyongyang's foreign ministry said

North Korean state media said some of the ballistic missiles were equipped with mock nuclear warheads. Kim Jong-un called this "an obvious" warning to the enemy. North Korea's spate of missile launches over the past two weeks were training drills to "hit and wipe out" potential South Korean and US targets, the country's state media said on Monday.
