تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَاوِفُ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبُ أُمَمٍ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

Nasa scientists think they know why they've not found aliens yet

The theory is that the cosmic science is down to bad timing: alien civilizations may have existed, but have died out before they were able to make contact with us. But this also means, as a fairly intelligent civilization, we are at risk of destroying

علماء ناسا يعتقدوا انهم عرفوا لماذا لم يكتشفوا أي كائنات فضائية رغم كل هذا البحث والأموال الطائلة بدون فائدة والسبب الذي يدعوهم ان الكائنات الفضائية الذكية فنت نفسها قبل ان نكتشفها. (هذا بدقة ما يوصف بالعلم الكاذب الاسم)

A Hole In The Planet's Magnetic Field Caused A Rare Pink Aurora Over Norway

Leslie Veliz - Yesterday 2:06 PM

React 1 Comment 13

The [northern lights](#), also known as the aurora borealis, are beloved by both scientists and casual viewers alike (via [Space.com](#)). It's believed that famed astronomer Galileo Galilei is the one who came up with the name "aurora borealis." However, aurora borealis is a term that is used for North Pole phenomena only. At the South Pole, this event is referred to as aurora australis (per the [Deseret News](#)). As [The Old Farmer's Almanac](#) explains, these auroras create a colorful display that glows in the night sky. These colors can include green, blue, purple, red, and yes, even pink.

BLUEWALKER 3 UPDATE: The CEO of AST SpaceMobile, Abel Avellan, has confirmed in [a Tweet](#) that BlueWalker 3 successfully unfurled [its huge antenna](#). Here are two selfies of the array in orbit alongside members of the mission team:

"The array has been fully deployed," he says.

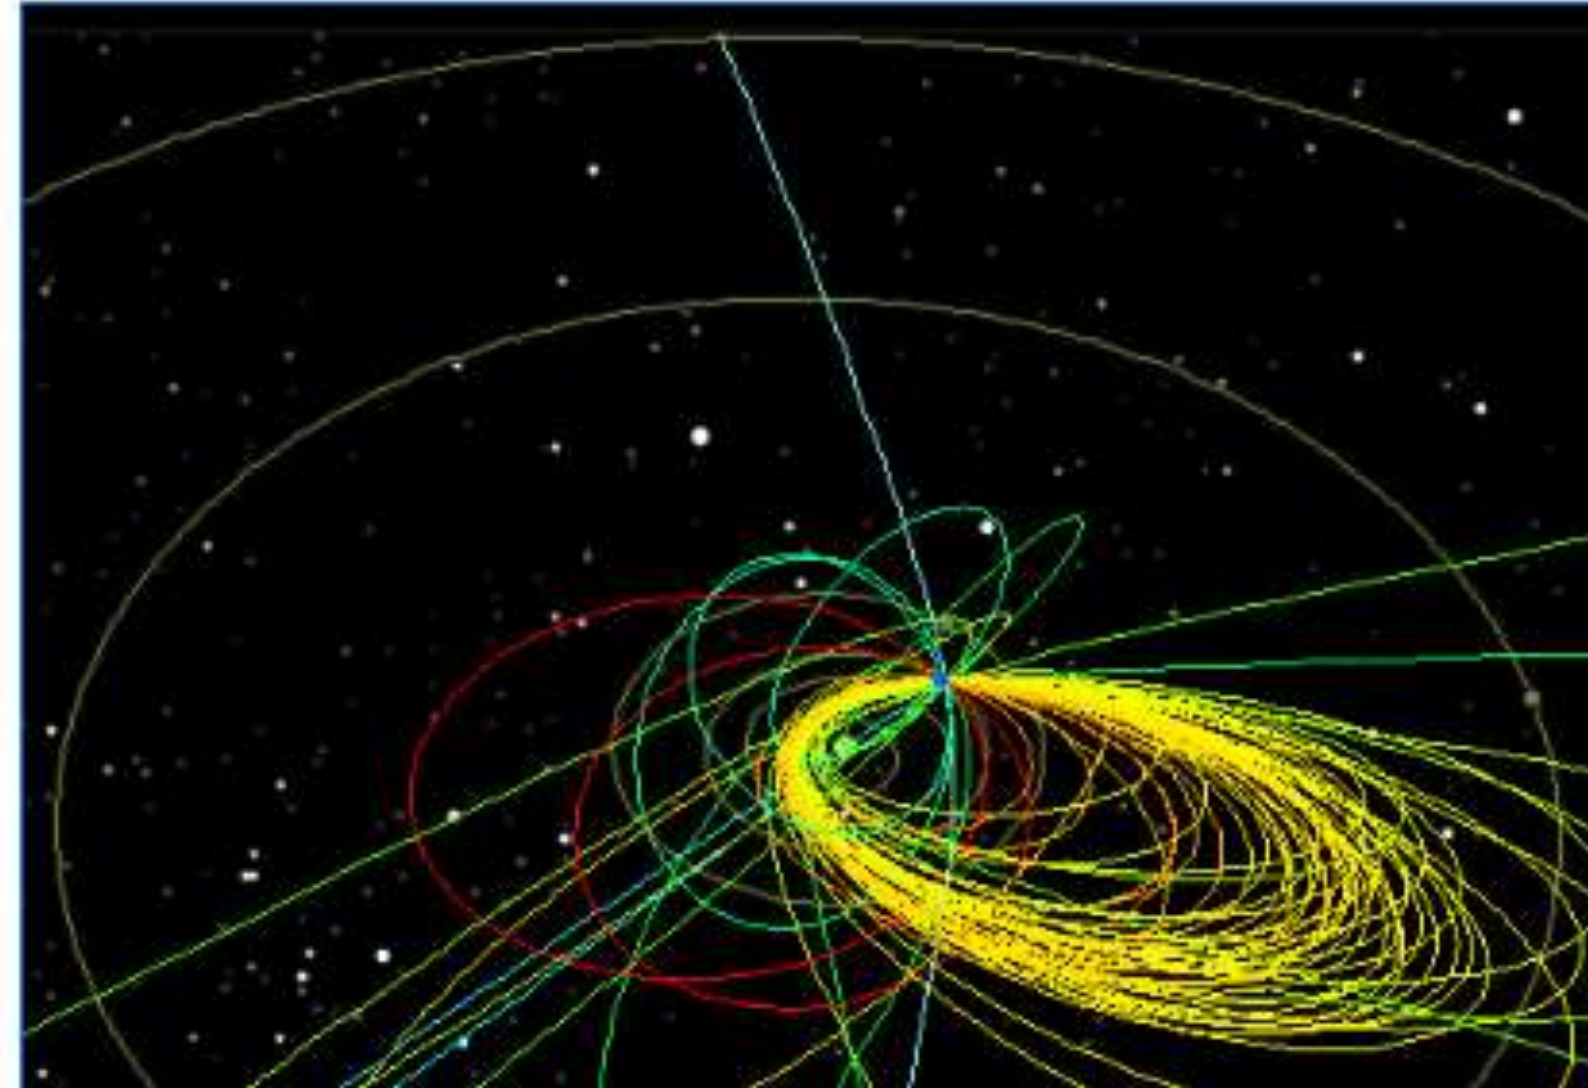

BlueWalker 3 is a revolutionary communications satellite designed to provide cell phone service from space. To detect weak cell phone signals from Earth's surface it needs a very large antenna. BlueWalker 3's is about the size of a squash court.

Near Earth Asteroids

Potentially Hazardous Asteroids ([PHAs](#)) are space rocks larger than approximately 100m that can come closer to Earth than 0.05 AU. None of the known PHAs is on a collision course with our planet, although astronomers are finding [new ones](#) all the time.

On November 9, 2022 there were **2314** potentially hazardous asteroids.

Hurricane Nicole leaves trail of structural damage along coastline described as "unprecedented"

Nov 11, 2022 | 0 | ★★★★★

The full extent of the damage left behind by Nicole is still not known because the storm has left some homes and condo buildings teetering on the edge of collapse.

Nicole came ashore as a hurricane Thursday in Florida and quickly moved across the state. At least two people died after being electrocuted.

Feet of snow to bury Buffalo as potentially historic lake-effect event begins

Lake-effect snow warnings have been issued for parts of western New York ahead of a long-duration lake-effect snow event that could produce potentially record-setting amounts of 3 to 6 feet.

By Renee Duff, AccuWeather meteorologist

Published Nov. 15, 2022 8:52 AM PST | Updated Nov. 17, 2022 2:00 PM PST

AccuWeather meteorologists say the fiercest lake-effect snow event potentially in years could bring record-setting snowfall amounts of 3 to 6 feet downwind of the Great Lakes through the weekend.

Bands of heavy lake-effect snow began to pour off Lake Erie and Lake Ontario late Wednesday night, and AccuWeather meteorologists say that this round of snow is only one phase of what is shaping up to be a historic and multiday snowfall event.

AccuWeather forecasters say that the blockbuster lake-effect snowstorm will bury some locations with feet of snow, grind travel to a halt and potentially stamp new marks in the weather history books.

Russia and US to Hold First Nuclear Talks Since Ukraine War

Bloomberg News - 51m ago

React

23

(Bloomberg) – Russia said it will hold talks with the US from late November to early December in Cairo about inspections of atomic weapons sites under the New START treaty, a first step toward reviving broader arms-control talks suspended since the Russian invasion of Ukraine.

Russian missiles strike on border of NATO state of Poland killing at least two and prompting emergency meeting

Nov 15, 2022 | 0 | ★★★★★

Two people have been killed in Poland after two stray Russian rockets landed near the border with Ukraine. The rockets landed in the NATO state following Russia's mass bombardment of Ukrainian cities earlier today, which saw over 100 rockets launched.

RUMORS OF WAR: The clock is ticking and China is preparing for war

Nov 9, 2022 | 0 ● | ★★★★★

(OPINION) Chinese President Xi Jinping has just announced that China will be “preparing for war”, and that should deeply alarm all of us. Needless to say, nobody is going to be attacking China any time soon.

So why would the Chinese need to prepare for war if there is zero chance that they will be attacked? Unfortunately, the answer is obvious. The only reason China would be engaged in a military conflict any time soon is if it chooses to invade Taiwan. The moment such an invasion is launched, the United States and China will be at war. The Chinese

Iran launches deadly missile, drone strikes on Kurdish groups in Iraq

by AFP Staff Writers

Arbil, Iraq (AFP) Nov 15, 2022

Iran launched new cross-border missile and drone strikes Monday against Iraq-based Kurdish opposition groups it accuses of stoking unrest at home, killing at least one person according to local authorities.

Iran has been rocked by almost two months of protests sparked by the death of Kurdish-Iranian woman Mahsa Amini, 22, after her arrest by the notorious morality police for allegedly breaching the strict dress code for women.

Tehran accuses Kurdish-Iranian opposition groups based in northern Iraq of stoking the "riots". Iran already launched attacks in late September that killed more than a dozen people in Iraq's autonomous Kurdistan region.

India faces deepening demographic divide as it prepares to overtake China as the world's most populous country

Hannah Ellis-Petersen in Delhi - Yesterday 11:43 PM

React

3 Comments

2

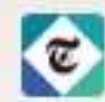

The cry of a baby born in India one day next year will herald a watershed moment for the country, when the scales tip and India overtakes China as the world's most populous nation.

Yet the story of India's population boom is really two stories. In the north, led by just two states, the population is still rising. In the richer south, numbers are stabilising and in some areas declining. The deepening divisions between these regions mean the government must eventually grapple with a unique problem: the consequences of a baby boom and an ageing population, all inside one nation.

What will a population of 8 billion people mean for us and the planet?

The United Nations has declared that the world's population will pass 8 billion people on 15 November. Our growing numbers have a variety of implications, from health to the environment

HUMANS 8 November 2022

By [Michael Le Page](#)

اختيار 15 نوفمبر انه اليوم الذي تصل فيه البشرية الى 8 بليون ولكن
مؤشرات تباطؤ النمو البشري وقد يبدأ يتناقص في هذا القرن

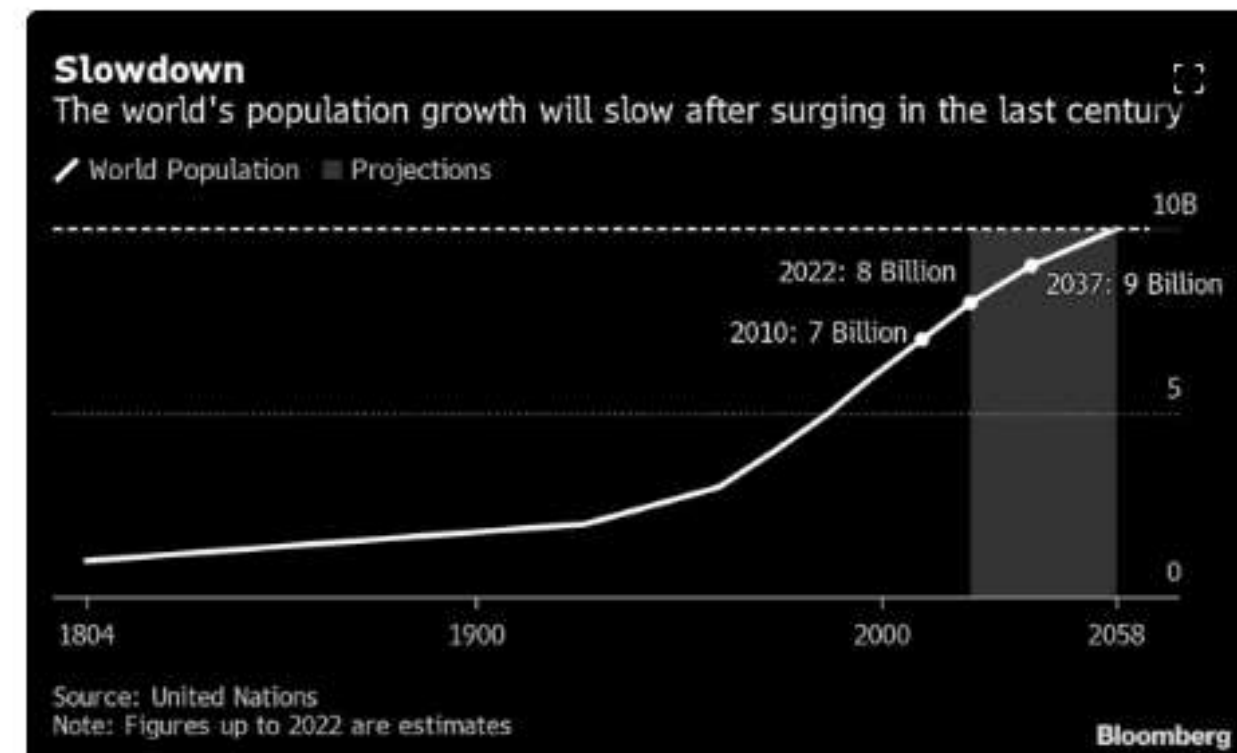

Slowing Population Growth

Much of the world's population growth has come in the last century as better living standards and health advancements extended life expectancy, with the total number of people on earth growing from just 2 billion in 1927 to 6 billion by 1998. Still, there are early signs that this surge is slowing.

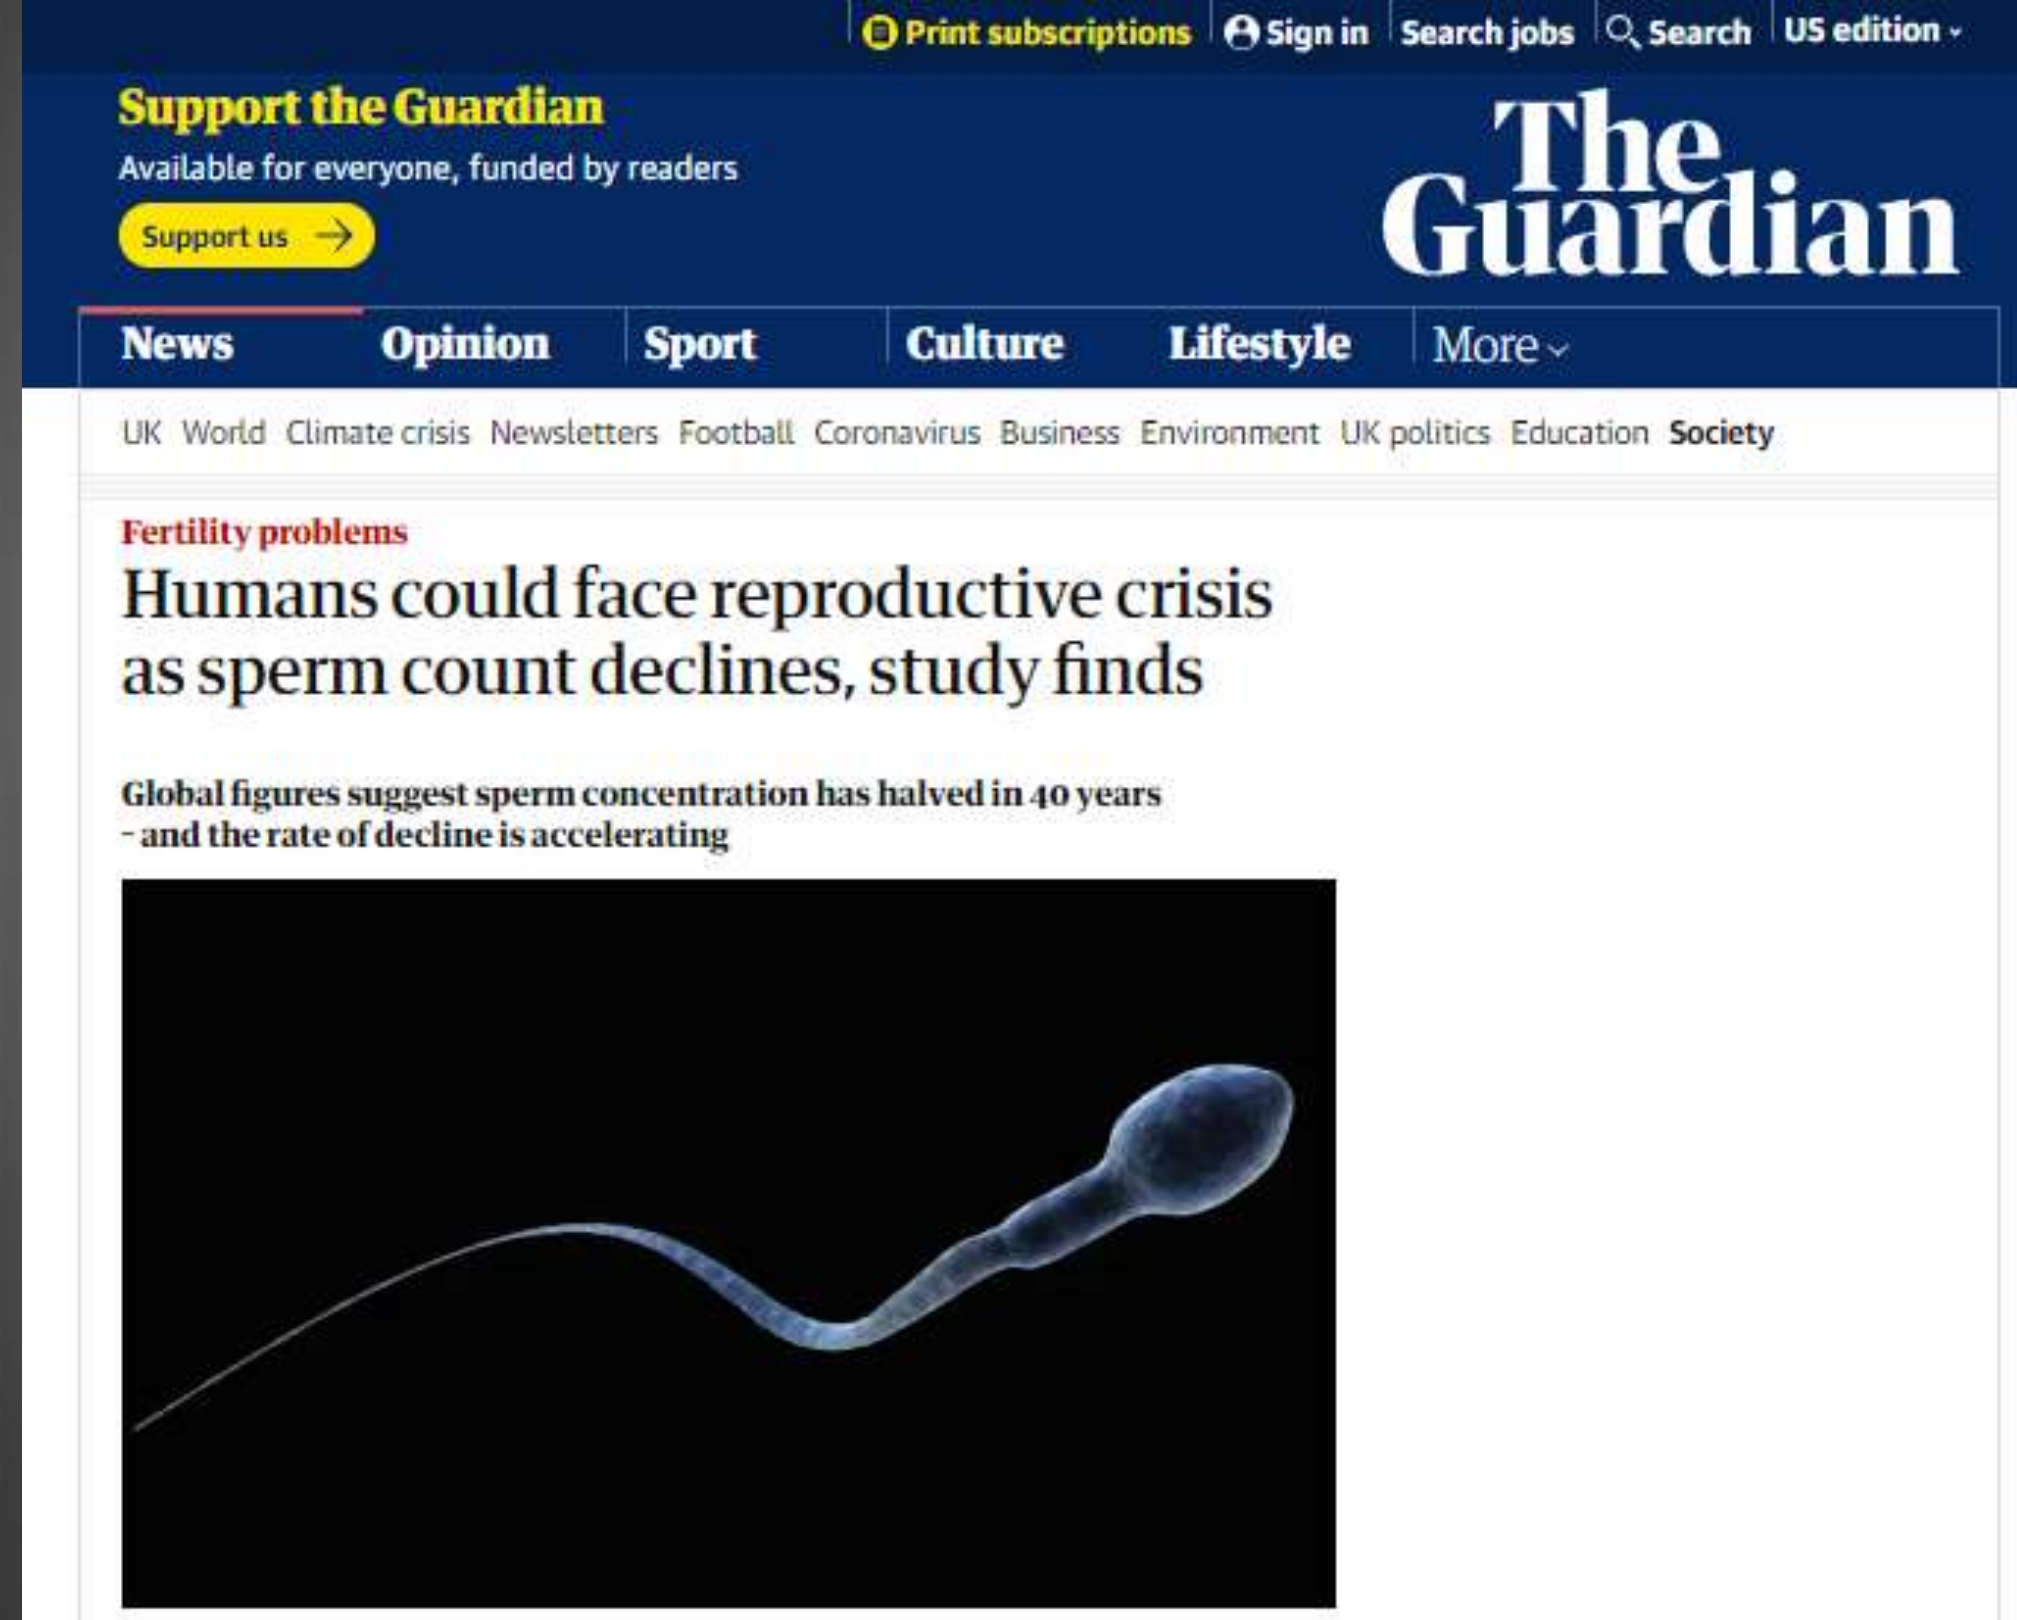

Annual population growth is now at its slowest level since 1950. While it took 12 years for the world's population to jump by a billion, it will take 15 years to hit the next milestone, and around two more decades after that, UN projections show.

Historic compensation fund aimed at easing impact of climate change approved at U.N. talks

Story by Mithil Aggarwal • Yesterday 10:53 PM

React

66 Comments

177

In a historic first, countries have agreed to set up a fund to help pay for the devastating impact of climate change on poorer nations, according to a deal unveiled on Sunday after marathon talks.

"It is clearly a down payment on the longer investment in our joint futures," said Sherry Rehman, environment minister of the flood-hit Pakistan. The fund was also at the center of delivering climate justice, delegations said.

But while the compensation fund is widely viewed as a breakthrough, much of the final agreement reached at the United Nations environmental summit, known as COP27, in the Egyptian Red Sea resort city of Sharm el-Sheikh was focused on addressing the impact of burning fossil fuels instead of addressing the root cause of climate change.

Mark Zuckerberg is the man behind Facebook/Meta and yet very strangely on November 8, his profile got disabled. Facebook did not release any statement as to why and there has been quite a bit of speculation as to how this happened.

How Many Adults and Youth Identify as Transgender in the United States?

June 2022

[CONTENTS](#) ▼

[DOWNLOAD](#) ▼

[SHARE](#) ▼

Using data from the Behavioral Risk Factor Surveillance System, the Youth Risk Behavior Surveillance System, and advanced statistical modeling, this study estimates the population of adults and youth who identify as transgender nationally and in each of the 50 states, plus the District of Columbia. It also provides estimates regarding gender, age, and race/ethnicity.

وصل العدد في أمريكا أطفال أصبحوا شواذ ويتعاطون ادوية منع البلوغ
ليستمرروا شواذ الى 300,000

فيتضح اكثر ان خطتهم ضرب الأطفال بالشذوذ ما بين دعاة الشذوذ وبين مافيا شركات بيع ادوية منع البلوغ فالطفل الذي ينخدع بموضة الشذوذ والتحول الجنسي ومع أي اصغر صدمة نفسية يقرر طفل مذكر مثلا ان يتحول جنسيا لبنت فهو عندما يبدأ في مرحلة المراهقة الهرمونات تبدأ تجعله يشعر ويتأكد انه ولد فالحل يسرعوا باعطاؤه هرمونات منع البلوغ لكي لا يشعر انه ولد ويعود لطبيعته ويسرعه يجعلوه يزيل أعضاؤه التناسلية جراحيا ليستمر على الهرمونات مدى حياته ويستمر شاذ ومدمر نفسيا وجسديا.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونِ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهْ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
