تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم.
Viewers discretion is advised فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَاوِفُ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبُ أُمَمٍ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
اُنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّزَعُ.....

متى 24 : 29

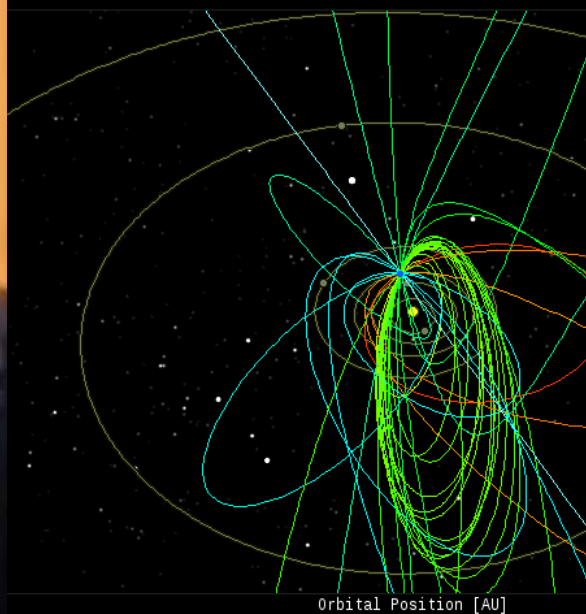

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

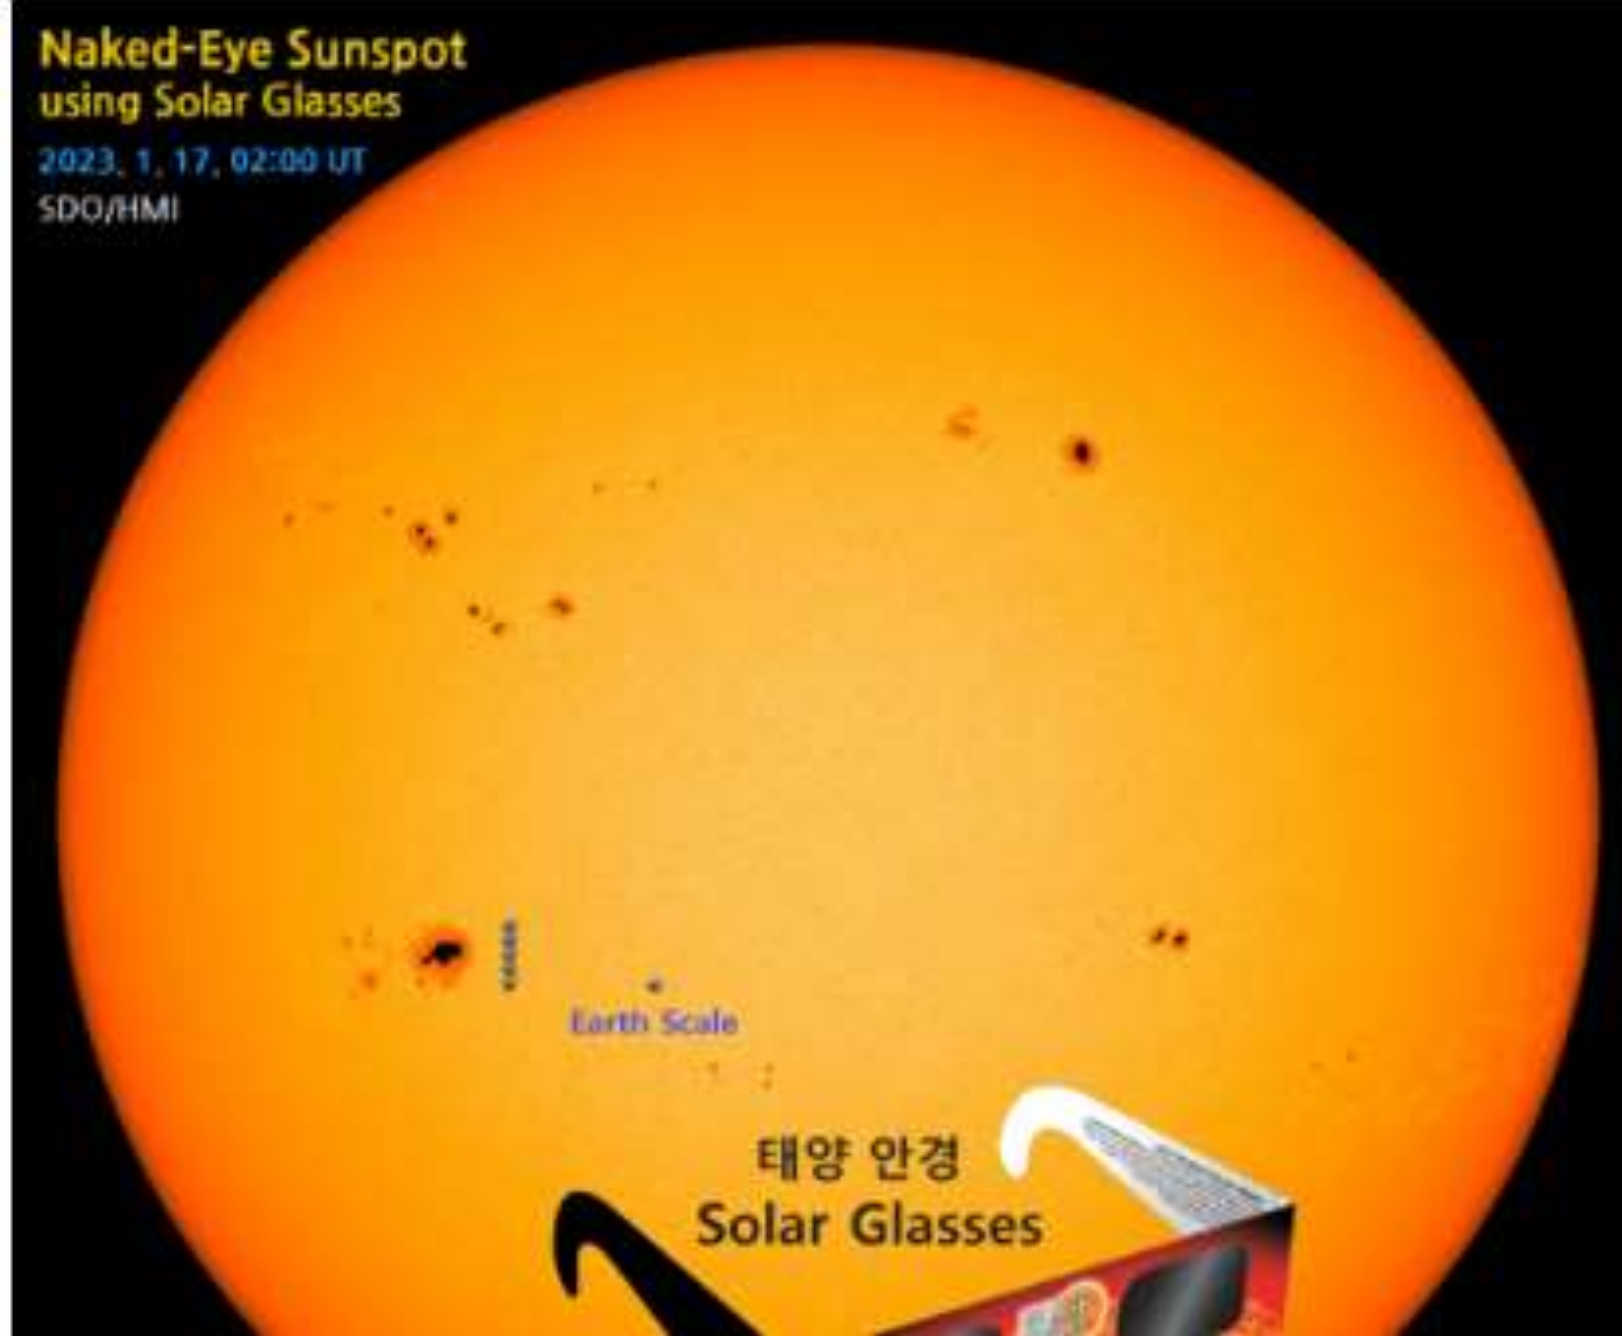

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّزَعُ...

لوقا 21 : 11 - 26

علامات في السماء

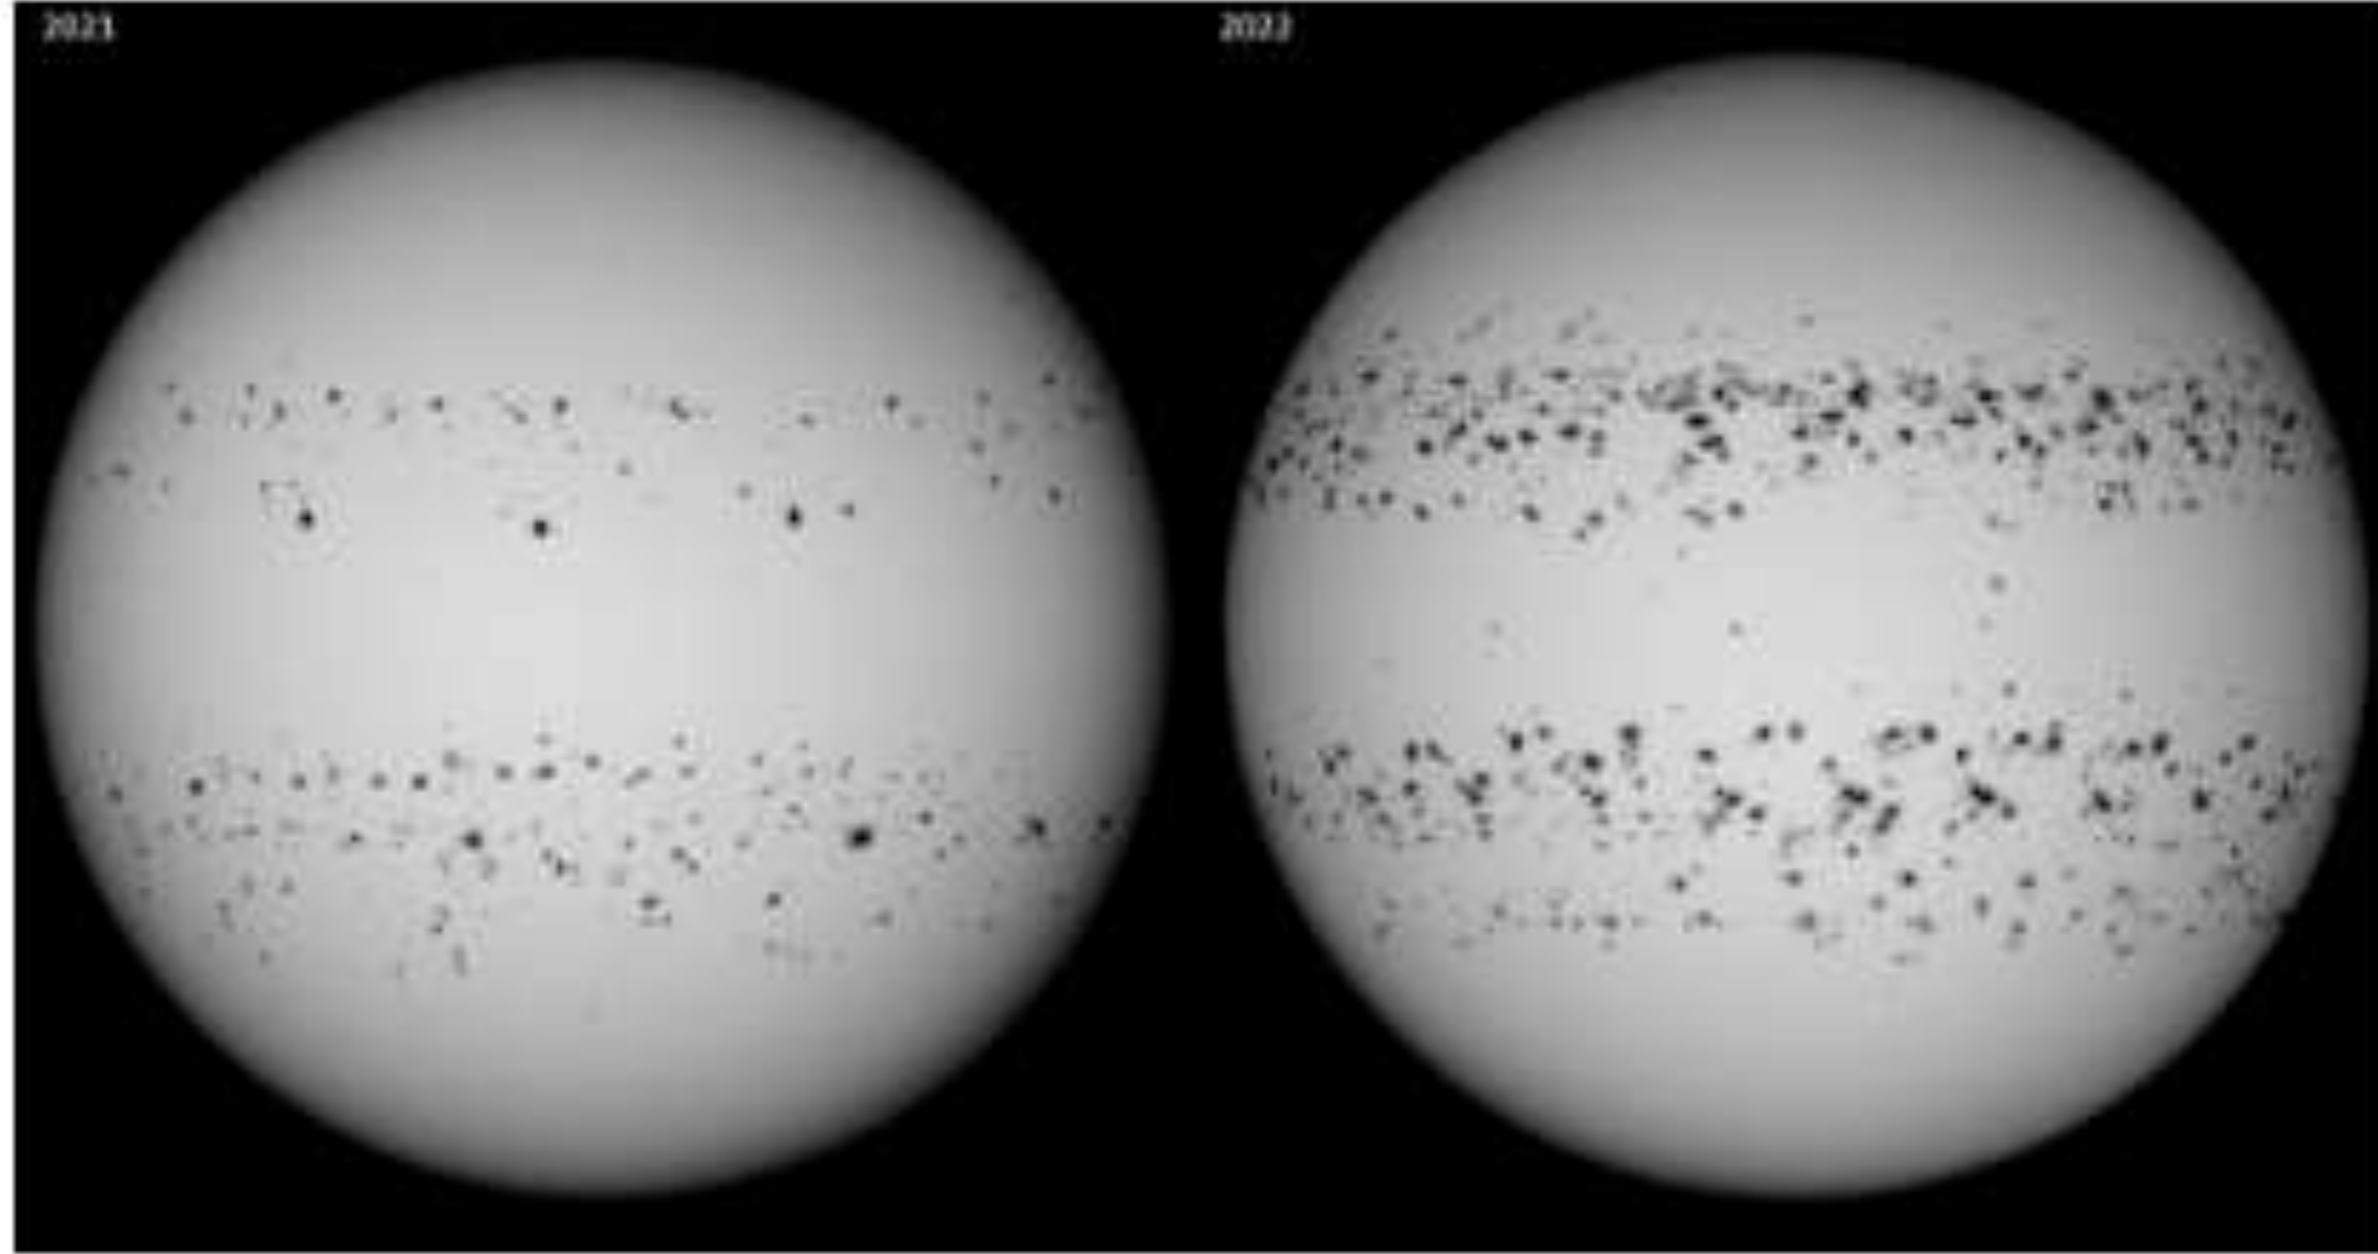

NAKED-EYE SUNSPOT: One of the biggest sunspots in years (AR3190) is crossing the solar disk—and you can see it with the naked eye. "Be sure to use [safe solar glasses](#) to protect your eyes," says Bum-Suk Yeom of Iksan, South Korea. "I tried it myself today, and I could see the sunspot clearly."

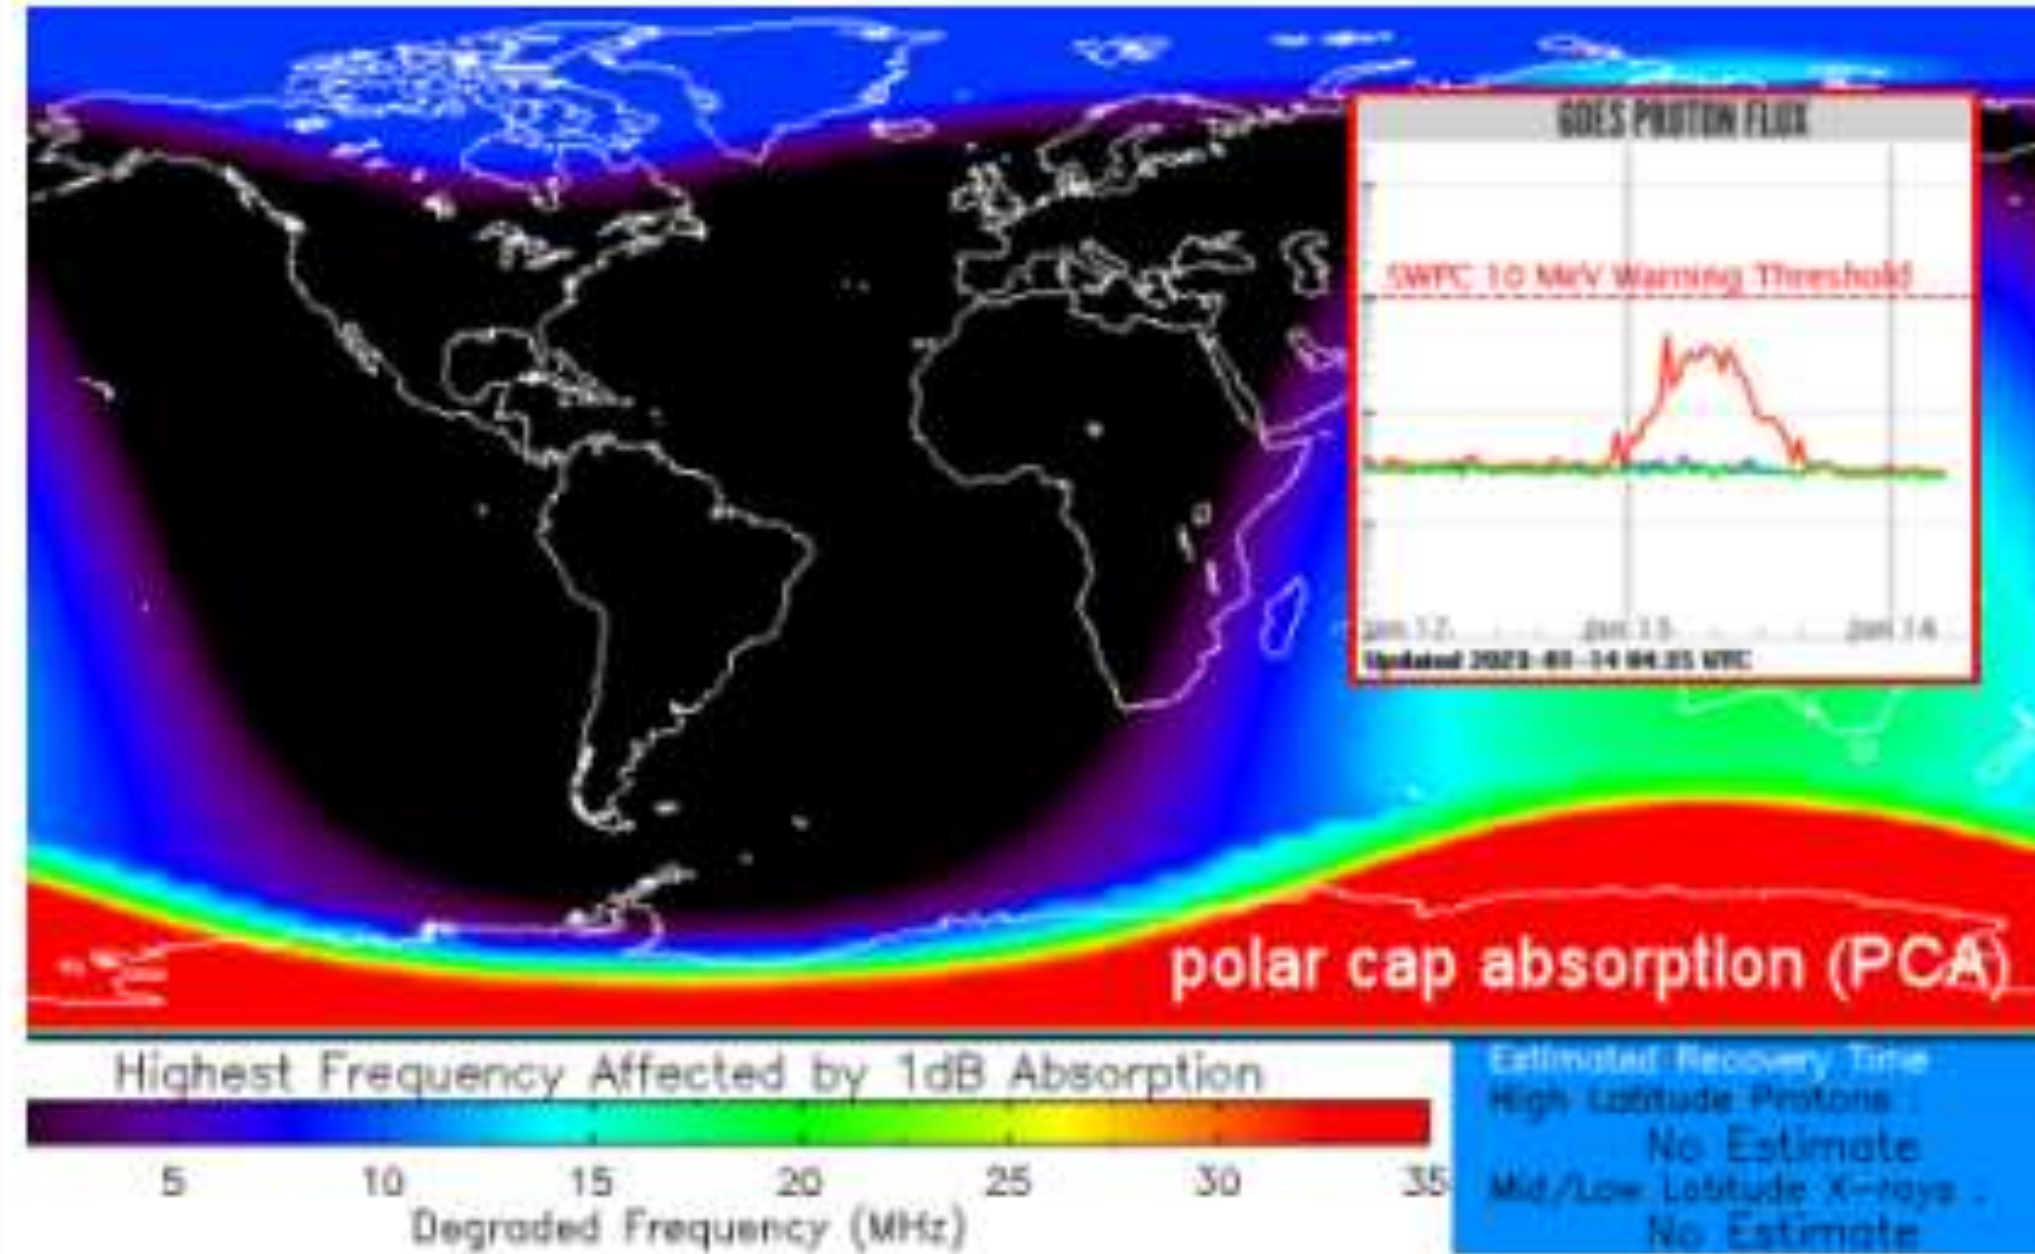

أكبر بقعة شمسية هذه السنة يمكن رؤيتها بالعين المجردة بارتداء نظارات خاصة

TWO YEARS OF SUNSPOTS: On almost every clear day in Santiago, Chile, Patricio Leon takes a picture of the sun. Lately, he's noticed a lot more sunspots. To illustrate the change, he stacked hundreds of images from 2021 and 2022:

تزايد واضح في عدد البقع الشمسية والانفجارات الشمسية

POLAR CAP ABSORPTION EVENT: Yesterday, Jan. 13th, Earth-orbiting satellites detected a pulse of energetic protons from the sun. When they hit Earth, a polar cap absorption event (PCA) occurred:

Shortwave radio signals around the South Pole were abruptly attenuated. Why? Protons funneled by Earth's magnetic field into the Antarctic atmosphere

الستلايت استشعرت يوم 13 يناير تزايد الطاقة القادمة من الشمس للأرض

FALCON HEAVY LAUNCH: The second most powerful rocket in the world lifted off from Cape Canaveral last night, delivering national security payloads to orbit for the US military. Moments after launch, Pete Lardizabal photographed the Falcon Heavy roaring above St Johns, Florida:

"We had cool, clear skies for a beautiful view of this early evening launch," says Lardizabal.

اطلاق ثاني اقوى صاروخ وهو فالكون لإرسال نظام امني امريكي للمدار الفضائي (لماذا نشطاء البيئة لا يتكلموا على عوادم الصواريخ؟)

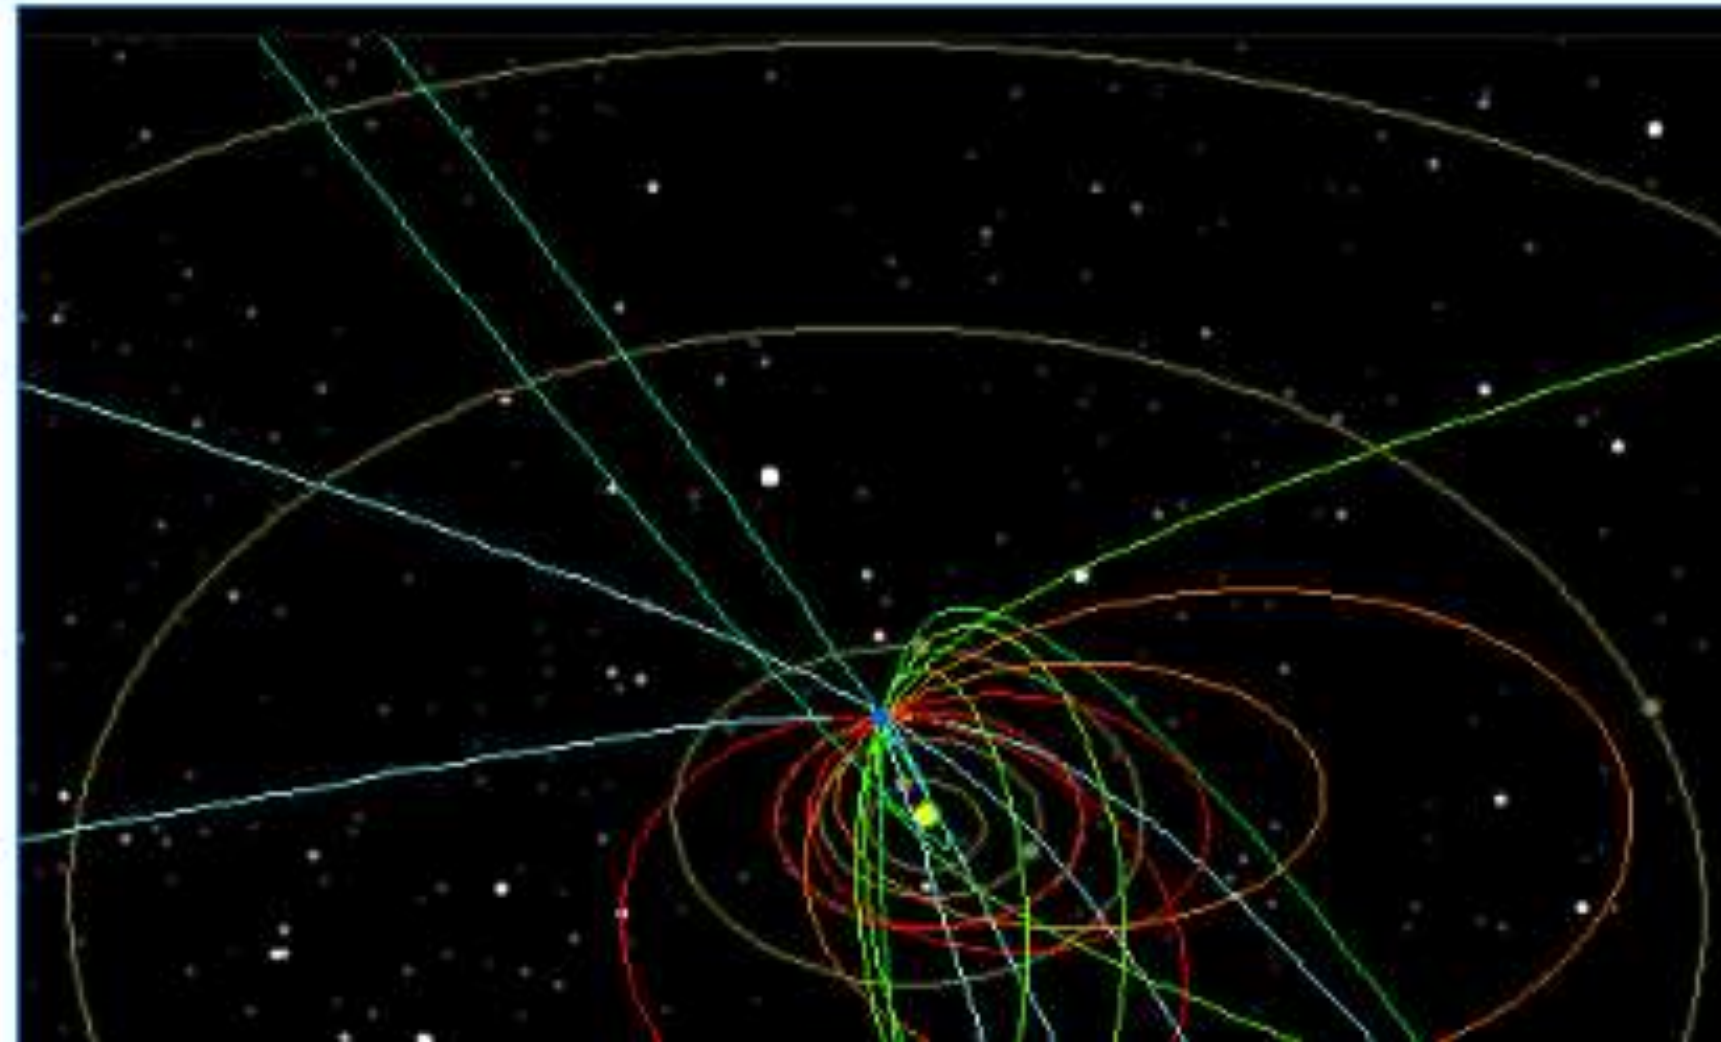

كرة نارية كبيرة ترى فوق 12 ولاية أمريكية وكندية

All Sky Fireball Network

Every night, a network of [NASA all-sky cameras](#) scans the skies above the United States for meteoritic fireballs. Automated software maintained by NASA's Meteoroid Environment Office calculates their orbits, velocity, penetration depth in Earth's atmosphere and many other characteristics. Daily results are presented here on Spaceweather.com.

On Jan 10, 2023, the network reported **13** fireballs.
(11 sporadics, 1 Quadrantid, 1 theta Coronae Borealis)

يوم 10 يناير 13 كرة نارية

Near Earth Asteroids

Potentially Hazardous Asteroids ([PHAs](#)) are space rocks larger than approximately 100m that can come closer to Earth than 0.05 AU. None of the known PHAs is on a collision course with our planet, although astronomers are finding [new ones](#) all the time.

On January 11, 2023 there were **2324** potentially hazardous asteroids.

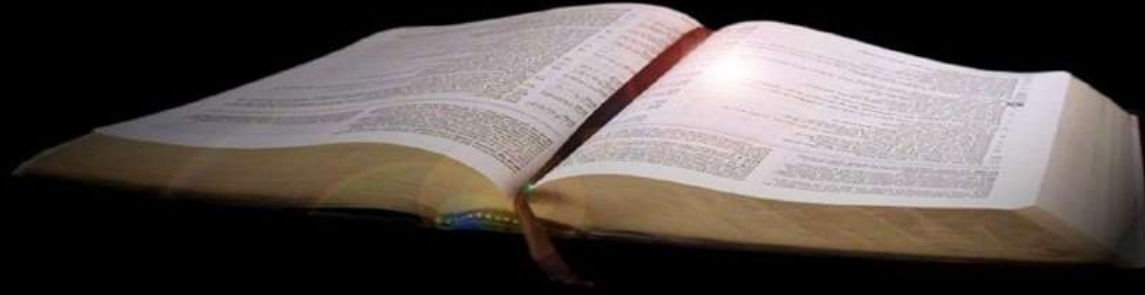

Recent & Upcoming Earth-asteroid encounters:

| Asteroid | Date(UT) | Miss Distance | Velocity (km/s) | Diameter (m) |

Great Salt Lake is set to EVAPORATE within five years due to ongoing 'megadrought' and failure to replenish water taken from the famous Utah site, as water levels slump 73%

- Dozens of scientists warned in a new report that Utah's Great Salt Lake will disappear in five years as water levels have dropped by 73 percent, which has left 60 percent of the lakebed exposed
- Researchers said the lake will need 1 million acre-feet of water, or about 326,000 gallons, per year to reverse the receding water levels that have been impacted by the megadrought in the West
- The scientists warned that the drying of the lake would devastate the local ecosystem, public health and the state's economy if drastic measures aren't taken within a year
- They called on Gov. Spencer Cox and lawmakers to implement an emergency water conservation measure

Strong quake hits Vanuatu, triggering tsunami warning

January 8, 2023

WELLINGTON, New Zealand (AP) — A 7.0 magnitude earthquake shook the Pacific archipelago of Vanuatu on Sunday, the U.S. Geological Survey reported, triggering a tsunami warning that was withdrawn hours later.

The quake was centered 23 kilometers (15 miles) from Port Olry and hit at a depth of 27 kilometers (17 miles), the agency said.

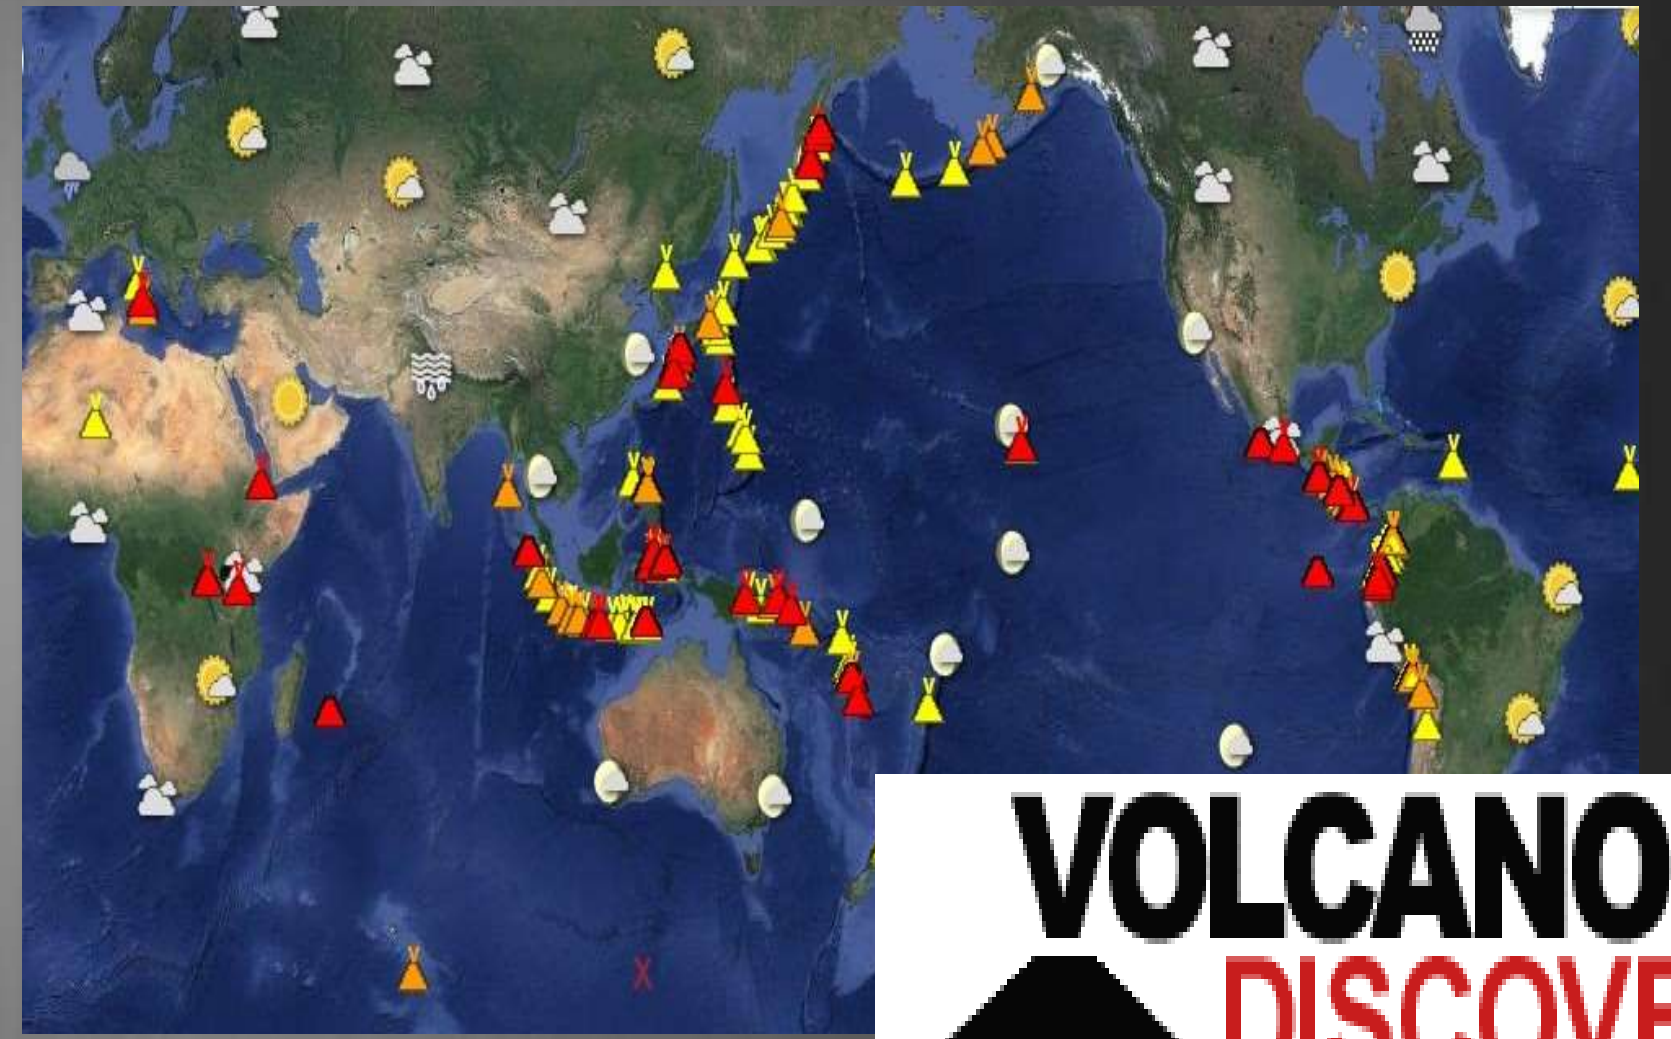

The Pacific Tsunami Warning Center said that a tsunami threat it had issued for nearby Vanuatu coasts has passed. There were no immediate reports of damage or casualties.

Vanuatu is home to about 280,000 people and is prone to natural disasters, with a half-dozen active volcanoes as well as regular cyclones and earthquakes. It sits on the Pacific “Ring of Fire,” the arc of seismic faults around the Pacific Ocean where earthquakes and volcanoes are common.

Russia Launches New Attacks in Eastern Ukraine

People look at the site of a missile strike that occurred during the night, as Russia's attacks on Ukraine continue, in Kramatorsk, Ukraine, Jan. 8, 2023.

Russia launched deadly new attacks on Ukraine Sunday, with at least two people killed during fighting in eastern Ukraine.

Putin signals impatience over Ukraine war in commander switch

By Didier LAURAS
Paris (AFP) Jan 12, 2023

President Vladimir Putin's move to replace his top commander in Ukraine is a sign of military disarray and his growing impatience in a war Russia is not winning, analysts said.

The defence ministry in Moscow said Wednesday it had, again, replaced its top commander in Ukraine, putting army chief of staff Valery Gerasimov in charge.

His predecessor, Sergei Surovikin, a veteran of Moscow's wars since the Soviet invasion of Afghanistan, will become Gerasimov's deputy, working alongside two other generals, it said.

Russian and Western observers said the move was a sign of Putin becoming exasperated by Ukrainian resistance, but also by fault lines in the Russian army

NATO, EU vow more support for Ukraine to defend itself

By Max DELANY
Brussels (AFP) Jan 10, 2023

NATO and the EU vowed Tuesday to bolster their backing for Ukraine to fight off Russia's invasion and ramp up cooperation between Europe and the US-led alliance.

Longstanding designs by NATO and EU to forge greater cooperation have gained impetus from the West's support of Ukraine.

"We must continue to strengthen the partnership between NATO and the European Union. And we must further strengthen our support to Ukraine," NATO chief Jens Stoltenberg said after signing a joint declaration with the EU's top officials.

Countries in NATO and the EU – which share 21 members – have funnelled billions of dollars of arms to Kyiv that have helped it push back Moscow's

NATO sends planes to Romania to track Russian moves

by AFP Staff Writers
Brussels (AFP) Jan 13, 2023

NATO will send surveillance aircraft to Romania to bolster its eastern flank and "monitor Russian military activity", the alliance said on Friday.

The Western military alliance has strengthened its presence in the region since Russia invaded Ukraine, which borders Romania, a NATO member.

"Our AWACS (Airborne Warning and Control System planes) can detect aircraft hundreds of kilometres away, making them a key capability for NATO's deterrence and defence posture," NATO spokesperson Oana Lungescu said in a statement.

The planes will arrive on Tuesday in Otopeni, near Bucharest, and are part of a fleet of 14 NATO Boeing E-3A AWACS

Seven nations meet to address space security

by Staff Writers
Arlington VA (SPX) Jan 13, 2023

The Department of Defense participated in the annual Combined Space Operations (CSpO) Initiative Principals Board, hosted by the New Zealand Defense Force and New Zealand Ministry of Defense, December 6-8.

The annual event brought together counterparts from Australia, Canada, France, Germany, New Zealand, the United Kingdom, and the United States, with a focus on advancing collaboration and information sharing on space security topics.

CSpO is an initiative that seeks to generate and improve cooperation, coordination, and interoperability opportunities to sustain freedom of action in space, optimize resources, enhance mission assurance and resilience, and deter conflict.

Sweden eyes closer US defence ties as NATO talks drag on

by AFP Staff Writers
Stockholm (AFP) Jan 9, 2023

Sweden said Monday it had launched talks with the United States about deepening defence collaboration as Turkey continues to block the Nordic country's NATO membership.

Sweden's defence ministry said that the two nations were negotiating a deal for "even closer cooperation with the United States both bilaterally and within the framework of NATO".

Exactly what the so-called Defence Cooperation Agreement (DCA) will cover is being negotiated "but it makes it easier for American troops to operate in Sweden," Defence Minister Pal Jonson said in a written statement to AFP.

"It could entail storage of military supplies, investments in infrastructure to enable support and the legal status of

Israel is ready to strike Iran's nuclear program if necessary — America must prepare to work with it

Opinion by Michael Makovsky • Yesterday 6:27 PM

113

57

34 Comments

Perhaps for the first time, an Israeli government is unified in its determination to prevent a nuclear Iran at all costs, presenting a truly credible military threat.

The last time there might have been a credible US military threat against Iran's nuclear program was in 2003, when Iran paused elements of its nuclear program fearing America would attack after invading Iraq.

China moves to regulate deepfake technology

by AFP Staff Writers
Beijing (AFP) Jan 10, 2023

New rules went into effect in China on Tuesday to regulate the use of deepfakes, the increasingly realistic digital video manipulations that have sparked disinformation fears around the globe.

Deepfake technology allows users to replace one person's face with another in a video, or to put words into a speaker's mouth, with at times disconcerting realism.

The technique relies on artificial intelligence and has proven popular on social media, where amusing and often uncanny creations featuring face-swapping celebrities abound.

However, the technology can "also be used by unscrupulous people... to disseminate illegal information... defame

مغنية أمريكية تنتج البوم مهين للمسيحية

إِنَّهُ فِي الْأَزْمِنَةِ الْأَخِيرَةِ يَرْتَدُّ قَوْمٌ
عَنِ الْإِيمَانِ، تَابِعِينَ أَرْوَاحًا مُضِلَّةً
وَتَعَالِيمَ شَيَاطِينٍ

Detroit-area city OKs animal sacrifice for religious reasons

January 11, 2023

HAMTRAMCK, Mich. (AP) — Residents of a Detroit-area community with a large Muslim population can sacrifice animals at home for religious reasons.

The Hamtramck City Council explicitly approved the practice, 3-2, Tuesday, another step in recognizing a cultural shift in a city whose 20th century history was shaped by Polish immigrants.

Muslims often slaughter animals, typically goats or sheep, or pay someone to do it for them during the holy holiday of Eid al-Adha. Meat is shared with family, friends and the poor.

The Hamtramck council in December had voted to continue a ban on animal slaughter but reversed course, at least for religious reasons, after legal advice and objections from people who follow the Islamic faith, [the Detroit Free Press reported](#).

“If somebody wants to do it, they have a right to do their practice,” council member Mohammed Hassan said.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىٰ لَكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
