اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

A second big bang? The radical idea rewriting dark matter's origins

Nearly 1M chickens will be killed on a Minnesota farm because of bird flu

Nearly 1 million chickens on a Minnesota egg farm will be slaughtered to help limit the spread of the highly contagious bird flu

By JOSH FUNK Associated Press November 7, 2023, 2:11 AM

Nearly 1 million chickens on a Minnesota egg farm will be slaughtered to help limit the spread of the highly contagious bird flu after it was confirmed there, officials said Monday.

The U.S. Department of Agriculture announced that the virus was found at a farm in Wright County, Minnesota, as well as in three smaller flocks in South Dakota and Iowa. Whenever the highly pathogenic avian influenza virus is detected on a farm, the entire flock is killed as to keep it from spreading to other farms.

Psychosis, Panic Attacks, Hallucinations: Bizarre **Psychiatric Cases Among** the COVID Vaccinated

Beginning in late 2020 with the COVID vaccine rollout, some doctors have seen an increase in unusual psychiatric illnesses.

Results: The median age of participants was 46 years (interquartile range [IQR]: 38 to 56), with 192 (80%) identifying as female, 209 (87%) as non-Hispanic White, and 211 (88%) from the United States. Among these participants with PVS, 127 (55%) had received the BNT162b2 [Pfizer-BioNTech] vaccine, and 86 (37%) received the mRNA-1273 [Moderna] vaccine. The median time from the day of index vaccination to symptom onset was three days (IQR: 1 day to 8 days). The time from vaccination to symptom survey completion was 595 days (IQR: 417 to 661 days). The median Euro-QoL visual analogue scale score was 50 (IQR: 39 to 70). The five most common symptoms were exercise intolerance (71%), excessive fatigue (69%), numbness (63%), brain fog (63%), and neuropathy (63%). In the week before survey completion, participants reported feeling unease (93%), fearfulness (82%), and overwhelmed by worries (81%), as well as feelings of helplessness (80%), anxiety (76%), depression (76%), hopelessness (72%), and worthlessness (49%) at least once. Participants reported a median of 20 (IQR: 13 to 30) interventions to treat their condition.

The Yale LISTEN Study

Thank you for being interested in the Yale LISTEN Study! LISTEN stands for Listen to Immune, Symptom and Treatment Experiences Now.

The purpose of this study is to understand Long Covid, post-vaccine adverse events and the corresponding immune responses by collecting information about symptoms and medical history from participants who are members of a patient community, and by collecting blood and saliva samples from some participants.

We are recruiting from the Hugo Health Kindred COVID-19 Community, which is an online patient community which enables people to connect with others, gain agency over their health data and consent to have their data be shared with researchers.

"Plan-Demic 2" - You Won't Believe What The FDA Just Did

Toilet paper... water... food... over-the-counter drugs. People hoarded these items in 2020 as the world locked down in fear from COVID19.

Next, the FDA demonized and blocked life-saving medications like Ivermectin – causing an untold amount of death and paving the way for the even deadlier COVID19 mRNA vaccine.

Trust the \$cience.

After decades on the market, the FDA declared that phenylphrine - the active ingredient in popular cold medicines, is allegedly "useless."

Now, CVS and other major pharmacies are pulling go-to meds like **Dayquil**, Mucinex, Sudafed, and Theraflu from store shelves.

Is phenylphrine actually effective against the flu, COVID, or whatever pandemic is next? We'll never know.

The recipe for population control.

The playbook for the FDA and CDC agenda is clear:

- 1. Remove effective OTC medications, prescriptions, and supplements from the shelves
- Use wars and crises to receive emergency authorization powers
- Flood the market and media with deadly but highly profitable mRNA vaccines

التحقيقات توضح الخطة التي اتبعها FDA و CDC ومن ورائهم العالم في الوباء وهي سياسة التخويف ومعها الهجوم الشديد على الادوية التي تصلح لعلاج الوباء وشبه منعها ومنع الكلام عنها واستغلال الكارثة لتحصل على سلطات أوسع للطوارئ وبهذا يخلوا الطريق تماما لإعطاء موافقة الطوارئ للطعم الذي صوروه انه المنقذ الوحيد رغم قلة فائدته بل واضراره

Kitten sparks huge RABIES scare that could put 7million Americans at risk after catching virus, then scratching and biting 10 people before dying

Stanley, a five-week old tuxedo kitten, tested positive for a rare form of rabies The variant, normally linked to raccoons, had never been seen in Nebraska If not contained, 7million Americans are at risk of exposure to the fatal disease

By RACHEL BOWMAN FOR DAILYMAIL.COM PUBLISHED: 15:53 EST. 26 November 2023 UPDATED: 17:09 EST. 26 November 2023

An adorable stray kitten has sparked a huge rabies scare after being taken in by a Nebraska couple who the animal bit and scratched before dying.

The black-and-white tuxedo kitten was rescued by Madeline and Rich Wahl in Omaha after a friend found him, with the Wahls naming the doomed kitty Stanley.

Stanley barely weighed two pounds and had stopped eating and developed seizures when the Wahls took him to the veterinarian, according to The Washington Post.

One of his pupils was also bigger than the other.

The couple thought their new furry friend was having a bad reaction to medication for ringworm.

'Hooligans' torch vehicles and loot shops in Dublin after school stabbing left girl, five, and woman seriously hurt: Riots erupt amid unconfirmed rumours knifeman is foreign national police say attack was 'not terror', mob chants 'get them out'

A creche worker who stepped in to prevent a knifeman from attacking children is among those seriously injured following an incident in Dublin on Thursday that saw the city burn as 'far-right' rioters took to the streets in anger.

The woman, thought to be in her 30s, was seriously injured after she ran to the aid of a five-year-old girl attacked by a man in his 50s. Sources told Irish national press that her actions may have saved two other children aged five and six from serious harm.

China's Building a 15-Minute City for 4M with Cameras, Social Credits, CBDCs

By M Dowling - November 19, 2023

Maoist China is quickly rising as the most formidable superpower in the world and could eventually become the only superpower in the world. They are quickly consolidating power in Asia, Africa, the Middle East, and South America. They are active here in the United States. They have total control of their own people and planned out their first 15minute city, which will be able to accommodate four million people.

The more the globalists form global organizations, the easier it will be for them to take them over. Just one caveat people might want to consider. Maoist China is already extremely influential in the World Health Organization, the United Nations, the World Economic Forum, and most of the remaining globalist organizations that have multiplied exponentially since the 1980s.

نکی لا نخاف وَلِكِنْ وَإِنْ تَأَلَّمُهُمْ مِنْ أَجْلِ الْبِرِ، فَطُوبَاكُمْ وَأَمَّا خَوْفَهُمْ فَلاَ تَخَافُوهُ وَلاَ تَضْطَر بُوا (1 بطرس 3 : 4)

فَنْتُ لَكُمُ الآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُوْمِنُونَ (يوحنا 14 : 29)

Mille ginie وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل. وأيضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد انت لا تعرف متى ستكون منهم المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس
