تنبيه

هذا الفيديو يحتوى على بعض الاخبار والتعليقات قد يكون لها تأثير سلبي لدى البعض مثل الشعور بخوف او اكتئاب من بعض الاخبار او تعليقات المتكلم. **Viewers discretion is advised** فان كنت من هذه النوعية التي تكتب بسهولة فلا تحتاج ان تشاهده اصلا واقفل الفيديو الان.

أيضا شكر خاص وجزيل لأخ حبيب معانا هنا بدأ من فترة يرسل لي كثير من الأخبار فسهل علي المهمة ووفر لي وقت ولكنه رفض أن أذكر اسمه فربنا يباركه ويعوضه على تعب محبته.

هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترّب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترّب لكيلا يقال عني كاذب وانشّر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....

متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...

رؤيا 6 : 13

وَتَكُونُ مَخَاوِفٌ وَعَلَامَاتٌ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

لوقا 21 : 11 - 26

علامات في السماء

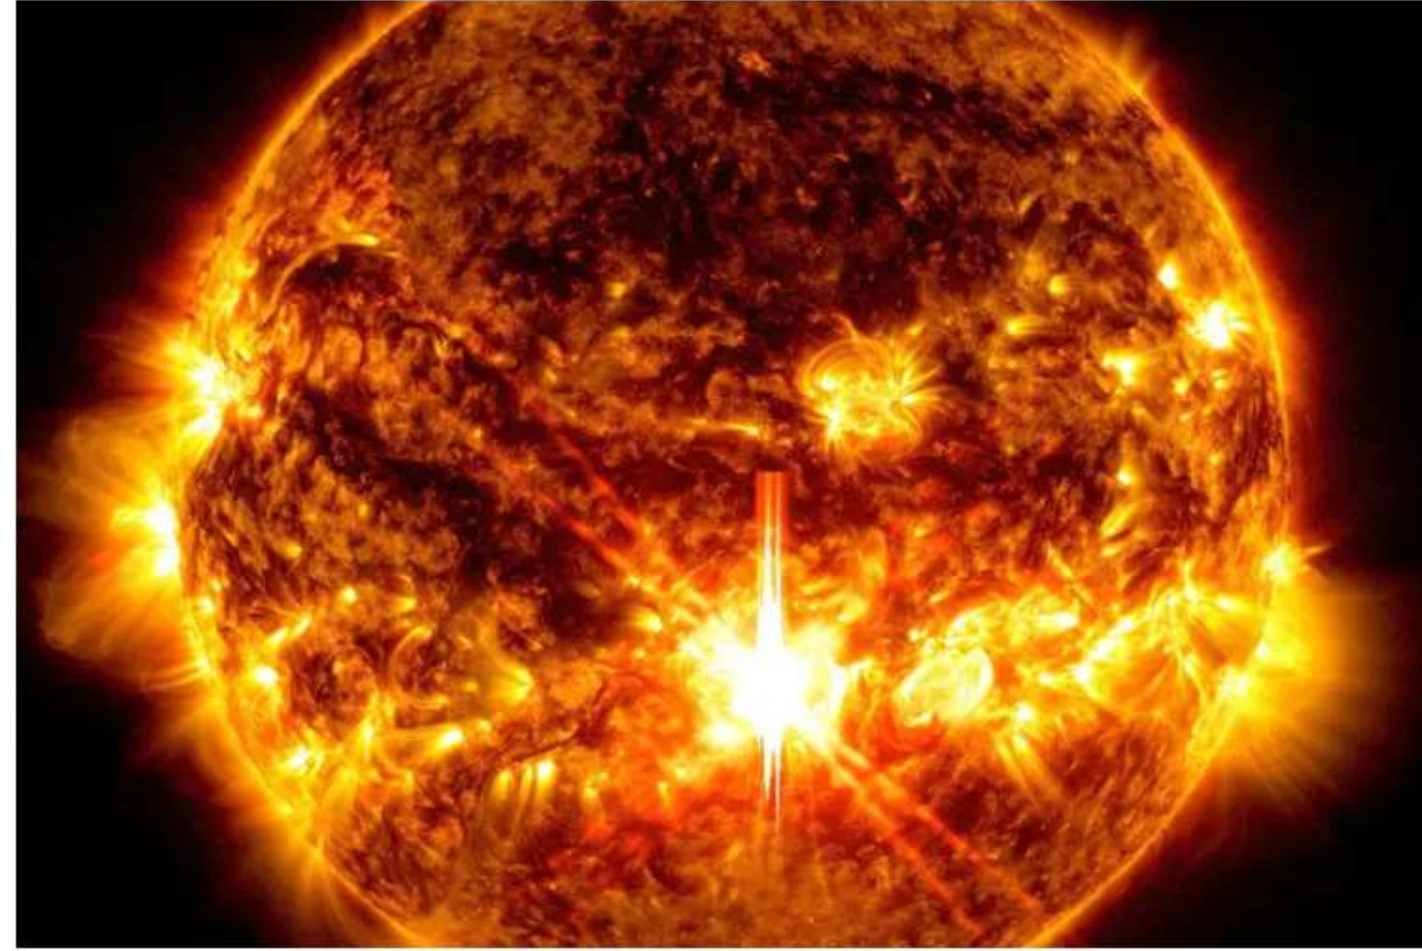

The sun may spit out giant solar flares more often than we thought

A survey of more than 56,000 sun-like stars reveals that “superflares” that are linked to bursts of radiation which play havoc with electronics on Earth may happen every 100 to 200 years and we may be overdue one

Two CMEs impact Earth, producing G4 – Severe geomagnetic storm

By Teo Blašković • Thursday, January 2, 2025 •

 Follow us on Google News

Two coronal mass ejections (CMEs) produced on December 29, 2024, impacted Earth on December 31, causing G4 – Severe geomagnetic storm on January 1, 2025. A slow return to nominal levels is expected by late on January 2. Late on January 3 to early on January 4, a potential glancing blow from the January 1 CME is likely to cause another enhancement.

Parker Solar Probe makes closest approach to Sun on Christmas Eve as fastest man-made object ever

By Rishika Yadav • Tuesday, December 24, 2024 •

[Follow us on Google News](#)

NASA's Parker Solar Probe made its closest approach to the Sun at 11:53 UTC on December 24, 2024, coming within 6.1 million km (3.8 million miles) of its surface. Traveling at a remarkable speed of 700 000 km/h (435 000 mph), it set a record as the fastest human-made object in history. The probe's next transmission is expected on December 27 to report its health after the perihelion.

Magnetic North Pole shift brings updates to World Magnetic Model 2025

By Rishika Yadav • Wednesday, December 25, 2024 • [Follow us on Google News](#)

The World Magnetic Model (WMM) 2025 was released by the NCEI and the BGS on Tuesday, December 17, 2024. The release forecasts changes in Earth's magnetic field for the next 5 years as the magnetic north pole keeps moving faster leading to important improvements in global navigation systems.

A stereographic map showcasing the Arctic region's magnetic declination (D) for the World Magnetic Model 2025. The map highlights declination contours, the position of the north magnetic dip pole, and blackout zones with horizontal field strengths indicated. Image credit: NOAA/NCEI and CIRES

- The WMM2025 and WMMHR2025 provide improved accuracy with updated magnetic field predictions for 2025 to 2029.
- Enhanced spatial resolution in WMMHR2025 improves navigation reliability for military and civilian systems.

2024 was warmest year ever recorded in Moscow – data

The average annual temperature hit an unprecedented high of 8.2 degrees Celsius

FILE PHOTO: People swim in Lake Beloye (White) at the Kosinsky Nature-Historical Park in Moscow.
© Sputnik / Pavel Bednyakov

The average annual temperature in Moscow for 2024 reached a record high of 8.2 degrees Celsius, making it the warmest year in the city's 245-year meteorological history, according to the press service of Moscow State University (MSU).

The Meteorological Observatory at MSU reported on Tuesday that the previous record was 8°C, set in 2020. While January and May were particularly cold, the remaining ten months of the year were significantly warmer than usual. The highest temperature recorded in 2024 was 33.1°C on July 4, while the lowest was -24.9°C on January 4.

September stood out as exceptionally hot, with an average temperature of 17.9°C, which is 5.7°C above the climate norm for that month. It

has been confirmed as the hottest September ever documented, surpassing a nearly 180-year-old record of 17°C set in 1847 during the reign of Tsar Nicholas I.

Experts attribute this unusual warmth to prolonged periods influenced by stationary anticyclones and fronts over central Russia. As a result, September not only broke heat records but also saw an impressive 263 hours of sunshine throughout the month.

Biden extends liability shield for Covid vaccine makers

Story by Maiya Focht Health Reporter For Dailymail.Com • 2h

Biden extends liability shield for Covid vaccine makers

The outgoing Biden Administration has quietly extended a pandemic-era measure that protects Covid vaccine makers from being sued for injuries or deaths. Officials at the Health and Human Services (HHS) say it's necessary because there is still 'a credible risk' the pandemic spirals out of control in the next four years, even though Covid deaths and hospital admissions are at historic lows. The Public Readiness and Emergency Preparedness (PREP) Act was initially enacted in 2020, in part to encourage vaccine manufacturers to speed up their research of Covid vaccines without fear of being held legally responsible for things like side effects.

احد قرارات بايدن قبل ان يترك الحكم وهو التوسع في حماية شركات تصنيع
الطعم مما سببته ادويتها من أعراض جانبية ووفيات.

ملاحظات سريعة: الا تتذكروا انه في بداية الوباء عندما سئلت عما سيحدث وقلت لحضراتكم أن الفيروس سيحرق نفسه باستمرار التحورات وهي عدة موجات وينتهي في سنتين إلى ثلاثة؟ وهذا ما حدث.

ثانيا: المناعة الطبيعي والاهتمام بها كان واحد من أفضل الحلول وهذا ثبت انه الأفضل رغم انه عندما قلت هذا عوقبت من اليوتيوب بتجميد القناة أسابيع.

ثالثا: عندما رفض ان طعم الوباء علامة الوحش والبعض تضايقوا مني لأنني رفضت ان أقول هذا فاسألهم بمحبة أين هي علامة الوحش الان؟

رابعا: النظام العالمي الذي أجبر البشرية على التظم المضر الذي أضر البشر اكثر كيف حتى الان لم يعاقبوا؟

Why Is Russia Expanding Its Military Presence In Libya? – OpEd

December 9, 2024 0 Comments

By Prof. Miral Sabry AlAshry

The Telegraph's analysis of air bases in Libya reveals the presence of military transport aircraft, updated runways, reinforced perimeter defenses, and new buildings. Russia is now landing military aircraft in Libya on newly refurbished runways as part of its rapid expansion in Africa.

تساؤل عن لماذا روسيا تزيد جدا هذه الأيام من تواجدها العسكري في ليبيا. (الإجابة بالطبع لتعوض خسارتها في سورية وميناء طرسوس الذي كان ميناء عسكري وحيد في البحر المتوسط وقريب من أوروبا).

Ukraine was the main topic of discussion at the year’s final European Council summit (EUCO) on Thursday, December 19th. EU leaders agreed that the continued arming of Ukraine remains a priority, but no longer to “win” the war, but rather to ensure that Zelensky’s government is in the strongest possible position when the time comes for peace talks with Russia.

KYIV, Ukraine — Ukrainian drones struck a major Russian fuel depot for the second time in just over a week on Sunday, according to a senior Russian regional official, as part of a “massive” cross-border attack on fuel and energy facilities that Kyiv says supply Moscow’s military.

The strikes came days after Russia launched sweeping attacks on Ukraine’s already battered energy grid, threatening to plunge thousands of homes into

An explosion at a shopping mall in the Russian city of Vladikavkaz on Wednesday morning has been caused by a drone, the local government has stated citing the Defense Ministry.

A fixed-wing robotic aircraft was shot down by Russian air defenses over the capital of North Ossetia, the head of the southern Russian republic, Sergey Menyailo, said on his Telegram account. He added that CCTV cameras show an explosion outside of Alania Mall.

Earlier in the day, the Russian military reported destroying 59 Ukrainian drones in Kiev's latest barrage against Russia. Twenty-six were shot down over Bryansk Region, which borders Ukraine. The report did not mention North

Ossetia or any other Russian part in the Caucasus. The ministry has yet to comment on Menyailo's statement.

Six dead after Ukrainian strikes using US-made HIMARS – Russian governor

Kiev has launched a massive missile attack using Western weapons on the town of Rylysk in Kursk Region, Aleksandr Khinshtein says

© Social network

Ukrainian forces launched a missile attack on Rylysk in Russia's Kursk Region on Friday, killing six people, including a child, and injuring ten others, acting governor of the region Aleksandr Khinshtein has said. The official added that Kiev's troops had used US-made HIMARS missiles.

The strikes caused extensive damage to civilian infrastructure throughout the city, damaging a house of culture, a primary school, and living and study quarters belonging to Rylysk Aviation College. The attack also shattered windows in apartment buildings and impacted several private homes as well as 15 or more vehicles.

"What happened today is a huge tragedy for all of us," Khinshtein wrote in a Telegram post. The work of emergency services has been complicated by repeated attacks from the Ukrainian Armed Forces, the governor added.

Russian barrage hits Ukrainian defense infrastructure – MOD

The latest strikes have achieved their objectives, Moscow has stated

FILE PHOTO: A Russian Tupolev Tu-160 long-range bomber. © Sputnik / Vladimir Astapkovich

Russian forces conducted massive long-range precision strikes against targets in Ukraine on Wednesday morning, the Defense Ministry in Moscow has reported.

Missiles and drones were launched at *"critically important objects of Ukrainian energy infrastructure supporting the operation of the military-industrial complex,"* the ministry said in a regular update. The Russian military said it had achieved all the goals it set for the strikes.

Moscow used some 70 missiles and over 100 kamikaze drones in the attack, Ukrainian Deputy Prime Minister Aleksey Kuleba claimed. Targets in six regions of the country came under fire, the senior official said, blaming damage caused by the weapons for

exacerbating power and heating problems in Ukraine.

Ukrainian authorities announced rolling blackouts to stabilize the power grid, after detecting incoming Russian weapons. Energy Minister German Galuschenko said the measure was necessary to minimize the fallout from the expected damage.

West has pumped over \$300 billion into Ukraine – Orban

The money spent to fund the war could have “done wonders” in the EU, the Hungarian PM has argued

Hungary's Prime Minister Viktor Orban. © Pier Maroo Tacca/Getty Images

The US and the EU have provided over \$300 billion in financial aid and military assistance to Kiev since the escalation of the Ukraine conflict in 2022, Hungarian Prime Minister Viktor Orban has said.

Such a huge amount of money “*could have done wonders*” had it been spent to improve the lives of people within the EU, he said in an interview with Kossuth radio on Friday.

Orban highlighted the evolving military situation, noting that “*the balance of power on the frontlines is shifting day by day*” in Russia's favor. He also pointed to the political changes expected in the US when Donald Trump returns to the White House next month.

Biden approves more military aid for Taiwan

The US President has authorized \$571 million in for the self-governing island that Beijing insists is its sovereign territory

FILE PHOTO. Taiwanese soldiers are deployed to a live-ammunition artillery training featuring M109 American self-propelled howitzers, at a coastal area in Taichung, Taiwan. © Daniel Ceng/Anadolu via Getty Images

US President Joe Biden has authorized \$571.3 million in so-called defense assistance for Taiwan, according to a White House statement on Friday. Beijing, which insists the self-governing island is part of the People's Republic of China, views these relations as a violation of its sovereignty and a threat to regional stability.

The aid package includes a potential sale of military equipment valued at approximately \$265 million. The US government has also approved a \$30-million sale of parts for 76-mm autocannons.

While the US officially adheres to a One-China policy, recognizing Taiwan as part of China, it simultaneously engages in military cooperation with the government in Taipei.

Could Trump fracture the India-Russia friendship?

Attempting to pressure New Delhi over its ties with Moscow could backfire, undermining American prestige and reliability in the rising South Asian giant

By **Aaryaman Nijhawan**, international relations researcher and analyst. He is a postgraduate of the University of Delhi and the Moscow State Institute of International Relations (MGIMO University), Russian Federation. He is currently pursuing PhD; his area of expertise is the Russian-Ukrainian Conflict and the Multipolar World Order.

Donald Trump taking office next month is causing palpable anxiety around global capitals, and not entirely without cause. Threats, tariffs and trade wars were public buzzwords during the Trump 1.0 presidency. The administration's unpredictability, uncertainty and its stark noncommittal attitude towards its treaty partners had caused nervousness amongst US allies, especially those situated within the contested Indo-Pacific and critically dependent on American security guarantees.

The previous administration also possessed a propensity of viewing the world in exclusively economic terms rather than military-strategic considerations. Balance of trade rather than balance of power was its defining

Xi vows inevitable reunification with Taiwan

The Chinese president has advocated the One-China principle in his New Year address to the nation

Chinese President Xi Jinping. © Global Look Press / Wang Ye

Chinese President Xi Jinping has once again stressed the importance of the One-China policy regarding Taiwan, saying reunification with the island is an unstoppable process.

Self-rule was established in Taiwan by nationalist forces after their defeat in the Chinese Civil War in 1949. Only a handful of nations currently recognize it as independent, and most, including Russia, share Beijing's stance that the territory is part of China.

"The compatriots on both sides of the Taiwan Strait are one family. No one can break our family bonds, and no one can stop the historical trend of national reunification of the motherland," Xi said in a televised speech.

The head of state stressed that the process is inevitable, and that people on both sides *"should be bound by a common sense of purpose and share in the glory of the rejuvenation of the Chinese nation."*

While the US officially adheres to the One-China policy, recognizing Taiwan as part of China, it simultaneously engages in military cooperation with the government in Taipei, provoking indignation from Beijing.

The Chinese government has repeatedly denounced US arms sales to Taipei, accusing Washington of fomenting tensions over the region.

Taiwan receiving US weapons years behind schedule – WSJ

The backlog illustrates slow progress, with Abrams tanks and HIMARS systems arriving after long delays, the outlet has reported

FILE PHOTO. Taiwan's military personnel manoeuvre during a military drill in Taitung, Taiwan. © Annabelle Chih/Getty Images

Taiwan has received 38 Abrams tanks from the US after a five-year wait, the Wall Street Journal reported on Friday. Supply-chain problems *“have proven more effective in keeping advanced American weaponry out of Taiwanese hands”* than Beijing's warnings have, the newspaper noted.

China views the self-governing island as a part of its territory. The US officially adheres to Beijing's One-China policy, recognizing Taiwan as part of the People's Republic, though Washington simultaneously engages in military cooperation with the government in Taipei, which Beijing strongly opposes.

The backlog of paid-for-but-undelivered US weapons awaited in Taiwan exceeded \$20 billion at its peak earlier this year, according to

Eric Gomez, a defense analyst at the Cato Institute, cited in the WSJ report.

Trump threatens to take over Panama Canal

The US president-elect has expressed outrage over “rip-off” passage fees and vowed to keep the trade route out of the “wrong hands”

FILE PHOTO. Ships are seen on Panama Canal in Panama City, Panama. © Daniel Gonzalez/Anadolu Agency via Getty Images

Washington could seek to regain control over the Panama Canal if the Central American country continues to impose “exorbitant” fees on American vessels to use the waterway, US President-elect Donald Trump has warned.

Writing on the Truth Social network on Saturday, Trump suggested that “the fees being charged by Panama are ridiculous, especially knowing the extraordinary generosity that has been bestowed to Panama by the US,” and called the current state of affairs a “complete rip-off.”

The fees to pass through the canal, which handles about 5% of world trade, range from \$0.50 to as much as \$300,000, depending on the type of ship and on its cargo. Built under Washington’s leadership in 1914, the trade

route has been vital to the US ever since; more than 70% of the cargo that passes through the canal originates in or is destined for the country.

Several dozen anti-Israel activists protested outside St. Patrick's Cathedral in New York City on Christmas Day, continuing a practice in which they have targeted Christian symbols and the Christmas holiday over the last 15 months.

مظاهرة كبيرة ضد اليهود من مسلمين ومؤيديهم امام كاتدرائية سانت باتريك في نيويورك في الكريسماس

الجزء التالي هو توقعات شخصية وأسف مسبقا لو أخطأت في شيء فأنا لست خبير
ولا محلل ولكن فقط من قراءات بسيطة وربط بسيط مع ما قاله الكتاب المقدس

حتى نهاية عام 2024 رئينا التوسع في حرب روسيا وأوكرانيا وتطورات هذه الحرب وخسرت
أوكرانيا أكثر من 20% من أراضيها وروسيا صامدة رغم أنها تحارب أكثر من 30 دولة
دعموا أوكرانيا عسكريا وماديا بما يتعدى 300 بليون ولكن روسيا تعاني اقتصاديا أيضًا.
ورئينا حرب إسرائيل وحماس استمرت وامتدت لحزب الله واليمن وإيران. وحرب القوات
المسلحة في سورية وإسقاط نظام الأسد واستيلائهم على السلطة ولكن هم فصائل مختلفة.
وأيضا تمادي الصين في الاختراقات ضد تايوان وما يبدو أنها تعد لغزوها وضمها في القريب
العاجل. ولكن بناء على نبوات الكتاب المقدس التي واحدة أساسية هي حزقيال 38 و39
التي لو فعلا كما نشعر أنها اقتربت ففيها القوة التي ستخرج ضد إسرائيل هي جوج وماجوج
وَرُوشٍ وَمَاشِكٌ وَتُوبَالٌ وفارس وكوش وفوط وجومر وبيت توجرمة. وفي المقابل الشرق
الأوسط ليس له ذكر وترشيش وأشبالها أي الغرب يكتفوا بالتكلم أي بالشجب. واحداث 24
قربت خطوة من حدوث هذا، فهل احداث 25 ستكون خطوة أخرى؟ لا احد يعلم. ولكن لو هذا
صحيح سيكون نتيجة أحداث 25 استمرار تحالف الشرق الأقصى والشمال وتعاونه وتزايد
قوته وتزايد غضبه من إسرائيل، واستمرار تفكك الغرب وضعفه واستمرار انهيار الشرق
الأوسط تدريجيا.

أولا روسيا: أعتقد الغرب سينقسم أكثر في موقفه ضد روسيا فبينما سيحاول ترامب ومعه دول مثل المجر في وقف هذه الحرب سيحاول لبراليين أوروبا مثل فرنسا وبريطانيا وغيرهم في إشعال الموقف أكثر بأي طريقة لإجبار أمريكا عضو النيتو في هذا. فقد تحدثت مواجهات أكثر وقد تستخدم أسلحة حديثة وخيانات غربية لبعض ولكن بوتين سيحاول ان يحافظ على انتصاراته. مع ملاحظة ان ترامب يريد مكاسب اقتصادية فهو لن يدعم أوكرانيا وأمريكا تحملت ما يقترب من نصف تكلفة هذه الحرب الأوكرانية فكيف سيضغط ترامب على بوتين اقتصاديا هذا سيكون ملفت للنظر ولكن أتوقع أن بوتن الذي لمدة أكثر من 1000 يوم وما يقترب من ثلاث سنوات لم يستخدم نووي لن يستخدمه الآن وهو شبه منتصر.

ولكن آخر سلاح ظهر في هذه الحرب هو الاغتيالات فهل سيتمادى حرب الاغتيالات؟

ثانيا الصين: الصين التي ستدخل في حرب اقتصادية مع ترامب ستقترب من روسيا أكثر وهذا قد يؤدي لإعلانها دعم روسيا علنيا أو بطريقة ظاهرة أكثر في هذه الحرب. وبالطبع ترامب ليضغط على الصين سيزيد دعم تايوان فهذا قد يؤدي لضغط صيني أكثر على تايوان من خلال الأحزاب المؤيدة لها ولكن لا أتوقع أن الصين ستدخل عسكريا في تايوان على عكس أغلب التوقعات لأنت الصين سياستها من بعد الحرب العالمية التركيز على الاقتصاد والتسلح بدون الدخول في حرب فهي لم تدخل في حرب كبيرة منذ الحرب العالمية الثانية وحتى الآن وهذا افادها اقتصاديا جدًا.

ثالثا إيران: إيران لم يصبح لديها إلا طريقتين الأول الانضمام لروسيا والصين أكثر وأن تسرع في الحصول على أسلحة نووية بعد كل ما تعرضت له من خسائر. قد يحدث مواجهات بسيطة بطرق غير مباشرة بين إسرائيل وإيران ولكن إيران ستتخشى المواجهة لأن إيران محتاجة لوقت تعيد بعض ما خسرت. بينما إسرائيل ستحاول إشعال المواجهة بينهما وبسرعة لأن الفرصة الآن مناسبة تماما لإسرائيل لضرب البرنامج النووي الإيراني في وقت إيران مكشوفة جويا ومقطوعة الأذرع وأيضا ترامب مؤيد لإسرائيل في هذا. العامل المحوري هو لو رضخت إيران لترامب في ان تقطع علاقتها بروسيا والصين وتوقف برنامجها النووي. وصعب ان تفعل إيران هذا فليس لديها الا الاستمالة في امتلاك رؤوس نووية تضعها على صواريخها البالستية بمساعدة روسيا. فهل إسرائيل ستكون أسرع أم إيران ستنجح في التاجيل؟.

رابعا سورية: المجموعات المسلحة سيطرت على سورية والجولاني عين حكومة ولكن المتوقع ان تتزايد الصراعات بين المجموعات المسلحة وأعتقد ستتزايد الصراعات فيها. وقد تصبح سورية أرض لحرب بالوكالة بين إسرائيل وتركيا في بعض المناطق. ولكن أردوغان سيحاول السيطرة على سورية وبخاصة شمال سورية التي فيها بترول تحتاجه تركيا. السؤال أردوغان خان بوتين وهذه ليست المرة الأولى. فهل سيثق فيه بوتين مرة أخرى بسرعة وكيف؟ لأن تركيا هي أحد الدول في حرب جوج ومجوج مع رئيس روش في حزقيال 38.

خامسا غزة: بالطبع الغزوية لن يتوقفوا لان هذا في دمهم. وهم حتى لو فقدوا هيكلمهم التنظيمي ولكن هم متدربين جينا على حرب العصابات والعمليات الإرهابية. فغزة لن يتم إعمارها ولن تحدث حرب نظامية فهي شبه انتهت ولكن ستتزايد الاعمال الإرهابية. مثل الجراد بدون قائد. وهذا سيكبد إسرائيل خسائر كثيرة.

سادسا لبنان: نفس ما قلته عن حماس هو ما سيحدث في حزب الله وحرب عصابات انتقاما من إسرائيل. إسرائيل قد تحاول رداً على هذا هي تهجير بعض سكان جنوب لبنان لتزيد سمك من منطقة عازلة ممتدة من هضبت الجولان ودرعة من سورية وأيضاً جنوب لبنان.

سابعا العراق: ما فعله المسلحون المسلمون في سورية سيحاولون تكراره في العراق، والغرب سيشجع هذا لقطع ذراع اخر لإيران وحصارها أكثر. وفي قرب النهاية سأذكر توقعات عن دول غربية في أجزاء أخرى. وأخيرا هذا توقعات شخصية وأسف لما أخطأت في توقعه مسبقاً.

..... وَلَكِنَّ هَذِهِ كُلُّهَا مُبْتَدَأُ
الْأَوْجَاعِ.....

Dark energy doesn't exist? Scientists propose radical rethink of cosmic expansion

I've calculated Santa's Christmas list. This is what it would look like to Rudolph.

CHRISTCHURCH, New Zealand — Dark energy has been modern physics' most successful placeholder, a theoretical force invented to explain why galaxies seem to be racing away from each other at ever-increasing speeds. Now, after analyzing light from over 1,500 exploding stars, researchers have reached a startling conclusion: this mysterious force might not exist at all. Instead, the answer may lie in how time itself flows differently across the cosmic landscape.

While not definitively disproving the existence of [dark energy](#), the research presents compelling evidence for an alternative explanation that could reshape fundamental cosmology.

The concept of dark energy can be traced all the way back to the early 20th century. In 1917, Albert Einstein added a term called the "cosmological constant" to his equations of general relativity, essentially proposing a force that would prevent the universe from collapsing under its own gravity. When Edwin Hubble discovered in the late 1920s that the universe [was actually expanding](#), Einstein abandoned this idea, which he reportedly later called his "biggest blunder."

بعد كل ما قالوه عن الطاقة المعتمة dark energy (التي اصبحوا يتكلموا عنها كما لو كانت حقيقة لتفسير نشات وتماسك الكون) الان بدؤا يتساءلوا هل هي موجودة أصلاً؟ بعد ظهور أدلة علمية على عدم وجودها وأن التفسير هو تغير سرعة الوقت عبر الكون

Treasury secretary sends warning urging Congress to act on debt limit

Treasury Secretary Janet Yellen arrives ahead of President Biden's address to the nation from the Rose Garden of the White House on Nov. 7 after President-elect Trump won the election. Photo: Allison Robbert/ AFP via Getty Images

Treasury Secretary Janet Yellen warned Congress on Friday that "extraordinary measures" will be necessary as early as Jan. 14 unless Congress acts to [raise or otherwise suspend](#) the debt ceiling.

Why it matters: [President-elect Trump](#) has voiced support to abolish the debt limit despite some of his supporters [historically opposing action](#) to raise the debt ceiling during Democratic administrations.

Forced conversion and attempted kidnap – an Egyptian Christian's asylum story

28 December 2024

A Christian legal expert details the story of a Christian woman who faced extreme difficulty in seeking asylum after resisting Islam

Soon after Christmas, the first major date of significance in the Christian calendar is the 6 January: slaughter of the innocents.

Those of us from less liturgical backgrounds will scratch our heads and ask the question, what's the relevance of slaughter of the innocents?

The day marks the arrivals of the Magi – also known as the Three Kings or the Wise Men – visiting Jesus. Soon after the visit by the Magi, an angel appeared to Joseph in a dream telling him to flee to Egypt with Mary and the infant Jesus since King Herod would seek the child to kill him.

In an ironic inversion of the Exodus story, Egypt became a place of refuge for the family. Christianity arrived in the country over the coming centuries and was the majority religion until 10th century, when Islam (which had arrived in 641 AD) became the majority religion. Now, the Christian population stands at about 10% (10 million) of the population.

Herdsmen Kill 33 Christians in Nigeria on Christmas Day

Dec. 25 massacre targets five villages in Benue state.

December 30, 2024 By Christian Daily International-Morning Star News - [Leave a Comment](#)

ABUJA, Nigeria (Christian Daily International-Morning Star News) – Fulani herdsmen attacked a cluster of five predominantly Christian villages in Benue state on Wednesday (Dec. 25), massacring 33 people on Christmas Day, sources said.

The most recent death toll of attacks by herdsmen on Kwande County villages rose to 33 over the weekend with the discovery of more corpses after 21 bodies were found in Anwase village, said resident Udeti Gira. The death toll could rise as recovery efforts continue, he said.

“The brutal assault by Fulani herdsmen terrorists has left the community in shock and mourning,” Gira told Christian Daily International-Morning Star News. “The people of Kwande are still waiting for a decisive response from the

Muslim Extremists Kill Christian Who Received Death Threats

Evangelist returned to area in eastern Uganda that he had fled.

December 26, 2024 By Our East Africa Correspondent - [Leave a Comment](#)

NAIROBI, Kenya (Morning Star News) – Islamic extremists on Dec. 16 killed a Christian father of three children who had fled his home in eastern Uganda due to death threats from Muslim relatives, sources said.

James Mukenye Habiibu, who along with his wife converted to Christianity in January 2022, was found in a pool of blood the morning of Dec. 17 in Kagumu Sub-County, Kibuku District, Uganda. He was 29.

Soon after they put their faith in Christ, Habiibu's family received death threats from relatives, said his wife, whose name is withheld for security reasons.

"The whole family threatened to kill us if we continued with the Christian faith," she said, adding that they fled to another district that night, where they began worshipping at a local church.

Sudanese Christian Mother Firm in Faith Despite Attack

Muslim husband attacked her with knife in refugee camp in South Sudan.

December 18, 2024 By Our Sudan Correspondent - [Leave a Comment](#)

JUBA, South Sudan (Morning Star News) – A Sudanese refugee in South Sudan who suffered a knife attack by her Muslim husband four months ago for converting to Christianity faces daily pressure to renounce her faith, sources said.

Halima Mohammed Ali, a mother of five children ranging in age from 1.5 to 14, has remained with her family at Gorom Refugee Settlement about 25 kilometers (15 miles) west of Juba, capital of South Sudan. She had left her home following the stabbing blow to her head in September but returned after one month, she said.

"I left him shortly after [the attack] but returned after a month to take care of the kids, though he still threatens me, that I return to Islam," Ali told Morning Star News. "But I refuse."

She put her faith in Christ in June and attended discipleship classes at a church in the refugee camp, but after she began attending worship services a few months later, her husband on the night of Sept. 8 stabbed her on the right side of her head, causing a moderate injury, she said.

Another Church Building Bombed in Sudan

Air strike by Sudanese Air Force hits homes and worship site.

📅 December 23, 2024 By Our Sudan Correspondent - 🗨️ [Leave a Comment](#)

JUBA, South Sudan (Morning Star News) – Another church building was targeted in Sudan on Friday (Dec. 20) in an air strike by the Sudanese Air Force (SAF) that also destroyed at least five houses of civilians, the church pastor said.

Pastor Philemon Hassan Kharata of the Baptist Church in Khartoum North's Al-Azba area said a congregation member at the church site, Bakhit Hassan, sustained minor injuries and several civilians were killed in the bombings of their houses.

"The Lord is good, and we pray that He protects the souls that are more important than the property, and that He comforts the neighbors of the church who died during the strike," Pastor Kharata told Morning Star News. "We also pray for healing for our brother Bakhit Hassan."

Hassan lives in the church compound as caretaker of the building.

Churches fight to stay open as attendance dwindles

Houses of worship around the country are adopting varying strategies to survive.

By [Steve Osunsami](#) and [Sean Keane](#)

December 28, 2024, 12:18 PM

Is America losing its religion? ABC News' Steve Osunsami reports on how churches faced with empty pews are fighting to keep their doors open, while former houses of worship are being converted into bars, clubs and luxury condos.

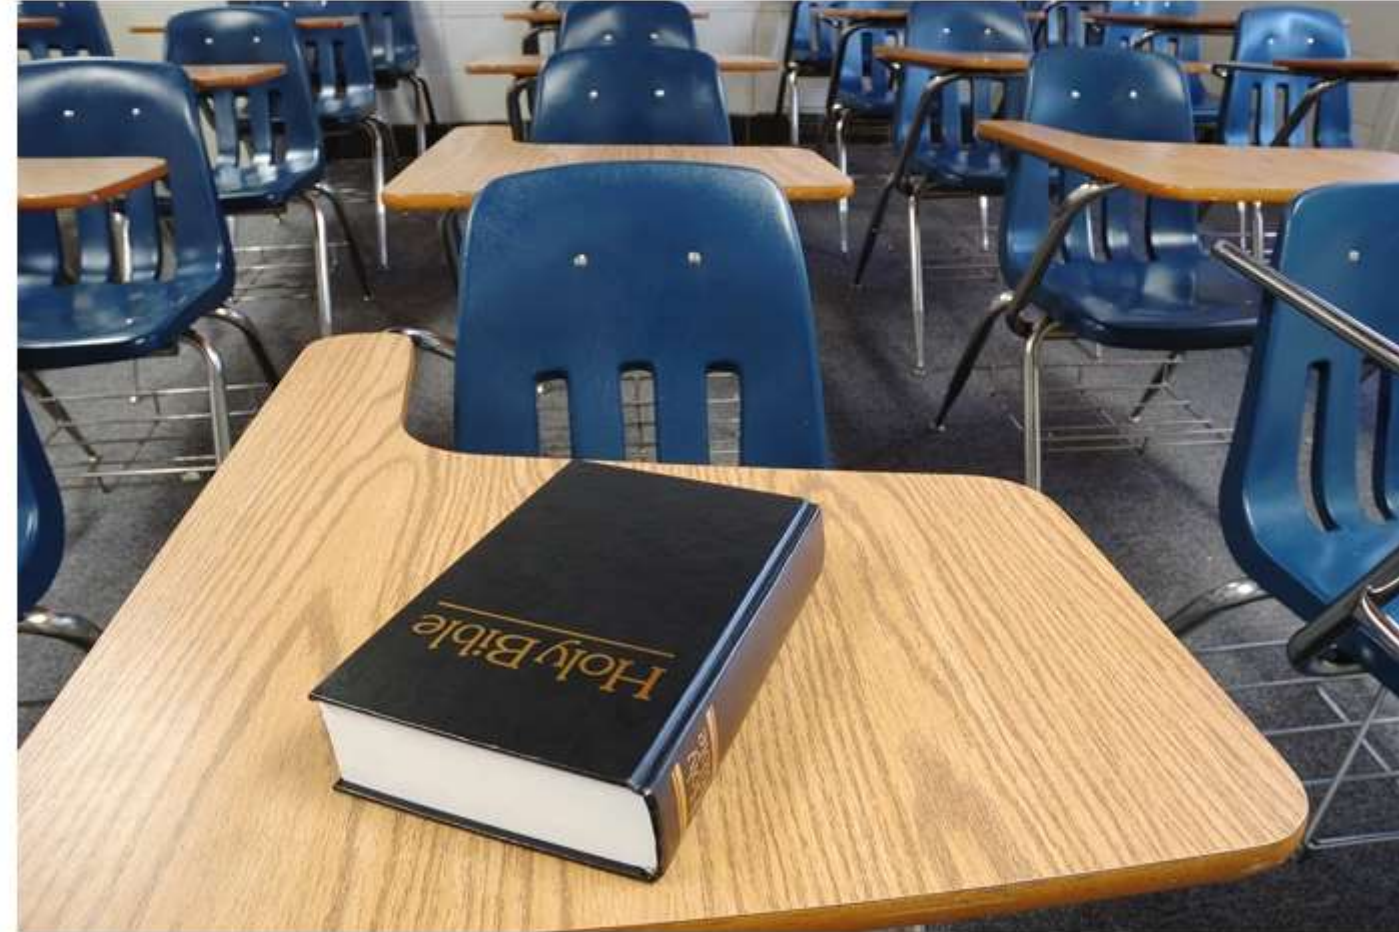

During the final Mass at the All Saints Parish in Buffalo, New York, on a warm Sunday in July, the priests encouraged the few parishioners who came to take comfort in holy scripture.

الكنائس تكافح لتستمر أبوابها مفتوحة رغم استمرار تناقص الحضور في أوروبا (للأسف بينما يأتي عابرين كثيرين في الشرق الأوسط والأقصى وأفريقيا يتناقص عدد المسيحيين في الغرب)

Bible removed from Texas school district due to law banning 'sexually explicit' content

Parent calls it 'absurd' to throw out 'Good Book with bad books'

Anglican group claims 'not everyone' in Bible is 'cisgender': 'Some clear queer characters'

By Katelyn Webb, | Saturday, December 28, 2024

للأسف مجموعة انجليكانية مؤيدين للشواذ يدعوا ان شخصيات كتابية كانوا
شواذ وان الخصيان هم متحولين جنسيا

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىٰ لَكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
