اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

An analysis of seismic waves from earthquakes that occurred between 1991 and 2023 near the South Sandwich Islands in the Southern Ocean showed that Earth's inner core is not a perfectly uniform sphere but a structure with shifting regions, altering its topography over time.

The current human case count of H5N1 influenza in the US could be an underestimate, according to a new study from the Centers for Disease Control and Prevention (CDC). After testing 150 veterinarians, the researchers found three with antibodies to H5N1, suggesting they had been infected recently. However, none had reported any symptoms, and one was from a state where no outbreaks had previously been reported in cattle.

Ebola Outbreak Caused by Sudan virus in Uganda

Print

This is an official CDC HEALTH ADVISORY

Distributed via the CDC Health Alert Network February 06, 2025, 11:15 AM ET CDCHAN-00521

Summary

The Centers for Disease Control and Prevention (CDC) is issuing this Health Alert Network (HAN) Health Advisory about a recently confirmed outbreak of Ebola disease in Uganda caused by the Sudan virus (species *Orthoebolavirus sudanense*) and to summarize CDC's recommendations for U.S. public health departments and clinicians about case identification, testing, and biosafety considerations in clinical laboratories.

Currently, no suspected, probable, or confirmed Ebola cases related to this outbreak have been reported in the United States, or outside of Uganda. However, as a precaution and because there are other viral hemorrhagic fever (VHF) outbreaks in East Africa, CDC is sharing best practices for public health departments, public health and clinical laboratories, and healthcare workers in the United States to raise awareness about this outbreak.

On February 5, 2025, CDC issued a <u>Travel Health Notice Level 2: Practice Enhanced Precautions</u> for people traveling to Uganda. Currently, CDC has not issued any interim recommendations to health departments for post-arrival risk assessment and management of travelers, including U.S.-based healthcare workers, arriving from Uganda. Abstract

Background: The rapid development of COVID-19 vaccines, combined with a high number of adverse event reports, have led to concerns over possible mechanisms of injury including systemic lipid nanoparticle (LNP) and mRNA distribution, Spike protein-associated tissue damage, thrombogenicity, immune system dysfunction, and carcinogenicity. The aim of this systematic review is to investigate possible causal links between COVID-19 vaccine administration and death using autopsies and postmortem analysis

سؤال متى ظهر الكوفيد؟ اعتقد الكل سيقول سمعنا عنه في يناير 2020 وقالوا لنا أن اول حالة إصابة كانت في ديسمبر 2019. وبدأت مخاوف انتشاره في فبراير 2020م. هل متأكدين؟ لأنه ظهر فيديو من مؤتمر الويف يقول فيه مدير شركة موديرنا انهم يعرفوا أن الوباء سياتي ولهذا من بداية 2019 اعدوا 100,000 حقنة خلال السنة ومن أول 2020 كأنوا مستعدين بطاقة انتاج بليون حقنة. فهو طالب موظفين الشركة في نهاية 2019 ان يستعدوا لينتجوا في 2020 بليون جرعة وقال نصا طلب منهم هذا لان العام القادم سيكون هناك وباء. واسمعوه بأنفسكم في الفيديو التالي

ما رأيكم فيما سمعتوه؟ هل انا الوحيد الذي فهمت انهم كانوا يعرفون ان هناك وباء قادم قبل حدوثه بسنة؟ لكن لا زلت اقاوم ان لا اؤمن بنظرية المؤامرة.

Kiev plotting to drag NATO into war – Moscow

The alleged plan involves staging a foreign vessel explosion in the Baltic Sea, according to the Russian Foreign Intelligence Service

Ukrainian special services, with Western support, are preparing a series of high-profile provocations to implicate Moscow and draw NATO into a direct military confrontation, according to the Russian Foreign Intelligence Service (SVR).

In a statement on Tuesday, the SVR claimed that Kiev plans to use Russian-made naval mines to orchestrate an explosion involving a foreign vessel in the Baltic Sea. The alleged goal is to blame Moscow and prompt NATO to restrict Russia's access to the Baltic on the pretext of ensuring maritime security.

NATO has been increasing its military activities along Eastern Europe's borders in recent years, citing security concerns over

Russia. Last month, it announced plans to expand its presence in the Baltic Sea, launching a new mission to safeguard undersea infrastructure following a series of disruptions and damage to cables between member states.

Washington looks to shift Kiev burden onto EU and NATO allies

US Secretary of Defense Pete Hegseth, Washington, DC, January 30, 2025. @ Getty Images / Chip Somodevilla

The administration of US President Donald Trump has no plans to send American soldiers into the Ukraine conflict, Defense Secretary Pete Hegseth has said, as Washington seeks to shift the burden of supporting Kiev onto its European allies.

Hegseth's statement on Tuesday comes as Keith Kellogg, the US presidential envoy tasked with ending the Ukraine conflict, is set to meet with European officials at the Munich Security Conference (MSC) on Friday to promote Trump's plan.

"At the Ukraine contact group and the NATO ministerial, we're going to have straight talk with our friends," Hegseth told reporters at a press conference in Germany.

"It ought to be those in the neighborhood investing the most in that collective and individual defense," he said, adding that Washington wants NATO states to spend more than 2% of GDP on defense. "We believe that needs to be higher. The president has said 5%."

Musk reacts to Zelensky's 'Ukrainians don't want elections' claim

The Ukrainian leader's presidential term expired last May, with no new vote in sight

FILE PHOTO: Elon Musk. © Kenny Holston-Pool / Getty Images

Elon Musk has taken a jab at Vladimir Zelensky over his claim that Ukrainians are opposed to holding presidential elections while the conflict with Russia continues.

Zelensky's term officially expired in May 2024, but he has refused to hold presidential elections since, citing active martial law. Russia deems him illegitimate, insisting that legal power in the country now lies with the parliament and its speaker, while Kiev's backers recognize him as Ukraine's president.

In an interview with ITV on Friday, Zelensky explained Kiev's reluctance to hold the new vote by arguing that "during this war, our population is against elections, all people are against it." He claimed that holding elections

under such circumstances would undermine Ukraine's defense posture, adding, "If we suspend martial law, we will lose the army."

U.S. and India to double bilateral trade in five years, Prime Minister Modi says, as Trump tariffs loom

Story by Anniek Bao • 13h • 🗇 3 min read

- India and the U.S. will work to more than double bilateral trade to \$500 billion by 2030, Indian Prime Minister Narendra Modi said at a joint press conference with U.S. President Donald Trump on Thursday.
- Trump acknowledged India's recent move to reduce tariffs on select imports and said he would begin talks on disparities on trade and hoped to reach an agreement.
- The U.S. will increase its military sales to India starting this year and ultimately provide F-35 fighter jets to the Asian ally, Trump said at the briefing.

Trudeau vows to fight Trump's tariffs

The Canadian prime minister has promised to retaliate against US duties on steel and aluminum

Canadian Prime Minister Justin Trudeau (a) Katherine KY Cheng/Getty Images

Canadian Prime Minister Justin Trudeau has denounced the recent imposition by the US of a 25% tariff on steel and aluminum imports, describing the move as "unacceptable." Trudeau has emphasized that Canada would "stand up strongly and firmly" against these measures if necessary.

The tariffs, announced by US President Donald Trump on Monday, are set to take effect in March and apply universally, without exemptions. This policy shift has raised concerns among key US allies and trading partners, including Canada, Mexico, the EU and South Korea. Canada, being the largest supplier of steel to the US, is expected to be significantly impacted by these levies.

Speaking at an artificial intelligence summit in Paris on Tuesday, Trudeau stated that his government will take "all necessary steps" to defend Canadian workers and industries. "We will not be bullied by these unfair trade practices," he said, emphasizing Canada's long-standing role as a reliable trading partner.

The Rev. Bala Galadima of the Evangelical Church Winning All (ECWA) was shot to death at about 1 a.m. on Sunday (Feb. 9) in Lubo, according to members of the local ECWA congregation. They said gunmen dressed in black robes broke into his residence on the premises of the ECWA church in Lubo, Yamaltu-Deba County and shot him point black in the back while he was in bed.

Congregation members said the terrorists entered the town shooting into the air to discourage anyone from attempting to stop them. First arriving at a house they mistakenly believed to be that of Pastor Galadima, they asked for directions to his home, demanding money at gunpoint from those informing them before going on to the ECWA property.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصابيحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس. رسالة بولس الرسول الي أهل رومية 13 11:11 هذا وأنكم عارفون الوقت أنها الان ساعة لنستيقظ من النوم فان خلاصنا الان أقرب مما کان حین امنا 12:12قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور 13:13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد 14:14 البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

نکی لا نخاف وَلِكِنْ وَإِنْ تَأَلَّمُهُمْ مِنْ أَجْلِ الْبِرِ، فَطُوبَاكُمْ وَأَمَّا خَوْفَهُمْ فَلاَ تَخَافُوهُ وَلاَ تَضْطَر بُوا (1 بطرس 3 : 4)

قُلْتُ لَكُمُ الآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُوْمِنُونَ (يوحنا 14 : 29)

Minie ginie وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل. وأيضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد انت لا تعرف متى ستكون منهم المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس
