# هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترّب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترّب لكيلا يقال عني كاذب وانشّر اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

# السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ

# السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

A new study by researchers at the University of Tsukuba examined the role of solar heat in earthquake activity. By analyzing seasonal variations in seismicity, correlations between solar activity and earthquakes, and the influence of atmospheric temperature on earthquake predictability, the study provides new insights into how solar-driven thermal effects may contribute to stress changes in the Earth's lithosphere.

Recent surveillance data reveal that resistance to commonly used antimicrobials – such as ampicillin, tetracyclines, and sulfonamides— remains persistently high in both humans and animals for key pathogens including *Salmonella* and *Campylobacter*. Resistance in *E. coli* is also frequently observed in animals, although resistance of *Salmonella* in laying hens is low. #### Abstract

**Background:**

Vaccines against COVID-19 were viewed as a way out to the ongoing pandemic and were given the emergency use authorization in India to initiate mass vaccination in January 2021. This study aimed to investigate the serious adverse events following immunizations (AEFIs) reported for COVID-19 vaccines and to identify predictors of mortality among these cases from India.

**Methods:**

A secondary data analysis was conducted on the causality assessment reports for the 2708 serious AEFIs published by the National AEFI Committee under the Immunization Division, Ministry of Health and Family Welfare, Government of India. The analysis included all 21 reports published up until May 2023. The primary outcome variable analyzed was the survival/death status of each AEFI case, with various covariates from the published documents considered in the analysis.

**Results:**

The majority of the serious AEFIs assessed were either coincidental (1220, 45%) or undetermined/unclassifiable (781, 28.8%). The majority of the serious AEFIs were reported among recipients of Covishield (1891, 69.8%) followed by Covaxin (347, 12.8%). Among these, 1114 (42.1%) died while the remaining 1594 (58.9%) were hospitalized and recovered. Systematically, AEFIs involving the cardiovascular system (696, 31.3%) were the most common, followed by those affecting the respiratory system (288, 13%) and neuropsychiatric system (295, 13.3%) which had a significant association with age ( $p < 0.001$ ) and gender ( $p < 0.001$ ). On multivariable analysis, females ( $p = 0.001$ ), younger age groups ( $p < 0.001$ ), AEFIs whose

Bill Gates' comments on India's potential as a 'laboratory to try things' during a podcast have sparked backlash among Indian social media users, who felt the remark was disrespectful. While some saw it as reducing India to a testing ground, others defended Gates, claiming his statement was misinterpreted.

Bill Gates' latest comments on a podcast with Reid Hoffman have set off a firestorm of controversy among Indian commentators. In a discussion, he referred to India as a "kind of laboratory to try things," which has caused great outrage and accusations of disrespect. The tech mogul has faced backlash for trying to throw light on India's potential in global development, with his words being interpreted as bringing India down to a testing ground.

In the podcast, Gates said, "India is an example of a country where there's plenty of things that are difficult there - the health, nutrition, education is improving and they are stable enough and generating their own government

## Accountability of International NGOs: Human Rights Violations in Healthcare Provision in Developing Countries and the Effectiveness of Current Measures

Sharmeen Ahmed  
Golden Gate University School of Law

34 ANNUAL SURVEY OF INT'L & COMP. LAW[Vol. XXII

The **Gates** Foundation focuses on world health and population and highlights its strategy of accelerating scientific discovery with reducing costs. Since the early 2000s, the Global Alliance for Vaccines and Immunizations (Gavi), Global Health Innovative Technology Fund and PATH, all heavily funded by the **Gates** Foundation, have been distributing vaccines and drugs to vulnerable populations in Africa and India. In 2010, the **Gates** Foundation funded experimental malaria and meningitis vaccine trials across Africa and HPV vaccine programs in India. All of these programs resulted in numerous deaths and injuries, with accounts of forced vaccinations and uninformed consent. Ultimately, these health campaigns, under the guise of saving lives, have relocated large scale clinical trials of untested or unapproved drugs to developing markets where administering drugs is less regulated and cheaper.

### ABSTRACT

In recent years, the number of non-governmental organizations (NGOs) working in the international arena has vastly increased, generally making a positive impact. But, as this influence has deepened, governments in the developing world and scholars have scrutinized the work and accountability of NGOs given they are mostly independent and not subjected to international law. While NGOs must adhere to the domestic laws of the places within which they work, adherence is dependent upon the strength of enforcement of those laws. Proponents argue that this independence is essential for NGOs to effectively carry out their work. However, a review of healthcare programs funded by the Bill & Melinda Gates Foundation (Gates Foundation) calls into question current accountability measures of NGOs in the healthcare sector and can shine a light on weaknesses and potential areas of improvement in the current accountability regime for NGOs.

Vladimir Putin unleashed a missile strike to 'sink' a cargo ship amid unconfirmed Russian claims it was carrying British weapons for use by Ukraine.

Two Iskander-M ballistic missiles hit the Panama-flagged container ship MSC LEVANTE F - reportedly Swiss-owned - soon after it arrived in Odesa on March 1, after making a stop in Turkey.

## Putin visits Russia's Kursk Region VIDEO

The Russian president has listened to a report on military operations in the area

The Russian military must defeat the Ukrainian forces that invaded Kursk Region "as soon as possible," President Vladimir Putin said on Wednesday. He visited a command post in the region as Russian forces continue a major counteroffensive against Kiev's remaining troops in the area.

The president held a meeting with military commanders during his visit and listened to a report by the chief of the General Staff, Gen. Valery Gerasimov. Putin thanked the General Staff and the units fighting in the region for their efforts.

"Our goal is to inflict a defeat upon the enemy entrenched on the territory of Kursk Region on short notice," the president said, adding that Moscow would consider creating a "security zone" along the border with Ukraine as well. The Ukrainian units that invaded the region should be treated as "terrorists," he stated, including any fighters taken prisoner in the area.

According to Gerasimov, the Russian military has liberated 259 square kilometers of territory, encompassing 24 towns and villages, in the past five days. Ukrainian forces in the area are largely "encircled" and "isolated," he reported.

We had very good and productive discussions with President Vladimir Putin of Russia yesterday, and there is a very good chance that this horrible, bloody war can finally come to an end — BUT, AT THIS VERY MOMENT, THOUSANDS OF UKRAINIAN TROOPS ARE COMPLETELY SURROUNDED BY THE RUSSIAN MILITARY, AND IN A VERY BAD AND VULNERABLE POSITION. I have strongly requested to President Putin that their lives be spared. This would be a horrible massacre, one not seen since World War II. God bless them all!!!

## Christian Couple in India Convicted of 'Forced Conversion' Wins Bail

Sentenced to five years in prison, pastor and wife appeal.

March 10, 2025 By Our India Correspondent - [Leave a Comment](#)

**NEW DELHI** ([Morning Star News](#)) – A Christian couple in India convicted of forcible conversion despite lack of evidence and sentenced to five years in prison has won bail while they appeal, sources said.

Pastor Jose Pappachen, 58, and his wife Sheeja Pappachen, 57, were released on Feb. 19 after a Sessions Court in Ambedkar Nagar, Uttar Pradesh on Jan. 22 sentenced them to prison and a fine of 25,000 rupees (\$287 USD) each under the state's stringent anti-conversion law. The Lucknow bench of the Allahabad High Court granted bail to the pastor on Feb. 6 and to his wife on Feb. 5.

Pastor Pappachen said all the allegations against them were fabricated. He and his wife are not associated with any church or denomination and were surviving on 10,000 rupees (\$115 USD) every month.

"After paying 4,000 rupees house rent each month, we were left with only 6,000 rupees to survive on for the month – how could we possibly afford to organize community lunches or pay people to convert?" Pastor Pappachen told Morning Star News.

## Reports Shows Increase in Anti-Christian Incidents in India

The 640 documented cases in 2024 are only a part of the actual total.

📅 March 13, 2025 By Our India Correspondent - [🗨️ Leave a Comment](#)

**NEW DELHI** ([Morning Star News](#)) – Christians in India suffered high levels of violence and discrimination in 2024, with 640 cases marking a continued increase over prior years, according to the Evangelical Fellowship of India's Religious Liberty Commission (EFIRLC).

The 640 incidents compared with 601 cases documented in 2023 and marked nearly a quadrupling of incidents from the 147 incidents recorded in 2014, continuing a decade-long trend of mounting hostility toward the religious minority constituting 2.3 percent of India's population.

"The systematic and organized persecution of Christians has risen to crisis levels in several states," the Rev. Vijayesh Lal, EFI general secretary, told Morning Star News. "What most concerns us is that on average, four to five churches or pastors are attacked every day, with attacks coming close to doubling every Sunday when believers come to worship."

**ABUJA, Nigeria** (Christian Daily International-Morning Star News) – Fulani herdsmen on Monday (March 10) killed at least six Christian villagers in central Nigeria after stabbing another to death the prior day because he objected to them grazing their cattle on his property, sources said.

The assailants who invaded predominantly Christian Farin Dutse village, in Nasarawa state's Nasarawa County, on Monday also set homes ablaze, said area resident Esau Ezekiel.

"Many Christian villagers have been killed, six corpses have so far been recovered, and many houses set ablaze by rampaging Fulani herdsmen after they attacked our village," Ezekiel told Christian Daily International-Morning Star News.

معاقبة طفل إيطالي في مدرسة لأنه كان يتحاشى سلالم موضوع عليها علم  
الشواذ

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

لكني لا نخاف

وَلَكِنْ وَإِنْ تَأْتِيَكُمْ مِنَ الْبِرِّ،  
فَطُوبَىٰكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا  
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

## بِل نُوْمِن

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونِ،  
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

( يوحنا 14 : 29 )

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا  
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.  
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.  
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا  
في اليوم الواحد انت لا تعرف متى ستكون منهم  
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس
