هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأَوْبَةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّزَعُ.....
متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...
رؤيا 6 : 13

وَتَكُونُ مَخَاوِفُ وَعَلَامَاتُ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتُ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّزَعُ...

Scientists have just discovered another giant space rock that is rapidly heading in our direction. They think that it will fly past us at a distance of just 0.26 astronomical units, and if they are correct about that it won't hit us. But we are being warned that Earth will pass through the orbital debris stream of this extremely large comet, and that could result in a significant meteor storm. This

Gravitational anomaly in 2007 hints at rapid changes near Earth's core

By Teo Blašković • Thursday, September 18, 2025 •

[Follow us on Google News](#)

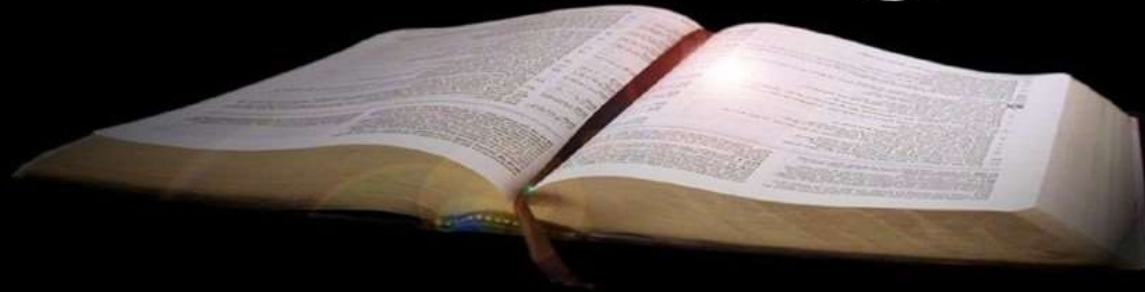

A gravity anomaly recorded by NASA–German GRACE satellites in early 2007 over the Atlantic Ocean points to mass redistribution near Earth's core–mantle boundary, around 2 700–2 900 km (1 700–1 800 miles) deep. Researchers suggest a perovskite-to-post-perovskite mineral phase change produced decimetric boundary shifts, offering the first evidence that deep mantle processes can unfold within just a few years and potentially affect Earth's magnetic field.

Strong quake hits Russia's Kamchatka, no damage reported

By Reuters

September 18, 2025 11:49 PM MDT • Updated 5 hours ago

Sept 19 (Reuters) - A strong earthquake struck Russia's far eastern Kamchatka region, the regional governor said on Friday, prompting a series of tsunami warnings in the region, but despite waves reaching the shore, there were no reports of damage.

The U.S. Geological Survey said the quake was measured at a magnitude of 7.8 and at a depth of 10 km (6.2 miles). It said a series of aftershocks followed, measuring up to 5.8.

Russia's Emergencies Ministry said the quake had a magnitude of 7.2, but later revised that figure up to 7.8.

Governor Vladimir Solodov said all emergency services had been placed on a state of high readiness, but that no damage had been reported.

A tsunami warning was issued for the eastern shore of the peninsula, jutting far out into the Bering Sea and Pacific Ocean.

Other officials reported tsunami waves of 30 to 62 centimetres (1-2 feet) at various points along the coast of the peninsula.

(OPINION) Have you noticed that our planet has been shaking a lot lately? The magnitude 7.8 earthquake that just hit Russia's Kamchatka peninsula is just one of the 466,742 earthquakes that have rattled the giant space rock that we all live on this year.

Simultaneously, dozens of volcanoes have been erupting and there have been all sorts of very unusual events in the heavens. If you think that what we are experiencing is "normal", you probably have not been paying much attention.

BBC travels with Ukraine's White Angels to Bilozerske, to evacuate civilians on the front line

The white armoured police van speeds into the eastern Ukrainian town of Bilozerske, a steel cage mounted across its body to protect it from Russian drones.

They'd already lost one van, a direct hit from a drone to the front of the vehicle; the cage, and powerful rooftop drone jamming equipment, offer extra protection. But still, it's dangerous being here: the police, known as the White Angels, want to spend as little time in Bilozerske as possible.

Drones have transformed how the Ukraine war is being fought. Russia has set up an elite drone unit called Rubicon, which is now causing major problems for Ukrainian forces.

Months after their surprise invasion of Kursk in August 2024, Ukrainian forces were struggling to hold their lines in the Russian border region, facing intensifying pressure from a combination of Russian regular units and North Korean troops.

US to supply Ukraine with advanced drone swarm technology – FT

Auterion is set to send Kiev 33,000 AI-controlled UAVs under a Pentagon contract by the end of the year

Washington is planning to send 33,000 AI-controlled drones to Ukraine with plans to later upgrade them using swarm technology, the Financial Times has reported.

Auterion, the US-German start-up which developed the UAVs, recently unveiled its “*drone swarm strike engine*,” dubbed Nemyx, which transforms individual drones into a single force through a software app that allows any compatible system to join the swarm.

The new software has yet to be tested on the battlefield, but Auterion has said it plans to upload it to the AI drone “*strike kits*” it is set to deliver to Ukraine by the end of the year under a Pentagon contract.

While the delivery would be one of the largest of its kind, the volume is still relatively small compared to the hundreds of thousands of drones already used by Ukrainian forces each month.

China sends veiled warning to US

Story by Micah McCartney • 21h • ⌚ 2 min read

Summarize

China's top military official struck a hawkish tone at Beijing's premier defense conference on Thursday, issuing a pointed warning against a world ruled by the "law of the jungle" in a thinly veiled swipe at the United States.

Why It Matters

Chinese Defense Minister Dong Jun delivered the keynote address at the Beijing Xiangshan Forum, the country's most prominent annual defense gathering, attended by defense officials, scholars, and observers from more than 100 countries, including the U.S.

Dong's remarks come amid ongoing tensions between Beijing and Washington, with the two sparring over issues ranging from Taiwan and the South China Sea to U.S. alliances and military deployments in the Asia-Pacific.

Donald Trump has escalated U.S. military action against Venezuela

U.S. President Donald Trump has escalated U.S. military action against Venezuela, claiming American forces destroyed a third drug-smuggling vessel. Speaking before boarding Air Force One for his U.K. visit, Trump warned President Nicolás Maduro to "stop sending drugs into the United States" and accused Caracas of deploying members of the violent Tren de Aragua gang northward. The Pentagon has not yet confirmed the third strike, raising questions over transparency. Trump released video of a Venezuelan boat exploding at sea, calling it proof of a crackdown on "narco-terrorists." Venezuela condemned the attacks as illegal aggression, with Maduro declaring ties with Washington now "completely broken." The Ipuwer Papyrus, attributed to a scribe named Ipuwer, recounts calamities striking the land, including rivers turning to blood, destruction of crops, famine and widespread death

scholars suggest it may align with the biblical timeline of the Exodus around 1440 BC.

Biblical historian Michael Lane said in a recent study: 'No conclusive evidence exists to pinpoint the exact date of its composition, but because of its written style, it appears to have been written by an eyewitness. A large number of scholars place it around the time of the biblical date of 1440BC.'

Moscow rules out visa restrictions for EU citizens

Russia seeks to build bridges, not tear them down, the Foreign Ministry has said

Moscow has no plans to restrict visas for EU citizens, Russian Foreign Ministry spokeswoman Maria Zakharova has said.

She made the comments after reports that the EU is considering limiting visas for Russian tourists as part of its 19th sanctions package against Moscow.

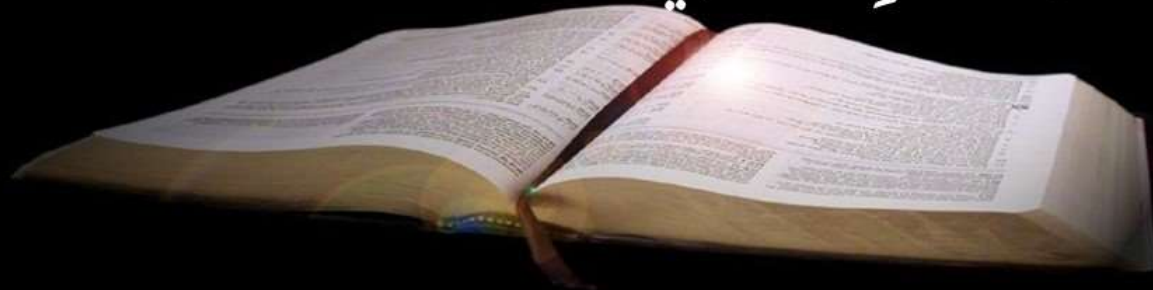

"We have no plans to close the border to European citizens or to restrict their visits in any way. We believe that human contacts, tourism,

business, and humanitarian ties must be maintained. Our country seeks to build bridges between people despite efforts within the EU to tear them down," Zakharova said at her regular Thursday briefing.

رد الفعل الأمريكي والعالمي على اغتيال شارلي كيرك المبشر والسياسي الأمريكي المسيحي المحافظ كانت كثيرة جدا. وكما لو كان أمر فرق كثيرا بين الحنطة والزوان. فما بين أعوان الشيطان من الليبراليين والشواذ الذين لم يستطيعوا تمالك انفسهم من التعبير عن الفرح بقتله على يد لبرالي شاذ وبين المحافظين المسيحيين الذين اظهروا اكثر روعة خدمته. ولكن أكثر شيء محزن في رأيي ان قسوس من كنائس جمع الأموال ينتهروا شارلي كيرك حتى بعد وفاته

Fatima Payman declares that Charlie Kirk was an 'awful person' after he was assassinated

Senator Fatima Payman has described [Charlie Kirk](#) as an 'awful person' in a video in which she appears to make light of his assassination.

Kirk, a 31-year-old father of two and controversial conservative commentator, was shot in the neck last week during a rally at [Utah](#) Valley University. He died a short time later.

The independent senator for WA responded to Kirk's death in a live [TikTok](#) video, recorded at some time over the last week.

'What do I think about Charlie Kirk and obviously his assassination?', she told her nearly 195,000 followers.

'I think he was a pretty awful person and he doesn't deserve all the recognition he's getting so yeah, the person who's assassinated him like mate, he's, you know Charlie's been...(inaudible) revered as this big (iaudible) essentially, is what I'm trying to say.'

'It would have been best to not have him assassinated and for him to remain a footnote in the Trumpian era of the United States.

'But yeah, so, not cool. Yeah, Charlie Kirk got shot and he's RIP – whatever you want RIP to stand for! Some people will say it's not peace. Fill in the blanks people, fill in the blanks.'

Her video has received swift condemnation, with One Nation Leader - and longtime Payman enemy - Pauline Hanson claiming it exposes her 'radical leftist ideology'.

Left-Wing streamer says Conservatives need to be afraid of being killed more often so they will be afraid to attend events or speak out

Sep 17, 2025

In the wake of conservative activist Charlie Kirk's brutal assassination last week, tensions between the left and right have boiled over into unprecedented rhetoric.

As Attorney General Pam Bondi vows a crackdown on threats of violence disguised as "hate speech," a prominent left-wing streamer has ignited fury by explicitly calling for more killings of conservatives to instill fear and silence dissent.

WATCH: Left-Wing Streamer Steven Bonnell, AKA "Destiny" Calls For Conservatives to be Killed More Often So They Will be Afraid to Attend Events Or Speak Out

By Cristina Laila Sep. 15, 2025 3:45 pm

Left-wing streamer Steve Bonnell, AKA "Destiny" called for conservatives to be killed more often so they will be afraid to attend events or speak out.

TPUSA founder and conservative political activist Charlie Kirk was gunned down last week by a far-left assassin who lived with a transgender partner.

Last summer, President Trump was almost assassinated when he was shot in the ear by a left-wing gunman at a campaign event.

Radical leftists have been violently attacking and threatening conservatives for years and this left-wing streamer is openly calling for more violence.

"You need conservatives to be afraid of getting killed when they go to events so they look to their leadership to turn down the temperature," Bonnell said. "The issue is right now they don't feel like there is any fear – like, I don't know"
