هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها جميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشراحات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَاوِفُ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبُ أُمَمٍ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثًا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَاَنْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....
متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...
رؤيا 6 : 13

وَتَكُونُ مَخَاوِفُ وَعَلَامَاتُ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتُ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

Earth slowly shifting toward its next ice age, scientists say

Story by Alexander Clark • 20h • 3 min read Summarize

The Earth's climate is a dynamic entity, continuously evolving over billions of years with alternating periods of extreme heat and cold. Recent scientific studies indicate that the Earth is subtly tilting towards its next ice age, a process influenced by various factors from Earth's axial tilt to global climate change.

The Trump administration linked Tylenol to autism and urged pregnant women to avoid the common pain medication despite the lack of widely accepted scientific evidence supporting the risk.

“So taking Tylenol is not good – I’ll say it – it’s not good. For this reason, they are strongly recommending that women limit Tylenol use during pregnancy unless medically necessary,” President Donald Trump said Monday at a White House event alongside Robert F. Kennedy Jr., his health secretary.

في الوقت الذي اللبراليين يهاجمون ترامب ويعنف بسبب تحذيره من التيلينول في فترة الحمل أنه يسبب أوتيزم (والتطعيمات الكثيرة بعد الولادة) كوريا الجنوبية وغيرها الكثير من الدول تنتبه لهذا الأمر وستبدأ تبحث في هذه المعلومات.

ولكن في المقابل الأسر التي تعاني لأن أحد أطفالها توحدي كان رد فعلها إيجابي لأن أخيرا ريس أمريكي اهتم بهد وبدأ البحث ومحاولة إيجاد علاج

رأي المتواضع: ان هناك عوامل عديدة معقدة حديثة هي وراء التزايد الشديد في التوحد. وكذب الاعلام الليبرالي عندما يقول انه لم يتزايد ولكن تزايد تشخيصه فكان موجود وغير مكتشف حتى تقدم الطب هذا كذب لأن صفات التوحد مميزة جدا من تدهور شديد في التعبير والفهم وعدم وجود تلاقي نظر وتدهور شديد في العلاقات الاجتماعية وتكرار كلمات وحركة اليد وغيره وعدم قبول تغير الروتين مع عنف احيانا. ولم تكن هناك اسرة من كل 10 أسر بها طفل توحد بهذه الصفات. هذا لم يكن منذ 50 سنة. والعامل الجيني كذب أيضا لأنه لو طفرة جينية لا تنتشر في جيل فيتحول من 1 لكل 1000 إلى 1 لكل 32 هذا لا يحدث جينيا.

والتايلينول أحد العوامل ولكن ليس الأساسي وفعلا الأساسي هو عامل أو مجموعة عوامل أو أي شيء يؤثر على المناعة في سن صغير فيجعل المناعة تهاجم مراكز عصبية وتضعف نمو مراكز في المخ، مثل التطعيمات والمعادن الثقيلة سواء ملوثات او مضافات على الأطعمة او مواد حافظة في الأكل والتطعيمات. وهذه تزايدت ولكن ستأخذ وقت في اثباتها لأن هذا منع دراسته آخر 30 سنة.

ولماذا معقد لأن هناك اختلافات شخصية جينية كثيرة جدا ورد الفعل المناعي لتعرضه للنتيجين يختلف من شخص لآخر ومن عمر لآخر فلهذا اخر يتأثر والآخر لا حتى لو توأمين. بمعنى التطعيم الذي يضر هذا الطفل قد لا يؤثر على اخرين ولكن يؤثر على بعضهم تطعيم اخر. من ابرز المشاكل وليست الوحيدة هي التطعيمات وبخاصة الحديثة التي مع تزايدها واضح تزايد التوحد ولا أومن بالصدف. سواء من التطعيم او المادة الحافظة أو الاثنين معا. فتطعيم ضد HB اول ميلاد الطفل هذا يسبب مشكلة عند بعض الأطفال وبعد هذا عدة تطعيمات أخطرها التي مركبة من فيروسات مختلفة مثل الثلاثي الذي اصبح رباعي MMRV ومشكلته الأخرى ان يدخل في تصنيعه بروتينات حيوانية فعند حقنه بعض الأطفال تكون مناعة لبروتينات حيوانية مثل اللبن ولهذا كثير من أطفال التوحد يتدهورون جدا بشرب اللبن البقري. ويوجد ميميكري مع مركز الفوليت فالمناعة تبدأ تضرب هذا المركز. وبالفعل الدراسات وضحت أن مركز الفوليت يصاب عند أغلب هذه الأطفال ولكن له طرق بديلة فلهذا استخدام الليكوفورين يعطي أمل لنسبة مرتفعة منهم وليس كلهم.

Recommendations announced for influenza vaccine composition for the 2026 southern hemisphere influenza season

26 September 2025 | News release | Reading time: 1 min (302 words)

The World Health Organization (WHO) today announced its recommendations for the viral composition of influenza vaccines for use in the 2026 influenza season in the southern hemisphere. The announcement was made at an Information Meeting after a 4-day Consultation on the Composition of Influenza Virus Vaccines.

Given the constantly evolving nature of influenza viruses, regular updates to vaccine composition are essential to ensure their effectiveness and to protect public health worldwide.

WHO convenes these consultations twice annually – once for the southern hemisphere and once for the northern hemisphere, bringing together an advisory group of experts from WHO Collaborating Centres and Essential Regulatory Laboratories. The group reviews surveillance and other data provided by the WHO Global Influenza Surveillance and Response System (GISRS) and collaborators to inform its recommendations.

WHO's recommendations serve as the basis for national and regional regulatory authorities, pharmaceutical manufacturers, and other stakeholders to develop, produce, and license influenza vaccines for the upcoming season.

WHO recommends that trivalent vaccines for use in the 2026 southern hemisphere influenza season contain the following:

According to [Estonia's Ministry of Foreign Affairs](#)

An emergency meeting of the UN Security Council is planned in New York on September 22 on Estonia's initiative after Russian fighter jets violated the country's airspace. This was the first such incident in Estonia's 34 years of membership in the UN, according to the Estonian Ministry of Foreign Affairs.

Russia responds to NATO airspace violation

Russia has denied accusations by Estonia that Moscow's fighter jets had breached the Baltic state's airspace.

Kremlin spokesman [Dmitry Peskov](#) said that Moscow had not received any credible information about the claims by Estonia that Russian MiG-31 aircraft had crossed into the territory of the [NATO](#) member on Friday.

"Such rhetoric only serves to heighten hostility," Peskov said Monday, according to Russian state news agency TASS.

After accusing Russia of the airspace breach, Estonia invoked Article 4 of NATO's charter calling for further discussions among alliance members, with fellow member Poland doing the same earlier this month.

Newsweek has contacted the Estonian foreign ministry for comment.

This is a developing story to be updated.

Russian air defenses shot down dozens of Ukrainian drones over several regions on Tuesday, with the authorities in Belgorod reporting civilian injuries and damage to infrastructure, local officials and the Defense Ministry said.

The Russian military stated that at least 89 drones were intercepted between 7pm Tuesday and 7am Wednesday Moscow time across Belgorod, Kursk, Volgograd, and Rostov regions, and over the Crimean Peninsula and the Black Sea. Earlier, the Defense Ministry reported that during the day on Tuesday, an additional 92 drones were destroyed across ten regions, including Moscow.

Belgorod Governor Vyacheslav Gladkov reported that attacks on the region continued into the night, wounding at least six people in the city of Belgorod after missile strikes and injuring another civilian later when a drone hit a residential building.

European nations hit Iran with 'snapback' sanctions over its nuclear program. Here's what that means

Story by Tim Lister, CNN • 8h • 4 min read Summarize

Iran was hit with so-called [snapback sanctions](#) on Sunday local time, at a time of high tension in the Middle East. But what does that mean?

The term is used for the reimposition of United Nations sanctions against Iran a decade after they were suspended as part of a landmark deal to limit and monitor the country's controversial nuclear program.

France, Germany and the United Kingdom said they had "no choice" but to trigger the snapback, accusing Iran of not meeting its obligations under the agreement. But the reversion could mean Tehran moves even further from international oversight of its nuclear program.

Public schools across the country have issued parental warnings as students have been filming themselves urinating as a part of an alarming new **TikTok** trend.

Middle and high school students have hopped on board the bizarre 'pi**er' trend, which encourages teens to record themselves peeing on school property and upload the distasteful footage to social media.

'Not only is this unsafe and unsanitary, but it creates unnecessary work for our staff as they work to maintain clean school spaces,' the principal of Schoo Middle School in Lincoln, **Nebraska**, Allysa Diehl, said in a letter to parents, according to **WCAX**.

Russian cancer vaccine to roll out this fall – creator

The breakthrough treatment is designed to target malignant tumors using the patient's own genetic data

Russian cancer patients are set to be treated with a domestically developed vaccine in the coming months, according to Alexander Gintsburg, head of the Gamaleya Research Institute of Epidemiology and Microbiology, as cited by TASS.

The new vaccine is a personalized treatment designed to target malignant tumors using the patient's own genetic information. Developed with the help of artificial intelligence, the messenger RNA (mRNA) technology allows the vaccine to be tailored to each individual's specific cancer profile, offering a potentially more effective and targeted therapy.

"All documentation was submitted to the Ministry of Health some time ago and we hope that the Herzen Institute, the Blokhin Center, and our institute will soon receive approval to begin production of the first vaccine types personalized against melanoma," Gintsburg said during a roundtable event.

He added that patient groups have already been formed and their genetic data analyzed, and that researchers are ready to begin treatment *"within a month or a month and a half."*

US President Donald Trump is pushing other nations to buy American oil and gas to protect US interests, Kremlin spokesman Dmitry Peskov has said, explaining Trump's demand for the EU to stop importing Russian energy. The move shows Trump is first and foremost "a *businessman*," Peskov added.

The remarks came in response to Trump's repeated calls for European NATO members to stop buying Russian oil and gas, which he tied to potential new US sanctions against Moscow. Trump reiterated the demand in a speech at the UN General Assembly on Tuesday, warning he was "fully prepared to impose a *very strong round of powerful tariffs*" on Russia's trade partners unless his call is met or Moscow moves to make a deal to end the

Christian in Uganda Slain Day after Converting

Muslim brother stabs him to death, sources say.

📅 September 25, 2025 By Our East Africa Correspondent - [Leave a Comment](#)

NAIROBI, Kenya (Morning Star News) – A Muslim high school student in Uganda stabbed his brother to death this month a day after he converted to Christianity, sources said.

Akram Kairoki, a third-year student at Mbale High School in Mbale city, twice knifed his brother Shafiki Wasike on Sept. 1 shortly before they arrived at the school, sources said. Wasike was 19.

“Why should my brother stab me – I have done nothing wrong to him. It is only changing my faith and joining the Christian faith,” the bleeding Wasike said before succumbing to his injuries, according to classmate Jonathan Kabaale.

Wasike, of Bujoloto village in Nkoma Ward, Mbale City, had put his faith in Christ after attending an open-air evangelistic event on Aug. 31, which included a Christian-Islam debate, said Pastor David Wabomba of Bible Evangelism Ministries.

Pastor Wabomba had debated a Muslim identified as Sheik Abudallah at the event. Kairoki learned about his brother’s conversion from a Muslim neighbor who had attended the debate, the pastor said.

Christian Woman in India Raped, Mother Beaten Unconscious

Hindu relatives attack women for their faith.

September 24, 2025 By Our India Correspondent - [Leave a Comment](#)

NEW DELHI (Morning Star News) – Hindu relatives of a 20-year-old Christian woman in central India raped her and nearly killed her mother for their faith in Christ, sources said.

“Since we started to attend church six years ago, my father’s elder brother and his family have begun persecuting us in whatever way possible,” the woman, whose name is withheld as a rape victim, told Morning Star News.

She said she was sowing corn in Chhattisgarh state’s Kondagaon District early in the morning of July 15 when her father’s brother, Chinta Naag, who lives nearby, came to the field with his three sons and told her, her 18-year-old sister and their mother to stop cultivating the land.

The family depends on the land for their living in a village undisclosed for security reasons. Her mother told Naag the land belonged to her deceased husband, that she rightfully owned it and that he could not stop her from working on it, she said. In the ensuing heated argument, she said, the men threatened to kill them.

The World Is Going to End By Tomorrow, Preacher Claims

Story by Wiktor Gucia • 19h • 3 min read

Prepare for the worst: The world will end by Wednesday at the latest, according to a preacher whose prediction has swept the globe.

Joshua Mhlakela, a South African pastor, claimed Jesus came to him in a series of dreams and gave him signs based on a soccer tournament pointing to the world ending by Tuesday Sept. 23, or Wednesday Sept. 24 at the latest.

The prediction, one in a long line of dates for the Rapture which have so far failed to materialize, languished on a YouTube channel for months but with only hours to go, became a viral phenomenon.

"He [Jesus] said: 'There will be no World Cup 2026'... Because life on Earth will not be business as usual for those who are left behind," the pastor said about one of his visions in an [interview](#).

The pastor then explained that he had to research when the next soccer World Cup would take place and discovered that it would be held in the U.S, Canada and Mexico.

A high school in Florida has shut down a weekly morning announcements segment that critics said promoted witchcraft following a complaint letter from a legal nonprofit.

The Liberty Counsel previously sent a complaint letter to Orange County Public Schools (OCPS) over a local high school's practice of allowing a "Witchy Wednesday" segment as part of their morning announcements.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،
فَطُوبَىكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا
تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

3

لِنُنْتَبِهْ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
