هدف هذه الخدمة

اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه لأننا نور العالم الذي أصبح مظلّم وليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل بالمحبة والتبشير وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافى من الان لن يجد زيت في الضيقة لان وقتها جميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذارى انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشرا اشاعات او اخيف البعض ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما انتقلوا

السيد المسيح قال بعض العلامات مثل

انجيل لوقا أصحاح 21

10 ثُمَّ قَالَ لَهُمْ: «تَقُومُ أُمَّةٌ عَلَى أُمَّةٍ وَمَمْلَكَةٌ
عَلَى مَمْلَكَةٍ، 11 وَتَكُونُ زَلَزِلُ عَظِيمَةٌ فِي
أَمَاكِنَ، وَمَجَاعَاتٌ وَأُوبَّةٌ. وَتَكُونُ مَخَافٌ
وَعَلَامَاتٌ عَظِيمَةٌ مِنَ السَّمَاءِ.....

وَتَكُونُ عَلَامَاتٌ فِي الشَّمْسِ وَالْقَمَرِ وَالنُّجُومِ،
وَعَلَى الْأَرْضِ كَرْبٌ أُمٌّ بِحَيْرَةٍ. الْبَحْرُ
وَالْأَمْوَاجُ تَضِجُ، 26 وَالنَّاسُ يُغْشَى عَلَيْهِمْ مِنْ
خَوْفٍ وَانْتِظَارٍ مَا يَأْتِي عَلَى الْمَسْكُونَةِ، لِأَنَّ
قُوَّاتِ السَّمَاوَاتِ تَتَزَعَزَعُ. 27 وَحِينَئِذٍ
يُبْصِرُونَ ابْنَ الْإِنْسَانِ آتِيًا فِي سَحَابَةٍ بِقُوَّةٍ
وَمَجْدٍ كَثِيرٍ.

السيد المسيح قال بعض العلامات مثل

سفر اعمال الرسل اصحاح 2

19 وَأُعْطِيَ عَجَائِبَ فِي السَّمَاءِ مِنْ فَوْقُ وَآيَاتٍ عَلَى الْأَرْضِ مِنْ أَسْفَلُ: دَمًا وَنَارًا وَبُخَارَ دُخَانٍ.

20 تَتَحَوَّلُ الشَّمْسُ إِلَى ظُلْمَةٍ وَالْقَمَرُ إِلَى دَمٍ، قَبْلَ أَنْ يَجِيءَ يَوْمُ الرَّبِّ الْعَظِيمِ الشَّهِيرِ.

21 وَيَكُونُ كُلُّ مَنْ يَدْعُو بِاسْمِ الرَّبِّ يَخْلُصُ.

لماذا قال السيد المسيح بعض العلامات؟

أولا لكي لا نرتاع

انجيل متى 24 : 6

وَسَوْفَ تَسْمَعُونَ بِحُرُوبٍ وَأَخْبَارِ حُرُوبٍ.
أَنْظُرُوا، لَا تَرْتَاعُوا. لِأَنَّهُ لَا بُدَّ أَنْ تَكُونَ هَذِهِ
كُلُّهَا، وَلَكِنْ لَيْسَ الْمُنْتَهَى بَعْدُ.

لماذا قال السيد المسيح بعض العلامات؟

ثانيا لنؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى
مَتَى كَانَ تُؤْمِنُونَ.

لماذا قال السيد المسيح بعض العلامات؟

ثالثا لنتنبه ونستعد

انجيل لوقا 21: 28

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.

وَالنُّجُومُ تَسْقُطُ مِنَ السَّمَاءِ، وَقُوَّاتُ
السَّمَاوَاتِ تَتَزَعَّعُ.....
متى 24 : 29

وَنُجُومُ السَّمَاءِ سَقَطَتْ إِلَى الْأَرْضِ...
رؤيا 6 : 13

وَتَكُونُ مَخَاوِفُ وَعَلَامَاتُ عَظِيمَةٌ مِنَ
السَّمَاءِ..... وَتَكُونُ عَلَامَاتُ فِي الشَّمْسِ
وَالْقَمَرِ وَالنُّجُومِ..... لِأَنَّ قُوَّاتِ
السَّمَاوَاتِ تَتَزَعَّعُ...

A STREAM OF SOLAR WIND IS APPROACHING EARTH: A hole has opened in the sun's atmosphere, and it is venting a stream of solar wind directly toward Earth. NASA's Solar Dynamics Observatory photographed the dark chasm on Oct. 9th:

This is a "coronal hole" -- a region in the sun's atmosphere where magnetic fields open up and allow solar wind to escape. Coronal holes look dark because the glowing-hot plasma normally contained there is missing.

A stream of solar wind flowing from this coronal hole should reach Earth on Oct. 12th. Its arrival could spark [G1](#)-class geomagnetic storms. Ukraine says 'massive' Russian attack targeted energy infrastructure

Russia carried out a "massive attack" on Ukraine's energy infrastructure, top Ukrainian officials said early Friday, leaving parts of the capital Kyiv without power.

The Kremlin appears again to be using a tactic deployed in previous years, depriving Ukrainians of power and heat ahead of the bitter winter months. Russia started attacking Ukraine's energy infrastructure in late September, according to official reports and CNN's assessment.

The attacks have been almost daily since then, with targets including energy generating facilities, including gas production and distribution.

Ukrainian President Volodymyr Zelensky [called](#) Friday's strike "a cynical and calculated attack, with more than 450 drones and over 30 missiles targeting everything that sustains normal life, everything the Russians want to deprive us of."

Lithuania has told its citizens to start preparing bomb shelters as fears grow that the Baltic nation could be dragged into war with Russia.

The country, which borders Belarus and Russia's Kaliningrad enclave, has been urging its residents to prepare for more than a year.

Its location is seen as a potential danger, given that Belarus is a close ally of Putin, and both countries conduct joint Zapad military drills.

This year, the government said: 'There are currently 6,453 bomb shelters in Lithuania that can accommodate approximately 1.5 million people, or about 54% of the country's population.'

رئيس وزراء فرنسا الجديد يستقيل بعد ساعات من اعلان الحكومة الجديدة
وفرنسا تنزلق لتفكك سياسي

The French National Institute of Statistics and Economic Studies (INSEE) has just published its latest estimates on the foreign population in France. Unsurprisingly, the figures have never been higher, and when viewed over a 20-year period, they reveal a massive influx of foreign nationals that is significantly altering the composition of the French population.

The figures have been aggregated and examined by analyst [Marc Vanguard](#), a specialist in demographic statistics. His conclusions, reaffirming the widespread feeling of disenfranchisement from their own country that so many French (and many other Europeans) experience every day, are alarming.

In France, in 2025, the foreign population reached a record 6 million—a level never before achieved. Twenty years earlier, it stood at 3.6 million.

The discovery of tiny fossilized ear bones from the prehistoric fish *Acronichthys maccognoi* has challenged long-held views on the evolution of freshwater fish species in North America, such as catfish. These ancient structures provide new insights into adaptations for freshwater environments, pushing back timelines for key evolutionary milestones. A related 15 million-year-old fish fossil, preserved with its last meal still in its stomach, underscores the rarity of such detailed prehistoric preservation.

Archaeologists have uncovered 23,000-year-old human footprints in an area where such evidence of human activity should not exist, challenging previous understandings of human migration. These ancient footprints emerged from sands, sparking a reevaluation of when humans first inhabited the Americas. This discovery has prompted a significant shift in the timeline of human presence in the region, suggesting that humans may have arrived much earlier than previously thought.

Archaeologists unearth 1,500-year-old synagogue below abandoned Syrian village in Golan

Story by Rossella Tercatin • 18h • 🕒 4 min read

A team of Israeli archaeologists has unearthed the remains of a synagogue in the Golan Heights, roughly dating to 1,500 years ago, the Israel Nature and Parks Authority and the University of Haifa said on Sunday.

The Yehudiya Nature Reserve, known for its streams, canyons, and waterfalls, is named after the Syrian village of Yehudiya, which was inhabited until Israel captured the area from Syria in 1967. The town likely preserved the name of an ancient settlement that might have had a Jewish population.

For decades, Israeli researchers had surveyed the village, which contains several stones and architectural elements from the synagogue incorporated into its houses. However, the synagogue's exact location remained a mystery.

"The abandoned Syrian village is built on top of ancient remains," said Dr. Mechael Osband from the Zinman Institute of Archaeology at the University of Haifa and the Department of Land of Israel Studies at the Kinneret Academic College. "You'd walk into a house and see a pillar in the middle used as a support for the roof, or a Doric capital underneath an archway."

Overall, some 150 items from the synagogue have been documented across the ruins of the village, including a stone engraved with a menorah.

Four years ago, Osband and his partner, Prof. Haim Ben-David, also from Kinneret College, began a systematic survey of the site. They mapped out the remains of the synagogue and the exact locations where they had been found.

"After we mapped out the remains, we told ourselves that we would do two probes and see if we could figure out where the synagogue was," Osband told The Times of Israel over a phone interview. "I'll be honest, I didn't think we would find anything."

ABUJA, Nigeria (Christian Daily International–Morning Star News) – Suspected Fulani criminals in western Nigeria kidnapped and killed a Christian pastor despite receiving 5 million naira (\$3,125 USD) in ransom, sources said.

The Rev. James Audu Issa of the Evangelical Church Winning All (ECWA) in the Ekati area of Kwara state was found dead in the wilderness on Thursday (Oct. 2) after he was kidnapped from his home within ECWA premises in Ekati town, Patigi County, on Aug. 28.

“The pastor was killed by Fulani bandits terrorizing Edu and Patigi Local Government Areas in Kwara state,” area resident Peter Kolo said.

His captors initially had demanded an exorbitant sum of 100 million naira (\$62,500 USD), Kolo said.

HYDERABAD, India (Morning Star News) – More than six months after police in southern India dismissed the death of a pastor as a road accident, Christians in the region say there is strong evidence the continually threatened evangelist was murdered.

Pastor Praveen Pagadala's body was found on the side of the road near Rajahmundry, Andhra Pradesh state, on March 25. Police asserted he had been driving drunk, ignoring Christians' statements that he never drank and received incessant threats on his life from Hindu nationalists.

Wrongly Imprisoned Christian in Pakistan Dies after Release

Pastor languished in prison for 13 years.

LAHORE, Pakistan (Christian Daily International–Morning Star News) – A pastor acquitted of a false blasphemy charge after 13 years of languishing in prison tragically died two days after his release, a rights group said.

Pastor Zafar Bhatti, 62-year-old founder of the Jesus World Mission Church ministry, died of cardiac arrest on Sunday (Oct. 5) at his home in Rawalpindi, Punjab Province, rights group British Asian Christian Association (BACA) announced. BACA had arranged legal representation for the pastor and also supported his 76-year-old ailing wife, Nawab Bibi. He had no children.

Bhatti was released from the Adiala District Jail on Wednesday after the Rawalpindi Bench of the Lahore High Court overturned his blasphemy conviction by a sessions court on Oct. 2. He was arrested in July 2012 after an Islamist cleric accused him of sending text messages disrespectful of Islam's prophet, Muhammad.

African church rejects new female archbishop of Canterbury

Nigeria’s Anglican body has said it cannot accept Sarah Mullally as a leader and cites her support for same-sex blessings

The Anglican Church of Nigeria has formally rejected the appointment of the first-ever female archbishop of Canterbury.

Nigerian archbishop, metropolitan and primate of the Church of Nigeria, Henry Ndukuba, described the election of Sarah Mullally as “a double jeopardy” – first for imposing female headship on those who cannot accept it, and second for promoting “a strong supporter of same-sex marriage.”

In a statement posted on Facebook on Monday, Ndukuba questioned how Mullally “hopes to mend the already torn fabric of the Anglican Communion” given ongoing debates over same-sex marriage.

Thousands of churches across the United Kingdom are at risk of shutting down over the next five years, according to the findings of a new survey that point to a continuing decline in church viability driven by financial strain, location and denominational pressures.

While most congregations believe their church buildings will remain open, a significant minority are doubtful, with estimates projecting up to 2,000 closures by 2030, according to a nationwide survey by the [National Churches Trust](#), a U.K.-based charity focused on preserving historic places of worship.

فلهذا اطلب أن نصلي ونستعد ونعد زيت لمصايحنا لاستقبال العريس بالصلاة والصوم وخدمة أبناء الله وتنقية القلب والاستعداد بلبس العرس.

رسالة بولس الرسول الي أهل رومية 13

11: 13 هذا وأنكم عارفون الوقت أنها الآن ساعة لنستيقظ من النوم فان خلاصنا الآن أقرب مما كان حين امنا

12: 13 قد تناهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

14: 13 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الآن قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا

1

لكي لا نخاف

وَلَكِنْ وَإِنْ تَأْتَمُّنُمْ مِنْ أَجْلِ الْبَرِّ،

فَطُوبَىٰكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا

تَضْطَرُّوْا..... (1 بطرس 3 : 4)

2

بِلْ نُؤْمِنْ

قُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونُ،
حَتَّى مَتَى كَانِ تُؤْمِنُونَ....

(يوحنا 14 : 29)

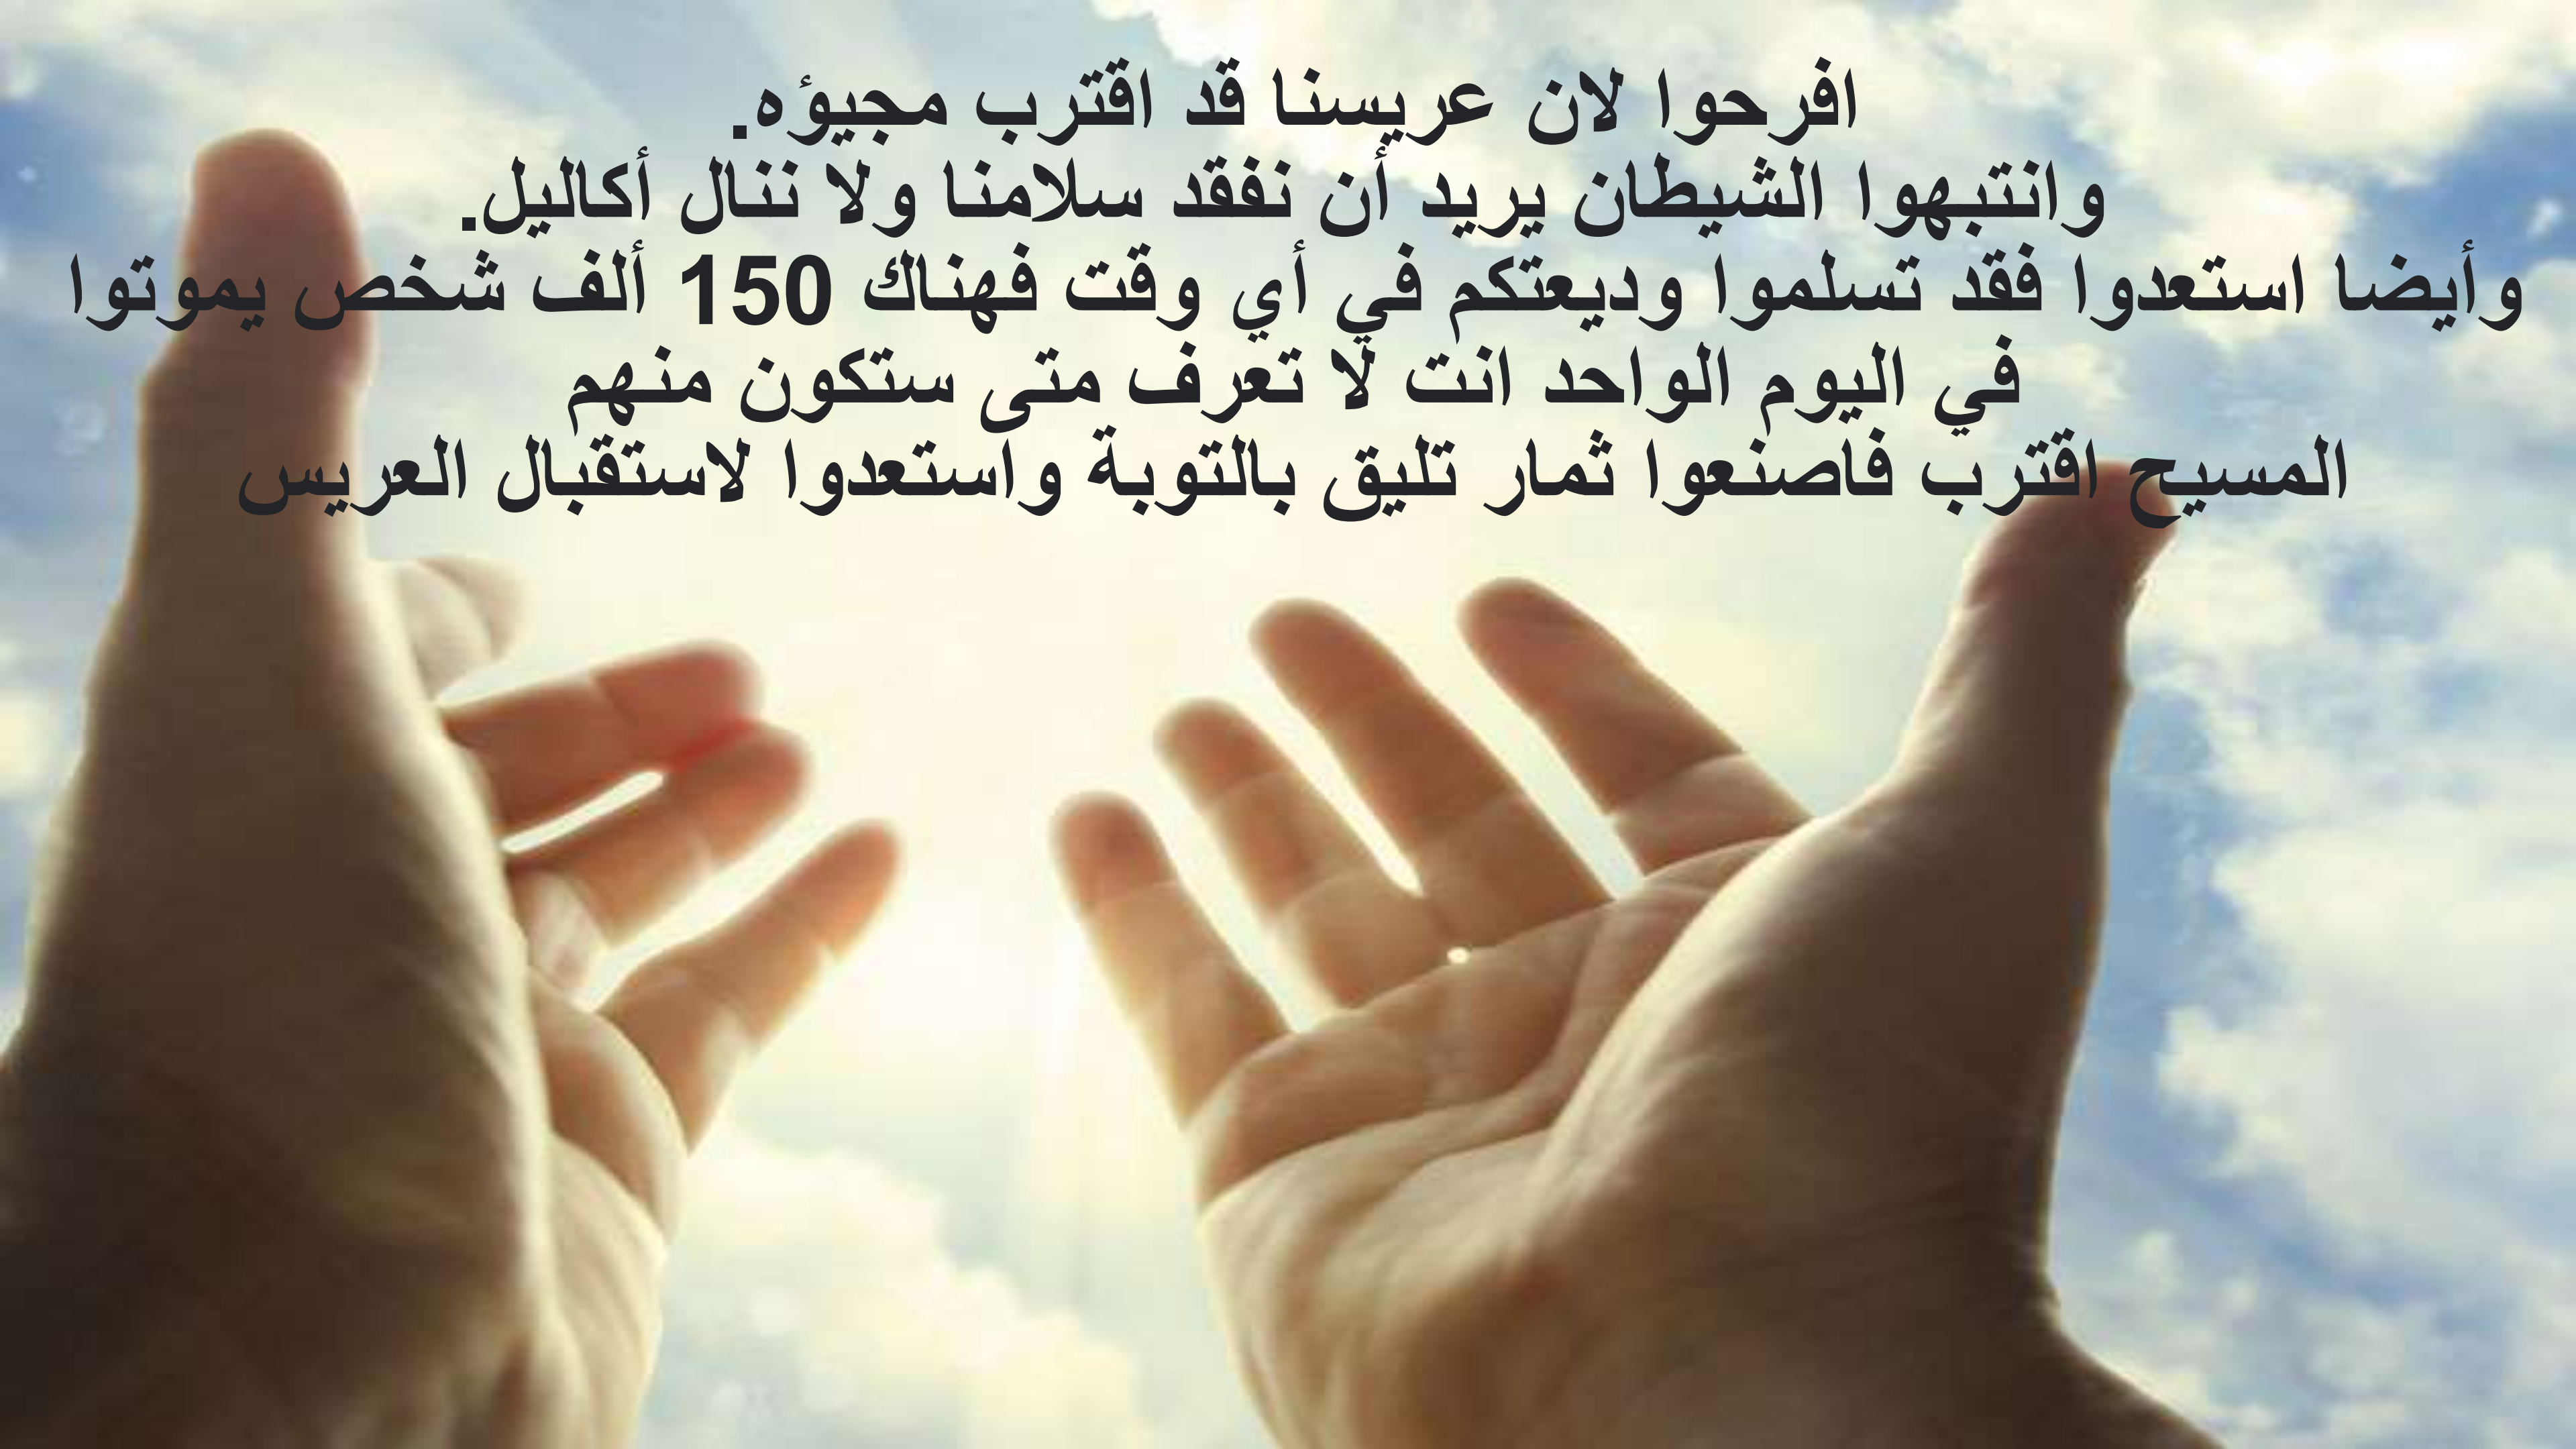

3

لِنُنْتَبِهَ وَنُسْتَعِدَّ

وَمَتَّى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا
وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ

لوقا 21 : 28

افرحوا لان عريسنا قد اقترب مجيؤه.
وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.
وأیضا استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا
في اليوم الواحد انت لا تعرف متى ستكون منهم
المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس

والمجد لله دائماً
